

**AMEND BOARD REPORT 01-0926-PR14**  
**AMEND BOARD REPORT 01-0627-PR19**  
**AMEND BOARD REPORT 01-0221-PR6**  
**RATIFY AN AGREEMENT WITH DIVERSIFIED TELECOMMUNICATIONS INC.**  
**FOR CONSULTANT SERVICES**

**THE CHIEF EXECUTIVE OFFICER REPORTS THE FOLLOWING DECISION:**

Ratify an agreement with Diversified Telecommunications Inc. (DTI) to provide consulting services to the Office of Technology Services at a cost not to exceed \$1,115,000.00. Consultant was selected on a non-competitive basis because of its expertise in the implementation of Oracle systems and the urgency of the implementation issues. These services were obtained without prior Board approval. A written agreement for Consultant's services is currently being negotiated. No payment shall be made to Consultant prior to the execution of the written agreement. The authority granted herein shall automatically rescind in the event a written document is not executed within ninety (90) days of the date of this Board Report. Information pertinent to this document is stated below.

The purpose of this amendment is to exercise the option to renew the agreement for an additional six (6) months at no additional cost. A written document exercising this option is currently being negotiated. No payment shall be made to Consultant during the extension period prior to the execution of the written document. The authority granted herein shall automatically rescind in the event a written document is not executed within sixty (60) days of the date of this Board Report.

This second amendment is necessary to increase the dollar amount of the Contract by \$555,000.00, as the new Oracle Implementation schedule will require additional resources to fill CPS internal staffing gaps that will be required for the development of new reports, customizations, support of newly implemented 11i modules and the current EDI Gateway implementation. A written amendment to the Contract is currently being negotiated. No payment for these additional services shall be made prior to the execution of the written amendment. The authority granted in this amended Board Report shall automatically rescind in the event a written amendment is not executed within ninety (90) days of the date of this amended Board Report.

This third amendment is necessary to extend the time period for an additional six (6) months at no additional cost. DTI will continue to provide additional resources to fill CPS internal staffing gaps that will be required for the Oracle implementation schedule (including, the development of new reports, customizations, support of newly implemented 11i modules and the current EDI Gateway implementation). A written amendment to the Contract is currently being negotiated. No payment for these additional services shall be made prior to the execution of the written amendment. The authority granted in this amended Board Report shall automatically rescind in the event a written amendment is not executed within ninety (60) days of the date of this amended Board Report.

**SPECIFICATION NO.:** 00-250874

**CONSULTANT:** Diversified Telecommunications Inc.  
1112 South Wabash Avenue, Suite 500  
Chicago, Illinois 60605

**TERM:** The term of this agreement shall commence on January 3, 2001 and shall end ~~January 2, 2002~~ July 3, 2002.

**SCOPE OF SERVICES:** DTI will continue to provide ORACLE technical consultants to assist in stabilizing the currently implemented modules in the following manner:

- DTI will provide ORACLE applications Developers/Analysts with technical expertise in the Oracle 11i Financials and HRMS modules to:
  - Develop and support implementation of Oracle EDI Gateway as implemented in 11.03.
  - Develop critical CPS user reports for the 11i environment.
  - Troubleshoot and resolve production problems as reported by CPS users of 11i implemented Financials and HRMS modules.
  - Perform analysis, development, testing and documentation of user requested customizations to 11i modules.
  - Resolve and document technical solutions as identified during testing and post production phases of implementation.
  - Assist Oracle consulting with cross-training CPS, Office Of Technology Services staff in technical tasks needed to support the 11i Oracle application.
  - Assist in documentation of customizations requested by CPS business users.
  - Training of OTS staff to support technical aspects of the Oracle application.
- DTI will provide Oracle 11i Application functional consultants with expertise in the Financials and/or HRMS modules, as required by the Office Of Technology Services over the implementation of the 11i implementation.
- DTI will continue to provide ORACLE applications Developers/Analysts with technical expertise in the Accounts Payable (AP), Purchasing (PO) and General Ledger (GL) modules to:
  - Develop critical CPS user reports.
  - Troubleshoot and resolve production problems as reported by CPS users of the current AP/PO and GL ORACLE system.
  - Perform analysis, development, testing and documentation of user requested enhancements to application.
  - Resolve and document technical solutions to issues listed in the CPS AP/PO post-implementation log.
  - Assist Oracle consulting with cross-training CPS, Office Of Technology Services staff in technical tasks needed to support the existing Oracle application.
  - Assist in documentation of customizations requested by CPS business users.
  - Training of OTS staff to support technical aspects of the Oracle application.
- DTI will continue to provide an ORACLE applications and technical Database Administrators who will provide the following services:
  - Lead the Oracle database administrator team in all aspects of Oracle database related project tasks and report to the Deputy CTO, Applications Development strategy and project plans.
  - Lead project team in the development of user views to the Oracle database allowing CPS users access to the data for ad-hoc reporting.
  - Develop/Implement automated daily database housekeeping strategy, to prevent performance issues within CPS' Oracle database environment.
  - Monitor and tune the Oracle applications database for optimal performance, which includes database sizing, space management, table re-organization and/or partitioning and query optimization, back-up and database recovery.
  - Anticipate future growth of Oracle database environment, and provide OTS management with recommendation and plans for hardware and software upgrades.
  - Apply authorized database patches, upgrades and tools (Oracle and third party) to the Oracle applications database environment, as needed.
  - Develop and document standards and procedures for security access, migration to development, testing and production environments.

- Training of OTS staff to support technical aspects of the Oracle application.
- Strategy and Plans for the development and implementation of an Oracle repository.

**DELIVERABLES:**

**The Developers/Analysts** will continue to provide the following deliverables:

- Weekly status reports containing assigned project tasks and time spent, issues and weekly accomplishments.
- Fully documented business and technical solution for system enhancements and reports.
- Impact analysis, if applicable, for system enhancements.
- Project plan, if applicable, for mini and major project enhancements.

**The Database Administrators** will continue to provide the following deliverables:

- Weekly status report on Oracle database projects for group, project tasks, time spent, resource assignments, team accomplishments and issues, and database outages.
- Project plans with detailed tasks, milestones and resource allocations for Oracle database projects.
- Fully documented policy and procedures for database access, security, production monitoring and any enhancements made to production environment to tune database(s), sizing, performance resolution.
- Data dictionary and SQL for user views created for CPS' live Oracle modules.
- Documented nightly housekeeping procedures.

**OUTCOMES:** Consultant's services will continue to result in the resolution of CPS' post implementation issues regarding Oracle, including reporting gaps, authorized system enhancements and overall system performance, which will ensure that the Oracle applications environment is fully functional at CPS.

**COMPENSATION:** Consultant shall be paid as follows: at the hourly rates stated in the written contract (not to exceed \$140.00 per hour), not to exceed the sum of \$1,115,000.00.

**AUTHORIZATION:** Authorize the General Counsel to include other relevant terms and conditions in the written agreement. Authorize the President and Secretary to execute the written agreement. Authorize the Chief Technology Officer to execute all ancillary documents required administering or effectuating this written agreement.

**AFFIRMATIVE ACTION:** The vendor has proposed M/WBE participation for the renewal period and has identified the following firms and percentages:
