DESCRIPTION: Vision Service Plan (VSP), through its Sight for Students Program will provide approximately 1,000 vouchers (valued at approximately \$100 each) for eye examinations and eyeglasses (as prescribed), to be redeemed at over 100 local optometric offices and clinics participating in the VSP vision care network. These vouchers will enable low-income CPS students to receive free diagnostic eye examinations and glasses, as needed. Each participating student will receive a voucher for free care, redeemable at a wide range of retail optometric sites around Chicago with which VSP separately contracted. To qualify for the voucher program, students must: 1) have no third-party insurance coverage for vision care services; and 2) fail school-based vision screening. Students who have lost or broken their glasses also may qualify for the program. Parents or guardians will be responsible for scheduling appointments and transporting student to the office site.

ESTIMATED VALUE OF DONATION: \$100,000
