

**AMEND BOARD REPORT 02-0626-PR49**  
**AUTHORIZE ENTERING INTO AGREEMENTS WITH VARIOUS PRIVATE RESIDENTIAL**  
**SCHOOLS AND APPROVE PAYMENT OF ROOM AND BOARD TO THESE SCHOOLS**

**THE CHIEF EXECUTIVE OFFICER REPORTS THE FOLLOWING DECISION:**

Authorize entering into agreements with those private residential schools listed on Exhibit "A" at a cost not to exceed the aggregate amount of ~~\$10,000,000.00~~ \$9,000,000.00 for room and board over a two-year period. These payments are reimbursed through the Illinois State Board of Education. Students with severe disabilities are placed in private residential schools either by the Board directly, the Department of Children and Family Services (DCFS), the Department of Mental Health (DMH), or pursuant to court order. Written agreements for these private residential schools are being negotiated. The Illinois State Board of Education (ISBE) requires private residential schools and local school districts to execute Nonpublic Facility Placement Contracts for each student being placed in a private residential school. Whenever possible, the Board will have each private residential school sign a more detailed Private Residential School Agreement, but executing these separate agreements is not required by law or by the Board. Information pertinent to this program is stated below.

This amended Board Report is necessary to reduce the cost of this program and to add additional schools to the list of providers affiliated with this program.
