**(f/k/a SBC GLOBAL SERVICES, INC.) FOR**  
**LOCAL AREA NETWORK (LAN) CONSTRUCTION SERVICES**

**THE CHIEF EXECUTIVE OFFICER REPORTS THE FOLLOWING DECISION:**

Approve the renewal of the agreement with SBC Datacomm (f/k/a SBC Global Services, Inc.) to provide LAN construction services to the Department of Operations at a cost not to exceed \$16,000,000.00 during the renewal term. Vendor was selected pursuant to a request for proposals solicited in accordance with the guidelines and requirements issued by the Federal Government's Universal Services Program. Because vendor currently has a contract for these services, a new contract is not necessary and the parties have agreed to renew the current contract. A written renewal agreement is currently being negotiated. No payment shall be made to the vendor prior to the execution of the written renewal agreement. The authority granted herein shall automatically rescind in the event a written document is not executed with ninety (90) days of the date of this Board Report. Information pertinent to this renewal is stated below:

This amendment is necessary to extend the term of the contract for a three (3) month period in order to coincide with and allow for the Board's participation in Year 4 of the E-Rate LAN Wiring Program at no additional cost to the Board. Year 4 was extended by Universal Services Administrative Company (USAC) through September 30, 2003. A written amendment to the Contract is currently being negotiated. No further payments shall be made to Vendor prior to the execution of the written amendment. The authority granted in this amended Board Report shall automatically rescind in the event a written amendment is not executed within sixty (60) days of the date of this amended Board Report.

This second amendment is necessary to reflect the reduction in funding for this program and to extend the term of the contract for a nine (9) month period in order to coincide with and allow for the Board's participation in Year 5 of the E-Rate LAN Wiring Program at no additional cost to the Board. It is anticipated Year 5 of the E-Rate Program will be extended by the Universal Services Administrative Company (USAC) through June 30, 2004. A written amendment to the Contract is currently being negotiated. No further payments shall be made to Vendor prior to the execution of the written amendment. The authority granted in this amended Board Report shall automatically rescind in the event a written amendment is not executed within sixty (60) days of the date of this amended Board Report.

This third amendment is necessary to extend the term of the contract to September 30, 2004, to allow vendor to complete E-Rate Year 4 services, at no additional cost to the Board. A written amendment to the contract is required. No further payments shall be made to Vendor prior to the execution of the written amendment. The authority granted in this amended Board Report shall automatically rescind in the event a written amendment is not executed within ninety (90) days of the date of this amended Board Report.
