

**ADJUST ATTENDANCE AREAS FOR LITTLE VILLAGE HIGH SCHOOL CAMPUS
AND FARRAGUT CAREER ACADEMY HIGH SCHOOL**

THE CHIEF EXECUTIVE OFFICER RECOMMENDS:

Effective July 1, 2008, adjust the attendance boundaries for the Little Village High School Campus, located at 3120 South Kostner Avenue and Farragut Career Academy High School located at 2345 South Christiana Avenue. Students currently attending these schools may continue to attend these schools.

A public meeting was convened on August 20, 2007 at the Board of Chambers to discuss and receive comments on the proposed boundary change.

DESCRIPTION: These changes are necessary due to overcrowding at the Farragut Career Academy High School. Reduction of overcrowding at Farragut Career Academy is accomplished by establishing an attendance area for the Little Village Campus High School and adjusting the attendance areas of the Farragut High Schools.

Students residing within the Little Village attendance area who are not accepted at the Little Village Campus High School due to enrollment caps will be placed on a waiting list for admission to the campus. Students residing within the Little Village Campus High School attendance area who are not enrolled at one of the four high schools as a result of the lottery managed by the Office of Academic Enhancement will be assigned to a designated receiving school by the Office of Instruction and School Management, which shall work in conjunction with the feeder schools and the Little Village High School Placement Office with the participation of the student and parents/legal guardians.

These changes effect only newly enrolled ninth graders for the 2008-2009 school year, ninth and tenth grades for the 2009-2010 school year, ninth through eleventh grades for the 2010-2011 school year and ninth through twelfth grades for the 2011-2012 school year. Students currently enrolled at any of these schools, will not be required to transfer.
