CONTINGENT APPROVAL: Approval to open the two new campuses to open in the fall of 2008 and execution of an amendment to the Charter School Agreement is contingent upon the Noble Network of Charter Schools meeting benchmarks detailed by the Office of New Schools on or before April 15, 2008. These benchmarks will be communicated to the Noble Network of Charter Schools. The Office of New Schools will oversee the enforcement of these deadlines. Failure of Noble Network of Charter Schools to meet these deadlines, at the option of the Board, may result in the rescission of the authority granted herein and the denial of the proposal to open the new campuses. A final review of the proposal to open the new campuses will be conducted by the Chief Executive Officer. The Chief Executive Officer or his designee will file a report, approved by the General Counsel as to form and legality, indicating the CEO's final approval or denial of the proposal to open the new campuses. The report will be filed with the Secretary of the Board on or before May 15, 2008. This final review will be conducted to determine compliance with the terms indicated above.

CHARTER EVALUATION: The Charter School's Office Review Committee ("Committee") has reviewed and evaluated Noble Street's renewal proposal as well as the school's past academic, financial and operational performance. During the last school year, Noble Street satisfied its academic accountability requirements in five of the six areas reviewed. On the PSAE, 38.5% of Noble's 11th graders met or exceeded state standards. Noble performed better than CPS neighborhood school on 4 of the 5 student performance measures reviewed, despite a dip in PSAE scores of 6.8% from the previous year. Finally, the school has high attendance (94%) and graduation (89.9%) rates and a low mobility rate. The school is also very well managed. The committee recommends, based on these accountability measures and results, that Noble Street be authorized to continue operating as a charter school.

RENEWAL TERM: The term of Noble Street's charter status is being extended for five (5) years commencing July 1, 2004 and ending June 30, 2009.

AUTHORIZATION: Authorize the General Counsel to include relevant terms and conditions, including any indemnities to be provided to the charter school, in the written Charter School Agreement which shall reflect resolution of any and all outstanding issues between the Board and the governing body of the charter school, including but not limited to: site location, enrollment, funding, educational program, financial controls and practices, academic accountability and evaluations. Authorize the President and the Secretary to execute the Charter School Agreement. Authorize the General Counsel to further negotiate and execute any Amendments to the Agreement required by the Illinois State Board of Education. Authorize the ~~Director of Charter Schools~~ Executive Officer of the Office of New Schools to issue a letter notifying the Illinois State Board of Education of the action(s) approved hereunder and to submit the approved proposal and signed Charter School Agreement to the Illinois State Board of Education for certification.

LSC Review: Approval of Local School Counsel is not applicable to this report.

FINANCIAL: The financial implications will be addressed during the development of the 2004-2005 fiscal year budget. Since the School Code of Illinois prohibits the incurring of any liability unless an appropriation has been previously made, expenditures beyond FY04 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budgets. Noble Street plans to maintain a stable enrollment of approximately 2,698 students throughout its renewal term. The cost of the original enrollment will be approximately \$2,565,000 each year. Financial implications of material modifications adding new campuses will be addressed during the development of subsequent fiscal year budgets.

GENERAL CONDITIONS:

Inspector General – Each Party to the agreement shall acknowledge that, in accordance with 105 ILCS 5/34-13.1, the Inspector General of the Board of Education has the authority to conduct certain investigations and that the Inspector General shall have access to all information and personnel necessary to conduct those investigations.

Conflicts - The agreement shall not be legally binding on the Board if entered into in violation of the Provisions of 105 ILCS 5/34-21.3, which restricts the employment of, or the letting of contracts to, former Board members during the one-year period following expiration or other termination of their terms of office.

Indebtedness – The Board’s Indebtedness Policy adopted June 26, 1996 (96-0626-PO3), as amended from time to time, shall be incorporated into and made a part of the agreement.
