

**APPROVE THE ESTABLISHMENT OF
OGDEN INTERNATIONAL HIGH SCHOOL**

THE CHIEF EXECUTIVE OFFICER RECOMMENDS THE FOLLOWING DECISION:

That the Board approve the expansion of the Ogden Elementary School as the Ogden International High School ("OIHS") as a Renaissance Performance School contingent upon Board approval of a site to be identified at a later date.

DESCRIPTION:

School Designation: OIHS is scheduled to open in the fall of 2009 as an expansion to the Ogden Elementary School as a Performance School in accordance with Board's Renaissance Schools Policy, 07-0627-PO4, as amended ("Renaissance Policy").

Public Hearing: A public hearing on the opening of OIHS was held on October 6, 2008 at the William B. Ogden Elementary School, 24 W. Walton, Chicago, IL 60610 and on October 15, 2008 at Board Chambers, in accordance with Renaissance Policy. A summary report of the hearings is available for review.

Request for Proposals: In April 2008, the Office of New Schools issued a Request for Proposals to solicit responses from parties interested in starting schools under the Renaissance 2010 Initiative. Design Frameworks to operate either a charter school, contract school, or performance school were submitted by interested parties on June 2, 2008. Supplemental proposal materials for approved design frameworks were submitted on July 28, 2008. Proposals were evaluated pursuant to the standards set forth in the Renaissance Policy. Proposals were reviewed by the Office of New Schools and a Comprehensive Evaluation Team and recommendations were submitted to the Chief Executive Officer based upon those reviews and evaluations.

School Design Team: The proposal for the establishment of OIHS was submitted by the members of the William B. Ogden School design team including the Principal, LSC members, Program Director, Operations Manager, teachers as well as consultants with high school and Renaissance 2010 experience.

School Profile: OIHS is scheduled to open in the fall of 2009 serving approximately 150 students in grade 9. In subsequent years the school will add grades 10, 11, and 12 serving at capacity up to 600 students. Ogden Elementary School 8th graders may transition to the OIHS as 9th graders and once a site is identified the process for the enrollment of additional students and the establishing of any attendance boundaries will be presented to the Board for approval. OIHS will build on the success of Ogden Elementary by preparing students for post-secondary education and lifelong success in the global economy. The curriculum will be comprehensive, emphasizing global studies, humanities and liberal arts while incorporating advanced technology designed to maximize student achievement, increase student readiness to advance to the next level, and engage students in authentic and meaningful learning experiences. OIHS will embed internationalism in all aspects of the educational program, providing opportunities for students to relate curricular concepts to global issues, emphasizing authentic student work and objectives focusing on synthesis and evaluation.

Governance: The Ogden Elementary School Local School Council will continue and may be modified at a later date in order to allow for high school student representation.

Performance Plan: The operation and performance of the OIHS will be in accordance with a Performance Plan to be established pursuant the Renaissance Policy and approval of the Board. At a minimum, the Performance Plan will address student academic outcomes and financial and management practices of the school.

CONTINGENT APPROVAL: The granting of the establishment of the school by the Board and the entering into an evaluation performance plan is contingent upon the ability of the school design team meeting benchmarks detailed by the Office of New Schools including but not limited to, securing a facility and developing a remediation plan. These benchmarks will be communicated to the school design team in a formal Memorandum of Conditions with all deadlines to be met by April 15, 2009. The Office of New Schools will oversee the enforcement of these deadlines; failure to meet these deadlines may, at the option of the Board, result in the rescission of the authority granted herein and the denial of the performance school application. The Chief Executive Officer or his designee will file a report, approved by the General Counsel as to legal form, indicating the CEO's final approval or denial of the performance school application and satisfactory resolution of all material issues related to the formation of the school. The report will be filed with the Secretary of the Board on or before May 15, 2009. This final review will be conducted to determine compliance with the terms indicated above.

FINANCIAL: Using current year financial data, the General Fund cost of 150 students in 2009-10 will be approximately \$1,158,600.00. The financial implications will be addressed during the development of the 2009-2010 fiscal year budget. Since the School Code of Illinois prohibits the incurring of any liability unless an appropriation has been previously made, expenditures beyond FY09 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budgets.

PERSONNEL IMPLICATIONS: As a Performance School, Ogden International High School will employ CPS teachers and staff. Performance Schools are subject to the collective bargaining agreements between CPS and the Chicago Teachers Union and other labor organizations, including the waiver provisions of those agreements.
