

**APPROVE EXECUTING STUDENT TEACHING AGREEMENTS
WITH VARIOUS COLLEGES AND UNIVERSITIES**

THE CHIEF EXECUTIVE OFFICER REPORTS THE FOLLOWING DECISION:

Approve executing student teaching agreements with the colleges and universities ("Universities") listed on Exhibit A and other Universities in the future that express an interest in placing student teachers in the Chicago Public Schools. No costs are associated with these agreements. These agreements are currently being negotiated. The Board will not provide student teaching assignments to a University's students unless such University and the Board have signed the student teaching agreement. Information pertinent to these agreements is stated below.

UNIVERSITIES: See Exhibit A.

USER: Chicago Public Schools
Office of Human Capital
125 South Clark Street, 2nd Floor
Chicago, IL 60603
Contact Person: Nancy Slavin Phone: 773-553-1129

TERM: The term of the agreement for each University shall commence upon execution and shall end June 30, 2014.

OPTIONS TO RENEW: Each agreement shall have unlimited options to renew for periods of four (4) years each.

SCOPE OF SERVICES: Universities will recruit and screen student teacher candidates according to their own internal policies and practices. The most qualified candidates will be referred to the designated CPS Program contact for selection, background checks and registration in accordance with the Board's Student Teacher and Pre-Service Teacher Enrollment Policy as such policy may be revised by the Board from time to time. The actual number of school-based classroom hours required of each student teacher will be established by that student teacher's University. Local Universities will conduct site observations and assessments, when applicable, for each student teacher at various times throughout the term of their assignment, and will provide technical assistance to the student teachers and their assigned cooperating teachers to help them achieve the learning goals set by that student teacher, their University, and the Board.

As part of its initiative to expand the pool of superior student teacher candidates and increase the number of minority student teacher candidates, the Office of Human Capital will actively recruit Universities annually ranked among the "Top Twenty-Five Education Universities" by US News and World Report and will actively recruit Universities categorized annually as "Historically Black Colleges and Universities" by US News and World Report, to encourage their students to seek student teaching placements in the Chicago Public Schools.

DELIVERABLES:

- Each University will screen and provide qualified student teacher candidates as described in their agreement.
- Each local University will complete at least one site visit for each student teacher during the student teacher's assignment.
- Each University will prepare written performance evaluations for each student teacher and will provide copies of all such written evaluations to the CPS Program Manager if requested.
- Each University will prepare reports and meet with the CPS Program Manager if a student teacher does not meet CPS performance standards.

OUTCOMES: University services will result in providing qualified student teacher candidates who will complete their certification requirements for securing an appropriate Initial Teaching Certificate or Teaching License.

COMPENSATION: Universities and student teachers will receive no monetary compensation from the Board for the provided services.

AUTHORIZATION: Authorize the General Counsel to include other relevant terms and conditions in the written agreements and any amendments. The General Counsel also is authorized to include provisions in the agreements regarding indemnification by the Board when such language is required by a University. Authorize the President and Secretary to execute the agreements and any amendments, including agreements with Universities not listed on Exhibit A without additional Board approval. Authorize the Chief Human Capital Officer to execute all ancillary documents required to administer or effectuate these student teaching placements and the agreements.

AFFIRMATIVE ACTION: Pursuant to section 5.2 of the Remedial Program for Minority and Women Owned Business Enterprise Participation in Goods and Services Contracts, MBE/WBE provisions of the Program do not apply to colleges and universities.

LSC REVIEW: Local School Council approval is not applicable to this report.

FINANCIAL: None.

GENERAL CONDITIONS:

Inspector General – Each party to the agreement shall acknowledge that, in accordance with 105 ILCS 5/34-13.1, the Inspector General of the Board of Education has the authority to conduct certain investigations and that the Inspector General shall have access to all information and personnel necessary to conduct those investigations.

Conflicts – The agreement shall not be legally binding on the Board if entered into in violation of the provisions of 105 ILCS 5/34-21.3 which restricts the employment of or the letting of contracts to, former Board members during the one year period following expiration or other termination of their terms of office.

Indebtedness – The Board's Indebtedness Policy adopted June 26, 1996 (96-0626-PO3), as amended from time to time shall be incorporated into and made a part of the agreement.

Ethics – The Board's Ethics Code adopted June 23, 2004 (04-0623-PO4), as amended from time to time shall be incorporated into and made a part of the agreement.
