SCOPE OF SERVICES:

Vendors shall provide to the Board high-quality Out-of-School Time (OST) Program Services and Recess Facilitation Services referred to herein as "Program". OST programming engages diverse students in academic acceleration/intervention; arts and cultural enrichment; and health and wellness programs that extend learning beyond the school day. OST may include time before and after school, weekends, summer and intercession programming and may serve students from grades K-12.

Vendors that are awarded in the Recess Facilitation Category shall provide recess facilitation services that promote students social, emotional, and physical development. According to the Board's "Principal's Guide to Incorporating Recess into the Full School Day", recess is defined as "an activity during the school day that provides students (K-8) the opportunity to take a break from their class work, engage with their peers and participate in unstructured activities". The duration and scheduling of Programs may vary from several weeks to a full school year, depending on the needs of the school.

Vendors will provide OST programming with a multi-faceted approach: students will receive a positive, well managed experience as evidenced by effective classroom management practices; caring, consistent and positive relationships with adults; intentional focus on youth voice and choice; dedicated organizational focus on high-quality program implementation; and the creation of instructional environments and activities that build students' skills across academic, enrichment, and life skill domains. All Programs shall develop

and reinforce social-emotional, academic, and employability skills across academic/enrichment domains for students in grades K-12.

Vendors will provide the services in the categories awarded; the category awarded to each vendor is indicated below.

Category 1 - Academic Acceleration and Intervention: Refers to programming/curriculum that provides opportunities for students to engage deeply in academic content in non-traditional learning environments (e.g., project-based learning; service learning clubs; Science, Technology, Engineering and Mathematics (STEM) clubs). Additional types of services provided under the umbrella of academic acceleration include, but are not limited to, environmental clubs, chess, civic engagement activities, Jr. Honor Society, college and career preparation, newspaper/writing clubs, etc. Programming must address the needs of diverse learners at varying levels of academic achievement and be aligned with common core standards or other related state standards. Direct instruction of students includes a broad array of experiences (e.g., communications and technology, dance, digital photography, spoken word clubs, regional/traditional art forms, theater performance, visual arts, and world language book clubs). These experiences should be of long enough duration for students to develop knowledge, understanding and skills related to the topic of focus.

Category 3 - OST Health and Wellness: Refers to direct instruction and supports to students in the domains for health and wellness (e.g., physical fitness classes, structured physical activities, club sports, health and nutrition classes and culinary skills). Nutrition programming must include research-based materials that, at a minimum, meet or exceed USDA dietary guidelines and, if raw or cooked foods are served to students, Services shall be delivered by individuals with a certified Chicago or Illinois State Food Handling Permit. All programming should align with CPS district policies including Food Allergy, Family Life and Comprehensive Sexual Health Education and School Wellness Policies. Providers of physical activities must be CPR/AED certified and programming should align with National Association of Sport and Physical Education (NASPE) standards to the greatest extent possible.

Category 4 - Recess Facilitation: Refers to the facilitation of structured or unstructured physical activities for students (K-8).
