

**AUTHORIZE THE PUBLIC BUILDING COMMISSION OF CHICAGO TO UNDERTAKE THE DESIGN  
OF THE LINCOLN ANNEX**

**WHEREAS**, on July 12, 1956, the Board of Education of the City of Chicago (the "Board") joined in the organization of the Public Building Commission of Chicago (the "PBC"); and

**WHEREAS**, the PBC provides a means of facilitating the acquisition, construction and improvement of public improvements, buildings and facilities for use by various governmental agencies in the furnishing of essential governmental, educational, health, safety and welfare services; and

**WHEREAS**, the Board has heretofore participated in the acquisition and construction of public schools and other facilities to provide essential governmental services in cooperation with the PBC and various other governmental agencies; and

**WHEREAS**, the Board has determined that it is necessary, desirable, advantageous, and in the public interest to undertake various capital projects in conjunction with the City of Chicago and other governmental agencies; and

**WHEREAS**, the projects would maximize the utilization of educational facilities operated and maintained by the Board by providing new school educational options and enhanced recreational and other facilities and improving the community areas located in the vicinity of school property; and

**WHEREAS**, the estimated total cost of the design project is anticipated not-to-exceed \$4,600,000.

**NOW, THEREFORE, BE IT HEREBY RESOLVED BY THE CHICAGO BOARD OF EDUCATION:**

1. The PBC is hereby authorized to complete the design for the Lincoln Annex on behalf of the Board. The Chief Financial Officer and the Chief Operating Officer are hereby authorized to deliver a Project Notification to the PBC, as defined in the Intergovernmental Agreement between the Board and the PBC, dated February 1, 2007 (the "IGA").
2. This Project is not part of the Modern Schools Across Chicago Program. The Project will be funded with capital funds generated in Fiscal Year 2013 or subsequent years. To the extent that other capital funds become available, the Board reserves the right to supplant Board Capital funds with other funding sources. The total cost of the design project to be undertaken by the PBC shall not exceed \$4,600,000. This dollar amount is necessary to cover project costs, including environmental, site preparation, contingency, a portion of the architecture fees and a portion of the management fees. The project costs are appropriated in the FY14 Capital Budget and miscellaneous capital funds.
3. The Board's General Counsel is hereby authorized to execute an assignment to the PBC of any and all contracts entered into by the Board in connection with this Project and to execute any and all other documents necessary to effectuate this transfer. Any such contract may include a requirement that all construction work is subject to the terms contained in Board's existing Project Labor Agreement.
4. No cost may be incurred in excess of the level set forth in paragraph 2 above without prior Board approval.
5. This resolution is effective immediately upon its adoption.
