The purchase of goods will also include the below services:

**Delivery and Set-up:** The vendor will deliver, install and set-up new x-ray machines to schools designated by the Office of School Safety and Security. Labor, equipment and materials to deliver and install will be provided by the vendor. Set-up includes the complete assembly of the x-ray machine along with testing to ensure the equipment is functioning properly.

**Maintenance:** The vendor will provide maintenance service for a minimum of one (1) year from the date of installation of each unit in order to keep the equipment working at full capacity.

**Repair Services:** Repairs shall be required in indefinite quantities on an as needed basis throughout the term of the contract. All repairs shall be completed within a reasonable time frame.

**OUTCOMES:**

This purchase of x-ray machines are a major component of our safety strategy in schools and have been in very high demand based on recent tragic events around the country and within the City of Chicago. In addition, with the Concealed Carry Weapons law, schools and parents have raised increased concerns. Purchasing x-ray machines will help prevent weapons from slipping into Chicago Public Schools.
