# Speaker Registration and Participation

## Advanced Speaker Registration Open Period

- Unless otherwise noted in the notice for the Board meeting, Advance Speaker Registration Open Period opens 48 hours before the meeting. This usually means registration opens at 10:30 a.m. on the Monday before a Wednesday Committee meeting and on the Tuesday before a Thursday Regular Board meeting.
- The Advance Registration Open Period will remain open for a 24 hour period.

## How to Register

- Online: Visit [www.cpsboe.org](http://www.cpsboe.org) (recommended)
- Phone: Call (773) 553-1600

## Randomized Lottery for Speaker Selection

In order to provide more equity of voice during the public participation segment, a randomized lottery will be conducted to select speakers for any meeting where the number of registered speakers exceeds the number of slots available.

- Randomized Selection: During a 24 hour registration period, anyone interested in speaking can sign up. After this time, a lottery will randomly select a set number of speakers from those who registered. For example, if 100 people register, the lottery might select 30 of them to speak. This process gives everyone a fair chance to address the Board.
- Number of Speakers: The Board will allocate no more than 30 speaking slots to members of the general public to speak to the Board.
- Notifications: After the lottery, you'll receive an email confirming whether or not you've been selected to speak. Instructions for participating in the meeting will also be provided.
- Applicability: The Randomized Lottery applies to all Board Meetings where advanced registration is available. This system will not only apply to Board Meetings but also to other meetings where advanced registration is available, such as Committee meetings and Hearings.

## Participation

Speakers who registered via the Advance Registration process will have the option to attend in person at the location of the Board meeting or via electronic/telephonic means.

## Limitations on Speaking

To maintain a fair chance for speakers to address the Board, you may not speak at back-to-back meetings and you may not speak at more than one meeting per month.

- If you register for back-to-back meetings and more than one meeting per month, you will not be included for that meeting lottery. This ensures more opportunities for the public to address the Board.
- Speakers may not cede their time to another person.

## Speaker Remarks and Submissions

- Each speaker is given two (2) minutes to present their remarks and materials to the Board. Speakers must end their presentation upon the request of the Board Secretary when their time is up to allow the next speaker to begin.
- All public presentations must be limited to issues of concern before the Board and/or related to the Chicago Public Schools.
- Comments of a personal nature, unrelated to the operations of Board or CPS, directed towards individual Board members, employees of the Board or any other individual are not permitted.
- It is the meeting chair's prerogative to limit the discussion of any speaker to allow for broad and diverse public participation.
- All speakers must adhere to the Behavior Expectations in the following section.

## Order of Speakers

The Board Secretary may group speakers according to a particular topic and may call certain speakers out of numerical order so that all comments regarding a particular topic may be heard together.

## Special Considerations

### Union Representatives and Public Officials

- Union representatives that are elected officers may address the Board.
- City, state, and federal officials may request to speak by contacting the Department of Intergovernmental Affairs at [IGA@cps.edu](mailto:IGA@cps.edu).
- Each union representative or public official is given five (5) minutes to present their remarks.
- Union representatives and public officials may not cede their time to another person.
- The Board Secretary at the discretion of the President may call city, state, and federal officials to speak at any time, as appropriate.

### Interpreters

- An interpreter will be provided for those speakers who wish to make their remarks in Spanish, and Spanish-language interpreters are available. If you need an interpreter for a different language, please notify the Board Office at least two (2) business days before the meeting.
- While speakers may choose to address the Board in Spanish, they will need to provide a written version of their statement the day prior to the meeting if they wish to have it translated into English during the meeting. Speakers who do not provide their statement in advance may still address the Board, but their statement will be translated and shared with Board Members at a later time.

### Behavior Expectations

- The Board values and welcomes courteous, respectful, and civil behavior from all speakers and all persons attending a Board meeting. The Board expects speakers to limit statements to those relating to the operations of the Board or CPS, and refrain from comments of a personal nature, unrelated to the operations of the Board and CPS. It is the meeting chair's prerogative to limit the discussion of any speaker to allow for broad and diverse public participation.
- Profane language, unsolicited comments, and disruptive behavior are prohibited. Individuals who are disruptive may be given a warning and may also be removed from the meeting, if necessary. If any individual is removed from a meeting as a result of disruptive behavior, the individual may forfeit their right of reentry to future Board meetings.

## Written Comments and Other Participation

### Submitting Written Comments

- Even if you are not selected to speak during Public Participation, you can submit written comments. Complete the Written Comments Form on the Board's website or send your comments by mail to 1 N. Dearborn, Suite 950, Chicago, IL 60602. Unless otherwise noted in the public notice for the Board meeting, written comments must be submitted between the posting of the Board meeting agenda and 5 p.m. the day after the Board meeting for consideration by Board members and inclusion in the meeting proceedings.

### Media and Recordings

- The Board records the public participation portion of each Board meeting. The Board reserves the right to edit any and all portions of the recording from each monthly meeting. These recordings are aired on local cable channels for the convenience of the public. Members of the public can copy any portion of the public participation or business portion of the meeting from the televised broadcast or from [www.cpsboe.org](http://www.cpsboe.org).
- An area of the Board Room will be designated for members of the media who wish to cover the Board meeting. This number may be limited in order to accommodate as many public participants as possible. Guidelines and requirements for media access to Board meetings are issued by the Office of Communications.

These guidelines have been developed to ensure that everyone has a fair chance to participate in Board meetings. Thank you for your cooperation and commitment to fostering a respectful and inclusive environment.

#### IV. Examples of Prohibited Conduct

In compliance with the Illinois Racism Free Schools Law, the City of Chicago's sexual harassment prevention laws, and other local, State, and Federal laws, Chicago Public Schools' Comprehensive Non-Discrimination Policy describes and provides examples of harassment and/or discrimination covered by this policy. While each set of facts is evaluated individually and these examples are not comprehensive, this section provides clear, concrete descriptions of behaviors that would be covered by this policy, including patterns of behavior, including microaggressions, that, taken as a whole over time, rise to the level of violating this policy. Examples are adapted from the Equal Opportunity Employment Commission, the U.S. Department of Education Office for Civil Rights, and the City of Chicago Ordinances as noted.

- A. Color:** Although sometimes related to harassment and/or discrimination based on race or national origin, color-based harassment due to an individual's pigmentation, complexion, or skin shade or tone is independently covered. For example, if a supervisor harasses or denies opportunities to Black employees with darker complexions but does not harass or deny opportunities to Black employees with lighter skin tones, this may be evidence that the harassment was due to color. (EEOC)
- B. National Origin / Shared Ancestry:** Harassment and/or discrimination based on national origin or shared ancestry includes ethnic epithets, derogatory comments about individuals of a particular nationality, shared ancestry, and/or use of stereotypes about the complainant's national origin. It also can include harassment regarding traits or characteristics linked to an individual's national origin or shared ancestry, based on citizenship or residency in a country with a dominant religion or distinct religious identity such as physical characteristics, ancestry, or ethnic or cultural characteristics (e.g., attire, diet, language). Mocking a person's accent or denying them the chance to participate in an after school club because of ethnic attire, language, or accent are examples of prohibited conduct.
- C. Race:** Harassment and/or discrimination is based on a complainant's race if it is because the complainant is

Black, Asian, White, multiracial, or another race. Examples of harassing conduct based on race include racial epithets or offensive comments about members of a particular race, or harassment based on stereotypes about the complainant's race. It also can include harassment based on traits or characteristics linked to an individual's race, such as the complainant's name, cultural dress, accent or manner of speech, and physical characteristics, including appearance standards (e.g., harassment based on hair textures and hairstyles commonly associated with specific racial groups, or discrimination like preventing a person from participating in an activity because of their race or cultural hair style)

**D. Retaliation:** Retaliation occurs when someone intimidates, threatens, coerces, or discriminates against anyone for participating in the grievance process, reporting information, making a complaint, participating in an investigation (or refusing to participate in the Title IX process), even if they are not a complainant or respondent in a proceeding. A coach refusing to allow an individual who was a respondent in a case to try out for the baseball team after a finding of non-responsibility, simply because they were a respondent in a case, would be an example of retaliation.

**E.
