RESOLUTION REGARDING SCHOOL QUALITY RATING POLICY

WHEREAS, the Board adopted a School Quality Rating Policy on August 28, 2013 under Board Report 13-0828-PO5 which was later amended on August 27, 2014 under Board Report 14-0827-PO2 and on November 19, 2014 under Board Report Number 14-1119-PO1 and on September 29, 2015 under Board Report Number 15-0929-RS3 (the "SQR Policy");

WHEREAS, the SQR Policy establishes the multiple performance standards and growth indicators used to annually evaluate each District elementary and high school in order to issue a School Quality Rating and an Accountability Status annually to each school;

WHEREAS, during the 2014-2015 school year the District experienced problems with the test forms utilized for the high school PLAN assessment resulting in a determination that the spring 2015 PLAN assessment results were unreliable;

WHEREAS, the SQR Policy amended on September 29, 2015 identifies twelve (12) high school performance indicators and two (2) of these performance indicators, listed below, are related to student results on that utilize the PLAN assessment as baseline measure:

- (1) National School Growth Percentile Based on the ACT Assessment,
- (2) Priority Group National Growth Percentile Based on the ACT Assessment (evaluated separately for African-American, Hispanic, English Language Learners (ELLs) and Diverse Learners);

WHEREAS, due to the unreliability of results of the spring 2015 PLAN assessment, SQR Policy modifications are necessary to remove the spring 2015 PLAN results from the calculation that determines 2016-2017 School Quality Ratings and Accountability Status designations for each high school;

WHEREAS, CPS has developed a growth model that uses the 2013 ISAT reading and mathematics tests as a baseline for growth for those students who took the ACT in the 2015-2016 school year;

WHEREAS, the terms of this Resolution shall be in effect and implemented for School Quality Ratings and Accountability Status designations issued in fall 2016 for the 2016-2017 school year;

WHEREAS, for annual School Quality Ratings and Accountability Status designations issued beyond fall 2016, the Chief Executive Officer shall undertake a review and evaluation of SQR performance indicators and recommend to the Board any further SQR Policy modifications based on (a) changes to the assessments being administered in the high school grades, (b) implementation of the new state assessment and accountability measure for Illinois students, Partnership for Assessment of Readiness for College and Careers (PARCC), (c) other factors deemed relevant by Chief Executive Officer.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD, as follows:

A. For purposes of determining 2016-2017 School Quality Rating and Accountability Status designations as described in section III of the SQR Policy, the spring 2015 PLAN scores shall be excluded from two high school Performance Indicators as follows:

- (i) The "National School Growth Percentile Based on the ACT Assessment" Performance Indicator shall consider growth results from the 2013 ISAT to the 2016 ACT Assessment only and this Performance Indicator shall be re-named "ACT Growth Differential"; and
- (ii) The "Priority Group National Growth Percentile Based on the ACT Assessment (evaluated separately for African-American, Hispanic, English Language Learners (ELLs) and Diverse Learners)" Performance Indicator shall consider growth results from the 2013 ISAT to the 2016 ACT Assessment only and this Performance Indicator shall be re-named "Priority Group ACT Growth Differential (evaluated separately for African-American, Hispanic, English Language Learners (ELLs) and Diverse Learners)".

B. For purposes of weighting a high school's results on each of the twelve (12) performance indicators as set out in Section III.E.2. of the SQR Policy, the weighting, listed below, shall be used to calculate the 2016-2017 School Quality Rating and Accountability Status designations for high schools:

2. High School Weighting

High School Performance Indicators	Weighting for High Schools
1. National School Growth Percentile Based on ACT Assessment <u>ACT Growth Differential</u>	10%

RESOLUTION ADOPTING THE ANNUAL SCHOOL BUDGET FOR FISCAL YEAR 2017

WHEREAS, pursuant to Section 34-43 of The Illinois School Code (the "Code"), the Board of Education of the City of Chicago (the "Board") is required to adopt an annual school budget for each fiscal year of the Board no later than 60 days after the beginning of the fiscal year of the Board to which such budget relates; and

WHEREAS, the Board is directed by the provisions of Section 34-43 of the Code to balance its budget in each year within standards established by the Board; and

WHEREAS, Section 34-43 of the Code authorizes the Board's budget for any fiscal year to (i) provide for the accumulation of funds for educational purposes as the Board may direct or for capital improvements or in order to achieve a balanced budget in a future year within the four-year period of the Board's financial plan to begin in that budget year; and (ii) to provide for a reserve in the educational fund to ensure uninterrupted services in the event of unfavorable budget variances; and

WHEREAS, Section 34-45 of the Code directs that the budget shall include the organization units, purposes, and objects for which appropriations are made; the amount appropriated for each organization unit, purpose or object; and the fund from or to which each amount appropriated is to be paid or charged; and

WHEREAS, the Board is empowered and directed by the General Assembly pursuant to the provisions of Section 34-3.3 of the Code to: (i) increase the quality of educational services in the Chicago Public Schools; (ii) reduce the cost of non-educational services and implement cost-saving measures including the privatization of services where deemed appropriate; and (iii) streamline and strengthen the management of the system, including a responsible school-based budgeting process, in order to focus resources on student achievement; and

WHEREAS, the District has provided most schools with budget allocations using a Student Based Budgeting model which calculates allocations for core instruction funding based on a per-pupil formula and further provides a principal with discretion on the use of per-pupil funds; and

WHEREAS, the Board's Debt Management Policy, Section III.I. (Board Report 13-0724-PO1), authorizes the Board to use its operating funds to establish a reserve balance accounted for within the Debt Service funds to be used for any governmental purpose approved by the Board and delegates authority to the Senior Vice President of Finance as the Chief Financial Officer of the Board to authorize any transfer to or from Debt Service funds; and

WHEREAS, the President and Members of the Board desire to declare their intent that the Board reimburse itself for the payment of all or a portion of capital expenditures as outlined in Exhibit A of this Resolution and the website www.cps.edu/budget with the proceeds of tax-exempt Bonds when such proceeds are available, which declaration of intent is intended to comply with Section 1.150-2 of the Federal Income Tax Regulations; and

WHEREAS, the Board currently expects that the proceeds of the Bonds will be applied to so reimburse itself not later than 18 months after the later of (a) the date the original expenditure is paid, or (b) the date the Project is placed in service, but in no event more than three years after the original expenditure is paid; and

WHEREAS, it is now appropriate for the Board to adopt its annual school budget for its Fiscal Year 2017 and related standards and policies;

NOW, THEREFORE, BE IT HEREBY RESOLVED BY THE BOARD OF EDUCATION OF THE CITY OF CHICAGO as follows:

Section 1. Findings. It is found, declared and determined as follows.

(a) Pursuant to section 34-43 of the Code, the Board has previously established standards by which its budgets shall be balanced in each fiscal year, consistent with the requirements of the Code. These standards provide that each budget of the Board shall cover a fiscal year of the Board and shall be developed and adopted in accordance with the requirements of the Code, including, but not limited to, Sections 34-42 through 34-51 thereof. These standards also provide that each budget shall be prepared in accordance with generally accepted accounting principles and shall be balanced such that, for each fund, the estimated sum of all revenues for the fiscal year from all sources and the amount of Fund Balance Available for appropriation in the fiscal year is greater than or equal to the estimated sum of all appropriations required to defray the amount of all expenditures and charges to be made or incurred during the fiscal year and the amount of all unpaid liabilities at the beginning of the fiscal year. The standards further provide that in determining the amount of the Fund Balance Available for appropriation in the Educational Fund, there shall be deducted (i) the amount, if any, which the Board directs to be accumulated to achieve a balanced budget in a future year within the four-year period of the financial plan to begin in the budget year or for capital improvements, and (ii) any reserve to insure uninterrupted services in the event of unfavorable budget variances. The Board's goal is to have a balanced budget over the period of the four-year financial plan that is to be developed.

(b) The annual school budget for Fiscal Year 2017 was prepared in tentative form by the Board and was available for public inspection for at least fifteen days prior to adoption (to wit, since August 8, 2016) by having at least five copies of the tentative budget on file in the Office of the Board and was posted August 8, 2016, on the district's web site at www.cps.edu/budget.

(c) On August 19, 2016, two public hearings were held concerning the adoption of the annual school budget for Fiscal Year 2017, notice of such hearings having been given by publication on August 11, 2016, in a newspaper of general circulation in the City of Chicago.

Section 2. Budget Approval. The Annual School Budget for Fiscal Year 2017, incorporating Exhibit A of this Resolution and the web site at <http://cps.edu/FY17Budget>, is adopted.

Section 3. Transfers Between Appropriations. The Office of Management and Budget may approve transfers within any Board fund and within an object group and purpose in accordance with this Section. Except for matters approved by the Board as being within the discretion of the Office of Management and Budget, transfers within a fund and between object groups and purposes must be recommended by the Office of Management and Budget and approved by the Board by a vote of two-thirds of the members, provided that such transfers shall not exceed 10% of the fund during the first half of the fiscal year, and no appropriation shall be reduced below an amount sufficient to cover all obligations that will be incurred against the appropriation. The Chief Executive Officer shall define object groups and purposes that are subject to these requirements.

The Senior Vice President of Finance is hereby authorized to transfer and use Debt Service funds not otherwise restricted under bond documents for the purpose of operating and capital expenditures to support cash flow during the fiscal year. Transfers from the Debt Service funds for this purpose will be repaid from the next receipts of property tax revenues.

Section 4. Capital Budgeting Process. The Chief Executive Officer proposed a one-year Capital Improvement Plan (the "CIP") consistent with the annual budget and the requirements of Section 34-215 of the Code on August 8, 2016, for the Board's approval. Three public hearings were held to receive public comment on the proposed CIP. Such meetings were held on August 17, 2016, at three different locations.

The Board reasonably expects to reimburse itself for the payment of capital expenditures incurred and paid by the Board from its own funds with the proceeds of the tax-exempt Bonds upon the issuance thereof. These capital expenditures are outlined in Exhibit A of this document and the website <http://cps.edu/fy17budget/Pages/capital.aspx>.

Section 5. Grants. The Grants Finance Office shall be responsible for the structure and accountability of the school district's grants management process. The Office of Management and Budget is designated as the managing fiscal agent for the Board for all grant money received from funding agencies.

The principal of a local school or unit head, serving as an agent of the Board, is responsible for the implementation and management of all school-based or unit-based grants from governmental and non-governmental agencies. The principal or unit head is responsible for implementing the program in a timely fashion, as approved by the funding agency, and for expending funds in accordance with the terms, budget, and liquidation requirements of the approved proposal.

Section 6. Budget Allocations. Any Policy that refers to the use of a quota formula to determine school budget allocations or other related requirement is hereby deemed to constitute reference to the Student Based Budgeting model referenced in this Resolution.

Section 7. Personnel Policies. The appropriations herein made for personnel services shall be regarded as maximum amounts to be expended from such appropriations. Such expenditures shall be limited to personnel only as needed, or as may be required by law, not to exceed the maximum that may be employed for any position by title. Notwithstanding any item in the budget, one person may be employed or more than one person may be employed, upon recommendation of the Budget Officer and the Chief Executive Officer, whether such title is printed in the singular or plural. The salary or wage rate fixed shall be regarded as the maximum salary or wage rate for the respective positions, provided that salaries or wage rates are subject to change by the Board during the fiscal year in accordance with collective bargaining agreements approved by the Board.

Initial appointments to any position, transfers among positions and resignations of Board personnel shall be made in accordance with, and subject to, current Board Policies and Rules, as may be amended, from time to time.

Section 8. Settlement Agreements and Judgments. No expenditure may be made from any fund or line item account herein for the purpose of executing settlement agreements, entering into consent orders or paying judgments except upon the approval of the Board; provided, however, that this section shall not apply to judgments, settlement agreements or consent orders involving an amount up to \$50,000 or to labor arbitrations. In those cases, the General Counsel is authorized to approve such documents and expend such funds without approval of the Board.

Section 9. Fiscal Stability. Pursuant to the Fund Balance and Budget Management Policy (Board Report 08-0827-PO8, as may be amended), in the event that the stabilization fund decreases below 5% of the operating and debt service budget, the Senior Vice President of Finance will prepare and present to the Board a plan to replenish the reserve. The Board must approve and adopt a plan to restore these balances to the target levels within a 12-month period. If the restoration of the reserve cannot occur within a 12-month period, the Senior Vice President of Finance or Budget Officer can request that the Board approve an extension of this deadline.

It is anticipated and planned in the FY 2017 budget that the stabilization fund will be below 5% of the operating and debt service budget. Moreover, the FY 2018 budget is anticipated to present similar financial challenges and the Senior Vice President of Finance does not reasonably foresee the fund balance being restored during FY 2018. Therefore, the Board extends the restoration deadline to the end of FY 2019. The Senior Vice President of Finance will submit as part of the FY 2018 budget a plan to restore the fund balance by the end of FY 2019.

Section 10. Severability. To the extent that any prior resolution or policy of the Board (excluding Board Rules) is in conflict with the provisions of this Resolution, the provisions of this Resolution shall be controlling. If any section, paragraph, clause or provision of this Resolution shall be held invalid, the invalidity of such section, paragraph, clause, or provision shall not affect any of the other provisions of this Resolution.

Section 11. Effectiveness. This Resolution is effective immediately upon its adoption.

NOW, THEREFORE, Be It and It is Hereby Resolved by the Chicago Board of Education of the City of Chicago as follows:

1. *Incorporation of Preambles.* The Board hereby finds that all of the recitals contained in the preambles to this Resolution are full, true and correct and does incorporate them into this Resolution by this reference.

2. *Definitions.* For all purposes of this Resolution and in addition to the defined terms in the preambles to this Resolution, except as otherwise expressly provided or unless the context otherwise requires and in addition to the terms defined in the preambles hereto, the terms defined in this Section shall have the meanings set forth below, and shall include the plural as well as the singular.

"Designated Officials" shall mean the President and the Senior Vice President of Finance of the Board.

"Lending Agreement" means one or more agreements by and between the Board and one or more banks pursuant to which the banks will agree to establish one or more Lines of Credit.

"Line of Credit" shall mean any line of credit authorized under this Resolution and established with a bank for the benefit of the Board.

"Note Purchase Agreement" means one or more agreements between the Board and one or more financial institutions pursuant to which such financial institutions will agree to purchase any Notes.

"Notes" shall mean the tax anticipation notes of the Board authorized to be issued under this Resolution.

"Tax Anticipation Obligations" means the Warrants or the Notes, if Notes are issued in lieu of the Warrants.

"Tax Escrow Agreement" means the agreement by and among the Board, the trustee under each Trust Indenture and a bank, trust company or national banking association having trust powers and appointed by one of the Designated Officials to act as escrow agent under the Tax Escrow Agreement.

"Tax Receipts" means the tax revenue collected from the 2016 Tax Levy.

"Trust Indenture" means one or more agreements providing for the issuance of the Tax Anticipation Obligations and for their repayment from property tax revenues, by and between the Board and a bank, trust company or national banking association having trust powers and appointed by one of the Designated Officials to act as trustee under the Trust Indenture.

"Warrants" shall mean the tax anticipation warrants of the Board issued pursuant to Section 34-23.5 of the School Code and authorized to be issued under this Resolution.

3. *Findings.* It is found and determined that (A) the borrowing from time to time of moneys in anticipation of the collection of the Tax Receipts is necessary so that sufficient moneys will be in the treasury of the School District at all times to meet the ordinary and necessary expenses of the School District for educational purposes; (B) that authorizing the issuance of Warrants, the establishment of Lines of Credit and the authorizing of the Notes will provide the needed access to funds to meet such ordinary and necessary expenses, and (C) that no person holding an office of the Board, either by election or appointment, is in any manner interested, either directly or indirectly, in such person's own name or the name of any other person, association, trust or corporation, in the transactions contemplated by the Warrants or by the Notes and the Lines of Credit.

4. *Determination to Authorize Tax Anticipation Warrants.* The Board is hereby authorized to issue Warrants in anticipation of the collection of the 2016 Tax Levy in an aggregate principal amount of not to exceed \$1,550,000,000. The Warrants are to be issued in accordance with the provisions of Section 34-23 of the School Code and the Local Government Debt Reform Act, 30 Illinois Compiled Statutes 350.

5. *Determination to Authorize Lines of Credit, Note Purchase Agreements and Tax Anticipation Notes.* Pursuant to Section 34-23.5 of the School Code and in lieu of the issuance of the Warrants authorized by Section 4 hereof, the Board is hereby authorized, as shall be determined from time to time by the Senior Vice President of Finance as hereafter provided, to (i) enter into Lending Agreements with one or more banks for the provision of Lines of Credit for the Board and to evidence borrowings under such Lines of Credit by the issuance of one or more series of Notes and (ii) enter into Note Purchase Agreements with one or more financial institutions pursuant to which such financial institutions will purchase one or more series of Notes. The Board is hereby authorized to issue such Notes in anticipation of the collection of the 2016 Tax Levy in an aggregate principal amount outstanding at any time of not to exceed \$1,550,000,000. Such Notes to be issued in accordance with the provisions of Section 34-23.5 of the School Code and the Local Government Debt Reform Act.

6. *Authorization and Terms.* The Tax Anticipation Obligations are hereby authorized to be issued and, if Notes are issued in lieu of the issuance of Warrants, the Lines of Credit are hereby authorized to be established and the Note Purchase Agreements are authorized to be executed as provided herein, in either case to provide funds to defray the necessary expenses and liabilities of the School District incurred for educational purposes prior to the receipt of taxes levied for such purposes pursuant to the 2016 Tax Levy. The Tax Anticipation Obligations shall be drawn against and in anticipation of the collection of the 2016 Tax Levy. The Tax Anticipation Obligations shall be limited obligations of the Board payable solely from the Tax Receipts when collected.

The Tax Receipts are hereby assigned as security for the payment of the Tax Anticipation Obligations and such Tax Receipts, when collected, shall be set apart and held for the payment of the Tax Anticipation Obligations.

All moneys borrowed pursuant to this Resolution shall be repaid exclusively from the Tax Receipts derived from the 2016 Tax Levy, and such payment shall be made, from time to time, as determined by any of the Designated Officials, with the final payment to be made within 60 days after the Tax Receipts have been distributed to or received by the Board. Any of the Designated Officials are hereby authorized to determine, at their discretion, to retire the borrowing by the making of partial payments or payment in full. The application of the Tax Receipts to the payment of the Tax Anticipation Obligations authorized hereunder shall be subject to the applicable provisions of the Lending Agreement, the Note Purchase Agreement, the Trust Indenture and the Tax Escrow Agreement, as any of such agreements or indentures may be supplemented or amended as hereinafter authorized.

The Tax Anticipation Obligations shall bear interest at a rate or rates, fixed or variable, as determined by either of the Designated Officials, not to exceed the maximum rate authorized by the Bond Authorization Act, from the date of their issuance until paid.

7. *Execution.* The Tax Anticipation Obligations shall be executed on behalf of the Board with the manual or duly authorized facsimile signatures of the President and Secretary of the Board, all as such officers shall determine. In case any officer whose signature shall appear on the Tax Anticipation Obligations shall cease to be such officer before the delivery of such Tax Anticipation Obligations, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

8. *Tax Escrow Direction.* Each of the Designated Officials is hereby authorized, pursuant to authority contained in (A) Section 14 of the Local Government Debt Reform Act in the case of Warrants and (B) Section 20-90 of the Property Tax Code, 35 Illinois Compiled Statutes 200, in the case of Notes; to execute a written direction to the County Collectors of The Counties of Cook and DuPage, Illinois (the "**County Collectors**"), and to deposit the collections of the 2016 Tax Levy for educational purposes as and when extended for collection directly with such escrow agent designated pursuant to this Resolution in order to secure the payment of the principal of and interest on the Tax Anticipation Obligations. The Designated Officials are authorized to cause a certified copy of this Resolution to be filed with each of the County Collectors.

Each of the Designated Officials is authorized to enter into such supplements and amendments to, or amendments and restatements of, the documents authorized and approved under this Section 9 as such Designated Official shall deem necessary to facilitate the issuance of the Notes upon terms that are not inconsistent with the terms and provisions of this Resolution.

If determined to be necessary by a Designated Official in connection with the initial sale or subsequent reoffering of any Tax Anticipation Obligations, the preparation, use and distribution of a Preliminary Official Statement, Private Placement Memorandum, Limited Offering Memorandum or Notice of Public Sale relating to each issue of Tax Anticipation Obligations (the "**Disclosure Document**") in substantially the respective forms delivered in connection with previous issues, is hereby authorized and approved. The Designated Officials are each hereby authorized to execute and deliver such Disclosure

Document on behalf of the Board. The Disclosure Document herein authorized may contain a description of the terms and provisions of, and security for, such obligations, the use of proceeds of such obligations, financial information relating to the Board, and such other information as any Designated Officer determines to be advisable under the circumstances.

10. *Application of Proceeds and Other Moneys.* Proceeds of sale of the Tax Anticipation Obligations are appropriated for the educational expenses of the Board and for the payment of costs of issuance of the Notes and related fees.

APPROVE THE 2016-2018 CONTINUOUS IMPROVEMENT WORK PLANS FOR SCHOOLS IN INTENSIVE SUPPORT

THE CHIEF EXECUTIVE OFFICER RECOMMENDS THE FOLLOWING:

Approve the 2016-2018 Continuous Improvement Work Plans (CIWPs) for Fiscal Year 2017 for schools in Intensive Support and identified by ISBE as Priority and Focus Schools.

DESCRIPTION: The Chief Executive Officer is requesting approval of the creation of the 2016-2018 CIWPs for correcting academic deficiencies for the schools noted on the attached Exhibit A. These schools are either in Intensive Support under the Chicago Board of Education's School Quality Rating Policy, equivalent to Probation as defined by 5/34-8.3 of the Illinois School Code, or identified as a Priority or Focus school by ISBE. Schools are identified as Priority schools by the State if they are among the persistently lowest performing 5 percent of Title I schools in the state based on a three-year average (i.e., from 2011 to 2013) performance of the "all student groups" category for the percentage of students meeting/exceeding standards on state tests in reading and mathematics combined; and demonstrates a lack of progress; or is a Title I participating or eligible secondary school that has an average graduation rate of less than 60 percent over the last three years (i.e., from 2011 to 2013). A school is defined as a focus school if they have the lowest performing subgroups as determined by subgroup achievement data in a three-year period (2011-2013) and have not been already identified as Priority schools

The CIWPs were developed pursuant to Sections 5/2-3.25d and 5/34-2.4 of the Illinois School Code. Board approval of school improvement plans is required for schools placed on probation pursuant to Section 5/34-8.3. These plans include specific steps that the Local School Councils and school staff must take to correct deficiencies and specific objective criteria by which the schools' subsequent progress shall be judged.

Individual CIWPs and budgets were developed collaboratively at each school with the assistance of the Network Chiefs of Schools, the Office of Innovation and Incubation, the Academy of Urban School Leadership (AUSL), the Office of Management and Budget, Local School Councils, Title I Parent Advisory Councils, parent and community representatives and school personnel, as applicable. Each school's CIWP includes specific priorities and strategies identified for correcting educational and operational deficiencies that resulted in the school being placed on probation. As applicable, a Parent Compact and Parent Involvement Plan were appended to the CIWPs.

Once submitted to the Network Chief of Schools Offices, Office of Innovation and Incubation, or AUSL, CIWPs were reviewed to ensure that: areas in need of improvement were addressed, the stated targets and activities were consistent with trend analyses and analysis of current conditions and that plans were supported by schools' discretionary school improvement (state and federal) funds.

Monitoring of and support for these CIWPs will be the responsibility of the Network Chief of Schools Offices, Office of Innovation and Incubation, Office of Strategic School Support Services, or AUSL, as applicable, with the assistance of the Office of Accountability and the Office of Network Support. The Network Chief of Schools, Chief of Strategic School Support Services, or the Chief Executive Officer of AUSL are authorized to modify an Intensive Support school's CIWP as necessary to correct deficiencies throughout the school year.

Copies of CIWPs will be available at each school, at each Network Office, and at the Office of Accountability.

FINANCIAL: Within budgetary appropriations.

THE CHIEF ADMINISTRATIVE OFFICE REPORTS THE FOLLOWING RECOMMENDATION:

That the Board of Education of the City of Chicago ("Board") permanently debar **Steven Bell** and **First Strike Program** (hereinafter "Respondents") from doing any business with the Board.

Following the Office of the Inspector General's recommendations in Report 14-00345, the Board's Chief Procurement Officer served Respondents with a Notice of Proposed Debarment ("Notice") on or about December 30, 2014 and again on January 5, 2015, initiating a debarment against them, based upon Respondents' violation of section 2(k) of the Board's Debarment Policy ("Policy"). The Respondents submitted a timely written response ("Response") pursuant to section 4.5(d) of the Policy. The Chief Procurement Officer and Chief Administrative Officer have reviewed the record (as defined in section 4.5(i)(10) of the Policy), and determined Respondents have not met their burden of demonstrating that Debarment is not warranted due to any mitigating factors.

Based on the facts set forth in the record as defined in section 4.5(i)(10) of the Policy, the Chief Administrative Officer recommends that the Board permanently debar Respondents from doing any business with the Board effective immediately. Furthermore, all existing contracts between the Board and Respondents are terminated. Respondents are also ineligible to act as a subcontractor or supplier to any existing or future Board contracts.

A written master agreement with the new vendor is currently being negotiated. The pre-qualification status of the new vendor approved herein shall automatically rescind in the event such vendor fails to execute the Board's master agreement within 120 days of the date of this amended Board Report.

This August 2016 amendment is necessary to: i) approve twelve (12) of the pre-qualified Ed Tech vendors to provide supplemental, intervention, and enrichment services, which are referred to as Multi-Tiered Systems of Support ("MTSS"), in Math and Literacy, and ii) increase the funding amount. The 12 vendors approved to provide MTSS services ("MTSS Vendors") were selected through a process for Plans for New Initiatives ("PNI"). The PNI process requests pre-qualified vendors to submit additional information for more comprehensive district-wide initiatives. The pre-qualified vendors approved through the PNI process are: (Literacy) 2. Achieve 3000; 91. Learning A-Z, LLC; 42. Lexia Learning Systems LLC; 35. Imagine Learning, Inc.(Math) 85. Think Through Learning; 58. Redbird Advanced Learning, LLC; 75. 3p Learning; 6. Apex Learning; 36. IXL Learning Inc.; 78. Explore Learning, LLC. (Literacy and Math) 12. Compass Learning, Inc.; 13. CSC Learning-a division of Computer Services & Consulting All schools will have the option to utilize the MTSS Vendors to provide multi-tiered systems of support. Written amendments to the agreements of these 12 vendors are required. The authority for each of these vendors shall automatically rescind in the event such vendor fails to execute their amendment within 90 days of the date of this amended Board Report.

TERM:

The term of this pre-qualification period and each master agreement is three (3) years, commencing on July 1, 2015 and ending on June 30, 2018 for vendors authorized in Board Report 15-0624-PR17. The term of the master agreement with the nineteen (19) new vendors approved through supplemental RFQs shall commence upon execution and end June 30, 2018. The Board shall have the right to renew the pre-qualification period and each master agreement for two (2) additional one (1) year periods.

SCOPE OF SERVICES:

This RFQ is focused on Ed Tech Products as defined in the RFQ. The RFQ does not include Ed Tech Products that would be used as core curricular materials. The Ed Tech Products qualified as part of this RFQ may be delivered in a variety of delivery media including but not limited to secured websites, open access websites, CD-ROM, etc. For purposes of this RFQ, "Products" shall be understood to refer to an Ed Tech Product and "Programs" shall be understood to refer to the Ed Tech Product plus any maintenance or support services, implementation support services and/or training materials and services that are provided at an additional cost to the cost of the Product.

Those entities currently providing products and services to CPS that would otherwise fit the definition of Ed Tech Products as well as those seeking to expand and grow their capacity were encouraged and welcome to respond to the RFQ.

The following ARE NOT included in the scope of this RFQ:

- Technology Assets as described in the RFQ
- Information Systems for management as described in the RFQ
- Computer hardware, unless the Ed Tech Product cannot be de-bundled from the hardware
- Curricular products such as digital textbooks

The Board issued a PNI for MTSS services to the pre-qualified pool. The MTSS vendors will provide products and programs which will personalize and differentiate instruction for every student based on their academic needs and individual learning style to promote accelerated student achievement. The MTSS vendors will provide multiple research and evidence-based intervention, enrichment, and/or supplemental products and programs for students in reading and/or math, in order to substantially increase the success of students in grades K-12, regardless of their performance level. These products and programs will allow students to work at their own level and pace when appropriate. MTSS vendors will be expected to provide/share data both at the local (school/network) and district level in order to determine both efficacy and fidelity. MTSS vendors and the Board will develop benchmarks to monitor implementation and progress.

OUTCOMES:

This approval will result in a pool of pre-qualified vendors to provide Education Technology (Ed Tech) products for purchase by schools. Products provided by these pre-qualified vendors will be vetted for basic technology, security, and legal standards.

Pre-qualified vendors who have approved Ed Tech Products and Programs pursuant to this RFQ will be permitted to participate in expanded opportunities within CPS. These expanded opportunities will be made available to vendors through a process for Plans for New Initiatives ("PNI"). The PNI process requests pre-qualified vendors to submit additional information for more comprehensive district-wide initiatives. MTSS vendors' services will result in schools being able to provide high-quality instruction and interventions matched to student needs and to view data and monitor progress to make decisions about changes in instructional goals. MTSS vendors' services will also result in math and literacy focused materials and services in either a technical or non-technical framework.

COMPENSATION:

Vendors shall be paid as follows: Estimated annual amounts for the sum of payments to all pre-qualified vendors for the three (3) year pre-qualification term are set forth below:

\$500,000.00 FY16
\$1,250,000.00 \$7,250,000.00 FY17
\$1,250,000.00 \$7,250,000.00 FY18

The costs associated herewith shall be reported to the Board on a quarterly basis pursuant to Board Rule 7-8.

USE OF POOL:

All schools are authorized to receive products and programs from the pre-qualified pool as follows: Schools and departments shall select a pre-qualified vendor and evidence such selection by a purchase order for the Ed Tech Products and Programs provided by the vendor and approved through the RFQ process. A directory is being developed that will be available to all CPS schools and departments specifying those pre-qualified vendors and the Products and Programs each has been approved to provide to the Board and how to contact those vendors. The directory will identify the categories of learning experiences that the Products and Programs are intended to enhance as well as other general information about the Product and Program. For the purchases of Products and Programs that have been evaluated for basic technical requirements, purchases are limited to \$25,000 spend limits. For purchases of Products and Programs that have been selected through the process for Plans for New Initiatives ("PNI"), requests for additional information will be provided to pre-qualified vendors who have Products and Programs that meet the general requirements of the PNI. If vendors wish to have one or more of their approved Products and Programs considered for inclusion in the initiative, vendors may submit a response to the PNI request to be evaluated for quality and alignment of the proposal to the scope of the project. Purchases of PNI approved Products and Programs will be highlighted as vetted for quality in the Ed Tech Catalog and will not be limited to \$25,000 spend limits.

AUTHORIZATION:

Authorize the General Counsel to include other relevant terms and conditions in the written master agreements and amendments. Authorize the President and Secretary to execute the master agreements and amendments. Authorize the Chief Teaching & Learning Officer to execute all ancillary documents required to administer or effectuate the master agreements.

AFFIRMATIVE ACTION:

No MWBE goals assigned, online software, scope of work is not further divisible. The MBE/WBE goals for this agreement are 15% total MBE and 5% total WBE participation. However, pursuant to the Remedial Program for Minority and Women Owned Business Enterprise Participation in Goods and Services Contracts, MBE/WBE provisions of the Program do not apply to transactions where the vendor providing services operates as a Not-for-Profit organization.

II. Rescind the following Board Reports in part or in full for failure to enter into an agreement with the Board, after repeated attempts, and the user groups have been advised of such rescission:

1. 15-0624-EX8: Authorize Renewal of the Joshua Johnston Charter School For Fine Art and Design Agreement with Conditions.
Services: Charter School
User Group: Innovation & Incubation
Action: Rescind authority to renew charter agreement for failure of charter school operator to enter into a renewal agreement inclusive of additional terms and conditions identified in the original Board Report. The original Board authority was scheduled to expire on October 22, 2015 and was thereafter extended five (5) times pursuant to 15-1022-AR1, 15-1216-AR1, 16-0224-AR1, 16-0427-AR1 and 16-0622-AR1. The last report extended the authority to August 24, 2016. Despite the repeated extensions of time, the charter operator has not satisfied the Board's conditions for renewal. The authority in the original Board Report to compensate the charter operator for services rendered in school year 2015-2016 remains in effect, subject to the charter operator's ability to provide satisfactory documentation concerning its operations in school year 2015-2016.

President Clark thereupon declared Board Reports 16-0824-EX5, 16-0824-EX6, and 16-0824-AR3 accepted.
