REMOVE AND REPLACE THE PRINCIPAL OF STEPHEN F. GALE ELEMENTARY COMMUNITY ACADEMY AND TERMINATE THE PRINCIPAL'S CONTRACT

THE CHIEF EXECUTIVE OFFICER RECOMMENDS:

That the principal of Stephen F. Gale Elementary Community Academy ("Gale"), Cassandra Washington, be removed and replaced pursuant to Section 34-8.3(d) of the Illinois School Code and that her contract be terminated pursuant to Section V of the Board's Uniform Principal's Performance Contract.

DESCRIPTION:

I. Legal Framework

The Illinois School Code grants the Chief Executive Officer of the Chicago Public Schools ("CEO") the authority to place schools on probation to correct deficiencies in their academic performance (105 ILCS 5/34-8.3). The Illinois School Code further grants the Board of Education of the City of Chicago ("Board") the authority to establish guidelines to determine the factors for placing an attendance center on probation. 105 ILCS 5/34-8.3(b).

Pursuant to that authority, the Board has adopted policies under which Gale was placed on probation eight (8) years ago. The Board adopted the "School Quality Rating Policy (Begins with the 2014-2015 School Year)" (Board Report 14-1119-PO1) ("SQR") and Gale remained on probation last year in accordance with the terms of that policy.

The Illinois School Code provides that when a school on probation fails to make adequate progress to correct deficiencies within one year, the CEO, with the approval of the Board and after an opportunity for a hearing, may remove and replace the school's principal. 105 ILCS 5/34-8.3(d)(2). Pursuant to Section V of the Board's Uniform Principal's Performance Contract, a principal's contract may be terminated before the expiration of its four-year term based upon the principal's removal pursuant to Section 34-8.3(d).

II. Hearing on Principal Removal

Pursuant to the CEO's "Guidelines for the Removal and Replacement of Principals of Schools on Probation" and the "Procedures Governing Principal Removal Hearings," Cassandra Washington, and the Gale Local School Council (LSC) members were duly notified that the CEO was contemplating the removal of Cassandra Washington as principal pursuant to Section 34-8.3(d) to further the school's educational improvement. Margaret Fitzpatrick, Esq., an independent hearing officer, presided over the Gale principal removal hearing on October 14, 2016, in an efficient and impartial manner.

The Law Department, representing the CEO, presented the statements of the Chief of Schools for Network 2, Philip Salemi, and the Director of School Quality Measurement for the Chicago Public Schools, Ryan Crosby, as well as documentation to support a recommendation to remove Cassandra Washington as Gale's principal to the hearing officer. The hearing was uncontested.

The hearing officer has submitted a written report to the CEO summarizing all relevant evidence offered during the hearing, making findings of fact, and advised the CEO that sufficient evidence exists to support the removal of Cassandra Washington as the principal of Gale.

III. Chief Executive Officer's Recommendation

The CEO has reviewed the Hearing Officer's report and hereby recommends that Cassandra Washington be removed and replaced as the principal of Gale effective on December 7, 2016. The CEO further recommends that Cassandra Washington's Uniform Principal's Performance Contract, with a term beginning July 1, 2014, and ending on June 30, 2018, be terminated on December 7, 2016. These recommendations are based upon the following factors:

- A. Gale has a history of poor performance. Gale has been on probation for the past eight (8) consecutive school years. Cassandra Washington has been the principal of Gale for the past seven (7) years.
- B. Under the Board's Performance Policy (the District's accountability policy used prior to SQRP), Gale received a Level 3 rating each year between 2009-10 and 2013-14. Under the SQRP, Gale received a Level 2 rating in each of the last three years. Gale remained on probation under the CEO's discretion as its score was 2.5 or lower for three consecutive years.
- C. Gale's National School Growth Percentile has been below national average in two of the last three years in reading and math. In 2015-16 school year, Gale's National School Attainment Percentile in reading has not been above the 30th percentile in the last four years. In math, the National School Attainment Percentile has not exceeded the 17th percentile over the last four years.
- D. In addition to standardized test scores, the SQRP evaluates schools on attendance rate. The attendance rate for Gale has been consistently lower than the District average and has declined over time. Since the 2005-2006 school year, when Gale's attendance rate was 93.4% - within one percentage point of the elementary school district average - Gale's attendance rate has declined to 91.7%, while the elementary school district average has increased to 95.5%.
- E. Network 2 provided Gale with instructional leadership, professional development, and recommendations based on instruction and social-emotional learning support for students. Unfortunately, these additional supports were insufficient to raise Gale out of probationary status.
- F. Cassandra Washington waived her right to a hearing regarding her removal as Principal.

If the Board adopts the CEO's recommendation to remove the Gale principal, the following actions will occur:

1. The CEO will appoint an interim principal for Gale. The interim principal will serve at the pleasure of the CEO;
2. The LSC shall have no authority to select a new four-year contract principal until Gale makes sufficient academic progress to be removed from probation; and
3. The Uniform Principal's Performance Contract of Cassandra Washington will be terminated effective December 7, 2016.

LSC REVIEW: LSC approval is not applicable to this report.

FINANCIAL: The interim principal position will be filled at a cost within current budget appropriations.

PERSONNEL IMPLICATIONS: An Interim Principal will be selected, who will serve at the pleasure of the CEO. Until the school comes off probation, the Local School Council of Gale will have no authority to select a new four-year contract principal, as required by Board Policy.

President Clark indicated that if there are no objections, Board Report 16-1207-EX24 would be adopted by the last favorable roll call vote, all members voting therefore.

President Clark thereupon declared Board Report 16-1207-EX24 adopted.

NOW, THEREFORE, Be It Hereby Resolved by the Chicago Board of Education of the Board of Education of the City of Chicago, as follows:

Section 2. Issuance of Bonds. (a) There shall be authorized the borrowing for and on behalf of the Board of the aggregate principal amount of not to exceed \$840,000,000 for the purpose of paying (i) costs of the Project that are “**Capital Expenditures**” and “**Permitted Expenditures**” each as defined in the applicable Indenture, (ii) capitalized interest on the Bonds, and (iii) costs of issuance of the Bonds, including the cost of bond insurance or other credit enhancement. The Bonds are hereby authorized to be issued in an aggregate principal amount not to exceed \$840,000,000. The Bonds may be issued from time to time, as Alternate Bonds, as Dedicated Tax Bonds or as a combination of Alternate Bonds and Dedicated Tax Bonds, in one or more Series, in said aggregate principal amount, or such lesser aggregate principal amounts, as may be determined by either (i) the President of the School Board (the “**President**”), or (ii) the Vice President of the School Board (the “**Vice President**”) or any Member of the Board who is authorized to execute documents or take action in lieu of the President, (iii) the Chief Executive Officer, (iv) the Senior Vice President of Finance or (v) the Chief Financial Officer (each, a “**Designated Official**”). The Bonds of each Series shall be distinguished from each other Series by a designation or title, with such Series designation and with such additions, modifications or revisions as shall be determined to be necessary by any Designated Official at the time of the sale of such Bonds to reflect the order of sale of such Bonds, whether such Bonds are Capital Appreciation Bonds, Current Interest Bonds or Convertible Bonds (each as defined herein) and any other authorized features of such Bonds determined by any Designated Official as desirable to be reflected in the title of the Bonds being issued and sold as part of such Series. The Designated Officials are each hereby authorized to appoint a Trustee for each Series of the Bonds so issued; *provided*, that such Trustee shall be a bank, trust company or national banking association doing business and having a corporate trust office in the State of Illinois and having capital and undivided surplus aggregating at least \$15,000,000 or shall be a wholly-owned subsidiary of such an entity. The Bonds of each Series shall be issued and secured pursuant to the terms of an Indenture authorizing Capital Appreciation Bonds, Current Interest Bonds or Convertible Bonds, as appropriate. Each of the Designated Officials is hereby authorized to execute and deliver, and the Secretary is hereby authorized to attest to an Indenture on behalf of the Board, such Indenture to be in substantially the form attached hereto as Exhibit A, but with such changes therein as shall be within the authorizations granted by this Resolution as shall be approved by the Designated Official executing the same, with such execution to constitute conclusive evidence of such Designated Official’s approval and this Board’s approval of any changes or revisions therein from the form of Indenture authorized hereby.

The details of the sale of the Bonds as described in the notification of sale of such Bonds delivered by a Designated Official pursuant to Section 5(e) hereof and all provisions relating to the authorized denomination, registration, transfer and redemption of such Bonds, within the limitations set forth herein, shall be set forth in each Indenture executed and delivered by a Designated Official as described herein.

(b) In order to secure the payment of the principal of, redemption price of, interest on and the Compound Accreted Value (as hereinafter defined) of each Series of the Alternate Bonds, the Board hereby authorizes the inclusion in each Indenture securing Alternate Bonds of a pledge of all or a portion of the Pledged Capital Improvement Taxes to the payment of such Series. In accordance with Section 15 of the Act, the Board covenants and agrees to provide for, collect and apply such Pledged Capital Improvement Taxes, to the payment of the Alternate Bonds of such Series and the provision of an additional .25 times annual debt service. The determination of the sufficiency of the Pledged Capital Improvement Taxes pledged pursuant to this paragraph (b) is supported by the Audit or the Feasibility Report, as applicable, and acceptance of the Audit by the Board or of the Feasibility Report by the Senior Vice President of Finance or the Chief Financial Officer, on behalf of the Board, if applicable, shall constitute conclusive evidence that the conditions of Section 15 of the Act have been met. Each of the Designated Officials is authorized to allocate all or a portion of the Pledged Capital Improvement Taxes to the payment of the principal of, redemption price of, interest on and the Compound

Accreted Value of each Series of the Alternate Bonds and the Indenture pursuant to which such Series of Alternate Bonds is issued and the notification of sale of such Series of the Alternate Bonds delivered by the Designated Officials pursuant to Section 5(e) hereof shall identify the specific Pledged Capital Improvement Taxes allocated to such Series. Once issued, the Alternate Bonds shall be and forever remain until paid or defeased the general obligation of the Board, for the payment of which its full faith and credit are pledged, and shall be payable, in addition to the Pledged Capital Improvement Taxes, from the levy of the Pledged Debt Service Taxes as provided in the Act and as set forth in Section 3 hereof.

(c) In order to secure the payment of the principal of, redemption price of, interest on and the Compound Accreted Value (as hereinafter defined) of each Series of the Dedicated Tax Bonds, the Board hereby authorizes the inclusion in each Indenture securing Dedicated Tax Bonds of a pledge of all or a portion of the Pledged Capital Improvement Taxes to the payment of such Series. The Board covenants and agrees to provide for, collect and apply such Pledged Capital Improvement Taxes, to the payment of the Dedicated Tax Bonds of such Series. Each of the Designated Officials is authorized to allocate all or a portion of the Pledged Capital Improvement Taxes to the payment of the principal of, redemption price of, interest on and the Compound Accreted Value of each Series of the Dedicated Tax Bonds and the Indenture pursuant to which such Series of Dedicated Tax Bonds is issued and the notification of sale of such Series of the Alternate Bonds delivered by the Designated Officials pursuant to Section 4(e) hereof shall identify the specific Pledged Capital Improvement Taxes allocated to such Series. Each Dedicated Tax Bond shall be a limited obligation of the Board payable from the Pledged Capital Improvement Taxes as provided in the Indenture pursuant to which such Series is issued. Neither the full faith and credit of the Board nor the general taxing power of the Board (other than the Capital Improvement Tax) shall be pledged or otherwise available for the payment of Dedicated Tax Bonds. The payment of Dedicated Tax Bonds shall be secured by a pledge of and security interest in Capital Improvement Taxes pursuant to Section 34-53.5 and Section 13 of the Act. In connection with the issuance of a Series of Dedicated Tax Bonds, the form of the Indenture attached hereto as Exhibit A shall be modified to reflect the fact that the Dedicated Tax Bonds are limited obligations of the Board and are not "Alternate Bonds" issued pursuant to Section 15 of the Act.

Any Bonds issued as Capital Appreciation Bonds shall be dated the date of issuance thereof and shall also bear the date of authentication, shall be in fully registered form, shall be numbered as determined by the Trustee and shall be in denominations equal to the original principal amounts of such Capital Appreciation Bonds or any integral multiple thereof, each such original principal amount representing Compound Accreted Value (as hereinafter defined) at maturity (the "**Maturity Amount**"). All or any portion of the Bonds may be issued as Bonds bearing interest at fixed rates and paying Interest semiannually (the "**Current Interest Bonds**"). The Current Interest Bonds shall be dated such date as shall be agreed upon by a Designated Official and the purchasers of the Current Interest Bonds, shall be in fully registered form, and shall be numbered as determined by the Trustee.

The Bonds may be initially issued as Capital Appreciation Bonds containing provisions for the conversion of the Compound Accreted Value of such Bonds into Current Interest Bonds (the "**Convertible Bonds**") at such time following the initial issuance as shall be approved by a Designated Official. While in the form of Capital Appreciation Bonds, such Convertible Bonds shall be subject to all of the provisions and limitations of this Resolution relating to Capital Appreciation Bonds and while in the form of Current Interest Bonds, such Convertible Bonds shall be subject to all of the provisions and limitations of this Resolution relating to Current Interest Bonds. In connection with the issuance and sale of any Convertible Bonds, the terms and provisions relating to the conversion of the Compound Accreted Value of such Convertible Bonds into Current Interest Bonds shall be contained in the Indenture executed and delivered by a Designated Official at the time of sale of such Convertible Bonds.

The Bonds shall be dated as of a date not earlier than October 1, 2016, as determined by a Designated Official at the time of sale thereof. The principal of the Bonds shall become due and payable on any date not earlier than December 1, 2016 and not later than December 1, 2055. (e) The Bonds of each Series may be redeemable prior to maturity at the option of the Board, in whole or in part on any date, at such times and at such redemption prices as shall be determined by a Designated Official at the time of the sale thereof. The Bonds of each Series may be made subject to extraordinary redemption prior to maturity, in whole or in part on any date, at such times and at such redemption prices and upon the occurrence of such conditions, all as shall be determined by a Designated Official at the time of the sale thereof. The Bonds of each Series may also be made subject to sinking fund redemption, at par and accrued interest to the date fixed for redemption, as determined by a Designated Official at the time of the sale thereof; *provided*, that such Bonds shall reach final maturity not later than the date set forth in Section 2(d) hereof.

The Bonds shall be executed by the manual or duly authorized facsimile signature of the President or Vice President and attested by the manual or duly authorized facsimile signature of the Secretary or her designee and prepared in the respective forms as provided in the applicable Indenture. The applicable Indenture may also require or permit the additional manual or duly authorized facsimile signature of the Chief Executive Officer or the Senior Vice President of Finance.

(g) All or any portion of the Bonds may be issued as bonds bearing interest at variable rates (“**Variable Rate Bonds**”) adjustable and payable at any time. The interest on Variable Rate Bonds shall be payable on such dates as determined in the applicable Indenture. The maximum rate on any Variable Rate Bond shall not exceed the maximum rate permitted by law for obligations of the Board, but in no event more than 15 percent per annum. The method of determining the interest rate to be borne from time to time by Variable Rate Bonds shall be determined by a Designated Official at the time of the sale of the Variable Rate Bonds and specified in the applicable Indenture if Variable Rate Bonds are to be issued, the form of Indenture attached hereto as Exhibit A shall be modified to incorporate terms and provisions previously included in indentures securing variable rate bonds of the Board.

(the taxes levied pursuant to this Section 4(a), being the “**Pledged Capital Improvement Taxes**”). In no event may the annual levy for the Pledged Capital Improvement Taxes exceed the maximum annual amount of the Capital Improvement Tax authorized by Section 34-53.5 of the School Code (or any successor act authorizing the Capital Improvement Tax).

(b) After this Resolution becomes effective and a Series of Dedicated Tax Bonds or Alternate Bonds is sold, a copy of this Resolution, certified by the Secretary, shall be filed with each of the County Clerks; and the County Clerks shall in and for each of the years required, ascertain the rate percent required to produce the aggregate Pledged Capital Improvement Taxes hereinbefore provided to be levied in each of said years; and the County Clerks shall extend the same for collection on the tax books in connection with other taxes levied in said year in and by the Board for general corporate purposes of the Board; and in said year the Pledged Capital Improvement Taxes shall be levied and collected by and for and on behalf of the Board in like manner as taxes for general corporate purposes of the Board for said years are levied and collected, and in addition to and in excess of all other taxes, and when collected, if required pursuant to any escrow or similar agreement executed and delivered pursuant to Section 6 hereof, the taxes hereby levied shall be deposited with the designated bank, trust company or national banking association.

(c) To the extent and in the manner permitted in each Indenture securing Dedicated Tax Bonds or Alternate Bonds, the Board may direct the abatement of the Pledged Capital Improvement Taxes in whole or in part.

(d) The notification of sale of any Series of Dedicated Tax Bonds or Alternate Bonds delivered by the Designated Officials pursuant to Section 5(e) hereof may provide for the allocation of all or a portion of the Pledged Capital Improvement Taxes levied for any year pursuant to this Resolution to the payment of the principal and redemption price of and interest on such Series of the Dedicated Tax Bonds or Alternate Bonds and, with respect to any Series of Alternate Bonds, to the provision of debt service coverage.

(e) As provided in Section 15(e) of the Act, the imposition of the Pledged Capital Improvement Taxes in the annual amounts levied pursuant to Section 4(a) hereof shall constitute a continuing obligation of the Board with respect to such imposition and a continuing appropriation of the receipts derived from the Pledged Capital Improvement Taxes for the punctual payment of the principal of and interest on the Alternate Bonds and the provision of an additional .25 times annual debt service.

Section 5. Sale of the Bonds, Purchase and Sale Agreements. (a) Each Series of the Bonds shall be sold and delivered to the Purchasers thereof, subject to the terms and conditions of the applicable Purchase and Sale Agreement; *provided*, (i) that the aggregate purchase price of any Current Interest Bonds paid by the Purchaser shall be not less than 97 percent of the principal amount thereof to be issued (less any original issue discount used in the marketing thereof) plus accrued interest from their date to the date of delivery thereof, (ii) that the aggregate purchase price of any Capital Appreciation Bonds or Convertible Bonds paid by the Purchaser shall not be less than 97 percent of the aggregate original principal amount thereof and (iii) that the compensation paid to the Purchasers in connection with the sale of any Variable Rate Bonds shall not exceed 3 percent of the principal amount thereof. Each of the Senior Vice President of Finance and the Chief Financial Officer are hereby authorized to execute and deliver on behalf of the Board a Purchase and Sale Agreement with respect to the sale of the Bonds of each Series, which (i) in the case of a Bond Purchase Agreement shall be in substantially the form used in previous financings of the Board and (ii) in the case of a Placement Agreement or a Competitive Sale Agreement shall contain terms and provisions no less favorable to the Board as those contained in a Bond Purchase Agreement. Any such Purchase and Sale Agreement shall contain such final terms as shall be approved by the Senior Vice President of Finance or the Chief Financial Officer, such approval to be evidenced by such Senior Vice President of Finance's or Chief Financial Officer's execution thereof, and the Senior Vice President of Finance or the Chief Financial Officer is also authorized to do all things necessary and essential to effectuate the provisions of such Purchase and Sale Agreement, as executed, including the execution of any documents and certificates incidental thereto or necessary to carry out the provisions thereof. The Senior Vice President of Finance shall make a finding in connection with the execution of each Purchase and Sale Agreement that (i) the Bonds sold thereunder have been sold at such price and bear interest at such rate that neither the true interest cost (yield) nor the net interest rate received upon the sale of such Bonds exceeds the maximum rate otherwise authorized by applicable law, and (ii) that no person holding any office of the Board, either by election or appointment is in any manner interested, either directly or indirectly, in his or her own name, in the name of any other person, association, trust or corporation, in the Indenture, any escrow or similar agreement executed and delivered pursuant to Section 6 hereof, the applicable Purchase and Sale Agreement or any agreement with a Bond Insurer, Debt Reserve Credit Facility Provider or Credit Provider authorized by paragraphs (b), (c) and (d) of this Section, or in the issuance and sale of such Bonds, in accordance with the laws of the State of Illinois and the Code of Ethics of the Board (Board Rule No. 11-0525-P02, as amended).

(b) In connection with any sale of the Bonds of each Series, each of the Designated Officials is hereby authorized to obtain a bond insurance policy from such recognized bond insurer as such Designated Official shall determine (the "**Bond Insurer**") if said Designated Official determines such bond insurance policy to be desirable in connection with the sale of such Series of Bonds, or with respect to specified or designated maturities of such Series of Bonds. Each Designated Official is also authorized to enter into such agreements and make such covenants with any Bond Insurer that such Designated Official deems necessary and that are not inconsistent with the terms and provisions of this Resolution and to pay upfront or annual fees to the Bond Insurer in connection therewith.

(c) In lieu of, or in addition to, the deposit of proceeds of the Bonds of any Series or other funds into a debt service reserve fund as authorized in paragraph (g) of this Section, each of the Designated Officials is hereby authorized to obtain a debt reserve credit facility from such recognized provider as such Designated Official shall determine (the “**Debt Reserve Credit Facility Provider**”) if such Designated Official determines such debt reserve credit facility to be desirable in providing for the funding of any required debt service reserve fund. Each Designated Official is also authorized to enter into such agreements and make such covenants with any Debt Reserve Credit Facility Provider that such Designated Official deems necessary and that are not inconsistent with the terms and provisions of this Resolution, including the payment of reasonable fees to any Debt Reserve Credit Facility Provider.

(d) In connection with the sale of the Bonds of any Series, to provide additional security and liquidity for such Bonds, each of the Designated Officials is hereby authorized to obtain a letter of credit, line of credit or other credit or liquidity facility, including similar agreements with or facilities issued by a Bond Insurer (a “**Credit Facility**”), if determined by such Designated Official to be desirable in connection with such sale of Bonds. Each of the Designated Officials is hereby further authorized to appoint one or more banks, Bond Insurers or other financial institutions to issue such Credit Facility (the “**Credit Provider**”) and to execute and deliver on behalf of the Board a credit, reimbursement or similar agreement (the “**Credit Agreement**”) providing for the issuance of the Credit Facility and the obligation of the Board to repay funds borrowed under the Credit Facility or advances made by the Credit Provider under the Credit Facility with respect to such Bonds. The Credit Facility may be in a form that provides for the purchase of such Bonds by the Credit Provider (any such Bond so purchased being referred to as a “**Bank Bond**”) and the Indenture as executed and delivered shall reflect the terms and provisions of such Bank Bonds. Any Bonds outstanding as Bank Bonds shall be secured as provided in the applicable Indenture. The annual fee paid to any Credit Provider for the provision of a Credit Facility shall not exceed 3 percent of the amount available to be drawn or advanced under such Credit Facility.

The Credit Agreement may provide that alternative interest rates or provisions will apply during such times as the Bonds constitute Bank Bonds or the Board has outstanding repayment obligations to the Credit Provider (the “**Credit Provider Rate**”), which Credit Provider Rate shall not exceed the maximum permitted by law, but in no event more than 15 percent per annum (the “**Maximum Credit Provider Rate**”). The Credit Agreement may further provide that to the extent the Credit Provider Rate determined at any time pursuant to the Credit Agreement exceeds the Maximum Credit Provider Rate, such excess may accrue at the then-applicable Credit Provider Rate (but in no event may such excess accrue at a rate in excess of 25 percent per annum) and be added to the Credit Provider Rate at such time or times thereafter as the Credit Provider Rate shall be less than the Maximum Credit Provider Rate; *provided*, that at no time shall the Credit Provider Rate per annum exceed the Maximum Credit Provider Rate.

Any Credit Facility obtained as provided herein shall cause the Bonds secured thereby to bear an investment grade rating from at least two nationally recognized rating services.

(e) Subsequent to the sale of the Bonds of any Series, any one or more of the Designated Officials shall file in the office of the Secretary a notification of sale directed to the Board setting forth (i) whether such Series is a Series of Alternate Bonds or a Series of Dedicated Tax Bonds, (ii) the aggregate original principal amount of, maturity schedule, redemption provisions and interest rates for the Bonds sold, (iii) a description of the specific Pledged Capital Improvement Taxes pledged to the payment of the principal of, redemption price of, interest on and the Compound Accreted Value of the Bonds of such Series, (iv) the principal amounts of the Bonds sold as Current Interest Bonds, Capital Appreciation Bonds and Convertible Bonds, respectively, (v) in the case of Bonds sold as Capital Appreciation Bonds and Convertible Bonds, (A) the Original Principal Amounts of and Yields to Maturity on the Capital Appreciation Bonds and Convertible Bonds being sold, and (B) a table of Compound Accreted Value per \$5,000 Maturity Amount for any Capital Appreciation Bonds and Convertible Bonds being sold, setting forth the Compound Accreted Value of each such Capital Appreciation Bond and Convertible Bonds on each semiannual compounding date, (vi) the interest rates on the Current Interest Bonds sold, (vii) debt service schedules for the Bonds, demonstrating (A) in the case of Alternate Bonds, that the Pledged Capital Improvement Taxes are expected to be in an amount sufficient to provide the debt service coverage described in Section 2(b) hereof and (B) in the case of Dedicated Tax Bonds, that the Pledged Capital Improvement Taxes are expected to be sufficient to provide for the punctual payment of the debt service on the Series of Dedicated Tax Bonds, (viii) the terms and provisions for the conversion of the Compound

Accrued Value of any Convertible Bonds issued hereunder into Current Interest Bonds, (ix) the application of the proceeds of such Bonds for the purposes and within the limitations set forth in paragraph (g) of this Section, (x) if a bond insurance policy is obtained as authorized herein, the identity of the Bond Insurer issuing the bond insurance policy and the premium and any fees required to be paid thereto, (xi) if a debt reserve credit facility is obtained as authorized herein, the identity of the Debt Reserve Credit Facility Provider issuing the debt reserve credit facility, (xii) if a Credit Facility is obtained as authorized herein, the identity of the Credit Provider issuing the Credit Facility, and a copy of the Credit Agreement between the Board and such Credit Provider shall be attached to said notification of sale, (xiii) the identity of the Trustee designated pursuant to Section 2 hereof with respect to the Bonds, (xiv) if an escrow or other similar agreement is to be executed and delivered as authorized in Section 6 hereof, the identity of any bank, trust company or national banking association selected by a Designated Official to serve as escrow agent thereunder pursuant to the authorization granted in said Section 6, and a copy of such agreement shall be attached to said notification of sale and (xv) the identity of and the compensation paid to the Purchasers in connection with such sale.

In the event that the Designated Official executing such notification of sale with respect to Alternate Bonds determines that the Alternate Bonds have been sold in such principal amount or maturing or bearing interest so as to require the levy of Pledged Debt Service Taxes in any year less than the amount specified therefor in Section 3(a) hereof, then such Designated Official shall include, in the notification of sale described in this Section, the amount of reduction in the amount levied in Section 3(a) hereof for each year resulting from such sale, and in addition, either or both of the Designated Officials shall file in the respective offices of the County Clerks certificates of tax abatement for such years. No such reduction in the amounts levied in Section 3(a) hereof need be made nor must any certificate of tax abatement be filed as described in the preceding sentence until any one or more of the Designated Officials have determined that any amount so levied in Section 3(a) hereof will not be needed to secure the Alternate Bonds being sold at that time or any Series of Alternate Bonds to be sold in the future. Any certificate of abatement delivered pursuant to this paragraph shall refer to the amount of Pledged Debt Service Taxes levied pursuant to Section 3(a) hereof, shall indicate the amount of reduction in the amount of Pledged Debt Service Taxes levied by the Board resulting from the sale of such Alternate Bonds, which reduced amount is to be abated from such Pledged Debt Service Taxes, and shall further indicate the remainder of such Pledged Debt Service Taxes which is to be extended for collection by the County Clerks. Each of the Designated Officials is also authorized to file in the respective offices of the County Clerks certificates of tax abatement that reflect the refunding of any obligations of the Board.

In the event that the Designated Official executing such notification of sale with respect to Alternate Bonds or Dedicated Tax Bonds determines that the Alternate Bonds or Dedicated Tax Bonds have been sold in such principal amount or maturing or bearing interest so as to require the levy of Pledged Capital Improvement Taxes in any year less than the amount specified therefor in Section 4(a) hereof, then such Designated Official shall include, in the notification of sale described in this Section, the amount of reduction in the amount levied in Section 4(a) hereof for each year resulting from such sale, and in addition, either or both of the Designated Officials shall file in the respective offices of the County Clerks certificates of tax abatement for such years. No such reduction in the amounts levied in Section 4(a) hereof need be made nor must any certificate of tax abatement be filed as described in the preceding sentence until any one or more of the Designated Officials have determined that any amount so levied in Section 4(a) hereof will not be needed to secure the Alternate Bonds or Dedicated Tax Bonds being sold at that time or any Series of Alternate Bonds or Dedicated Tax Bonds to be sold in the future. Any certificate of abatement delivered pursuant to this paragraph shall refer to the amount of Pledged Capital Improvement Taxes levied pursuant to Section 4(a) hereof, shall indicate the amount of reduction in the amount of Pledged Capital Improvement Taxes levied by the Board resulting from the sale of such Alternate Bonds or Dedicated Tax Bonds, which reduced amount is to be abated from such Pledged Capital Improvement Taxes, and shall further indicate the remainder of such Pledged Capital Improvement Taxes which is to be extended for collection by the County Clerks. Each of the Designated Officials is also authorized to file in the respective offices of the County Clerks certificates of tax abatement that reflect the refunding of any obligations of the Board. Any abatement or reduction of Pledged Capital Improvement Taxes shall not constitute a reduction in the annual amount of Capital Improvement Tax that the Board is authorized to levy pursuant to Section 34-53.5 of the School Code

(f) The distribution of a Preliminary Official Statement, Private Placement Memorandum, Limited Offering Memorandum or Notice of Public Sale relating to each Series of the Bonds (the “**Disclosure Document**”) in substantially the respective forms delivered in connection with previous issues of Bonds, but with such changes as shall be approved by a Designated Official to reflect the terms of the Bonds proposed to be sold and the method of sale of such Bonds, is hereby in all respects, ratified, authorized and approved and shall be “deemed final” for purposes of Rule 15c2-12, adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934 (“**Rule 15c2-12**”), and the proposed use by the Underwriters or the Competitive Purchasers of a final Official Statement (in substantially the form (i) of the Preliminary Official Statement but with appropriate variations, omissions and insertions to reflect the final terms of the Bonds being sold or (ii) authorized herein for a Preliminary Official Statement if none is used in the marketing of the Bonds being sold) is hereby approved. Each Designated Official is hereby authorized and directed to execute the final Official Statement or other Disclosure Document on behalf of the Board. A Designated Official may also cause the preparation and circulation of a Disclosure Document with respect to short-term borrowings of the Board for secondary market purposes that have been previously authorized by the Board.

If determined to be necessary by a Designated Official in connection with the initial sale or subsequent reoffering of any obligations previously authorized by this Board, the preparation, use and distribution of a Disclosure Document relating to such obligations is hereby authorized and approved. The Designated Officials are each hereby authorized to execute and deliver such Disclosure Document on behalf of the Board. The Disclosure Document herein authorized shall contain a description of the terms and provisions of, and security for, such obligations, the use of proceeds of such obligations, financial information relating to the Board, and such other information as any Designated Officer determines to be advisable under the circumstances.

In connection with the sale of a Series of the Bonds, the Designated Officials are hereby authorized to provide to prospective Placement Purchasers such information regarding the Board’s operations and finances as would typically be included in a Disclosure Document and to enter into such discussions and negotiations with such prospective Placement Purchasers as such Designated Officials shall deem appropriate. In addition, the Designated Officials are hereby authorized to prepare a Notice of Sale for distribution to potential bidders in connection with a public, competitive sale of a Series of the Bonds and to take all actions necessary to conduct any such sale.

(g) The proceeds from the sale of each Series of the Bonds shall be applied to the payment of (i) costs of the Project that are “Permitted Expenditures” and “Capital Expenditures” as defined in the Indenture securing such Series, (ii) such interest to become due on such Bonds for such period not to exceed the greater of 2 years or a period ending 6 months after the estimated date of completion of the acquisition and construction of the Project as shall be determined by the Senior Vice President of Finance or the Chief Financial Officer, and (iii) the payment of the expenses related to the issuance of such Bonds, including, without limitation, fees to be paid to Bond Insurers or Credit Providers, and such proceeds shall be applied as provided in the applicable Indenture. In addition, proceeds from the sale of a Series of the Bonds in the amount of not to exceed 10% of the principal amount thereof may be deposited into a debt service reserve fund to be held under the applicable Indenture upon the direction of the Senior Vice President of Finance or the Chief Financial Officer if it is determined that the creation of such debt service reserve fund is necessary and required in connection with the sale of such Bonds. All of such proceeds are hereby appropriated for the purposes specified in this paragraph.

(h) Each of the Senior Vice President of Finance and the Chief Financial Officer is hereby authorized to enter into or approve such agreements with investment providers as shall be necessary or advisable in connection with the investment of any funds on deposit under the Indenture, to the extent such investments are authorized under the terms of the Indenture, the Investment Policy of the Board and applicable law, as in effect from time to time.

Section 6. Escrow of Pledged Capital Improvement Taxes and Pledged Debt Service Taxes. If deemed necessary and desirable to provide additional security for any Bonds, each of the Designated Officials is hereby authorized to execute and deliver on behalf of the Board, and the Secretary is authorized to attest, a form of escrow or other similar agreements with a bank, trust company or national banking association having the same qualifications as those set forth in Section 2(a) for a Trustee, reflecting the issuance of the Bonds and such segregation of Pledged Capital Improvement Taxes and, in the case of Alternate Bonds, Pledged Debt Service Taxes as the Designated Official executing such agreement shall deem appropriate.

Section 7. Escrow Directions. Each of the Designated Officials is hereby authorized, pursuant to authority contained in Section 20-90 of the Property Tax Code, 35 Illinois Compiled Statutes 200, to execute a written direction to the County Collectors of The Counties of Cook and DuPage, Illinois (the “**County Collectors**”), (i) to deposit the collections of the Pledged Debt Service Taxes as and when extended for collection directly with such escrow agent designated pursuant to Section 5 in order to secure the payment of the principal of and interest on the Alternate Bonds, and (ii) to the extent necessary, advising the County Collectors of the abatement of the Pledged Debt Service Taxes. Each of the Designated Officials is hereby authorized pursuant to the authority contained in Section 20-90 of the Property Tax Code to execute a written direction to the County Collectors, (i) to deposit the collections of the Capital Improvement Taxes as and when extended for collection directly with such escrow agent designated pursuant to Section 6 in order to secure the payment of the principal of and interest on the Bonds and to provide for the disposition of the Pledged Capital Improvement Taxes and (ii) to the extent necessary, advising the County Collectors of the abatement of Pledged Capital Improvement Taxes. The Designated Officials are directed to file a certified copy of this Resolution with each of the County Collectors.

Section 8. Tax-Exemption and Non-Arbitrage. Each of the Designated Officials is hereby authorized to take any other actions and to execute any other documents and certificates necessary to assure that the interest payments with respect to the Bonds of each Series are excludable from gross income for federal income tax purposes, to assure that the Bonds do not constitute “arbitrage bonds” or “private activity bonds” under the Internal Revenue Code of 1986, as amended, and to effectuate the issuance and delivery of the Bonds; *provided, however*, that any of the Bonds may be issued as Bonds the interest on which is includible in the gross income of the owner thereof for federal income tax purposes if determined by a Designated Official to be beneficial to the Board.

Section 9. Continuing Disclosure Undertaking. Each of the Designated Officials is hereby authorized to execute and deliver one or more Continuing Disclosure Undertakings (each, a “**Continuing Disclosure Undertaking**”) evidencing the Board’s agreement to comply with the requirements of Section (b)(5) of Rule 15c2-12, as applicable to the Bonds of each Series. Notwithstanding any other provision of this Resolution or any Indenture, the sole remedies for any failure by the Board to comply with a Continuing Disclosure Undertaking shall be the ability of the beneficial owner of any Bond to seek mandamus or specific performance by court order to cause the Board to comply with its obligations under the applicable Continuing Disclosure Undertaking. Each Continuing Disclosure Undertaking shall be in substantially the form used in previous financings of the Board, but with such changes therein as shall be approved by the Designated Official executing the same, with such execution to constitute conclusive evidence of such official’s approval and this Board’s approval of any changes or revisions therein from such form of Continuing Disclosure Undertaking.

Section 10. Further Acts. Each of the Designated Officials, officials or officers of the Board are hereby authorized to execute and deliver such other documents and agreements and perform such other acts as may be necessary or desirable in connection with the Bonds, including, but not limited to, the exercise following the delivery date of the Bonds of any power or authority delegated to such official under this Resolution with respect to the Bonds upon original issuance, but subject to any limitations on or restrictions of such power or authority as herein set forth.

The General Counsel is hereby authorized to select and engage attorneys and other professionals to provide services related to the transactions described in this Resolution. The General Counsel may make such selection of professionals based upon substantial demonstrated prior experience in addition, each of the Designated Officials is hereby authorized to execute and deliver any supplements or amendments deemed necessary in connection with the issuance, sale and delivery of the Bonds and other obligations of the Board which have heretofore been authorized, sold or delivered.

All actions of the officials or officers of the Board that are in conformity with the purposes and intent of this Resolution are hereby in all respects ratified, approved, and confirmed.

Section 11. Expiration of Authority For Alternate Bonds. The Alternate Bonds authorized by this Resolution may not be issued after the date three years following the end of the petition period pursuant to the backdoor referendum with respect to the 2016 Authorization as provided in Section 17.5(a) of the Act.

Section 12. Severability. The provisions of this Resolution are hereby declared to be severable; and if any section, phrase, or provision shall for any reason be declared to be invalid, such declaration shall not affect the validity of the remainder of the sections, phrases, or provisions.

Section 13. Repeater and Effective Date. All resolutions or parts of resolutions in conflict herewith are, to the extent of such conflict, hereby repealed. This Resolution is effective immediately upon its adoption.

General Terms and Provisions of Bonds

Section 301. Medium of Payment; Form and Date; Letters and Numbers.

The Bonds shall be payable, with respect to interest, principal and Redemption Price, in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts. Any Bonds of a Series shall be issued only in the form of fully registered Bonds without coupons or, pursuant to the provisions of a Supplemental Indenture, in any other form permitted by law at the time of original issuance, including, but not limited to, Bonds which are transferable through a book-entry system. Each Bond shall be lettered and numbered as provided in this Indenture or the Supplemental Indenture authorizing the Series of which such Bond is a part and so as to be distinguished from every other Bond. Bonds shall be dated as provided in this Indenture or the Supplemental Indenture authorizing the Bonds of such Series.

Section 302. Legends. The Bonds of each Series may contain or have endorsed thereon such provisions, specifications and descriptive words not inconsistent with the provisions of this Indenture as may be necessary or desirable to comply with custom, law, the rules of any securities exchange or commission or brokerage board, or otherwise, as may be determined by the Board or the Trustee prior to the authentication and delivery thereof.

Section 303. Execution and Authentication. (A) The Bonds shall be executed in the name of the Board by the manual or facsimile signatures of the President of the Board or the Vice President of the Board (or such other officers of the Board as may be authorized by a Bond Resolution to execute in the name of the Board Bonds of the Series authorized by that Bond Resolution) and attested by the manual or facsimile signatures of the Secretary or Assistant Secretary of the Board. In case any one or more of the officers who shall have signed any of the Bonds shall cease to be such officer before the Bonds so signed shall have been authenticated and delivered by the Trustee, such Bonds may, nevertheless, be authenticated and delivered as herein provided, and may be issued as if the persons who signed such Bonds had not ceased to hold such offices. Any Bond may

be signed on behalf of the Board by such persons who at the time of the execution of such Bond shall hold the proper office in the Board, although at the date of such Bond such persons may not have been so authorized or have held such office.

(B) The Bonds shall bear a certificate of authentication, in the form set forth in the Supplemental Indenture authorizing such Bonds, executed manually by the Trustee. Only such Bonds as shall bear such certificate of authentication shall be entitled to any right or benefit under this Indenture, and no such Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Trustee. Such certificate of the Trustee upon any such Bond executed on behalf of the Board shall be conclusive evidence that the Bond so authenticated has been duly authenticated and delivered under this Indenture and that the Owner thereof is entitled to the benefits of this Indenture.

Section 304. Exchangeability of Bonds. Subject to the provisions of Section 306, any Bond, upon surrender at the corporate trust office of the Registrar with a written instrument of transfer satisfactory to the Registrar, duly executed by the Owner or its duly authorized attorney, may, at the option of the Owner and upon payment of any charges which the Trustee may make as provided in Section 306, be exchanged for an equal aggregate principal amount of fully registered Bonds of the same Series, maturity, and interest rate and tenor of any other Authorized Denominations.

Section 305. Negotiability, Transfer and Registration. (A) Each Bond shall be transferable only upon the registration books of the Board, which shall be kept for that purpose by the Registrar, by the Owner in person or by its attorney duly authorized in writing, upon surrender thereof with a written instrument of transfer satisfactory to the Registrar, duly executed by the Owner or its duly authorized attorney. Upon the transfer of any such Bond, the Board shall issue in the name of the transferee a new Bond or Bonds in Authorized Denominations of the same aggregate principal amount, Series, maturity and interest rate as the surrendered Bond.

(B) The Board and each Fiduciary may deem and treat the person in whose name any Bond shall be registered upon the registration books of the Board as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal and Redemption Price, if any, of and interest on such Bond and for all other purposes, and all such payments so made to any such Owner or upon its order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Board nor any Fiduciary shall be affected by any notice to the contrary.

Section 306. Provisions with Respect to Exchanges and Transfers. In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Board shall execute and the Trustee shall authenticate and deliver Bonds in accordance with the provisions of this Indenture. All Bonds surrendered in any such exchanges shall

forthwith be canceled by the Trustee. For any exchange or transfer of Bonds, whether temporary or definitive, the Board, the Trustee or the Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid. The Registrar and the Trustee shall not be required to make any registration, transfer or exchange of any Bond during the period after such Bond has been called for redemption or, in the case of any proposed redemption of Bonds, during the 15 days next preceding the date of first giving notice of such redemption.

Section 307. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated or be destroyed, stolen or lost, the Board shall execute, and thereupon the Trustee shall authenticate and deliver, a new Bond of like Series, maturity, interest rate and principal amount as the Bonds so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond or in lieu of and substitution for the Bond destroyed, stolen or lost, upon filing with the Trustee or Registrar evidence satisfactory to the Board and the Trustee or Registrar that such Bond has been destroyed, stolen or lost and proof of ownership thereof, and upon furnishing the Board and the Trustee or Registrar with indemnity satisfactory to them and complying with such other reasonable regulations as the Board, the Trustee or Registrar may prescribe and paying such expenses as the Board and Trustee and Registrar may incur. All Bonds so surrendered to the Trustee or Registrar shall be canceled by the Trustee in accordance with Section 1205. Any such new Bonds issued pursuant to this Section in substitution for Bonds alleged to be destroyed, stolen or lost shall constitute original additional contractual obligations on the part of the Board, whether or not the Bonds so alleged to be destroyed, stolen or lost shall be found at any time or be enforceable by anyone, shall be entitled to equal and proportionate benefits with all other Bonds of the same Series issued under this Indenture.

ARTICLE IV

Section 401. Subordinated Indebtedness. (A) Subject to the terms and provisions of Subsection (B) of this Section 401, the Board reserves the right (i) to issue bonds, certificates or other evidences of indebtedness or contractual obligations payable as to principal and interest from Capital Improvement Taxes, and (ii) to incur contractual obligations that are payable from Capital Improvement Taxes, but, in each case, only if such indebtedness or contractual obligation is junior and subordinate in all respects to any and all Bonds issued and Outstanding under this Indenture.

(B) Subordinated Indebtedness issued or incurred pursuant to this Section 401 may only be issued or incurred for the purpose of financing or refinancing of Capital Expenditures that are Permitted Expenditures of any capital improvement or purpose of

the Board permitted under Section 34-53.5 of the School Code, to pay costs and expenses incident to the issuance of such Subordinated Indebtedness, and to capitalize interest and fund reserves with respect to such Subordinated Indebtedness. Proceeds derived from the sale of an issue of Subordinated Indebtedness shall be deposited into an escrow account administered by an escrow agent and moneys in each such escrow account shall be subject to withdrawal and expenditure only upon satisfaction of terms and conditions similar to the terms and conditions that apply for the withdrawal and expenditures of moneys from the Permitted Expenditures Account.

Section 402. Tax Anticipation Notes. The Board reserves the right to issue Tax Anticipation Notes in anticipation of the collection of Capital Improvement Taxes to be collected in the current Tax Collection Year or the next ensuing Tax Collection Year. Tax Anticipation Notes shall only be issued in anticipation of the collection of levied Capital Improvement Taxes. All of the net proceeds of sale of an issue of Tax Anticipation Notes shall be paid to the Trustee for deposit into the Escrow Fund. If such Tax Anticipation Notes are issued in anticipation of Capital Improvement Taxes to be collected in the current Tax Collection Year, then such proceeds shall be allocated immediately upon receipt in the same manner that other moneys deposited into the Escrow Fund are allocated pursuant to Section 504(A). If such Tax Anticipation Notes are issued in anticipation of Capital Improvement Taxes to be collected in the next Tax Collection Year, then such proceeds shall be deposited into a special account and held therein until the first Business Day of such next Tax Collection Year, and thereupon shall be allocated in the same manner that other moneys deposited into the Escrow Fund are allocated pursuant to Section 504(A).

Tax Anticipation Notes may be made payable from amounts to be withdrawn from the Escrow Fund pursuant to Clause Fourth of Section 504(A). Such right of payment shall be junior and subordinate in all respects to any and all Bonds issued and Outstanding under this Indenture.

respect to any Debt Service Reserve Account established by such Supplemental Indenture, on (i) the Capital Improvement Taxes; (ii) all moneys, securities and earnings thereon in all Funds, Sub-Funds, Accounts and Sub-Accounts established under this Indenture or any Supplemental Indenture, subject however to the right of the Board to make periodic withdrawals from the Escrow Fund as permitted by Section 504, from the Debt Service Fund as permitted by Section 505 (including from Sub-Funds established by Supplemental Indentures) and from the Consolidated Debt Service Reserve Fund as permitted by Section 507, and (iii) any and all other moneys and securities furnished from time to time to the Trustee by the Board or on behalf of the Board or by any other persons to be held by the Trustee under the terms of this Indenture.

(B) Pursuant to Section 13 of the Act the Capital Improvement Taxes deposited or to be deposited into the Escrow Fund and the other moneys and securities hereby pledged shall immediately be subject to the lien and pledge hereof without any physical delivery or further act, and the lien and pledge hereof shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Board, irrespective of whether such parties have notice hereof.

(C) The Bonds are limited obligations of the Board payable solely from the Capital Improvement Taxes and the other moneys pledged for their payment in accordance with this Indenture. Neither the full faith and credit nor the general taxing power of the Board is pledged to, or otherwise available for, the payment of any Bond.

Section 502. Establishment of Funds and Accounts. Pursuant to Section 20-90 of the Property Tax Code and Section 34-53.5 of the School Code, the Board hereby establishes the School Construction Tax Escrow Fund (the "*Escrow Fund*") as a special fund of the Board held in trust by the Trustee as part of the Trust Estate. The Board hereby establishes within the Escrow Fund the Permitted Expenditures Account, as a special account of the Board held in trust by the Trustee as part of the Trust Estate. The Board hereby establishes the Debt Service Fund, which shall be a special fund of the Board held in trust by the Trustee as part of the Trust Estate. The Board hereby establishes the Consolidated Debt Service Reserve Fund, which shall be a special fund of the Board held in trust by the Trustee as part of the Trust Estate for the benefit and security of the Owners of each Series of Consolidated Reserve Fund Bonds.

The Trustee shall, at the written request of the Board, establish such additional Funds, Sub-Funds within Funds, and Accounts and Sub-Accounts within any such Sub-Funds, as shall be specified in such written request, for the purpose of identifying more precisely the sources of payments into and disbursements from the Escrow Fund and the Debt Service Fund or such Sub-Funds, Accounts and Sub-Accounts and in addition, the Board shall, at the written request of the Trustee, establish additional Funds or Accounts for the purpose of segregating amounts available to pay the principal of, premium, if any, and interest on separate Series of Bonds.

Additional Funds, Sub-Funds within the Funds and Accounts and Sub-Accounts within such Sub-Funds may also be created by any Supplemental Indenture; and any such Supplemental Indenture may provide that amounts on deposit in such Sub-Funds, Accounts and Sub-Accounts shall be held by the Trustee for the sole and exclusive benefit of such Bonds as may be specifically designated in such Supplemental Indenture.

Any moneys and securities held in any Fund or any Sub-Fund, Account or Sub-Account created pursuant to this Section shall be held in trust by the Trustee, as provided in this Indenture or such Supplemental Indenture, and shall be applied, used and withdrawn only for the purposes authorized in this Indenture or such Supplemental Indenture. All moneys and securities held by the Board in any Fund, Sub-Fund, Account or Sub-Account established for or with respect to Capital Improvement Taxes shall be accounted for and held separate and apart from all other moneys and securities of the Board, and, until so applied, used and withdrawn, shall be held in trust by the Board for the purposes for which such Fund, Sub-Fund, Account or Sub-Account was established.

Section 503. Required Deposit of Capital Improvement Tax Receipts. For the purpose of providing funds required to pay the principal of and interest on the Bonds when and as the same becomes due and for the payment of Capital Expenditures that are Permitted Expenditures, all of the Capital Improvement Taxes shall be paid to the Trustee, as escrow agent thereof, for immediate deposit into the Escrow Fund. The Board shall do, or cause to be done, all acts and things necessary to cause the Capital Improvement Taxes to be deposited into the Escrow Fund and not to any other fund or account of the Board or any other person, including without limiting the foregoing, filing Deposit Directions with the County Collectors.

Section 504. Allocation of Escrow Fund. (A) On each Business Day the Trustee shall allocate the moneys in the Escrow Fund in the following order of priority and if the moneys deposited into the Escrow Fund are insufficient to make any required deposit, the deposit shall be made up on the next Business Day after required deposits having a higher priority shall have been made in full:

First: to each applicable Series Sub-Fund in the Debt Service Fund, the Pro Rata Share for that Series until there is held in each such Series Sub-Fund an amount sufficient for the payment of the unpaid Series Debt Service for that Series payable on each Payment Date on or prior to April 1 of the then Applicable Bond Year.

Second: to the Consolidated Debt Service Reserve Fund, the amount, if any, required to increase the sum then held in the Consolidated Debt Service Reserve Fund, to the Consolidated Reserve Requirement.

Third: to the Debt Service Fund, to fund any other deposits required under the terms of any Supplemental Indenture.

Fourth: on any Business Day that is not a Default Day, at the direction of the Board expressed in a Certificate filed with the Trustee, the amount specified in such Certificate for the payment of Tax Anticipation Notes issued in accordance with Section 402.

Fifth: on any Business Day that is not a Default Day, at the direction of the Board expressed in a Certificate filed with the Trustee, the amount specified in such Certificate for the payment of Subordinated Indebtedness issued in accordance with Section 401.

Sixth: to the Permitted Expenditures Account of the Escrow Fund for disbursement in accordance with Subsection (B) of this Section 504.

(B) Amounts held in the Permitted Expenditures Account may be paid to the Board from time to time, on any Business Day that is not a Default Day for the payment or reimbursement of Permitted Expenditures that are Capital Expenditures, but only upon the filing by the Board with the Trustee of the following items:

(1) its requisition therefor, stating in respect of each payment to be made: (a) the name of the person, firm or corporation to whom payment is due, (b) the amount to be paid, and (c) in reasonable detail the purpose for which the obligation was incurred; and

(2) its Certificate attached to the requisitions certifying: (a) that obligations in the stated amounts have been incurred by the Board, and that each item thereof (i) is a proper charge against the Permitted Expenditures Account; (ii) is a proper Capital Expenditure; (iii) is a proper Permitted Expenditure and (iv) has not been paid or previously reimbursed pursuant to Subsection (C) of this Section 504 or from Bond proceeds; (b) that there has not been filed with or served upon the Board notice of any lien, right to lien, or attachment upon, or claim affecting the right to receive payment of, any of the moneys payable under

such requisition, or if any such lien, attachment or claim has been filed or served upon the Board, that such lien, attachment or claim has been released or discharged, and (c) that such requisition contains no item representing payment on account of any retained percentages which the Board is at the date of such Certificate entitled to retain.

Upon receipt of each such requisition and accompanying Certificate the Trustee shall transfer from the Permitted Expenditures Account to the credit of a special Sub-Account in the Permitted Expenditures Account in the name of the Board, an amount equal to the total of the amounts to be paid as set forth in such requisition, the amounts in such special Sub-Account to be held solely for the payment of the obligations set forth in such requisition. In making such transfer, the Trustee may rely upon such requisition and accompanying Certificate. Each such obligation shall be paid by check or wire transfer drawn on such special Sub-Account to the order of the Person named in and in accordance with the requisition. Moneys deposited to the credit of such special Sub-Account shall be deemed to be a part of the Permitted Expenditures Account until paid out as above provided.

(C) The Trustee shall pay from the Permitted Expenditures Account to the Board, upon its requisitions therefor, at one time or from time to time, a sum or sums aggregating not more than \$5,000,000, exclusive of and in addition to reimbursements paid pursuant to Subsection (B) of this Section, such sums and such reimbursements to be used by the Board as a revolving fund for the payment of Capital Expenditures that are Permitted Expenditures that cannot conveniently be paid as otherwise provided in Subsection (B) of this Section. Such revolving fund shall be reimbursed by the Trustee from time to time for such expenses so paid, by payments from the Permitted Expenditures Account upon requisitions of the Board accompanied by its Certificate specifying the payee and the amount and particular purpose of each payment from such revolving fund for which such reimbursement is requested and certifying that each such amount so paid was necessary for the payment of an expense constituting a Capital Expenditure and a Permitted Expenditure and that such expense could not conveniently be paid except from such revolving fund. In making such reimbursements the Trustee may rely upon such requisitions and accompanying Certificates. The revolving fund maintained by the Board pursuant to this Section 504 shall be held separate and apart from all other funds and accounts of the Board and the amounts held in the revolving fund may only be used for payments to vendors for Capital Expenditures that are Permitted Expenditures or for the reimbursement of the Board for prior payments to vendors of Capital Expenditures that are Permitted Expenditures. Each transfer to the revolving fund maintained by the Board pursuant to this Section 504 may not exceed the aggregate amount of the vendor invoices to be paid or reimbursed with respect to the revolving fund, and may only be made after a careful review by the Board to confirm that all transfers to the revolving fund match invoiced amounts for Capital Expenditures that are Permitted Expenditures.

(D) Without regard to the requirements of Subsections (B) and (C) of this Section 504 with respect to the withdrawal of funds from the Permitted Expenditures Account, at the direction of the Board expressed in a Certificate of an Authorized Officer filed with the Trustee, the Board may direct the withdrawal of moneys from the Permitted Expenditures Account for the payment on any Payment Date of principal of (including any Sinking Fund Installment) or interest on any Bonds due and payable on such Payment Date.

Section 505. Disbursements from Debt Service Fund. The moneys in the Debt Service Fund shall be disbursed and applied by the Trustee as required to make the following deposits on the dates and in the amounts provided:

(1) Sub-Fund Deposits. On any date required by the provisions of a Supplemental Indenture creating a Series of Bonds, the Trustee shall segregate within the Debt Service Fund and credit to such Sub-Funds, Accounts, and Sub-Accounts therein as may have been created for the benefit of such Series such amounts as may be required to be so credited under the provisions of such Supplemental Indenture to pay the principal of and interest on such Bonds; and

(2) Other Required Deposits. On any date required by the provisions of a Supplemental Indenture for any other purpose, the Trustee shall segregate within the Debt Service Fund and credit to such Sub-Funds, Accounts and Sub-Accounts therein as are specified in such Supplemental Indenture the amounts required so to be withdrawn and deposited by the provisions of such Supplemental Indenture or such instrument.

Section 506. Use of Moneys in Debt Service Fund. (A) Moneys on deposit in the Debt Service Fund and which have been credited to such Sub-Funds, Accounts and Sub-Accounts therein as may have been created for the benefit of a Series of Bonds shall be used for the purposes specified in the Supplemental Indenture creating such Series.

(B) On any Business Day that is not a Default Day there are moneys in the Debt Service Fund in excess of the amounts required to be disbursed as required in clauses (1) and (2) of Section 505, then the Board, pursuant to the written direction of the Board expressed in a Certificate filed with the Trustee, may direct the transfer of all or a portion of such excess amount to the Escrow Fund or the Consolidated Debt Service Reserve Fund.

Section 507. Consolidated Debt Service Reserve Fund. (A) The Board shall maintain the Consolidated Debt Service Reserve Fund in an amount equal to the Consolidated Reserve Requirement, which requirement may be satisfied in whole or in part with one or more Qualified Reserve Credit Instruments. Any such Qualified Reserve Credit Instrument shall be issued in the name of the Trustee and shall contain no restrictions on the ability of the Trustee to receive payments thereunder other than a

certification of the Trustee that the funds drawn thereunder are to be used for the purposes for which moneys in the Consolidated Debt Service Reserve Fund may be used. If any time the Consolidated Debt Service Reserve Fund holds one or more Qualified Reserve Credit Instruments and Investment Securities, the Investment Securities shall be liquidated and the proceeds applied to fund transfers permitted under Subsections (B) and (C) of this Section prior to any draw being made on any Qualified Reserve Credit Instrument. If the Consolidated Debt Service Reserve Fund holds multiple Qualified Reserve Credit Instruments, draws shall be made under such Qualified Reserve Credit Instruments on a pro-rata basis to the extent of available funds.

(B) If on the Business Day prior to any Interest Payment Date there shall not be a sufficient amount in any Sub-Fund of the Debt Service Fund maintained under a Supplemental Indenture for the payment of interest on a Series of Consolidated Reserve Fund Bonds due on such Interest Payment Date, then the Trustee shall withdraw from the Consolidated Debt Service Reserve Fund and deposit into the appropriate Account or Sub-Account in such Sub-Fund, the amount needed to cure such deficiency and provide for the punctual payment of such interest.

(C) If on any Business Day prior to any Principal Payment Date there shall not be a sufficient amount in any Sub-Fund of the Debt Service Fund maintained under a Supplemental Indenture for the payment of the principal of a Series of Consolidated Reserve Fund Bonds due on such Principal Payment Date, then the Trustee, after making all withdrawals then required by Subsection (B) of this Section, shall withdraw from the Consolidated Debt Service Reserve Fund and deposit into the appropriate Account or Sub-Account in such Sub-Fund, the amount needed to cure such deficiency and provide for the punctual payment of such principal.

(D) In the event that the sum available for withdrawal from the Consolidated Debt Service Reserve Fund is not sufficient to satisfy all the withdrawals required by Subsections (B) and (C) of this Section, then the sum held therein shall be allocated first for the withdrawals required by Subsection (B) and among the various withdrawals required by a Subsection, pro-rata based upon the amount needed to cure each such deficiency.

(E) Amounts deposited into the Consolidated Debt Service Reserve Fund for the purpose of restoring amounts withdrawn therefrom shall be applied first to reimburse each Qualified Credit Provider and thereby reinstate the Qualified Reserve Credit Instrument of each Qualified Credit Provider. If at the time of such reimbursement the Consolidated Debt Service Reserve Fund holds multiple Qualified Reserve Credit Instruments for which restoration is required, then reimbursement shall be made on a pro-rata basis upon the amount of prior draws that are unreimbursed.

(F) If on any Business Day all withdrawals or payments from the Consolidated Debt Service Reserve Fund required by any other provision of this Indenture or any

Supplemental Indenture shall have been made and no Event of Default then exists under Section 801, then, the Trustee, at the direction of the Board expressed in a Certificate filed with the Trustee, shall withdraw from the Consolidated Debt Service Reserve Fund the amount of any excess therein over the Consolidated Reserve Requirement and deposit such moneys into any one or more of the Funds, Sub-Funds, Accounts or Sub-Accounts maintained under the Indenture or any Supplemental Indenture.

(G) At the direction of the Board expressed in a Certificate filed with the Trustee, moneys in the Consolidated Debt Service Reserve Fund may be withdrawn from the Consolidated Debt Service Reserve Fund and deposited with the Trustee for the payment of the Principal or Redemption Price of or the interest on Bonds in accordance with Section 1201 of this Indenture, provided that immediately after such withdrawal the amount held in the Consolidated Debt Service Reserve Fund equals or exceeds the Consolidated Reserve Requirement.

Section 508. Debt Service Reserve Accounts. Any Supplemental Indenture pursuant to which a Series is issued may establish a Debt Service Reserve Account and a Series reserve account requirement with respect thereto. Any such Supplemental Indenture may provide that the reserve account requirement may be satisfied as a whole or in part with one or more Qualified Reserve Credit Instruments. Any such Qualified Reserve Credit Instrument shall be issued in the name of the Trustee and shall contain no restrictions on the ability of the Trustee to receive payments thereunder other than a certification of the Trustee that the funds drawn thereunder are to be used for purposes for which moneys in the Debt Service Reserve Account may be used.

ARTICLE VI

Depositories, Security for Deposits and Investments of Funds

Section 601. Depositories. All moneys held by the Trustee under the provisions of this Indenture may be deposited with one or more Depositories selected by an Authorized Officer in the name of and in trust for the Trustee. All moneys held by the Board under this Indenture shall be deposited in one or more Depositories (selected by an Authorized Officer) in the name of the Board. All moneys deposited under the provisions of this Indenture with the Trustee or any Depositary shall be held in trust and applied only in accordance with the provisions of this Indenture, and each of the Funds, Sub-Funds, Accounts and Sub-Accounts established by this Indenture shall be a trust fund.

Section 602. Deposits. (A) All moneys held by any Depositary under this Indenture may be placed on demand or time deposit, as directed by an Authorized Officer, provided that such deposits shall permit the moneys so held to be available for use when needed. Any such deposit may be made in the commercial banking department

of any Fiduciary which may honor checks and drafts on such deposit as if it were not a Fiduciary. All moneys held by a Fiduciary may be deposited in its banking department on demand or, if and to the extent directed by an Authorized Officer, on time deposit, provided that such moneys on deposit be available for use when needed. Such Fiduciary shall allow and credit on such moneys such interest, if any, as it customarily allows upon similar funds of similar size.

(B) All moneys on deposit to the credit of the Escrow Fund, the Debt Service Fund or the Consolidated Debt Service Reserve Fund (i) held by a Depository other than the Trustee and (ii) not otherwise secured by deposit insurance, shall be continuously and fully secured by the Trustee for the benefit of the Board and the Owners of the Bonds by lodging with the Trustee as collateral security, Government Obligations having a market value (exclusive of accrued interest) of not less than the amount of such moneys. All other moneys held for the Board under this Indenture shall be continuously and fully secured for the benefit of the Board and the Owners of the Bonds in the same manner as provided by the Board for similar funds of the Board.

(C) All moneys deposited with the Trustee and each Depository shall be credited to the particular Fund, Sub-Fund, Account or Sub-Account to which such moneys belong.

Section 603. Investment of Moneys. (A) Moneys held in the several Funds, Sub-Funds, Accounts and Sub-Accounts shall be invested and reinvested by the Trustee at the written direction of the Treasurer or an Authorized Officer in Investment Securities within the parameters of this Indenture and the Investment Policy which mature no later than necessary to provide moneys when needed for payments to be made from such Fund, Sub-Fund, Account or Sub-Account. The Trustee may conclusively rely upon the Treasurer's or Authorized Officer's written instructions as to both the suitability and legality of the directed investments. Ratings of Investment Securities shall be determined at the time of purchase of such Investment Securities. In the absence of written investment instructions from the Board, the Trustee shall not be responsible or liable for keeping the moneys held by it hereunder fully invested in Investment Securities, but shall immediately notify the Board in the event moneys are being held uninvested hereunder. Nothing contained in this Indenture shall be construed to prevent such Treasurer or Authorized Officer from directing the Trustee to make any such investments or reinvestments through the use of a Forward Supply Contract, to the extent permitted by State law and the Investment Policy, and the Trustee shall comply with the terms and provisions of any such Forward Supply Contract. The Trustee may make any and all such investments through its trust department or the bond department of any bank (including the Trustee) or trust company under common control with the Trustee. The Board has provided a certified copy of the Investment Policy to the Trustee in connection with the initial delivery of the 2016 Bonds and the Board covenants and agrees to provide to the Trustee in a timely fashion any amendments to or revisions of such Investment

Policy. The Trustee shall be entitled to conclusively rely on the Investment Policy provided to it by the Board as the Investment Policy in effect at the time any investment is made. All investment income shall be retained in the Fund or Account to which the investment is credited from which such income is derived.

(B) The Trustee may trade with itself in the purchase and sale of securities for such investment. The Trustee shall not be liable or responsible for the performance or adverse consequences of any investment made pursuant to this Section. Although the Board recognizes that they may obtain a broker confirmation or written statement containing comparable information at no additional cost, the Board hereby agrees that confirmations of Investment Securities are not required to be issued by the Trustee for each month in which a monthly statement is rendered.

(C) Valuations of Investment Securities held in the Funds, Sub-Funds, Accounts and Sub-Accounts established hereunder shall be made by the Trustee as often as may be necessary or requested by the Board to determine the amounts held therein except that the value of Investment Securities held in the Consolidated Debt Service Reserve Fund must be valued as of April 15 and October 15 of each year. In computing the amounts in such Funds, Sub-Funds, Accounts and Sub-Accounts, Investment Securities therein shall be valued as provided in Subsection (D) of this Section 604.

(D) The value of Investment Securities shall mean the fair market value thereof, *provided, however*, that all United States Treasury Securities – State and Local Government Series shall be valued at par and those obligations which are redeemable at the option of the holder shall be valued at the price at which such obligations are then redeemable.

(E) Except as otherwise provided in this Indenture, the Trustee at the direction of the Treasurer or an Authorized Officer shall sell at the best price reasonably obtainable, or present for redemption, any Investment Security held in any Fund, Sub-Fund, Account or Sub-Account held by the Trustee whenever it shall be necessary to provide moneys to meet any payment or transfer from such Fund, Sub-Fund, Account or Sub-Account as the case may be. The Trustee and the Board shall not be liable or responsible for making any such investment in the manner provided above or for any loss resulting from any such investment.

ARTICLE VII

The Bonds and the provisions of this Indenture are and will be valid and legally enforceable obligations of the Board in accordance with their terms and the terms of this Indenture, except to the extent enforceability may be limited by bankruptcy, insolvency and other laws affecting conditions, rights or remedies and the availability of equitable remedies generally. The Board covenants that upon the date of issuance of any of the Bonds, all conditions, acts and things required by the Constitution and laws of the State and this Indenture to exist, to have happened and to have been performed precedent to or in the issuance of such Bonds shall exist, have happened and have been performed. The Board shall not issue any bonds or other evidences of indebtedness or incur any indebtedness, other than Subordinated Indebtedness and Tax Anticipation Notes, which are secured by a pledge of or lien on the Capital Improvement Taxes or the moneys, securities or funds held or set aside under this Indenture, and shall not, except as expressly authorized in this Indenture, create or cause to be created any lien or charge on the Capital Improvement Taxes or such moneys, securities or funds; *provided, however,* that nothing contained in this Indenture shall prevent the Board from issuing or incurring evidences of indebtedness (a) payable from or secured by amounts that may be withdrawn free from the lien of this Indenture pursuant to Section 504 or (b) payable from, or secured by the pledge of, Capital Improvement Taxes to be derived on and after such date as the pledge of the Trust Estate provided in this Indenture shall be discharged and satisfied as provided in Section 1201.

Section 709. Covenants Regarding Pledged Capital Improvement Taxes. (A)

The Board has executed and delivered a Deposit Direction to each of the County Collectors to deposit all collections of the Capital Improvement Taxes in each year, directly with the Trustee. So long as any of the Bonds remain Outstanding, the Board will not agree, and will not attempt to, and will not amend, modify, terminate or revoke any Deposit Direction, except for such modifications or amendments as may be (i) necessitated by changes in State law and applicable rules or regulations thereunder or (ii) necessary in connection with the issuance of Additional Bonds or Refunding Bonds; *provided*, that no such modification or amendment shall provide for the deposit with the Trustee of less than all of the Capital Improvement Taxes to be paid to the Board during any Tax Collection Year.

(B) The Board will take all actions necessary (i) to confirm, if needed, the annual levy and extension of the Capital Improvement Tax for collection on a timely basis in an annual amount not less than the amount required to satisfy the covenant in Section 705 and (ii) to cause Capital Improvement Taxes, when collected, to be deposited directly with the Trustee for application in accordance with this Indenture. (C) Prior to the issuance of each Series of Bonds, the Board shall file with the County Clerks a certified copy of the Bond Resolution together with such other orders and directions as needed to provide for the annual levy and extension of the Bond Resolution Series Levy for each Series.

Section 713. Equality of Bonds. All Bonds issued hereunder shall be on a parity and rank equally without preference, priority or distinction over any other as to security, regardless of the time or times of their issue, and the provisions, covenants and agreements set forth in this Indenture to be performed by and on behalf of the Board shall be for the equal benefit, protection and security of the Owners of any and all Bonds.

ARTICLE VIII

Remedies of Owners

Section 801. Events of Default. Each of the following events is hereby declared an “*Event of Default*”:

- (1) if a default shall occur in the due and punctual payment of the principal or Redemption Price of any Bond when and as the same shall become due and payable, whether at maturity or by call for redemption or otherwise;
- (2) if a default shall occur in the due and punctual payment of interest on any Bond, when and as such interest shall become due and payable;

- (5) if the Board shall file a petition seeking a composition of indebtedness under the federal bankruptcy laws or under any other applicable law or statute of the United States of America or of the State.

Section 802. Application of Funds After Default.

(A) During the continuance of an Event of Default, the Trustee shall apply all Capital Improvement Taxes and the other moneys, securities and funds constituting part of the Trust Estate as follows and in the following order:

(1) to the payment of the reasonable and proper charges and expenses of the Trustee, including the reasonable fees and expenses of counsel employed by it pursuant to this Article;

(2) to the payment of the principal of, Redemption Price of and interest on the Bonds then due, as follows:

First: to the payment to the persons entitled thereto of all installments of interest then due on the Bonds in the order of the maturity of such installments, together with accrued and unpaid interest on the Bonds theretofore called for redemption, and, if the amount available shall not be sufficient to pay in full any installment or installments of interest maturing on the same date, then to the payment thereof ratably, according to the amounts due thereon, to the persons entitled thereto, without any discrimination or preference; and

Second: to the payment to the persons entitled thereto of the unpaid principal or Redemption Price of any Bonds which shall have become due, whether at maturity or by call for redemption in the order of their due dates, and, if the amount available shall not be sufficient to pay in full all the Bonds due on any date, then to the payment thereof ratably, according to the amounts of principal or Redemption Price due on such date, to the persons entitled thereto, without any discrimination or preference.

(B) If and whenever all overdue installments of principal and Redemption Price of and interest on all Bonds, together with the reasonable and proper charges and expenses of the Trustee, and all other overdue sums payable by the Board under this Indenture, including the overdue principal and Redemption Price of and accrued unpaid interest on all Bonds held by or for the account of the Board have been paid, or provision satisfactory to the Trustee shall be made for such payment, and all defaults under this Indenture or the Bonds shall be made good or secured to the satisfaction of the Trustee or provision deemed by the Trustee to be adequate shall be made therefor, the Trustee shall pay over to the Board all moneys, securities and funds then remaining unexpended in the hands of the Trustee (except moneys, securities and funds deposited or pledged, or required by the terms of this Indenture to be deposited or pledged, with the Trustee), and thereupon the Board, the Trustee, Bond Insurers and the Owners shall be restored, respectively, to their former positions and rights under this Indenture. No such payment over to the Board by the Trustee nor such restoration of the Board and the Trustee to their former positions and rights shall extend to or affect any subsequent default under this Indenture or impair any right consequent thereon.

(C) The Board covenants that if an Event of Default shall have happened and shall not have been remedied, the books of record and account of the Board and all other records relating to the Trust Estate shall at all times be subject to the inspection and use of the Trustee and of its agents and attorneys.

Section 803. Proceedings Brought by Trustee. (A) If an Event of Default shall happen and shall not have been remedied, then and in every such case, the Trustee, by its agents and attorneys, may proceed, and upon identical written request of the Owners of not less than a majority in aggregate principal amount of the Bonds then Outstanding and upon being indemnified to its satisfaction shall proceed, to protect and enforce its rights and the rights of the Owners of the Bonds under this Indenture forthwith by a suit or suits in equity or at law, including by writ of mandamus, whether for the specific performance of any covenant herein contained, or in aid of the execution of any power herein granted, or for an accounting against the Board as if the Board were the trustee of an express trust, or in the enforcement of any other legal or equitable right as the Trustee, being advised by counsel, shall deem most effectual to enforce any of its rights or to perform any of its duties under this Indenture.

(B) All rights of action under this Indenture may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any suit or other proceeding, and any such suit or other proceeding instituted by the Trustee shall be brought in its name.

(C) All actions against the Board under this Indenture shall be brought in a State or federal court located in the County of Cook, Illinois.

(D) The Owners of not less than a majority in aggregate principal amount of the Bonds then Outstanding may direct the time, method and place of conducting any proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture or for the enforcement of any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, *provided* that the Trustee shall have the right to decline to follow any such direction if the Trustee shall be advised by counsel that the action or proceeding so directed may not lawfully be taken, or if the Trustee in good faith shall determine that the action or proceeding so directed would involve the Trustee in personal liability or be unjustly prejudicial to the Owners not parties to such direction.

(E) Upon commencing any suit at law or in equity or upon commencement of other judicial proceedings by the Trustee to enforce any right under this Indenture, the Trustee shall be entitled to exercise any and all rights and powers conferred in this Indenture and provided to be exercised by the Trustee upon the occurrence of any Event of Default.

(F) Regardless of the happening of an Event of Default, the Trustee shall have power, but unless requested in writing by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, and furnished with reasonable security and indemnity, shall be under no obligation, to institute and maintain such suits and proceedings as may be necessary or expedient to prevent any impairment of the security under this Indenture and to preserve or protect its interests and the interest of the Owners.

Section 804. Restriction on Owners' Action. (A) No Owner of any Bond shall have any right to institute any suit or proceeding at law or in equity for the enforcement or violation of any provision of this Indenture or the execution of any trust under this Indenture or for any remedy under this Indenture, unless such Owner shall have previously given to the Trustee written notice of the happening of an Event of Default, as provided in this Article; and the Owners of at least a majority in aggregate principal amount of the Bonds then Outstanding shall have filed a written request with the Trustee, and shall have offered it reasonable opportunity either to exercise the powers granted in this Indenture or by the laws of the State or to institute such suit or proceeding in its own name, and unless such Owners shall have offered to the Trustee adequate security and indemnity against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee shall have refused or failed to comply with such request within 60 days after receipt by it of such notice, request and offer of indemnity, it being understood and intended that no one or more Owners of Bonds shall have any right in any manner whatever by its or their action to affect, disturb or prejudice the pledge created by this Indenture or to enforce any right under this Indenture, except in the manner herein provided; and that all proceedings at law or in equity to enforce any provision of this Indenture shall be instituted, had and maintained in the manner provided in this Indenture and for the equal benefit of all Owners of the Outstanding Bonds, subject only to the provisions of Section 704.

(B) Nothing in this Indenture or in the Bonds contained shall affect or impair the obligation of the Board, which is absolute and unconditional, to pay at the respective dates of maturity and places therein expressed the principal of and interest on the Bonds to the respective Owners thereof, or affect or impair the right of action, which is also absolute and unconditional, of any Owner to enforce by any suit or proceeding, including by writ of mandamus, such payment of its Bond solely from the sources provided herein and the Supplemental Indenture pursuant to which such Bond was issued.

Section 805. Remedies Not Exclusive. No remedy by the terms of this Indenture conferred upon or reserved to the Trustee or Bond Insurer or the Owners is intended to be exclusive of any other remedy, but each remedy shall be cumulative and shall be in addition to every other remedy given under this Indenture or existing at law or in equity or by statute on or after the date of the execution and delivery of this Indenture.

Section 806. Effect of Waiver and Other Circumstances. (A) No delay or omission of the Trustee, Bond Insurer or any Owner to exercise any right or power arising upon the happening of an Event of Default shall impair any right or power or shall be construed to be a waiver of any such default or be an acquiescence therein.

(B) The Owners of not less than two-thirds in aggregate principal amount of the Bonds then Outstanding, or their attorneys-in-fact duly authorized may on behalf of the Owners of all of the Bonds waive any past default under this Indenture and its consequences, except a default in the payment of interest on or principal or Redemption

Price of any of the Bonds. No such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

Section 807. Notices of Default. The Trustee shall promptly mail written notice of the occurrence of any Event of Default to the Owners of the Bonds and each Bond Insurer.

Section 808. Rights of Bond Insurer. Subject to the provisions of any applicable Supplemental Indenture, any Bond Insurer shall be treated as the Owner of Bonds upon which such Bond Insurer is obligated pursuant to a Bond Insurance Policy, for the purposes of calculating whether or not the Owners of the requisite percentage of Bonds then Outstanding have consented to any request, consent, directive, waiver or other action permitted to be taken by the Owners of the Bonds pursuant to this Article; *provided, however*, that such Bond Insurer shall cease to be so regarded as Owner of such Bonds in the event such Bond Insurer is in default of its obligations under the applicable Bond Insurance Policy.

Subject to the provisions of any applicable Supplemental Indenture, to the extent any Bond Insurer has exercised its rights as subrogee for the particular Bonds of which it has insured payment, such Bonds shall be deemed to be Outstanding and such Bond Insurer shall succeed to the rights and interests of the Owners as specified in respect of the applicable Bond Insurance Policy until such amount has been reimbursed.

ARTICLE IX

Concerning the Fiduciaries

Section 901. Trustee; Appointment and Acceptance of Duties. The Trustee hereby accepts and agrees to the trusts hereby created, but only upon the additional terms set forth in this Article, to all of which the Board agrees and the respective Owners of the Bonds, by their purchase and acceptance thereof, agree. The Trustee is hereby appointed as a Paying Agent for each Series.

(B) The Trustee hereby accepts the duties and obligations imposed upon it as Paying Agent by this Indenture. Each other Paying Agent shall signify its acceptance of

the duties and obligations imposed upon it by this Indenture by executing and delivering to the Board and to the Trustee a written acceptance thereof.

Section 904. Responsibilities of Fiduciaries. (A) The recitals of fact herein and in the Bonds contained shall be taken as the statements of the Board and no Fiduciary assumes any responsibility for the correctness of the same. No Fiduciary makes any representations as to the validity or sufficiency of this Indenture or of any Bonds issued hereunder or as to the security afforded by this Indenture, and no Fiduciary shall incur any liability in respect thereof. The Trustee shall, however, be responsible for any representation contained in its certificate on the Bonds. No Fiduciary shall be under any responsibility or duty with respect to the application of any moneys paid to the Board or to any other Fiduciary. No Fiduciary shall be under any obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any suit in respect hereof, or to advance any of its own moneys, unless properly indemnified. Subject to the provisions of Subsection (B) of this Section, each Fiduciary undertakes to perform such duties and only such duties as are specifically set forth in the Indenture and no Fiduciary shall be liable in connection with the performance of its duties hereunder except for its own negligence or misconduct. The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty. The Trustee shall not be responsible for the recording or re-recording, filing or re-filing of this Indenture, or any supplement or amendment thereto, or the filing of financing statements, or for the validity of the execution by the Board of this Indenture, or of any supplemental indentures or instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby, or for the value or title of the property herein conveyed or otherwise as to the maintenance of the security hereof. The Trustee may (but shall be under no duty to) require of the Board full information and advice as to the performance of the covenants, conditions and agreements in this Indenture and shall make its best efforts, but without any obligation, to advise the Board of any impending default known to the Trustee.

(B) In case an Event of Default has occurred and has not been remedied or waived, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and shall use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs. Any provision of this Indenture relating to action taken or to be taken by the Trustee or to evidence upon which the Trustee may rely shall be subject to the provisions of this Article.

(C) Before taking any action under this Indenture relating to an event of default or in connection with its duties under this Indenture other than making payments of principal and interest on the Bonds as they become due, the Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, including, but not limited to, any liability arising directly or indirectly under any federal, state or local statute, rule, law or ordinance related to the protection of the environment or hazardous substances and except liability which is adjudicated to have resulted from its negligence or willful default in connection with any action so taken.

(D) In determining whether the rights of the Owners will be adversely affected by any action taken pursuant to the terms and provisions of this Indenture, the Fiduciaries shall consider the effect on the Owners as if there were no Bond Insurance Policy.

Section 905. Evidence on Which Fiduciaries May Act. (A) Each Fiduciary shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, opinion (including any Counsel's Opinion), bond or other paper or document furnished to it pursuant to and conforming to the requirements of this Indenture, and believed by it to be genuine and to have been signed or presented by the proper party or parties.

(B) Whenever any Fiduciary shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under this Indenture, such matter (unless this Indenture specifically requires other evidence thereof) may be deemed to be conclusively proved and established by a Certificate of an Authorized Officer, but in its discretion the Fiduciary may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable.

(C) Except as otherwise expressly provided in this Indenture, any request, order, notice or other direction required or permitted to be furnished by the Board to any Fiduciary shall be sufficiently executed if signed by an Authorized Officer.

Section 906. Compensation. Unless otherwise determined by agreement between the Board and each Fiduciary, the Board shall pay each Fiduciary from time to time reasonable compensation for services rendered under this Indenture, as well as pay and/or reimburse each Fiduciary for the reasonable fees and expenses related to

extraordinary services rendered by each Fiduciary, including without limitation reasonable fees and expenses of such Fiduciary's counsel. Upon an Event of Default, the Fiduciaries shall have a right of payment prior to payment on account of principal of, or premium, if any, or interest on, any Bond for the foregoing fees and expenses incurred; provided, that in no event shall the Fiduciaries have any such prior right of payment or claim therefor against any moneys or obligations deposited with or paid to the Fiduciaries for the redemption or payment of Bonds, which are deemed to have been paid in accordance with Section 1201.

Section 907. Certain Permitted Acts. Any Fiduciary may become the Owner of any Bonds, with the same rights it would have if it were not a Fiduciary. To the extent permitted by law, any Fiduciary may act as depositary for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Owners or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Indenture, whether or not any such committee shall represent the Owners of a majority in aggregate principal amount of the Bonds then Outstanding. Any Fiduciary may execute any of the trusts or powers hereof and perform any of its duties by or through attorneys, agents or receivers and shall not be answerable for the conduct of the same if appointed with due care hereunder, and shall be entitled to advice of counsel concerning all matters of trusts hereof and duties hereunder, and may in all cases pay such reasonable compensation to any attorney, agent, receiver, or employee retained or employed by it in connection herewith. Any Fiduciary may act upon the opinion or advice of an attorney or accountant selected by it in the exercise of reasonable care or, if selected or retained by the Board, approved by the Trustee in the exercise of such care. A Fiduciary shall not be responsible for any loss or damage resulting from any action or nonaction based on its good faith reliance upon such opinion or advice.

At any and all reasonable times, the Trustee, and its duly authorized agents, attorneys, experts, accountants and representatives, shall have the right fully to inspect any and all books, papers and records of the Board pertaining to the Bonds, and to take such memoranda from and in regard thereto as may be desired.

Section 908. Resignation of Trustee. The Trustee may at any time resign and be discharged of the duties and obligations imposed upon it by this Indenture by giving not less than 60 days' written notice to the Board, all Owners of the Bonds, each Bond Insurer, the Depositaries and the other Fiduciaries, and such resignation shall take effect upon the day specified in such notice but only if a successor shall have been appointed by the Board or the Owners as provided in Section 910, in which event such resignation shall take effect immediately on the appointment of such successor whether or not the date specified for such resignation to take effect has arrived. If a successor Trustee shall not have been appointed within a period of 90 days following the giving of notice, then the Trustee shall be authorized to petition any court of competent jurisdiction to appoint a successor Trustee as provided in Section 910.

Section 909. Removal of Trustee. The Trustee may be removed at any time by an instrument in writing delivered to the Trustee and signed by an Authorized Officer on behalf of the Board; *provided, however*, that if an Event of Default shall have occurred and be continuing, the Trustee may be so removed by the Board only with the written concurrence of the Owners of a majority in aggregate principal amount of Bonds then Outstanding. The Trustee may be removed at any time by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, excluding any Bonds held by or for the account of the Board, by an instrument or concurrent instruments in writing signed and duly acknowledged by such Owners or their attorneys-in-fact duly authorized, and delivered to the Board. Copies of each such instrument shall be delivered by the Board to each Fiduciary.

Section 910. Appointment of Successor Trustee. (A) In case at any time the Trustee shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee, or of its property, shall be appointed, or if any public officer or court shall take charge or control of the Trustee, or of its property or affairs, the Board shall appoint a successor Trustee. The Board shall cause notice of any such appointment by it made to be mailed to all Owners of the Bonds, and each Bond Insurer.

(B) If no appointment of a Trustee shall be made by the Board pursuant to the provisions of Subsection (A) of this Section, the Owner of any Bond Outstanding hereunder may apply to any court of competent jurisdiction to appoint a successor Trustee. Such court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Trustee.

(C) Any Trustee appointed under the provisions of this Section in succession to the Trustee shall be a bank or trust company or national banking association, doing business and having a corporate trust office in the State, and having a capital and undivided surplus aggregating at least \$20,000,000, if there be such a bank or trust company or national banking association willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Indenture.

Section 911. Transfer of Rights and Property to Successor Trustee. Any successor Trustee appointed under this Indenture shall execute, acknowledge and deliver to its predecessor Trustee, and also to the Board, an instrument accepting such appointment, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Trustee; but the predecessor Trustee shall nevertheless, on the written request of the Board or of the successor Trustee, execute, acknowledge and deliver such instruments of conveyance and further assurances and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor Trustee all its right, title and interest in and to

any property held by it under this Indenture, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Should any deed, conveyance or instrument from the Board be required by such successor Trustee for more fully and certainly vesting in and confirming to such successor Trustee any such moneys, estates, properties, rights, powers and duties, such deed, conveyance or instrument shall be executed, acknowledged and delivered by the Board. Any such successor Trustee shall promptly notify the Paying Agents of its appointment as Trustee.

Section 912. Merger or Consolidation. Any company into which any Fiduciary may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which all or substantially all of the corporate trust business of any Fiduciary may be sold or transferred, shall be the successor to such Fiduciary and be bound to the obligations and duties of such Fiduciary hereunder without the execution or filing of any paper or the performance of any further act, unless such successor delivers written notice of its resignation pursuant to the provisions of this Article; *provided, however*, that such company shall be a bank or trust company organized under the laws of any state of the United States or a national banking association and shall be authorized by law to perform all the duties imposed upon it by this Indenture.

Section 913. Adoption of Authentication. In case any of the Bonds contemplated to be issued under this Indenture shall have been authenticated but not delivered, any successor Trustee may adopt the certificate of authentication of any predecessor Trustee so authenticating such Bonds and deliver such Bonds so authenticated; and in case any of the said Bonds shall not have been authenticated, any successor Trustee may authenticate such Bonds in the name of the predecessor Trustee or in its own name.

Section 914. Resignation or Removal of Paying Agent and Appointment of Successor. (A) Any Paying Agent may at any time resign and be discharged of the duties and obligations imposed upon it by this Indenture by giving at least 60 days' written notice to the Board, each Bond Insurer and the other Fiduciaries. Any Paying Agent may be removed at any time by an instrument signed by an Authorized Officer and filed with such Paying Agent and the Trustee. Any successor Paying Agent shall be appointed by the Board and shall be a bank or trust company organized under the laws of any state of the United States or a national banking association, having a capital and undivided surplus aggregating at least \$20,000,000, willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Indenture.

(B) In the event of the resignation or removal of any Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys held by it as Paying Agent to its successor, or if there be no successor, to the Trustee and shall be subject to audit of all of

its books, records and accounts with respect to the Bonds. In the event that for any reason there shall be a vacancy in the office of any Paying Agent, the Trustee shall act as such Paying Agent.

Section 915. Resignation or Removal of Registrar and Appointment of Successor. (A) Any Registrar may at any time resign and be discharged of the duties and obligations imposed upon it by this Indenture by giving at least 60 days' written notice to the Board and the other Fiduciaries. Any Registrar may be removed at any time by an instrument signed by an Authorized Officer and filed with such Registrar and the Trustee. Any successor Registrar shall be appointed by the Board and shall be a bank, trust company or national banking association doing business and having an office in the State or in the Borough of Manhattan, in the City and State of New York, if there be such a bank, trust company or national banking association willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Indenture.

(B) In the event of the resignation or removal of any Registrar, such Registrar shall deliver all books, records and other property including the bond register of the Board to its successor, or if there be no successor, to the Trustee. In the event that for any reason there shall be a vacancy in the office of any Registrar, the Trustee shall act as such Registrar.

Section 916. Trustee Not Deemed to Have Notice of Default. The Trustee shall not be deemed to have notice of any default hereunder, except a Bond payment default under clause (1) or (2) of Section 801 or the failure of the Board to file with the Trustee any document required by this Indenture, unless any officer in its corporate trust office shall have actual knowledge thereof or the Trustee shall be specifically notified in writing of such default by the Board, by the Owners of not less than a majority in aggregate principal amount of the Bonds then Outstanding or by a Bond Insurer. All notices or other instruments required by this Indenture to be delivered to the Trustee must, in order to be effective, be delivered at the corporate trust office of the Trustee.

Section 917. Monthly Report by Trustee. Within twenty days after the end of each calendar month, the Trustee shall prepare a written report for each Fund, Sub-Fund, Account and Sub-Account held by it pursuant to the provisions of this Indenture. Such report shall set out the receipts and disbursements, both principal and income, and shall list the Investment Securities held by the Trustee at the end of the month. A copy of each such report shall be furnished to the Board and any Persons designated by the Board.

In addition, the Trustee shall, at any time when requested, furnish to the Board and any Persons designated by the Board a report of the amount of moneys, including Investment Securities, held in each Fund, Sub-Fund, Account or Sub-Account by the Trustee. For purposes of this certification, the Investment Securities in each such Fund,

Sub-Fund, Account and Sub-Account shall be treated as having a value equal to their aggregate market value as of the date of the request.

ARTICLE X

Supplemental Indentures

Section 1001. Supplemental Indentures Not Requiring Consent of Owners.

The Board and the Trustee may without the consent of, or notice to, any of the Owners or any Bond Insurer, enter into a Supplemental Indenture or Supplemental Indentures as shall not be inconsistent with the terms and provisions hereof for any one or more of the following purposes:

- (1) to authorize a Series of Bonds and to specify, determine or authorize any matters and things concerning any such Series which are not contrary to or inconsistent with this Indenture;
- (2) to close this Indenture against, or impose additional limitations or restrictions on, the issuance of Bonds, or of other notes, bonds, obligations or evidences of indebtedness;
- (3) to impose additional covenants or agreements to be observed by the Board;
- (4) to impose other limitations or restrictions upon the Board;
- (5) to surrender any right, power or privilege reserved to or conferred upon the Board by this Indenture;
- (6) to confirm, as further assurance, any pledge of or lien upon the Trust Estate or any other moneys, securities or funds;
- (7) to cure any ambiguity, omission or defect in this Indenture;
- (8) to provide for the appointment of a successor securities depository in the event any Series of Bonds is held in book-entry only form;
- (9) to provide for the establishment of any Debt Service Reserve Account;
- (10) to provide for the appointment of any successor Fiduciary;
- (11) to conform the provisions of the Indenture to the provisions of the Act, the Property Tax Code, the School Code, the Code and Regulations, or other applicable law; and

(12) to make any other change which, in the judgment of the Trustee, is not to the prejudice of the Trustee, any Bond Insurer or the Owners.

Section 1002. Supplemental Indentures Effective upon Consent of Owners.

Any Supplemental Indenture not effective in accordance with Section 1001 shall take effect only if permitted and approved and in the manner prescribed by Article XI.

Section 1003. Filing of Counsel's Opinion. Each Supplemental Indenture described in Section 1001 shall be accompanied, when filed with the Trustee, by a Counsel's Opinion to the effect that such Supplemental Indenture has been duly authorized by the Board in accordance with the provisions of this Indenture, is authorized or permitted by this Indenture and, when executed and delivered, will be valid and binding upon the Board, the Owners and the Trustee.

Section 1004. Notice to Parties. Notice of the execution and delivery of each Supplemental Indenture described in Section 1001 shall be given to each Bond Insurer, which notice shall include a copy of such Supplemental Indenture in the form so executed and delivered.

ARTICLE XI

Amendments

Section 1101. Mailing. Any provision in this Article for the mailing of a notice or other information to Owners shall be fully complied with if it is mailed by first class mail, postage prepaid or delivered only to each Owner of Bonds then Outstanding at its address, if any, appearing upon the registration books of the Board kept by the Registrar.

Section 1102. Powers of Amendment. Except for Supplemental Indentures described in Section 1001, any modification or amendment of this Indenture and of the rights and obligations of the Board and of the Owners of the Bonds hereunder, in any particular, may be made by a Supplemental Indenture with the written consent given as provided in Section 1103 hereof (i) of the Owners of at least a majority in aggregate principal amount of the Bonds then Outstanding at the time such consent is given, and (ii) in case less than all of the several Series of Bonds then Outstanding are affected by the modification or amendment, of the Owners of at least a majority in aggregate principal amount of the Bonds of each Series so affected and Outstanding at the time such consent is given; *provided, however*, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like Series and maturity remain Outstanding, the consent of the Owners of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal

of any Outstanding Bonds, or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon without the consent of the Owner of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the Owners of which is required to effect any such modification or amendment, or shall change or modify any of the rights or obligations of any Fiduciary without its written assent thereto.

For the purposes of this Section, a Series shall be deemed to be affected by a modification or amendment of this Indenture if the same adversely affects or diminishes the rights of the Owners of Bonds of such Series. The Trustee may in its discretion determine whether or not the rights of the Owners of Bonds of any particular Series or maturity would be adversely affected or diminished by any such modification or amendment, and its determination shall be binding and conclusive on the Board and all Owners of the Bonds.

Section 1103. Consent of Owners. The Board may at any time authorize the execution and delivery of a Supplemental Indenture making a modification or amendment permitted by the provisions of Section 1102, to take effect when and as provided in this Section. Subject to the provisions of Section 1208, the rights of the Owner of an Insured Bond to take any action pursuant to this Section 1103 are abrogated and the Bond Insurer may exercise the rights of the Owner of any Insured Bond that is entitled to the benefits of the Bond Insurance Policy issued by the Bond Insurer for the purpose of any approval, request, demand, consent, waiver or other instrument of similar purpose pursuant to any provision of this Section.

Upon the authorization of such Supplemental Indenture, a copy thereof shall be delivered to and held by the Trustee for the inspection of the Owners. A copy of such Supplemental Indenture (or summary thereof or reference thereto in form approved by the Trustee) together with a request to Owners for their consent thereto in form satisfactory to the Trustee, shall be mailed to the Owners, but failure to mail such copy and request shall not affect the validity of such Supplemental Indenture when consented to as in this Section provided. Such Supplemental Indenture shall not be effective unless and until, and shall take effect in accordance with its terms when (a) there shall have been filed with the Trustee (i) the written consents of the Owners of the required principal amount of Outstanding Bonds, and (ii) a Counsel's Opinion stating that the execution and delivery of such Supplemental Indenture has been duly authorized by the Board in accordance with the provisions of this Indenture, is authorized or permitted by this Indenture and, when effective, will be valid and binding upon the Board, the Owners and the Trustee, and (b) a notice shall have been mailed as hereinafter in this Section provided. A certificate or certificates by the Trustee delivered to the Board that consents have been given by the Owners of the Bonds described in such certificate or certificates of the Trustee shall be conclusive. Any such consent shall be binding upon the Owner of the Bonds giving such consent and upon any subsequent Owner of such Bonds and of any

Bonds issued in exchange therefor whether or not such subsequent Owner has notice thereof; *provided, however*, that any consent may be revoked by any Owner of such Bonds by filing with the Trustee, prior to the time when the Trustee's written statement hereafter in this Section referred to is filed, a written revocation, with proof that such Bonds are held by the signer of such revocation. The fact that a consent has not been revoked may be proved by a certificate of the Trustee to the effect that no revocation thereof is on file with it. Any consent, or revocation thereof, may be delivered or filed prior to any mailing or publication required by this Article and shall not be deemed ineffective by reason of such prior delivery or filing.

Within 30 days of any date on which the consents on file with the Trustee and not theretofore revoked shall be sufficient under this Section, the Trustee shall make and deliver to the Board a written statement that the consents of the Owners of the required principal amount of Outstanding Bonds have been filed with the Trustee. Such written statement shall be conclusive that such consents have been so filed. Any time thereafter notice, stating in substance that the Supplemental Indenture has been consented to by the Owners of the required principal amount of Outstanding Bonds and will be effective as provided in this Section, shall be given by mailing to the Owners (but failure to mail such notice or any defect therein shall not prevent such Supplemental Indenture from becoming effective and binding). The Trustee shall deliver to the Board proof of the mailing of such notice. A record, consisting of the information required or permitted by this Section to be delivered by or to the Trustee, shall be proof of the matters therein stated.

Section 1104. Modifications by Unanimous Action. The Indenture and the rights and obligations of the Board and of the Owners of the Bonds thereunder may be modified or amended in any respect by a Supplemental Indenture effecting such modification or amendment and with the consents of the Owners of all the Bonds then Outstanding, each such consent to be accompanied by proof of the holding at the date of such consent of the Bonds with respect to which such consent is given. Such Supplemental Indenture shall take effect upon the filing (a) with the Trustee of (i) a copy thereof, (ii) such consents and accompanying proofs and (iii) the Counsel's Opinion referred to in Section 1103 and (b) with the Board of the Trustee's written statement that the consents of the Owners of all Outstanding Bonds have been filed with it. No mailing or publication of any Supplemental Indenture (or reference thereto or summary thereof) or of any request or notice shall be required. No such modification or amendment, however, shall change or modify any of the rights or obligations of any Fiduciary without its written assent thereto.

Section 1105. Exclusion of Bonds. Bonds owned or held by or for the account of the Board shall not be deemed Outstanding and shall be excluded for the purpose of any calculation required by this Article. At the time of any consent or other action taken

under this Article, the Board shall furnish the Trustee a certificate of an Authorized Officer, upon which the Trustee may rely, identifying all Bonds so to be excluded.

Section 1106. Notation on Bonds. Bonds authenticated and delivered after the effective date of any action taken as in Article X or this Article provided may, and if the Trustee so determines shall, bear a notation by endorsement or otherwise in form approved by the Board and the Trustee as to such action, and upon demand of the Owner of any Bond Outstanding at such effective date and presentation of its Bond to the Trustee, suitable notation shall be made on such Bond by the Trustee as to any such action. If the Board or the Trustee shall so determine, new Bonds so modified which, in the opinion of the Trustee and the Board, conform to such action may be prepared, authenticated and delivered, and upon demand of the Owner of any Bond then Outstanding shall be exchanged, without cost to such Owner, for such Bond then Outstanding.

ARTICLE XII

Miscellaneous

Section 1201. Defeasance. (A) If the Board shall pay or cause to be paid or there shall otherwise be paid to the Owners of all Bonds the Principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Indenture, then the pledge of the Trust Estate and other moneys and securities pledged under this Indenture and all covenants, agreements and other obligations of the Board to the Owners shall thereupon be discharged and satisfied. In such event, the Trustee, upon request of the Board, shall provide an accounting of the assets managed by the Trustee to be prepared and filed with the Board for any year or part thereof requested, and shall execute and deliver to the Board all such instruments as may be desirable to evidence such discharge and satisfaction, and the Fiduciaries shall pay over or deliver to the Board all moneys and securities held by them pursuant to this Indenture which are not required for the payment of Bonds not previously surrendered for such payment or redemption. If the Board shall pay or cause to be paid, or there shall otherwise be paid, to the Owners of all Outstanding Bonds of a particular Series, maturity within a Series or portion of any maturity within a Series, the Principal or Redemption Price, if applicable, thereof and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Indenture, such Bonds shall cease to be entitled to any lien, benefit or security under this Indenture, and all covenants, agreements and obligations of the Board to the Owners of such Bonds and to the Trustee shall thereupon be discharged and satisfied.

(B) Bonds or interest installments for the payment or redemption of which moneys shall have been set aside and held in trust by the Trustee at or prior to their maturity or redemption date shall be deemed to have been paid within the meaning of and

with the effect expressed in this Section 1201 if the Board shall have delivered to or deposited with the Trustee (i) irrevocable instructions to pay or redeem all of said Bonds in specified amounts no less than the respective amounts of, and on specified dates no later than the respective due dates of, their principal, (ii) irrevocable instructions to publish or mail the required notice of redemption of any Bonds so to be redeemed, (iii) either moneys in an amount which shall be sufficient, or Defeasance Obligations the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient, to pay when due the Principal or Redemption Price, if applicable, and interest due and to become due on said Bonds on and prior to each specified redemption date or maturity date thereof, as the case may be, (iv) if any of said Bonds are not to be redeemed within the next succeeding 60 days, irrevocable instructions to mail to all Owners of said Bonds a notice that such deposit has been made with the Trustee and that said Bonds are deemed to have been paid in accordance with this Section and stating the maturity or redemption date upon which moneys are to be available for the payment of the Principal or Redemption Price, if applicable, of said Bonds, (v) if any of said Bonds are not to be paid within the next succeeding 60 days, a report of a certified public accountant or a firm of certified public accountants verifying the sufficiency of such Defeasance Obligations and moneys to pay when due the principal or Redemption Price, if applicable, and interest due and to become due on said Bonds on and prior to each specified redemption date or maturity date thereof, as the case may be, and (vi) a Counsel's Opinion to the effect that said Bonds are no longer Outstanding under the Indenture. The Trustee shall execute a certificate confirming the defeasance of said Bonds and the satisfaction of the foregoing conditions. The Defeasance Obligations and moneys deposited with the Trustee pursuant to this Section shall be held in trust for the payment of the principal or Redemption Price, if applicable, and interest on said Bonds. No payments of principal of any such Defeasance Obligations or interest thereon shall be withdrawn or used for any purpose other than the payment of such Principal or Redemption Price of, or interest on, said Bonds unless after such withdrawal the amount held by the Trustee and interest to accrue on Defeasance Obligations so held shall be sufficient to provide fully for the payment of the Principal of or Redemption Price and interest on such Bonds, at maturity or upon redemption, as the case may be.

(C) Amounts deposited with the Trustee for the payment of the Principal of and interest on any Bonds deemed to be paid pursuant to this Section 1201, if so directed by the Board, shall be applied by the Trustee to the purchase of such Bonds in accordance with this subsection. Bonds for which a redemption date has been established may be purchased on or prior to the forty-fifth day preceding the redemption date. The Principal amount of Bonds to be redeemed shall be reduced by the Principal amount of Bonds so purchased. Bonds which mature on a single future date may be purchased at any time prior to the maturity date. All such purchases shall be made at prices not exceeding the applicable Principal amount or Redemption Price established pursuant to Subsection (B) of this Section 1201, plus accrued interest, and such purchases shall be made in such

manner as the Trustee shall determine. No purchase shall be made by the Trustee pursuant to this subsection if such purchase would result in the Trustee holding less than the moneys and Defeasance Obligations required to be held for the payment of all other Bonds deemed to be paid pursuant to this Section 1201.

(D) The Board may purchase with any available funds any Bonds deemed to be paid pursuant to this Section 1201 in accordance with this subsection. Bonds for which a redemption date has been established may be purchased by the Board on or prior to the forty-fifth day preceding the redemption date. On or prior to the forty-fifth day preceding the redemption date the Board shall give notice to the Trustee of its intention to surrender such Bonds on the redemption date. The Trustee shall proceed to call for redemption the remainder of the Bonds due on the redemption date and shall pay to the Board on the redemption date the Redemption Price of and interest on such Bonds upon surrender of such Bonds to the Trustee. Bonds which mature on a single future date may be purchased at any time prior to the maturity date. The Trustee shall pay to the Board the principal amount of and interest on such Bonds upon surrender of such Bonds on the maturity date.

(E) Each Fiduciary shall continue to be entitled to reasonable compensation for all services rendered under this Indenture, notwithstanding that any Bonds are deemed to be paid pursuant to this Section 1201.

(F) Any moneys held by a Fiduciary in trust for the payment and discharge of any of the Bonds which remain unclaimed for two years after the date when Bonds have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such moneys were held by the Fiduciary at such date, or for two years after the date of deposit of such moneys if deposited with the Fiduciary after the said date when such Bonds become due and payable, shall, at the written request of the Board, be repaid by the Fiduciary to the Board, as its absolute property and free from trust, and the Fiduciary shall thereupon be released and discharged with respect thereto and the Owners of such Bonds shall look only to the Board for the payment of such Bond.

Section 1202. Evidence of Signatures of Owners and Ownership of Bonds.

(A) Any request, consent, revocation of consent or other instrument which this Indenture may require or permit to be signed and executed by the Owners may be in one or more instruments of similar tenor, and shall be signed or executed by such Owners in person or by their attorneys appointed in writing. Proof of (i) the execution of any such instrument, or of an instrument appointing any such attorney, or (ii) the holding by any Person of the Bonds shall be sufficient for any purpose of this Indenture (except as otherwise herein expressly provided) if made in the following manner, or in any other manner satisfactory to the Trustee, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

(1) The fact and date of the execution by any Owner or its attorney of such instruments may be proved by a guarantee of the signature thereon by a bank, national banking association or trust company or by the certificate of any notary public or other officer authorized to take acknowledgments of deeds, that the Person signing such request or other instruments acknowledged to that person the execution thereof, or by an affidavit of witness of such execution, duly sworn to before such notary public or other officer. Where such execution is by an officer of a corporation or association or a member of a partnership, on behalf of such corporation, association or partnership, such signature guarantee, certificate or affidavit shall also constitute sufficient proof of authority.

(2) The ownership of Bonds and the amount, numbers and other identification and date of holding the same shall be proved by the registration book maintained by the Registrar.

(B) Any request or consent by the Owner of any Bond shall bind all future Owners of such Bond in respect of anything done or suffered to be done by the Board or any Fiduciary in accordance therewith.

Section 1203. Moneys Held for Particular Bonds. The amounts held by any Fiduciary for the payment of interest, Principal or Redemption Price due on any date with respect to particular Bonds shall, on and after such date and pending such payment, be set aside on its books and held in trust by it for the Owners of the Bonds entitled thereto.

Section 1204. Preservation and Inspection of Documents. All documents received by any Fiduciary under the provisions of this Indenture, shall be retained in its possession and shall be subject at all reasonable times to the inspection of the Board, any other Fiduciary, and any Owner and their agents and their representatives, any of whom may make copies thereof.

Section 1205. Cancellation and Destruction of Bonds. All Bonds paid or redeemed, either at or before maturity, and all mutilated Bonds surrendered pursuant to Section 307, shall be delivered to the Trustee when such payment or redemption is made or upon surrender, as the case may be, and such Bonds, together with all Bonds purchased by the Trustee, shall thereupon be promptly cancelled. Bonds so cancelled may at any time be destroyed by the Trustee, who shall execute a certificate of destruction in duplicate by the signature of one of its authorized officers describing the Bonds so destroyed, and one executed certificate shall be delivered to the Board and the other retained by the Trustee.

Section 1206. Parties Interested Herein. Nothing in this Indenture expressed or implied is intended or shall be construed to confer upon, or to give to, any Person, other than the Board, the Fiduciaries, any Bond Insurer and the Owners of the Bonds, any right, remedy or claim under or by reason of this Indenture or any covenant, condition or

stipulation thereof; and all the covenants, stipulations, promises and agreements in this Indenture contained by and on behalf of the Board shall be for the sole and exclusive benefit of the Board, the Fiduciaries, any Bond Insurer and the Owners of the Bonds. Each Bond Insurer is a third party beneficiary of this Indenture.

Section 1207. No Recourse on Bonds. (A) No recourse shall be had for the payment of the Principal or Redemption Price of or interest on the Bonds or for any claim based thereon or on this Indenture against any past, present or future member of the Board, officer, employee or agent of the Board, or any successor, public body or any person executing the Bonds, either directly or through the Board, under any rule of law or equity, statute or constitution or otherwise, and all such liability of any such officers, members, employees or agents as such is hereby expressly waived and released as a condition of and consideration for the execution of this Indenture and the issuance of the Bonds.

(B) No member of the Board, officer, agent or employee of the Board shall be individually or personally liable for the payment of the Principal or Redemption Price of or interest on the Bonds; but nothing herein contained shall relieve any such officer, director, agent or employee from the performance of any official duty provided by law.

(C) All covenants, stipulations, obligations and agreements of the Board contained in this Indenture shall be deemed to be covenants, stipulations, obligations and agreements of the Board to the full extent authorized and permitted by the Constitution and laws of the State, and no covenants, stipulations, obligations or agreements contained herein shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future member of the Board, officer, agent or employee of the Board in his or her individual capacity, and no officer executing the Bonds shall be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issue thereof. No member of the Board, officer, director, agent or employee of the Board shall incur any personal liability in acting or proceeding or in not acting or not proceeding in accordance with the terms of this Indenture.

The Board, the Trustee and each other Paying Agent, if any, shall be entitled to treat and consider the Person in whose name each Series 2016 Bond is registered as the absolute owner of such Series 2016 Bond for the purpose of payment of Principal and interest with respect to such Series 2016 Bond, for the purpose of giving notices of redemption, for the purpose of registering transfers with respect to such Series 2016 Bond and for all other purposes whatsoever. The Board has heretofore executed and delivered the Letter of Representations to DTC. So long as the Series 2016 Bonds are registered in the name of Cede & Co., as nominee of DTC, the Trustee agrees to comply with the terms and provisions of the Letter of Representations.

Section 204. Optional Redemption. The Series 2016 Bonds maturing on or after April 1, 20__ shall be subject to redemption prior to maturity at the option of the Board, as a whole, or in part by lot as provided in Section 209, and upon notice as

Section 205. Mandatory Sinking Fund Redemption. The Series 2016 Bonds maturing on April 1, 20__ are Term Bonds subject to mandatory redemption at a Redemption Price of par, on April 1 of the following years and in the following principal amounts, each constituting a Sinking Fund Installment for the retirement of the Term Bonds as set forth in the following table, subject to adjustment pursuant to Section 206:

The final maturity amount of the Term Bonds due April 1, 20__ is \$_____.

The Series 2016 Bonds maturing on April 1, 20__ are Term Bonds subject to mandatory redemption at a Redemption Price of par, on April 1 of the following years and in the following principal amounts, each constituting a Sinking Fund Installment for the retirement of the Term Bonds as set forth in the following table, subject to adjustment pursuant to Section 206:

20__ Term Bonds	
<u>Year</u>	<u>Principal Amount</u>
20__	\$,000
20__	,000
20__	,000

The final maturity amount of the Term Bonds due April 1, 20__ is \$_____.

Section 206. Adjustment of Sinking Fund Installments. In the event of the optional redemption by the Board of less than all of the Term Bonds of the same maturity, the principal amount so redeemed shall be credited against the unsatisfied balance of future Sinking Fund Installments and the final maturity amount established

with respect to such Term Bonds as shall be determined by the Board in a Certificate of an Authorized Officer filed with the Trustee or, in the absence of such determination, shall be credited pro-rata against the applicable Sinking Fund Installments and final maturity amount.

Section 207. Redemption at the Election or Direction of the Board. In the case of any redemption of Series 2016 Bonds at the election or direction of the Board, the Board shall give written notice to the Trustee of its election or direction so to redeem, of the date fixed for redemption, and of the principal amounts and interest rates of the Series 2016 Bonds of each maturity to be redeemed. Such notice shall be given at least 35 days prior to the specified redemption date or such shorter period as shall be acceptable to the Trustee. In the event notice of redemption shall have been given as in Section 210 provided, there shall be paid on or prior to the specified redemption date to the Trustee an amount in cash or Government Obligations maturing on or before the specified redemption date which, together with other moneys, if any, available therefor held by the Trustee, will be sufficient to redeem all of the Series 2016 Bonds to be redeemed on the specified redemption date at their Redemption Price plus interest accrued and unpaid to the date fixed for redemption. Such amount and moneys shall be held in a separate, segregated account for the benefit of the Owners of the Series 2016 Bonds so called for redemption.

Section 208. Redemption Otherwise Than at Board's Election or Direction. Whenever by the terms of this First Supplemental Indenture the Trustee is required or authorized to redeem Series 2016 Bonds otherwise than at the election or direction of the Board, the Trustee shall select the Series 2016 Bonds to be redeemed in accordance with Section 209, give the notice of redemption and pay the Redemption Price thereof, plus interest accrued and unpaid to the date fixed for redemption.

Section 209. Selection of Series 2016 Bonds to Be Redeemed. If less than all the Series 2016 Bonds of the same maturity are called for redemption, the particular Series 2016 Bonds or portion of Series 2016 Bonds to be redeemed shall be selected at random by the Trustee in such manner as the Trustee in its discretion may deem fair and appropriate; *provided, however,* that the portion of any Series 2016 Bond of a denomination of more than the minimum Authorized Denomination to be redeemed shall be in the principal amount of an Authorized Denomination and that, in selecting portions of such Series 2016 Bonds for redemption, the Trustee shall treat each such Series 2016 Bond as representing that number of Series 2016 Bonds of the minimum Authorized Denomination which is obtained by dividing the principal amount of such Series 2016 Bond to be redeemed in part by said minimum Authorized Denomination. If all Series 2016 Bonds are held in book-entry only form, the particular Series 2016 Bonds or portions thereof to be redeemed shall be selected by DTC in such manner as DTC shall determine, provided, however, that in no event shall any redemption result in unrefunded Series 2016 Bonds of a denomination less than \$100,000.

Section 210. Notice of Redemption. When the Trustee shall receive notice from the Board of its election or direction to redeem Series 2016 Bonds pursuant to Section 207, and when redemption of Series 2016 Bonds is authorized or required pursuant to Section 208, the Trustee shall give notice, in the name of the Board, of the redemption of such Series 2016 Bonds, which notice shall specify the maturities and interest rates of the Series 2016 Bonds to be redeemed, the date fixed for redemption and the place or places where amounts due upon such date fixed for redemption will be payable and, if less than all of the Series 2016 Bonds of any like maturity and interest rate are to be redeemed, the letters and numbers or other distinguishing marks of such Series 2016 Bonds so to be redeemed, and, in the case of Series 2016 Bonds to be redeemed in part only, such notice shall also specify the respective portions of the principal amount thereof to be redeemed. Such notice shall further state that on such date there shall become due and payable the Redemption Price of each Series 2016 Bond to be redeemed, or the Redemption Price of the specified portions of the principal thereof in the case of Series 2016 Bonds to be redeemed in part only, together with interest accrued to the date fixed for redemption, and that from and after such date interest thereon shall cease to accrue and be payable. The Trustee shall mail copies of such notice by first-class mail, postage prepaid, not more than 60 days nor less than 30 days before the date fixed for redemption, to the Owners of the Series 2016 Bonds to be redeemed at their addresses as shown on the registration books of the Board maintained by the Registrar. If the Trustee mails notices of redemption as herein provided, notice shall be conclusively presumed to have been given to all Owners.

With respect to an optional redemption of any Series 2016 Bonds, unless moneys sufficient to pay the Redemption Price of, and interest on the Series 2016 Bonds to be redeemed shall have been received by the Trustee prior to the giving of such notice of redemption, such notice may, at the option of the Board, state that said redemption shall be conditional upon the receipt of such moneys by the Trustee on or prior to the date fixed for redemption. If such moneys are not received, such notice shall be of no force and effect, the Board shall not redeem such Series 2016 Bonds and the Trustee shall give notice, in the same manner in which the notice of redemption was given, that such moneys were not so received and that such Series 2016 Bonds will not be redeemed.

Section 211. Payment of Redeemed Series 2016 Bonds. Notice having been given in the manner provided in Section 210, the Series 2016 Bonds or portions thereof so called for redemption shall become due and payable on the date fixed for redemption at the Redemption Price, plus interest accrued and unpaid to such date, and, upon presentation and surrender thereof at any place specified in such notice, such Series 2016 Bonds, or portions thereof, shall be paid at the Redemption Price, plus interest accrued and unpaid to such date. If there shall be called for redemption less than all of a Series 2016 Bond, the Board shall execute and the Trustee shall authenticate and the appropriate Fiduciary shall deliver, upon the surrender of such Series 2016 Bond, without charge to the Owner thereof, for the unredeemed balance of the principal amount of the Series 2016

Bond so surrendered, fully registered Series 2016 Bonds of like maturity and interest rate in any Authorized Denominations. If, on the date fixed for redemption, moneys for the redemption of all the Series 2016 Bonds or portions thereof of like maturity and interest rate to be redeemed, together with interest to such date, shall be held by the Trustee so as to be available therefor on said date and if notice of redemption shall have been given as aforesaid, then, from and after the date fixed for redemption, interest on the Series 2016 Bonds or portions thereof of such maturity and interest rate so called for redemption shall cease to accrue and become payable. If said moneys shall not be so available on the date fixed for redemption, such Series 2016 Bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption.

ARTICLE III

(A) Creation of Series 2016 Dedicated Sub-Fund. There is hereby created by the Board and ordered established with the Trustee a separate and segregated Sub-Fund within the Debt Service Fund, such Sub-Fund to be designated the "Series 2016 Dedicated Sub-Fund" (the "*Series 2016 Dedicated Sub-Fund*"). Moneys on deposit in the Series 2016 Dedicated Sub-Fund, and in each Account established therein as hereinafter provided, shall be held in trust by the Trustee for the sole and exclusive benefit of the Owners of the Series 2016 Bonds and shall not be used or available for the payment of any other Bonds, except as expressly provided herein.

- (4) *2016 Interest Account*: an Account to be designated the "Series 2016 Interest Account" (the "*2016 Interest Account*").

Section 302. Deposits into Series 2016 Dedicated Sub-Fund and Accounts.

(A) On each Business Day, commencing February 1, 2018 (each such date referred to herein as the “*Deposit Date*”) there shall be withdrawn from the Debt Service Fund and deposited into the Series 2016 Dedicated Sub-Fund, until there shall have been deposited into the various Accounts in the Series 2016 Dedicated Sub-Fund an amount equal to the aggregate of the amounts set forth in subsection (B) of this Section (such aggregate amount with respect to any Deposit Date being referred to herein as the “*Series 2016 Deposit Requirement*”).

(B) On each Deposit Date the Trustee shall make the following deposits in the following order of priority and if the moneys deposited into the Series 2016 Dedicated Sub-Fund are insufficient to make any required deposit, the deposit shall be made up on the next Deposit Date after required deposits having a higher priority shall have been made in full:

First: for deposit into the 2016 Interest Account, an amount equal to the amount required so that the sum held in the 2016 Interest Account, when added to the interest payable from the 2016 Capitalized Interest Account on the applicable Interest Payment Dates, will equal the sum of the unpaid interest due on the Series 2016 Bonds on the next ensuing Interest Payment Dates to and including the first day of April of the next calendar year; and

Second: commencing on February 1, 20__, for deposit into the 2016 Principal Account, the amount required so that the sum then held in the 2016 Principal Account will equal the sum of the unpaid Principal due on the Series 2016 Bonds on the first day of April of the next calendar year.

(C) In addition to the Series 2016 Deposit Requirement, there shall be deposited into the Series 2016 Dedicated Sub-Fund any other moneys received by the Trustee under and pursuant to the Indenture or this First Supplemental Indenture, when accompanied by directions from the person depositing such moneys that such moneys are to be paid into the Series 2016 Dedicated Sub-Fund and to one or more accounts in the Series 2016 Dedicated Sub-Fund.

Section 303. 2016 Interest Account. The Trustee shall withdraw from the 2016 Interest Account, prior to each Interest Payment Date, an amount equal to the interest due on the Series 2016 Bonds and not payable from the 2016 Capitalized Interest Account, and apply the same to the payment of such interest.

Section 304. 2016 Capitalized Interest Account. The Trustee shall withdraw from the 2016 Capitalized Interest Account, prior to each of the following Interest Payment Dates, the amount set forth in the following table, and apply the same to the payment of the interest on the Series 2016 Bonds due on such Interest Payment Date:

<u>Interest Payment Date</u>	<u>Amount</u>
April 1, 2017	\$
October 1, 2017	
April 1, 2018	

Any amount remaining in the 2016 Capitalized Interest Account on April 3, 2018, shall be withdrawn from the 2016 Capitalized Interest Account and deposited into the 2016 Interest Account.

Section 305. 2016 Principal Account. (A) The Trustee shall withdraw from the 2016 Principal Account, prior to each Principal Payment Date, an amount equal to the Principal of the Series 2016 Bonds maturing or due on that date, and apply the same to the payment of such Principal when due.

(B) The Trustee shall establish and maintain in the 2016 Principal Account a separate Sub-Account for the Term Bonds for which Sinking Fund Installments are established pursuant to Section 205. Moneys paid into the 2016 Principal Account in respect of Sinking Fund Installments in any Bond Year shall upon receipt be segregated and set aside in said Sub-Accounts in proportion to the respective amounts of the Sinking Fund Installment on the next ensuing Principal Payment Date with respect to the particular Term Bonds for which each such Sub-Account is maintained.

(C) The Trustee shall apply moneys in any Sub-Account established in the 2016 Principal Account as provided in subsection (B) of this Section to the redemption of the Term Bonds for which such Sub-Account is maintained in the manner provided in this Section and Article II or to the payment of the Principal thereof at maturity. If at any date there shall be moneys in any such Sub-Account and there shall be Outstanding none of the Term Bonds for which such Sub-Account was established, said Sub-Account shall be closed and the moneys therein shall be withdrawn therefrom and be applied by the Trustee as if paid into the 2016 Principal Account on that date.

(D) Amounts deposited to the credit of the 2016 Principal Account to be used in satisfaction of any Sinking Fund Installment may, and if so directed by the Board in a Certificate of an Authorized Officer filed with the Trustee shall, be applied by the Trustee, on or prior to the 60th day next preceding the next Principal Payment Date on which a Sinking Fund Installment is due, to the purchase of Outstanding Term Bonds of the maturity for which such Sinking Fund Installment was established. That portion of the purchase price attributable to accrued interest shall be paid from the 2016 Interest Account. All such purchases of Outstanding Term Bonds shall be made at prices not exceeding the applicable sinking fund Redemption Price of such Term Bonds plus accrued interest, and such purchases shall be made in such manner as the Board shall determine. The principal amount of any Term Bonds so purchased shall be deemed to constitute part of the 2016 Principal Account until the Principal Payment Date on which

such Sinking Fund Installment is due, for the purpose of calculating the amount on deposit in such Account.

(E) At any time up to the 60th day next preceding the next Principal Payment Date on which a Sinking Fund Installment is due, the Board may purchase Outstanding Term Bonds for which such Sinking Fund Installment was established and surrender such Term Bonds to the Trustee at any time up to said date.

(F) After giving effect to the Outstanding Term Bonds purchased by the Trustee and Outstanding Term Bonds surrendered by the Board as described in Subsections (C) and (D) of this Section, which shall be credited against the Sinking Fund Installment at the applicable sinking fund Redemption Price thereof, and as soon as practicable after the 60th day next preceding the next Principal Payment Date on which a Sinking Fund Installment is due, the Trustee shall proceed to call for redemption on such Principal Payment Date Outstanding Term Bonds for which such Sinking Fund Installment was established in such amount as shall be necessary to complete the retirement of the unsatisfied portion of such Sinking Fund Installment. The Trustee shall pay out of the 2016 Principal Account to the appropriate Paying Agents, on or before the day preceding such redemption date, the Redemption Price required for the redemption of the Outstanding Term Bonds so called for redemption, and such amount shall be applied by such Paying Agents to such redemption.

(G) If the principal amount of Outstanding Term Bonds retired through application of amounts in satisfaction of any Sinking Fund Installment shall exceed such Sinking Fund Installment, or in the event of the purchase from moneys other than from the 2016 Principal Account of Outstanding Term Bonds for which Sinking Fund Installments have been established, such excess or the principal amount of Outstanding Term Bonds so purchased shall be credited toward future scheduled Sinking Fund Installments either (i) in the order of their due dates or (ii) in such order as the Board establishes in a Certificate signed by an Authorized Officer and delivered to the Trustee not more than 45 days after the payment in excess of such Sinking Fund Installment.

Section 306. Timing of Bond Payment Withdrawals. All withdrawals from the 2016 Interest Account, the 2016 Principal Account and the 2016 Capitalized Interest Account under Section 303, Section 304, Section 305(A) or Section 305(F) shall be made no earlier than three days prior to the Payment Date to which they relate, and the amount so withdrawn shall, for all purposes of this First Supplemental Indenture, be deemed to remain and be a part of the respective Account until the applicable Payment Date.

Section 307. 2016 Project Account. (A) The Trustee shall apply moneys in the 2016 Project Account for the payment of costs of issuance of the Series 2016 Bonds, as directed in a Certificate filed with the Trustee.

(B) The Trustee shall make payment of the Costs of Construction of the 2016 Project that are both Capital Expenditures and Permitted Expenditures from the 2016 Project Account as provided in subsections (D), (E) and (F) of this Section.

(C) At the direction of the Board expressed in a Certificate filed with the Trustee, moneys in the 2016 Project Account shall be applied to pay such amounts as are required to be paid to the United States of America pursuant to Section 148(f) of the Code.

(D) The Trustee shall, during construction of the 2016 Project, pay from the 2016 Project Account to the Board, upon its requisitions therefor, at one time or from time to time, a sum or sums aggregating not more than \$5,000,000, exclusive of and in addition to reimbursements as hereinafter in this Section authorized, such sums and such reimbursements to be used by the Board as a revolving fund for the payment of Costs of Construction that are both Capital Expenditures and Permitted Expenditures and that cannot conveniently be paid as otherwise provided in this Section. Such revolving fund shall be reimbursed by the Trustee from time to time for such expenses so paid, by payments from the 2016 Project Account upon requisitions of the Board accompanied by its Certificate specifying the payee and the amount and particular purpose of each payment from such revolving fund for which such reimbursement is requested and certifying that each such amount so paid was necessary for the payment of an expense constituting a Cost of Construction that was both a Capital Expenditure and a Permitted Expenditure and that such expense could not conveniently be paid except from such revolving fund. In making such reimbursements the Trustee may rely upon such requisitions and accompanying certificates. The revolving fund maintained by the Board pursuant to this Section 307 shall be held separate and apart from all other funds and accounts of the Board and the amounts held in the revolving fund may only be used for payments to vendors for Capital Expenditures that are Permitted Expenditures or for the reimbursement of the Board for prior payments to vendors of Capital Expenditures that are Permitted Expenditures. Each transfer to the revolving fund maintained by the Board pursuant to this Section 307 may not exceed the aggregate amount of the vendor invoices to be paid or reimbursed with respect to the revolving fund, and may only be made after a careful review by the Board to confirm that all transfers to the revolving fund match invoiced amounts for Capital Expenditures that are Permitted Expenditures.

(E) The Trustee shall, during and upon completion of construction of the 2016 Project, make payments from the 2016 Project Account in addition to those made pursuant to subsection (D) of this Section, in the amounts, at the times, in the manner, and on the other terms and conditions set forth in this Section. Before any such payment shall be made, the Board shall file with the Trustee:

(1) its requisition therefor, stating in respect of each payment to be made: (a) the name of the person, firm or corporation to whom payment is due,

(b) the amount to be paid, and (c) in reasonable detail the purpose for which the obligation was incurred; and

(2) its Certificate attached to the requisitions certifying: (a) that obligations in the stated amounts have been incurred by the Board in or about the construction of the 2016 Project, and that each item thereof (i) is a proper charge against the 2016 Project Account, (ii) is a proper Cost of Construction, (iii) is a proper Capital Expenditure; (iv) is a proper Permitted Expenditure and (v) has not been paid or previously reimbursed pursuant to Subsection (D) of this Section or from the Permitted Expenditures Account, (b) that there has not been filed with or served upon the Board notice of any lien, right to lien, or attachment upon, or claim affecting the right to receive payment of, any of the moneys payable under such requisition, or if any such lien, attachment or claim has been filed or served upon the Board, that such lien, attachment or claim has been released or discharged, and (c) that such requisition contains no item representing payment on account of any retained percentages which the Board is at the date of such Certificate entitled to retain.

Upon receipt of each such requisition and accompanying Certificates the Trustee shall transfer from the 2016 Project Account to the credit of a special account in the name of the Board, an amount equal to the total of the amounts to be paid as set forth in such requisition, the amounts in such special account to be held solely for the payment of the obligations set forth in such requisition. In making such transfer, the Trustee may rely upon such requisition and accompanying certificates. Each such obligation shall be paid by check or wire transfer drawn on such special account to the order of the Person named in and in accordance with the requisition. Moneys deposited to the credit of such special account shall be deemed to be a part of the 2016 Project Account until paid out as above provided. If for any reason the Board should decide prior to the payment of any item in a requisition to stop payment of such item, an Authorized Officer shall give notice of such decision to the Trustee and thereupon the Trustee shall transfer the amount of such item from such special account to the 2016 Project Account.

(F) The Trustee shall withdraw from the 2016 Project Account and pay to the Board free from the lien of the Indenture any balance in the 2016 Project Account, or any part thereof, in the amounts, at the times, in the manner, and on the other terms and conditions set forth in this Subsection. Before any such withdrawal and payment shall be made, the Board shall file with the Trustee its Certificate certifying: (1) that the 2016 Project has been completed or substantially completed, and (2) that a sum stated in the Certificate is sufficient to pay, and is required to be reserved in such Project Account to pay, all Costs of Construction then remaining unpaid, including the estimated amount of any such items the amount of which is not finally determined and all claims against the Board arising out of the construction thereof. Upon receipt of such requisition and accompanying Certificates, the Trustee shall withdraw from the 2016 Project Account

and pay to, or upon the order of, the Board the amount stated in such requisition, provided that no such withdrawal shall be made if it would reduce the amount in the 2016 Project Account below the amount stated in the respective Certificate of the Board as required to be reserved in the 2016 Project Account. Moneys so withdrawn from the 2016 Project Account (i) may be applied for the payment, purchase or redemption of Series 2016 Bonds or (ii) may be reappropriated by the Board if such appropriation is for a purpose permitted by Section 34-53.5 of the School Code and will not adversely affect the exclusion from gross income under the Code of interest on the Series 2016 Bonds.

Section 308. Moneys to be Held in Trust. All moneys required to be deposited with or paid to the Trustee for the account of any Fund, Sub-Fund, Account or Sub-Account referred to in any provision of this First Supplemental Indenture, shall be held by the Trustee in trust as provided in Section 1203 of the Indenture, and shall, while held by the Trustee, constitute part of the Trust Estate and be subject to the lien or security interest created hereby.

Section 309. Consolidated Debt Service Reserve Fund. The Board hereby designates the Series 2016 Bonds as Consolidated Reserve Fund Bonds. The Board and the Trustee covenant and agree for the benefit of the Owners of the Series 2016 Bonds that the Consolidated Debt Service Reserve Fund is to be administered in accordance with the Indenture.

The Board shall not permit any of the proceeds of the Series 2016 Bonds, or any facilities financed with such proceeds, to be used in any manner that would cause any Series 2016 Bond to constitute a “private activity bond” within the meaning of Section 141 of the Code. The Board shall not permit any of the proceeds of the Series 2016 Bonds or other moneys to be invested in any manner that would cause any Series 2016 Bond to constitute an “arbitrage bond” within the meaning of Section 148 of the Code or a “hedge bond” within the meaning of Section 149(g) of the Code. The Board shall comply with the provisions of Section 148(f) of the Code relating to the rebate of certain investment earnings at periodic intervals to the United States of America.

This Series 2016 Bond is one of a duly authorized issue of \$ _____ aggregate principal amount Dedicated Capital Improvement Tax Bonds, Series 2016 (the "*Series 2016 Bonds*"), issued pursuant to, under authority of and in full compliance with the Constitution and laws of the State of Illinois, particularly Section 34-53.5 of the School Code and the Local Government Debt Reform Act, 30 Illinois Compiled Statutes 350, and a Master Trust Indenture dated as of December 1, 2016, as supplemented by a First Supplemental Indenture dated as of December 1, 2016 (the "*Indenture*"), each by and between the Board and the Trustee, for the purpose of financing capital improvements permitted under Section 34-53.5 of the School Code. The Series 2016 Bonds are Bonds and Consolidated Reserve Fund Bonds, each as defined in the Indenture. As provided in the Indenture, the principal of and interest on the Series 2016 Bonds are secured by a pledge of, lien on and security interest in the Trust Estate as defined and described in the Indenture, including Capital Improvement Taxes as defined in the Indenture. The Indenture provides that Additional Bonds and Refunding Bonds may be issued from time to time on a parity with the Series 2016 Bonds to share ratably and equally in the Trust Estate upon compliance with certain requirements contained in the Indenture (the Series 2016 Bonds, any Additional Bonds and any Refunding Bonds from time to time outstanding are referred to collectively as the "*Bonds*").

Copies of the Indenture are on file at the principal corporate trust office of the Trustee and reference is hereby made to the Indenture for definitions of defined terms used herein and for a description of the provisions, among others, with respect to the nature and extent of the security for the Bonds, the rights, duties and obligations of the Board, the Trustee and the Registered Owners of the Bonds and the terms upon which the Bonds may be issued and secured.

This Series 2016 Bond is transferable, as provided in the Indenture, only upon the registration books of the Board maintained by the Registrar by the Registered Owner

hereof in person, or by its duly authorized attorney, upon surrender hereof with a written instrument of transfer satisfactory to the Registrar duly executed by the Registered Owner or its duly authorized attorney, and thereupon a new registered Series 2016 Bond or Bonds, in the same aggregate principal amount, maturity and interest rate, shall be issued to the transferee. The Board, the Trustee, the Registrar and any Paying Agent may deem and treat the person in whose name this Series 2016 Bond is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal hereof and interest due hereon and for all other purposes.

The Series 2016 Bonds are issuable in the form of fully registered bonds in the denomination of \$100,000 or any integral multiple of \$5,000 in excess of \$100,000. Subject to the conditions and upon the payment of the charges (if any) provided in the Indenture, Series 2016 Bonds may be surrendered (accompanied by a written instrument of transfer satisfactory to the Registrar duly executed by the Registered Owner or its duly authorized attorney) in exchange for an equal aggregate principal amount of Series 2016 Bonds of the same maturity and interest rate of any other authorized denominations.

The Series 2016 Bonds maturing on or after April 1, 20__ are subject to redemption prior to maturity at the option of the Board, as a whole, or in part by lot, and upon notice as herein provided, on _____ 1, 20__ and on any date thereafter, at a redemption price equal to the principal amount of the Series 2016 Bonds to be redeemed, plus accrued interest on the Series 2016 Bonds being redeemed to the date fixed for redemption.

The Series 2016 Bonds due April 1, 20__ and April 1, 20__ are subject to mandatory redemption at the redemption price of par by the application of sinking fund installments as provided in the Indenture.

Notice of the redemption of Series 2016 Bonds will be mailed not less than 30 days nor more than 60 days prior to the date fixed for such redemption to the Registered Owners of Series 2016 Bonds to be redeemed at their last addresses appearing on such registration books. The Series 2016 Bonds or portions thereof specified in said notice shall become due and payable at the applicable redemption price on the redemption date therein designated, and if, on the redemption date, moneys for payment of the redemption price of all the Series 2016 Bonds or portions thereof to be redeemed, together with interest to the redemption date, shall be available for such payment on said date, and if notice of redemption shall have been mailed as aforesaid (and notwithstanding any defect therein or the lack of actual receipt thereof by any registered owner) then from and after the redemption date interest on such Series 2016 Bonds or portions thereof shall cease to accrue and become payable.

The Indenture provides that if the Board shall pay the principal or redemption price, if applicable, and interest due and to become due on all Bonds of a particular series, maturity within a series or portions of a maturity within a series at the times and in

the manner stipulated therein and in the Indenture, then the pledge, lien and security interest created by the Indenture for such Bonds shall thereupon be discharged and satisfied. Bonds or interest installments for the payment or redemption of which moneys shall have been set aside and held in trust at or prior to their maturity or redemption date shall be deemed to have been paid if, among other things, the Board shall have delivered to the Trustee either moneys in an amount which shall be sufficient or Defeasance Obligations (as defined in the Indenture), the principal of and interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient to pay when due the principal or redemption price, if applicable, of and interest due and to become due on said Bonds on and prior to each specified redemption date or maturity date thereof, as the case may be. Defeasance Obligations and moneys so deposited with the Trustee shall be held in trust for the payment of the principal or redemption price, if applicable, of and interest on said Bonds.

The Registered Owner of this Series 2016 Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture, or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided in the Indenture.

**EXTEND THE REMEDIAL PROGRAM FOR MINORITY AND WOMEN-OWNED BUSINESS
ENTERPRISE PARTICIPATION IN CONSTRUCTION PROJECTS**

THE CHIEF EXECUTIVE OFFICER RECOMMENDS:

That the Board extend the Remedial Program for Minority and Women-Owned Business Enterprises Participation in Construction Projects, as amended, which is attached hereto for a period of five years.

HISTORY: In 2006, the Board undertook a review of the then-existing affirmative action remedial plan adopted by the Board in 1991. Following this review, the Board determined that implementation of various race-neutral and gender-neutral measures would help the construction procurement program to overcome barriers and assist in the growth and development of financially stable M/WBE's. These measures included the following: improving the timing of payments; unbundling or down-sizing contracts to facilitate participation by smaller businesses; and providing longer bid lead times. It was also determined that increased attainment of M/WBE participation would result from the following: setting contract specific goals on projects; accepting governmental M/WBE certifications from certifying agencies; and the Office of Business Diversity to serve as voting members on the evaluation teams for all required Board construction bid solicitations. Following this review, the Board adopted a Remedial Program for Minority and Women-Owned Business Enterprises Participation in Construction Projects (the "Program") with a term commencing August 1, 2006 and ending December 31, 2011 (Board Report 06-0726-PO9). The Program was later amended by the Board on May 23, 2007 (Board Report 07-0523-PO1) to authorize retainage amounts to ensure contractor performance and compliance with contract requirements. Following a 2011 independent evaluation of availability and utilization of minority and women-owned construction vendors for the Chicago Public Schools, the Board determined that the steps it had taken since 1991 to ameliorate the effects of racial and gender discrimination in the construction marketplace had not sufficient. Accordingly, the Board extended the Program with a term commencing January 1, 2012 and ending December 31, 2016 (Board Report 11-1214-PO1).

PURPOSE: Following a 2016 independent evaluation of availability and utilization of minority and women-owned construction vendors for the Chicago Public Schools, the Board has determined that the steps it has taken since 1991 to ameliorate the effects of racial and gender discrimination in the construction marketplace through a variety of race-and gender-neutral measures have not been sufficient. As a result, the Board has further determined that the Program should therefore be extended by creating measures narrowly tailored to serve the Board's compelling interest in not being a passive participant in the discriminatory Chicago construction marketplace.

PROGRAM EXTENSION TERM: The Program is extended, as amended herein, for the period of five years commencing January 1, 2017 and ending December 31, 2021.

DESCRIPTION: The Program will continue to: (1) apply to all construction projects required by the Board to be awarded through competitive bid (currently \$10,000 and above), (2) operate the same annual Aspirational Goals for M/WBE participation in all district-wide construction projects of 30% to qualified Minority-owned Business Enterprises and 7% to qualified Women-owned Business Enterprises, (3) authorize the Office of Business Diversity (OBD) to establish Contract Specific Goals for individual construction projects, and (4) authorize OBD to specify certain construction projects to be let without M/WBE participation goals in order to evaluate the marketplace.

The Program is being updated to continue in accordance with legal requirements, to reflect the Board's current organizational structure and practice, and to clarify various provisions. These amendments are included on the attachment.

**REMEDIAL PROGRAM FOR
MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISE
PARTICIPATION IN CONSTRUCTION PROJECTS**

This Program is continued by the Chicago Board of Education (the "Board"), upon recommendation of the Chief Executive Officer ("CEO"), based upon (1) the Board's findings that it has been a passive participant in discriminatory practices against racial and ethnic minorities and women in the construction industry in Chicago, and that it has a compelling interest in remedying that passive discrimination, and (2) its desire to continue narrowly tailored remedies to address that compelling interest.

I. FINDINGS

- 1.1 The Board adopted a Remedial Plan for Minority and Women Business Enterprise Economic Participation in January 1991. The Plan provided measures to assist Minority and Women Business Enterprises in the procurement of goods and services by the Board. The benefits of the Plan were provided to Black, Hispanic, Asian and Women-owned firms whose principal place of business was within the six-county Chicago metropolitan area. The Plan provided for race-neutral remedial measures and for non-restrictive affirmative action measures, to be used to the extent effective in alleviating the effects of discrimination. The Plan mandated the establishment of specific goals for M/WBE participation on Board contracts, including construction, and waivers were available for Prime Contractors unable to meet the goals.
- 1.2 On May 26, 2004, the City of Chicago adopted a revised affirmative action program for its construction contracting procedures to remedy ongoing discrimination and the effects of past discrimination. The Chicago City Council, after considering evidence presented to the Budget Committee, including evidence elicited at trial in *Builders Association of Greater Chicago (BAGC), v. City of Chicago* No. 96 C 1122 (N.D. Ill.), during May and June 2003; statistical evidence of continuing discrimination against Blacks, Hispanics and women in the Chicago construction marketplace, which was not available during the BAGC trial; the report of the Mayoral Task Force on MBE/WBE; anecdotal evidence of discrimination against minorities and women in the Chicago construction marketplace; the testimony of experts and anecdotal witnesses; as well as written reports and submissions, found a strong basis in evidence to support a narrowly tailored, remedial affirmative action program in City construction contracting.
- 1.3 While the City Council found that the City has made substantial progress in its efforts to ameliorate discrimination in its own construction contracting practices, private companies that contract on public projects continue to discriminate against minorities and women. As a result of this discrimination, the City has been a passive participant in a system of discrimination against minorities and women in the Chicago construction marketplace, and absent remedial programs, would continue to be a passive participant in such a system.
- 1.4 During the BAGC trial, the court heard strong evidence that: (a) past and current discriminatory practices continue to place racial and ethnic minorities and women in positions of social and economic disadvantage, limiting opportunities for them to form and control construction businesses, as well as reducing the level and availability of employment opportunities for minorities and women in trade unions which serve the Chicago construction marketplace; (b) such current and past discriminatory practices, and the continuing effects of such discrimination, have impeded the growth and success of the businesses which minorities and women do form, as well as the level and availability of employment opportunities in the construction trade unions; and (c) these discriminatory practices include direct and indirect racial, ethnic and gender slurs and harassment; discrimination by lending institutions and other sources of capital; reduced opportunities for minority and women subcontractors to bid or quote to majority Prime Contractors; exclusion from and discriminatory treatment by the construction trade unions; exclusion from business and professional networks critical to entrepreneurial success; and discrimination by surety bonding companies, insurance companies and other entities that are integral to the contracting marketplace.
- 1.5 In the BAGC case, Judge James B. Moran held that the City has a compelling interest in implementing a remedial race- and gender-conscious affirmative action program in the Chicago construction market, but that its 1990 ordinance was not sufficiently narrowly tailored as applied to construction in 2003.
- 1.6 There is ample availability of ready, willing and able minority- and women-owned firms to participate in Board and private-sector construction contracting and subcontracting opportunities.
- 1.7 Minority and women workers' participation in the Chicago construction marketplace declined from 1980 to 1990.
- 1.8 Other jurisdictions, including Cook County, Illinois, have experienced drastic reductions in minority and women business participation after terminating race and gender-conscious remedial measures.

- 1.9 Private companies that contract on public projects continue to discriminate against minorities and women and financial institutions that provide necessary funding to minority and women contractors continue to maintain lending practices that have a disparate discriminatory impact on minorities and women. As result of this discrimination, the Board has been a passive participant in a system of discrimination against minorities and women in the Chicago construction marketplace, and in the absence of programs to eliminate such discrimination, would continue to be a passive participant in such a system.
- 1.10 The Board has a compelling interest in preventing its construction projects from returning to the near monopoly-domination by white male firms that existed before 1991.
- 1.11 Although the Board has undertaken since 1991 a variety of race- and gender-neutral measures, such as reducing bid deposit requirements and simplifying documentation required by procurement departments, such programs have not been sufficient to ameliorate the effects of racial and gender discrimination in the construction marketplace.
- 1.12 Evidence at the *BAGC* trial demonstrated that flexible race- and gender-conscious remedial measures do not overly burden construction firms owned by majority males.
- 1.13 In April 2006, CPS convened a series of focus groups during which various representatives from business enterprises discussed their beliefs regarding the Chicago construction market. The findings from the CPS focus groups indicate that barriers to participation in the Chicago construction market still exist for Minority and Women Business Enterprises entering into CPS contracts. Those barriers, as reported by focus group participants, include:
 - Perceptions and stereotypes about the competence of M/WBEs and higher performance standards set for M/WBEs
 - Race, ethnicity and gender makes it difficult to obtain work as Prime Contractors on public sector projects
 - Race, ethnicity and gender makes it difficult to obtain work as Prime Contractors or subcontractors on private sector projects
- 1.14 In July 2006, the Board determined that implementation of various race-neutral measures would help the procurement program to overcome those barriers and assist in the growth and development of financially stable M/WBEs, including the following measures: (See Section V for more detail)
 - Improving the timing of payments
 - "Unbundling" or down-sizing contracts, to facilitate participation by smaller businesses
 - Providing longer bid lead times
- 1.15 Based upon a thorough review of the results of the Board's 1991 Remedial Plan; the evidence presented and findings made at the *BAGC* trial; the information presented to the City Council and its consequent decision to revise the City of Chicago's ordinance; other recent judicial decisions regarding the constitutional standards for affirmative action programs; information presented during the April 2006 CPS focus groups and compiled in a report by Collette Holt; and a report entitled, "Availability and Utilization of Minority- and Women-Owned Businesses in the Procurement Activities of the Chicago Public Schools," prepared by Dr. David G. Blanchflower, Professor of Economics Dartmouth College, the Board adopted in July 2006 under Board Report 06-0726-PO9 a Business Diversity Program for Construction Projects (the "Program") which was later amended by the Board in May 2007 under Board Report 07-0523-PO1.
- 1.16 Based upon a thorough review of the foregoing information (*supra*, at sections 1.1 – 1.15); other recent judicial decisions regarding the constitutional standards for affirmative action programs; recent national and localized demographic evidence; recent labor and employment statistics, including national and local statistics, generally, as well as those specific to the construction industry; and the November, 2011 report entitled "Availability and Utilization of Minority- and Women-Owned Businesses for the Chicago Public Schools," prepared by Dr. David G. Blanchflower, Professor of Economics Dartmouth College, the Board adopted in December 2011 under Board Report 11-1214-PO1 a Remedial Program for Minority and Women Owned Business Enterprise Participation in Construction Projects (the "Program") which built upon the 1991 Plan. The Program was authorized for a period beginning January 1, 2012 until December 31, 2016.
- 1.17 Based upon a thorough review of the foregoing information (*supra*, at sections 1.1 – 1.16); relevant judicial decisions regarding the constitutional standards for affirmative action programs; recent national and localized demographic evidence; recent labor and employment statistics; including national and local statistics, generally, as well as those specific to the construction industry; and the October 2016 report entitled "An Evaluation of the Chicago Public Schools Minority- and Women-Owned Businesses Program in Construction" prepared by Dr. David G. Blanchflower, Professor of Economics, Dartmouth College, the Board hereby continues the Program as specified herein.

Contract Specific Goals shall be established for all contracts.
- 2.8 **Economically Disadvantaged:** An individual whose personal net worth is less than \$2,000,000.00, adjusted annually for inflation, such annual adjustment to begin January 2017, based on the Consumer Price Index – Urban Wage Earners and Clerical Workers (Chicago All Items) published by the United States Bureau of Labor Statistics.
- 2.9 **Good Faith Efforts:** Actions undertaken by a contractor to achieve a contract specific goal that, by their scope, intensity, and appropriateness to the objective, can reasonably be expected to fulfill the program's requirements.
- 2.10 **Joint Venture:** An association of two or more persons or entities, or any combination of types of business enterprises and persons numbering two or more, proposing to perform a single for-profit business enterprise, in which each joint venture partner contributes property, capital, efforts, skill and knowledge, and in which the MBE or WBE is responsible for a distinct, clearly defined portion of the work of the contract and whose share in the capital contribution, control, management, risks, and profits of the joint venture is equal to its ownership interest. Partners to a joint venture must have a written agreement specifying the terms and conditions of the relationships between them and their relationship and responsibilities to the contract.
- 2.11 **Minority:** The Board adopts the following definition of "minority":
 - a. any individual in the following racial or ethnic groups, members of which are rebuttably presumed to be socially and economically disadvantaged:
 1. African-Americans or Blacks, which includes persons having origins in any of the Black racial groups of Africa;
 2. Hispanics, which includes persons of Spanish culture with origins in Mexico, South or Central America or the Caribbean islands, regardless of race; and
 - b. individual members of other groups, including but not limited to Asian-Americans, Arab-Americans and Native-Americans, who have submitted an affidavit to the City, County of Cook or other governmental agency as determined by OBD, indicating that they are socially and economically disadvantaged by having suffered racial or ethnic prejudice or cultural bias within American society, without regard to individual qualities, resulting in decreased opportunities to compete in Chicago area markets or to do business with the Board.
- 2.12 **Minority-owned Business Enterprise (MBE):** A business that is certified as a Minority Owned Business by the City of Chicago (the "City"), County of Cook or such other government entity recognized by OBD, which has determined that the management, policies, major decisions and daily business operations are independently managed and controlled by one or more Economically Disadvantaged minority persons. An individual's personal net worth does not include the individual's ownership interest in an applicant or other MBE or WBE or the individual's equity in his or her primary place of residence. As to assets held jointly with his or her spouse, an individual's personal net worth includes only that individual's share of such assets. An individual's net worth also includes the present value of the individual's interest in any vested pension plans, Individual Retirement Accounts, 401(k) accounts, or other retirement savings or investment programs less the tax and interest penalties that would be imposed if the asset were distributed at the present time.
- 2.17 **Prime Construction Contractor or Supplier:** A person or entity that enters into a construction-related contract, purchase order or agreement with the Board to perform services.
- 2.18 **Subcontractor or Supplier:** A person or entity that enters into a construction-related contract with a Prime Construction Contractor to provide goods or services pursuant to a contract between the Prime Construction Contractor and CPS.

OBD reserves the right to make its own determination as needed.

III. EFFECTIVE DATES

- 3.1 The Business Diversity Program for Construction Projects is continued effective as of January 1, 2017 and on that date shall supersede entirely the program adopted in December 2011, for all contracts, renewals and extensions entered into on or after the effective date. - 3.2 This Program shall be reviewed no later than five years from January 1, 2017 and shall expire December 31, 2021 unless the Board finds that its remedial purposes have not been fully achieved and it continues to have a compelling interest in tailoring narrow remedies to redress discrimination against M/WBEs, so that the Board will not function as a passive participant in the discriminatory construction marketplace in Chicago.

 - a. provision of timely information on contracting procedures, bid preparation and specific contracting opportunities;

- b. arrangement of solicitation times for the presentation of bids, quantities, specifications, and delivery schedules so as to facilitate the participation of interested contractors and subcontractors;

VI. BID APPROVAL PROCESS

6.1 Bid Specifications

The Department of Procurement shall insert within the specifications for each contract which is let through competitive bidding, and which has Contract Specific Goals:

- a. a description of the Program, including the requirement of an approved M/WBE Plan; the requirements related to achieving the goals and counting MBE or WBE participation towards meeting the goals; if the goals are not met, the requirement of documentation of the contractor's Good Faith Efforts to achieve the goals, including the Good Faith Efforts of MBEs and WBEs to achieve the goal for which they do not qualify; and a requirement that the contractor commit to the expenditure of at least the dollar value of the Contract Specific Goals with one or more MBEs and one or more WBEs or make Good Faith Efforts to do so. This commitment may be met by the contractor's status as an MBE or WBE, a joint venture with one or more MBEs or WBEs as Prime Contractor (to the extent of the MBE's or WBE's participation in such joint venture), subcontracting a portion of the work to one or more MBEs or WBEs, purchasing materials or services for the work from one or more MBEs or WBEs, or by any combination of the foregoing;
- b. a requirement that where the contractor cannot achieve the Contract Specific Goals, it must document its Good Faith Efforts to do so.

6.2 M/WBE Compliance Proposal

- a. The Department of Procurement will specify M/WBE participation requirements as special conditions in invitations for bids and bid documents. These specifications will include a listing of all documentation that must be submitted with the bid or proposal and a description of the reporting requirements applicable during the contract period. All solicitation and contract documents will also stipulate that the requirements of the M/WBE Plan become part of each contract between CPS and the Prime Construction Contractor or Supplier.
- b. For all solicitations, the Contractor shall submit an M/WBE Compliance Proposal identifying all M/WBE and non-M/WBE subcontractors from which the Contractor solicited bids or quotations, and detailing its plan to achieve the Contract Specific Goals or its Good Faith Efforts to do so. MBEs and WBEs proposed by the Contractor must be certified by the City of Chicago and/or any other governmental certifying agencies as of the date of bid submittal. The M/WBE Compliance Proposal shall be due at the time and in the manner set out in the solicitation documents.
- c. OBD has the authority to propose to the Department of Procurement that any bid or quotation that does not include an appropriate M/WBE Compliance Proposal be rejected by the Department of Procurement.
- d. Any agreement between a Prime Construction Contractor or Supplier and an M/WBE in which the Prime Construction Contractor or Supplier requires that the M/WBE not provide subcontracting quotations to other Prime Construction Contractor or Suppliers is prohibited.
- e. The M/WBE Compliance Proposal must demonstrate that each MBE or WBE will perform a Commercially Useful Function.

6.3 OBD Review and Approval of M/WBE Compliance Proposal

- a. Prior to the contract award, OBD shall timely review the M/WBE Compliance Proposal, including the scope of work and the letters of intent from M/WBEs. OBD may request clarification in writing of items listed in the M/WBE Compliance Proposal, provided such clarification shall not lead to a decrease listed M/WBE participation.
- b. If OBD determines that the M/WBE Compliance Proposal demonstrates that the Contract Specific Goals indicated in the bid specifications have been achieved or Good Faith Efforts have been made, OBD shall recommend that the Contractor's bid be deemed responsive and propose award during the evaluation process to Facilities and Department of Procurement.
- c. If the M/WBE Compliance Proposal fails to meet the Contract Specific Goals indicated in the bid specifications, OBD will review its Good Faith Efforts to do so. If OBD determines that a Contractor did not make sufficient Good Faith Efforts, OBD shall communicate its finding to Facilities and Department of Procurement and propose that the Contractor's bid be deemed to be non-responsive. A Contractor may protest this determination by filing a written appeal in accordance with the Appeals Process within fourteen (14) business days of receipt of OBD's determination, stating the grounds for such appeal and including all relevant information and documentation.

6.4 Good Faith Efforts to Meet Contract Specific Goals and Waiver Requests

- a. Where the Contractor cannot achieve the Contract Specific Goals, OBD will determine whether the Prime Construction Contractor or Supplier has made Good Faith Efforts to do so.
- b. A Contractor may also submit to OBD a written request for reduction or waiver of the obligations created under the M/WBE Plan or related requirements. Any such request must be accompanied by documentation evidencing the Prime Construction Contractor or Supplier's Good Faith Efforts.
- c. OBD has the discretion to approve or deny a request for a waiver. Approval of a waiver may be conditioned upon the agreement to undertake additional Good Faith Efforts as specified by OBD.
- d. In making the determination of Good Faith Efforts, OBD will consider, at a minimum, the Contractor's efforts to:
 - 1. solicit through reasonable and available means (e.g., attendance at pre-bid meetings, advertising and written notices) the interest of MBEs and WBEs that have the capability to perform the work of the contract and/or that are certified in the scopes of the contract work; to make this solicitation within sufficient time to allow the M/WBEs to respond; and to take appropriate steps to follow up initial solicitations with interested M/WBEs;

2. provide interested M/WBEs adequate information about the plans, specifications and requirements of the contract, including addenda, in a timely manner to assist them in responding to the solicitation;
3. negotiate in good faith with interested M/WBEs that have submitted bids. Documentation of negotiation must include the names, addresses and telephone numbers of M/WBEs that were solicited; the date of each such solicitation; a description of the information provided about the plans and specifications for the work selected for subcontracting; and evidence as to why agreements could not be reached with M/WBEs to perform the work. A Contractor may not use the fact that additional costs may be involved in soliciting and using M/WBEs as a reason for failing to meet the goals, as long as such additional costs are reasonable;
4. not reject M/WBEs as being unqualified without sound reasons based upon a thorough investigation of their capabilities. The M/WBEs' standing within its industry, membership in specific groups, organizations, or associations, or its political or social affiliations are not legitimate reasons for rejecting or failing to solicit bids to meet the goals;
5. make a portion of the work available to M/WBE subcontractors and suppliers and to select those portions of the work or material consistent with the available M/WBE subcontractors and suppliers, to facilitate meeting the goals;
6. select portions of the work to be performed by M/WBEs in order to increase the likelihood that the goals will be met. This includes, where appropriate, subcontracting work items into economically feasible units to facilitate M/WBE participation, even when the contractor might otherwise prefer to perform these work items with its own workforce;
7. assist interested M/WBEs in obtaining bonding, lines of credit or insurance as required by the Board or the contractor;
8. assist interested M/WBEs in obtaining necessary equipment, supplies, materials or related assistance or services;
9. effectively use the services of OBD, minority or women community organizations; minority or women contractors' groups; local, state and federal minority or women business assistance offices; and other organizations to provide assistance in the recruitment and placement of M/WBEs;
10. implement a strategy for the training, employment, or continuing education of present or former CPS students. The proposed program must involve substantial numbers of students and commit Prime Construction Contractor or Supplier resources; meet significant training, employment or continuing education objectives and be feasible and effective;
11. provide technical assistance to increase M/WBEs' self-sufficiency, competitiveness and profitability;
12. donate objectively measurable resources to M/WBE business development or participate in M/WBE business development activities;
13. demonstrate through objective evidence the consistent use of M/WBEs as suppliers or vendors on work not related to CPS;
14. demonstrate participation with M/WBEs in private sector joint ventures that would not otherwise occur or the participation of the Prime Construction Contractor or Supplier for goods and services in M/WBE business development activities such as those contemplated by the Program.

6.4.1 Student Initiatives

As appropriate the Board, will require the Prime Construction Contractor or Supplier to participate in various initiatives designed to provide opportunities to current CPS students and CPS graduates. Such initiatives include, but are not limited to, internships and job shadowing for current students and an Apprenticeship Initiative for CPS graduates that would secure employment for minorities and women workers in specific trades and permit those workers to obtain hours that would count toward an apprentices' sponsorship into a trade or labor organization.

6.5 Contract Award

Upon acceptance of a bid or quotation, the Department of Procurement shall send a Notice of Award to the successful bidder. Such successful bidder shall send all required contract documentation to OBD. A Contractor's M/WBE Compliance Proposal, including the clarifications requested by OBD, shall, upon a contract award, be incorporated into the contract.

VII. CONTRACT PERFORMANCE PROCEDURES

7.1 Facilities Responsibilities

To achieve the Contract Specific Goals, Facilities shall undertake, in addition to other measures provided herein, the following measures:

- a. Every contract shall include a standard contract provision that:
 1. permits the Board to terminate the contract:
 - i. upon the disqualification of the Prime Construction Contractor or Suppliers as an MBE or WBE, if that contractor's status as MBE or WBE was a factor in the award of the contract and the contractor misrepresented that status; and
 - ii. upon the disqualification of any MBE or WBE, if the subcontractor's or supplier's status as an MBE or WBE was a factor in the award of the contract, and the Prime Construction Contractor or Supplier misrepresented the status of the subcontractor or supplier. If Facilities or OBD determines that contractor was not involved in any such misrepresentation, then that contractor shall discharge the disqualified subcontractor or supplier and make good faith efforts to engage a qualified MBE or WBE replacement.
 2. allows OBD and/or Facilities, with or without other District staff and with or without notice,
 - i. to conduct on-site inspections of any performance site or place of business of any Prime Construction Contractor or Supplier, to determine whether the contractor has complied with its obligations; and
 - ii. to access any contractor's books and records including, without limitation, payroll records, tax returns and records and books of account, to determine the Prime Construction Contractor or Supplier's compliance with its commitment to M/WBE participation and the status of any MBE or WBE performing any portion of the contract.
 3. requires Prime Construction Contractors or Suppliers:
 - i. to maintain records on the utilization of subcontractors and fulfillment of the M/WBE Compliance Plan, and to retain those records for eight years after the Board's final acceptance of the work;
 - ii. to report to OBD at a minimum quarterly, or upon request, all expenditures to achieve compliance;
 - iii. to obtain prior written approval from OBD before changing MWBE commitments or substituting M/WBE subcontractors;
 - iv. to promptly pay all subcontractors for work actually performed, upon Facilities' approval of required documentation; and
 - v. to provide a sworn statement with each payment request, listing all M/WBE and non-M/WBE subcontracts used in the performance of the contract, and providing proof of payment to subcontractors from prior payments received by the Prime Construction Contractor or Supplier. Proof of payment shall be in the form of cancelled checks to the subcontractor, a sworn statement from the subcontractor verifying receipt of payment or other format specified by OBD.
 4. requires approval or ratification of all change orders by the Board in accordance with Board Rules, including that:
 - i. no change orders shall be authorized that exceed, individually or cumulatively, forty nine and ninety nine hundredth percent (49.99%) of the Base Contract Price;
 - ii. any additional work and/or change orders requested by the Prime Construction Contractor or Supplier should not affect the contractors who have already completed work on the project; and
 - iii. no change orders shall affect the Prime Construction Contractor or Supplier's obligation to make good faith efforts to meet the original M/WBE goals.

5. requires retainage amounts to ensure the proper and complete performance of the work covered by the contract and complete compliance with the terms and conditions of the contract as follows:
 - i. the Board will retain 10% of the contract amount (including value of change orders) until work is 50% complete;
 - ii. Upon 50% completion of the contract in accordance with accepted performance measures, as specified in the contract, the retainage will be reduced to 5% of the contract amount (including value of change orders);
 - iii. The retainage amount(s) shall be retained from the various periodic payments according to a schedule specified in the contract.
 - iv. Upon 50% completion of the contract, as specified in the contract, 50% of the accrued retainage amount shall be released to the Prime Construction Contractor or Supplier. Upon final completion of the contract, the balance of the accrued retainage shall be released to the Prime Construction Contractor or Supplier when not involved in ongoing change orders or performance matters.
 - v. The Prime Construction Contractor or Supplier must pay all retainage owed to each subcontractor for satisfactory completion of the subcontractor's accepted work within 10 days after the portion of the retainage amount is released by the Board.

7.2 OBD Responsibilities

To achieve the Contract Specific Goals, OBD shall review and approve any written request by a Prime Construction Contractor or Supplier to substitute a M/WBE subcontractor, and shall enforce the following requirements:

- a. A Prime Construction Contractor or Supplier may not substitute a M/WBE subcontractor or perform the work designated for a subcontractor with its own workforce unless and until OBD approves such substitution in writing. A Prime Construction Contractor or Supplier shall not allow a substituted subcontractor to begin work until the substitution request has been formally approved.
- b. All requests for changes or substitutions of any M/WBE subcontractor named in the M/WBE Plan shall be made to OBD in writing, and shall clearly and fully set forth the basis for the request. Each request shall include the name, address and principal official of any proposed substitute MBE or WBE and the dollar value and scope of work of the proposed subcontract. All documentation required of the Prime Construction Contractor or Supplier for the M/WBE Plan must be attached.
- c. The facts supporting the request to change a M/WBE subcontractor must not have been known nor reasonably foreseeable by either party prior to the submission of the M/WBE Compliance Proposal. Prior to requesting a change, the Prime Construction Contractor or Supplier must negotiate with the subcontractor to resolve the problem. If requested by either party, OBD shall facilitate such a meeting. Where there has been a mistake or disagreement about the scope of work, the M/WBE may be substituted only where an agreement cannot be reached for a reasonable price for the correct scope of work.
- d. Unauthorized changes or substitutions, including performing the work with the Prime Construction Contractor's or Supplier's own workforce may constitute grounds for rejection of the bid or proposal, cause termination of the executed contract for breach, result in the withholding of payment and/or subject the Prime Construction Contractor or Supplier to contract remedies or sanctions.
- e. The following are acceptable bases for the substitution of M/WBE subcontractors and/or suppliers:
 1. Unavailability after receipt of reasonable notice to proceed;
 2. failure of performance;
 3. financial incapacity;
 4. refusal by the subcontractor to honor the bid or proposal price;
 5. mistake of fact or law about the elements of the scope of work of a solicitation where agreement upon a reasonable price cannot be reached;
 6. decertification of the M/WBE;
 7. failure of the subcontractor to meet insurance, licensing or bonding requirements; or
 8. the subcontractor's withdrawal of its bid or proposal.
- f. The final decision on a substitution request shall be communicated in writing as soon as practicable to the affected parties. OBD may request more information or schedule an interview to clarify or mediate the problem. OBD may reject any request in its entirety or impose conditions upon any approval.

- g. A contractor may protest any determination by OBD that it has not made Good Faith Efforts by utilizing the Appeals Process.

VIII. OBD's DETERMINATION WHETHER CONTRACT SPECIFIC GOALS FOR M/WBE PARTICIPATION HAVE BEEN MET

8.1 MBE or WBE Prime Construction Contractors

OBD shall count toward the Contract Specific Goal the amount paid to an MBE or WBE Prime Construction Contractor or Supplier for self-performing work, general conditions, overhead and profit. An MBE or WBE Prime Construction Contractor or Supplier must make Good Faith Efforts to meet the MBE or WBE goal for which it does not qualify, through subcontracts with other MBEs or WBEs.

8.2 MBE or WBE Subcontractors and Suppliers

OBD shall count toward a Prime Construction Contractor's or Supplier's Contract Specific Goal only the amount that has actually been paid to an MBE or WBE subcontractor or supplier.

8.3 Joint Ventures

When a M/WBE performs as a participant in a Joint Venture, OBD shall count toward the Contract Specific Goal only the portion of the total dollar value of the contract equal to the distinct, clearly defined portion of the work of the Joint Venture's contract that the M/WBE performs with its own workforce and for which it is separately at risk.

8.4 Limitation to Commercially Useful Functions

OBD shall count toward the Contract Specific Goal only expenditures to an M/WBE that is performing a Commercially Useful Function. To determine whether a firm is performing a Commercially Useful Function, OBD will evaluate the amount of work subcontracted, industry practices, whether the amount the firm is to be paid under the contract is commensurate with the work it is actually performing, and other relevant factors. To perform a Commercially Useful Function, the M/WBE must be responsible, with respect to materials and supplies used on the contract, for negotiating price, determining quality and quantity, ordering the material, performing installations, where applicable, and paying for the material itself. An M/WBE does not perform a Commercially Useful Function if its role is limited to that of an extra participant in the contract through which funds are passed in order to obtain the appearance of M/WBE participation. If an M/WBE subcontracts a greater portion of the work of a contract than would be expected on the basis of normal industry practice, it is presumed not to be performing a Commercially Useful Function, but it may present evidence to rebut this presumption.

8.5 Effect of Decertification

If a firm ceases to be a certified M/WBE during the course of a contract, the dollar value of work performed under a contract with that firm after it has ceased to be certified shall not be counted toward the Contract Specific Goal.

IX. NON-COMPLIANCE AND SANCTIONS

9.1 Determination of Non-Compliance by OBD

- a. OBD shall monitor Prime Construction Contractor's or Supplier's performance under the Compliance Plan, as well as the fulfillment of any special conditions, work order goals or other obligations by contract awardees.
- b. If the Prime Construction Contractor or Supplier is failing to fulfill its Compliance Plan or other Compliance-related contractual obligations, OBD will notify the Prime Construction Contractor or Supplier of the deficiencies. Following notification, the Prime Construction Contractor or Supplier shall have sixty (60) days to identify how they will cure the deficiencies. If the deficiencies are not cured, OBD shall make a determination of non-compliance and recommend the imposition of sanctions.
- c. At the end of every contract, OBD shall determine at contract closeout whether a Prime Construction Contractor or Supplier has complied with the obligations created under its Compliance Plan and other related requirements. The Prime Construction Contractor or Supplier has the burden of proving compliance with all obligations and requirements.

9.2 Sanctions for Non-compliance and Failure to Make Good Faith Efforts

- a. Sanctions for non-compliance may include, but are not limited to, the following:
 - 1. Withholding of payments under the contract
 - 2. Termination of the contract
 - 3. Debarment from future business with the Board

- b. A Prime Construction Contractor or Supplier may protest OBD's determination of Section 9.2 sanctions by filing a written appeal in accordance with the Appeals Process within fourteen (14) business days of receipt of OBD's determination, stating the grounds for such appeal and including all relevant information and documentation.
- c. All debarment recommendations will be processed according to the Board's Debarment Policy.

9.3 Sanctions for Fraudulent Misrepresentations, Acts Involving a Lack of Business Integrity, Violation of Statutes or Regulations, or Repeated Failures to Make Good Faith Efforts

- a. The following actions may be taken upon a finding that a firm has engaged in fraudulent misrepresentation, acts demonstrating a lack of business integrity, violations of statute or regulations, or has repeatedly failed to make good faith efforts as required by this Program:
 - 1. Referral by OBD to the Board's Office of the Inspector General (OIG) for investigation.
 - 2. Initiation of proceedings to debar the Prime Construction Contractor or Supplier and all persons or entities affiliated with them if warranted by an OIG investigation.
 - 3. Reporting the debarment of any person or entity to other governmental agencies.
 - 4. Referral to appropriate law enforcement authorities for investigation and possible prosecution.
- b. The Prime Construction Contractor or Supplier may protest OBD's determination of Section 9.3 sanctions by filing a written appeal in accordance with the Appeals Process within fourteen (14) business days of receipt of OBD's determination, stating the grounds for such appeal and including all relevant information and documentation.

X. REVIEW

The Board intends to periodically review the remedies adopted herein to ensure that it continues to have a compelling interest in not being a passive participant in the discriminatory Chicago construction market and that these measures remain narrowly tailored to accomplish that interest.

XI. SEVERABILITY

In the event that any section, subsection, paragraph, clause, provision or application of this article shall be held invalid by any court, the invalidity of such section, paragraph, clause or provision shall not affect any of the remaining provisions hereof.

EXTEND THE REMEDIAL PROGRAM FOR MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISE PARTICIPATION IN GOODS AND SERVICES CONTRACTS

THE CHIEF EXECUTIVE OFFICER RECOMMENDS:

That the Board extend the Remedial Program for Minority and Women-Owned Business Enterprises Participation in Goods and Services Contracts, as amended and attached hereto, until December 31, 2021.

HISTORY: In 2007, the Board undertook a review of the then-existing affirmative action remedial plan adopted in 1991. Following this review, the Board determined that implementation of various race-neutral and gender-neutral measures would help the District's goods and services program to overcome barriers and assist in the growth and development of financially stable M/WBE's. In order to implement these measures, the Board adopted the current Remedial Program for Minority and Women-Owned Business Enterprises Participation in Goods and Services (the "Program") with a term commencing March 1, 2007 and ending December 31, 2012 (Board Report 07-0228-PO1). This was later extended through June 30, 2013 (Board Report 12-1219-RS2). Following a 2013 independent evaluation of availability and utilization of minority and women-owned goods and services vendors for the Chicago Public Schools, the Board determined that the steps it had taken since 1991 to ameliorate the effects of racial and gender discrimination in the goods and services marketplace through a variety of race-and gender-neutral measures had not been sufficient. Accordingly, the Board extended the Program with a term commencing July 1, 2013 and ending December 31, 2016 (Board Report 13-0626-PO1).

PURPOSE: Following a 2016 independent evaluation of availability and utilization of minority and women-owned goods and services vendors for the Chicago Public Schools, the Board has determined that the steps taken to date to ameliorate the effects of racial and gender discrimination in the goods and services marketplace have been insufficient. The Board has further determined that the Program should therefore be extended by creating measures narrowly tailored to serve the Board's compelling interest in not being a passive participant in the discriminatory Chicago goods and services marketplace.

PROGRAM EXTENSION TERM: The Program is extended, as amended herein, for the period commencing January 1, 2017 and ending December 31, 2021.

DESCRIPTION: The Program will continue to: (1) apply to all goods and services contracts required by the Board to be awarded through competitive procurement, (2) operate the same annual Aspirational Goals for M/WBE participation in all goods and services contracts of 30% to qualified Minority-owned Business Enterprises and 7% to qualified Women-owned Business Enterprises, (3) authorize the Office of Business Diversity (OBD) to establish Contract Specific Goals for individual contracts, and (4) authorize OBD to specify certain goods and services projects to be let without M/WBE participation goals in order to evaluate the marketplace.

The Program is being updated to continue in accordance with legal requirements, to reflect the Board's current organizational structure and practice, and to clarify various provisions. These amendments are included on the attachment.

**REMEDIAL PROGRAM FOR
MINORITY AND WOMEN OWNED BUSINESS ENTERPRISE
PARTICIPATION IN GOODS AND SERVICES CONTRACTS**

POLICY STATEMENT

This Remedial Program for Minority and Women Owned Business Enterprises ("Program") is continued by the Chicago Board of Education (the "Board"), upon the recommendation of the Chief Executive Officer ("CEO"), based upon (1) the Board's findings that it has been a passive participant in discriminatory practices against racial and ethnic minorities and women in the procurement of goods and services industry in Chicago, and that it has a compelling interest in remedying that passive discrimination, and (2) its desire to continue narrowly tailored remedies to address that compelling interest.

I. FINDINGS

- 1.1 The Board adopted a Remedial Plan for Minority and Women Business Enterprise ("M/WBE") Participation in January 1991 ("1991 Plan"). The 1991 Plan was adopted following the District's review of a Report Concerning Consideration and Adoption of the Revised Remedial Plan for Minority and Women Business Enterprise Economic Participation ("Report"). The Report included extensive Discrimination Findings ("Findings") that examined the barriers faced by M/WBEs in the construction, purchasing, and professional service industries. At the same time, the Board adopted a Resolution that set forth its rationale for developing the 1991 Plan. The Resolution specifically references the Findings, which indicated the following:
 - M/WBEs in these industries faced significant institutional challenges not faced by their majority-owned competitors;
 - The District underutilized M/WBEs, despite the fact that M/WBEs appeared to be available to provide construction, purchasing of goods, and professional services for the District; and
 - Governmental and private discrimination in the Chicago metropolitan area caused M/WBEs to suffer competitive disadvantages in forming and operating viable businesses.
- 1.2 The Resolution specifically indicated that, after weighing the evidence, including the Findings, related to discrimination against Black, Hispanic, Asian, and Women-owned businesses in the construction, purchasing of goods, and professional services industries, the Board determined that there was a sufficient basis for and a compelling interest in the adoption of a remedial plan encompassing each of those combinations of race, ethnic, and gender groups and industries and that to remedy the discrimination and resulting competitive disadvantages suffered by those businesses, it was necessary to adopt the 1991 Plan.
- 1.3 The 1991 Plan addressed the requirements and procedures for monitoring the compliance of M/WBE goals for both goods and services contracts and construction projects and provided measures to assist M/WBEs in the Chicago Public Schools' ("CPS") procurement of goods and services. The benefits of the Plan were provided to Black-, Hispanic-, Asian- and Women-owned firms whose principal place of business was within the six-county Chicago metropolitan area. The Plan provided for race-neutral remedial measures and for non-restrictive affirmative action measures to alleviate the effects of discrimination. The plan further mandated flexible goals for M/WBE participation on particular contracts for overall CPS annual spending. Waivers were available for prime contractors unable to meet the goals.
- 1.4 In April 2006 and again in October 2006, the Board advertised and convened public focus groups, facilitated by an expert, Colette Holt, to address whether, and if so, to what extent, barriers exist to M/WBE participation in the CPS procurement process of goods and services. A review of information presented during the April and October 2006 CPS focus groups, and written reports that set forth the findings from the focus groups, reveal the existence of past and current discriminatory practices that disadvantage racial and ethnic minorities and women seeking to enter into CPS prime contracts and subcontracts for goods and services.
- 1.5 The focus groups conducted by Ms. Holt confirm that M/WBEs continue to face barriers to participation in the CPS procurement process for goods and services. Specifically, the findings from the focus groups demonstrate that those barriers include:
 - Difficulty obtaining public sector prime contracts
 - Difficulty obtaining bonding and insurance
 - Difficulty securing subcontracting opportunities in the public sector
 - Difficulty obtaining contracts in the private sector
 - Difficulty working with vendors who use M/WBE information for purposes of securing a bid or putting together a proposal submission and who do not ultimately utilize the services of the M/WBEs

- 1.6 A review of the April 2006 focus group information and the related reports from expert Colette Holt further demonstrates that the following race- and gender-neutral measures help the narrow tailoring aspect of a race-conscious preferential procurement program and should be used to overcome those barriers and assist in the growth and development of financially stable M/WBEs:
- Improving the timeliness of payments
 - Creating a small and local business target market program
 - Implementing contract specific subcontracting goals
 - "Unbundling" or downsizing contracts to facilitate participation by smaller businesses, such as M/WBEs
 - Providing longer bid lead times
- 1.7 Based upon a thorough review of information presented during the April and October 2006 CPS focus groups and the written reports submitted by expert Colette Holt, the Board adopted in February 2007 under Board Report 07-0228-PO1 a Remedial Program for Minority And Women Owned Business Enterprise Participation in Goods and Services Contracts (the "Program") which built upon the 1991 Plan. The Program authorized for a period beginning March 1, 2007 until December 31, 2012 and was later extended until June 30, 2013 under Board Report 12-1219-RS2.
- 1.8 Based upon a thorough review of the foregoing information (supra, at sections 1.1 – 1.7); other recent judicial decisions regarding the constitutional standards for affirmative action programs; recent national and localized demographic evidence; recent labor and employment statistics; including national and local statistics, generally, as well as those specific to the goods and services industries; and the May 17, 2013 report entitled "*Availability and Utilization of Minority- and Women-Owned Businesses in Goods and Services for the Chicago Public Schools*" prepared by Dr. David G. Blanchflower, Professor of Economics Dartmouth College, the Board adopted in June 2013 under Board Report 13-0626-PO1 a Remedial Program for Minority And Women Owned Business Enterprise Participation in Goods and Services Contracts (the "Program") which built upon the 1991 Plan. The Program was authorized for a period beginning July 1, 2013 until December 31, 2016.
- 1.9 Based upon a thorough review of the foregoing information (supra, at sections 1.1 – 1.8); relevant judicial decisions regarding the constitutional standards for affirmative action programs; recent national and localized demographic evidence; recent labor and employment statistics; including national and local statistics, generally, as well as those specific to the goods and services industries; and the October 2016 report entitled "*Availability and Utilization of Minority- and Women-Owned Businesses in Goods and Services for the Chicago Public Schools*" prepared by Dr. David G. Blanchflower, Professor of Economics, Dartmouth College, the Board hereby continues the Program as specified herein.

Affiliates shall be considered together in determining whether a firm is a small business enterprise.
- 2.2 **Appeals Process:** The process for review of Program compliance and waiver decisions made by the Office of Business Diversity in accordance with the Program.
- 2.3 **Chicago Board of Education ("Board") or the District:** The body politic and corporate, known as the "Board of Education of the City of Chicago" and also known as Chicago Public Schools ("CPS") or School District 299.

- 2.5 **Contract Specific Goals:** The subcontracting goals for M/WBE participation established for a particular contract based upon the availability of M/WBEs to perform the anticipated scopes of work of the contract, and CPS' progress towards meeting the aspired goals.
- 2.6 **Economically Disadvantaged:** An individual whose personal net worth is less than \$2,000,000.00, adjusted annually for inflation, such annual adjustment to begin January 2017, based on the Consumer Price Index – Urban Wage Earners and Clerical Workers (Chicago All Items) published by the United States Bureau of Labor Statistics.

Joint ventures must have an agreement in writing specifying the terms and conditions of the relationships between the partners and their relationship and responsibilities to the contract.
- 2.10 Minority:** The Board adopts the following definition of "minority":
- a. any individual in the following racial or ethnic groups, members of which are rebuttably presumed to be socially and economically disadvantaged:
 1. African-Americans or Blacks, which includes persons having origins in any of the Black racial groups of Africa;
 2. Hispanics, which includes persons of Spanish culture with origins in Mexico, South or Central America or the Caribbean islands, regardless of race; and
 - b. individual members of other groups, including but not limited to Asian-Americans, Arab-Americans and Native-Americans, who have submitted an affidavit to the City, County of Cook or other governmental agency as determined by OBD, indicating that they are socially and economically disadvantaged by having suffered racial or ethnic prejudice or cultural bias within American society, without regard to individual qualities, resulting in decreased opportunities to compete in Chicago area markets or to do business with the Board.
- 2.11 Minority Business Enterprise (MBE):** A business that is certified as a Minority Owned Business by the City of Chicago (the "City"), County of Cook or such other government entity recognized by OBD, which has determined that the management, policies, major decisions and daily business operations are independently managed and controlled by one or more Economically Disadvantaged minority persons. An individual's net worth also includes the present value of the individual's interest in any vested pension plans, Individual Retirement Accounts, 401(k) accounts, or other retirement savings or investment programs less the tax and interest penalties that would be imposed if the asset were distributed at the present time.

OBD reserves the right to make its own determination as needed.

III. EFFECTIVE DATES

- 3.1** The Business Diversity Program for Goods and Services Projects is continued effective as of January 1, 2017 and on that date shall supersede entirely the program adopted in June, 2013. Existing contracts will adhere to the compliance standards outlined in contracts dated prior to January 1, 2017.
- 3.2** This Program shall be reviewed no later than five years from January 1, 2017 and shall expire December 31, 2021 unless the Board finds that its remedial purposes have not been fully achieved and it continues to have a compelling interest in tailoring narrow remedies to readdress discrimination against M/WBEs, so that the Board will not function as a passive participant in the discriminatory goods and services marketplace in Chicago.

The OBD, the Department of Procurement and the user department will establish Contract Specific Goals for M/WBE participation for eligible contracts for goods and services required by Board Rules to be bid or awarded pursuant to a competitive process. A list of transactions for which M/WBE participation is not achievable or is limited will be posted on OBD's website.

4.3 Appeals Process

The CAO or his or her designees shall have the authority to create rules or guidelines reviewing any appeals authorized under this policy.

- p. Requesting the assistance of other public and private agencies and organizations in referring M/WBEs.

V. RACE AND GENDER NEUTRAL MEASURES

5.1 The Board shall implement race- and gender-neutral measures to the greatest extent feasible to facilitate the participation of M/WBEs in its contracting activities so it can meet its Aspirational Goals. These measures may include, but are not limited to:

- a. provision of timely information on contracting procedures, bid/proposal preparation, and specific contracting opportunities.
- b. arrangement of solicitation times for the presentation of bids/proposals, quantities, specifications, and delivery schedules to facilitate the participation of interested vendors, suppliers and subcontractors.
- c. simplification of bid/proposal submission requirements and documentation required by the user departments and the Department of Procurement.
- d. unbundling contracts, where appropriate, to facilitate the participation of smaller businesses.

- s. seeking recommendations of additional M/WBEs from private industry M/WBE programs and from local government agencies.

VI. CONTRACT AWARD PROCESS

6.1 Bid/Proposal Specifications

The Department of Procurement shall insert within the specifications for each contract which is let through competitive bidding or other competitive procurement and which has Contract Specific Goals:

- a. a description of the Program, including the requirement of an approved M/WBE Plan; the requirements related to achieving the goals and counting MBE or WBE participation towards meeting the goals; if the goals are not met, the requirement of documentation of the vendor's Good Faith Efforts to achieve the goals, including the Good Faith Efforts of MBEs and WBEs to achieve the goal for which they do not qualify; and a requirement that the vendor commit to the expenditure of at least the dollar value of the Contract Specific Goals with one or more MBEs and one or more WBEs or make Good Faith Efforts to do so. This commitment may be met by the vendor's status as an MBE or WBE, a joint venture with one or more MBEs or WBEs as prime contractor (to the extent of the MBE's or WBE's participation in such joint venture), subcontracting a portion of the work to one or more MBEs or WBEs, purchasing materials or services for the work from one or more MBEs or WBEs, or by any combination of the foregoing;
- b. a requirement that where the vendor cannot achieve the Contract Specific Goals, it must document its Good Faith Efforts to do so.

6.2 M/WBE Compliance Proposal

- a. The Department of Procurement will insert within the specifications M/WBE participation requirements as special conditions in invitations for bids, requests for proposals, quotations and all relevant documents. These specifications will include a listing of all M/WBE documentation that must be submitted with the bid or proposal and will describe the reporting requirements applicable during the contract period. All solicitation and contract documents will also stipulate that the requirements of the M/WBE Plan become conditions of the contract between CPS and the Prime Vendor or Supplier.
- b. For all solicitations, the Prime Vendor or Supplier must submit an M/WBE Compliance Proposal detailing all M/WBE and non-M/WBE subcontractors from which the Prime Vendor or Supplier solicited bids or proposals, and its plan to achieve Contract Specific Goals or its Good Faith Efforts to do so. M/WBEs proposed by the Prime Vendor or Supplier must be certified by the City of Chicago and/or any other governmental certifying agencies as of the date of the bid/proposal submittal. The M/WBE Compliance Proposal shall be due at the time and in the manner set out in the solicitation documents.
- c. The OBD Director has the authority to propose to the Department of Procurement that any bid or quotation that does not include an appropriate M/WBE Compliance Proposal be rejected by the Department of Procurement.
- d. Any agreement between a Prime Vendor or Supplier and a M/WBE in which the Prime Vendor or Supplier requires that the M/WBE not provide subcontracting quotations to other Prime Vendors or Suppliers is prohibited.
- e. The M/WBE Compliance Proposal must demonstrate that each MBE or WBE will perform a Commercially Useful Function.

6.3 OBD Review and Approval of M/WBE Program Compliance Proposal

- a. Prior to contract award, OBD shall timely review of the M/WBE Program Compliance Proposal, including the scope of work and the letters of intent from M/WBEs. OBD may request clarification in writing of items listed in the M/WBE Program Compliance Proposal, provided such clarification shall not lead to a decrease listed M/WBE participation.
- b. If OBD determines that the M/WBE Program Compliance Proposal demonstrates that the Contract Specific Goals indicated in the bid/proposal specifications have been achieved or Good Faith Efforts made, OBD shall recommend that the vendor's or supplier's bid/proposal be deemed responsive during the evaluation process to the Department of Procurement.
- c. If the M/WBE Program Compliance Proposal fails to meet the Contract Specific Goals indicated in the bid/proposal specifications, OBD will review its Good Faith Efforts to do so. If OBD determines that a vendor/supplier did not make sufficient Good Faith Efforts, OBD shall communicate its finding to the Department of Procurement and propose that the vendor's/supplier's bid/proposal be deemed to be non-responsive. A vendor/supplier may protest this determination by filing a written appeal in accordance with the Appeals Process within fourteen (14) business days of receipt of OBD's determination, stating the grounds for such appeal and including all relevant information and documentation.

6.4 Good Faith Efforts to Meet Contract Specific Goals and Waiver Requests

- a. Where the Prime Vendor or Supplier cannot achieve the Contract Specific Goals, OBD will determine whether the Prime Vendor or Supplier has made Good Faith Efforts to do so.

- b. A Prime Vendor or Supplier may also submit to OBD a written request for reduction or waiver of the obligations created under the M/WBE Plan or related requirements. Any such request must be accompanied by documentation evidencing the Prime Vendor's or Supplier's Good Faith Efforts.
- c. OBD has the discretion to approve or deny a request for a waiver. Approval of a waiver may be conditioned upon the agreement to undertake additional Good Faith Efforts as specified by OBD.
- d. In making the determination of Good Faith Efforts, OBD will consider, at a minimum, the efforts of a Prime Vendor or Supplier to:
 - 1. solicit through all reasonable and available means (e.g., attendance at pre-bid/proposal meetings, advertising and written notices) the interest of all M/WBEs that have the capability to perform the work of the contract and/or that are certified in the scopes of the contract work; to make this solicitation within sufficient time to allow the M/WBEs to respond; and to take appropriate steps to follow up initial solicitations with interested M/WBEs;
 - 2. provide interested M/WBEs adequate information about the plans, specifications, and requirements of the contract, including addenda, in a timely manner to assist them in responding to the solicitation;
 - 3. negotiate in good faith with interested M/WBEs that have submitted bids. Documentation of negotiation must include the names, addresses, and telephone numbers of M/WBEs that were solicited; the date of each such solicitation; a description of the information provided about the plans and specifications for the work selected for subcontracting; and evidence as to why agreements could not be reached with M/WBEs to perform the work. A Prime Vendor or Supplier may not use the fact that additional costs may be involved in soliciting and using M/WBEs as a reason for failing to meet the Contract Specific Goals, as long as such additional costs are reasonable;
 - 4. not reject M/WBEs as being unqualified without sound reasons based upon a thorough investigation of their capabilities. The M/WBEs' standing within its industry, membership in specific groups, organizations, or associations, or its political or social affiliations are not legitimate reasons for rejecting or failing to solicit bids/proposals to meet the goals;
 - 5. make a portion of the work available to M/WBE subcontractors and suppliers and to select those portions of the work or material consistent with the available M/WBE subcontractors and suppliers, to facilitate meeting the goals;
 - 6. select portions of the work to be performed by M/WBEs in order to increase the likelihood that the goals will be met. This includes, where appropriate, subcontracting work items into economically feasible units to facilitate M/WBE participation, even when the Prime Vendor or Supplier might otherwise prefer to perform these work items with its own workforce;
 - 7. assist interested M/WBEs in obtaining bonding, lines of credit, or insurance as required by the Board or the Prime Vendor or Supplier;
 - 8. assist interested M/WBEs in obtaining necessary equipment, supplies, materials, or related assistance or services;
 - 9. effectively use the services of OBD, minority or women community organizations; minority or women contractors' groups; local, state and federal minority or women business assistance offices; and other organizations to provide assistance in the recruitment and placement of M/WBEs;
 - 10. implement a strategy for the training, employment, or continuing education of present or former CPS students. The proposed program must involve substantial numbers of students and commit Prime Vendor or Supplier resources; meet significant training, employment or continuing education objectives and be feasible and effective;
 - 11. provide technical assistance to increase M/WBEs' self-sufficiency, competitiveness and profitability;
 - 12. donate objectively measurable resources to M/WBE business development or participate in M/WBE business development activities;
 - 13. demonstrate through objective evidence the consistent use of M/WBEs as suppliers or vendors on work not related to CPS;

14. demonstrate participation with M/WBEs in private sector joint ventures that would not otherwise occur or the participation of the Prime Vendor or Supplier for goods and services in M/WBE business development activities such as those contemplated by the Program.

6.5 Contract Award

Upon acceptance of a bid, proposal or quotation, the Department of Procurement shall notify the successful bidder/proposer. A Prime Vendor's or Supplier's M/WBE proposal, including the clarifications requested by OBD, shall, upon a contract award, be incorporated into the contract.

VII. CONTRACT PERFORMANCE PROCEDURES

7.1 Payment Procedures

As a condition of each payment request, the Prime Vendor or Supplier shall provide proof of payment in a format specified by CPS, listing all M/WBE and non- M/WBE Subcontractors used in the performance of the contract. The Prime Vendor or Supplier shall pay each Subcontractor within 30 days of payment by the Board or as otherwise negotiated between the Prime Vendor or Supplier and the Subcontractor. OBD shall monitor sub-contractor participation during the course of the contract and shall have reasonable access to all contract-related documentation held by the Prime Vendor or Supplier for goods and services.

7.2 Records

The Prime Vendor or Supplier shall maintain records of all relevant data with respect to the utilization of all subcontractors, and all other aspects of fulfillment of the M/WBE Plan requirements, including, without limitation, performance and financial documents concerning the contract; agreements and performance/payment records concerning subcontractors; payroll records; tax returns and records; and books of account. Prime Vendor or Supplier shall retain these records for at least eight years after completion of the work. The Prime Vendor or Supplier shall report monthly, or upon request, to OBD all expenditures to achieve Program compliance.

7.3 Inspections

OBD may, with or without notice, periodically conduct on-site inspections of any contract performance site, or the place of business of any Prime Vendor or Supplier. OBD may be assisted in such inspections by other CPS staff, and shall be entitled to reasonable access to facilities, personnel, and records related to the M/WBE Plan.

7.4 Substitutions

- a. The Prime Vendor or Supplier may not substitute a M/WBE subcontractor or perform the work designated for a subcontractor with its own workforce unless and until OBD approves such substitution in writing. A Prime Vendor or Supplier shall not allow a substituted subcontractor to begin work until substitution request has been formally approved.
- b. All requests for changes or substitutions of the subcontractor named in the M/WBE Plan shall be made to the Director of OBD in writing, and shall clearly and fully set forth the basis for the request. Each request shall include the name, address and principal official of any proposed substitute MBE or WBE and the dollar value and scope of work of the proposed subcontract. All documentation required of Prime Vendors or Suppliers for the M/WBE Plan must be attached.
- c. The facts supporting the request to change a M/WBE subcontractor must not have been known nor reasonably foreseeable by either party prior to the submission of the Program Compliance Proposal. Prior to requesting a change, the Prime Vendor or Supplier must negotiate with the subcontractor to resolve the problem. If requested by either party, CPS shall facilitate such a meeting. Where there has been a mistake or disagreement about the scope of work, the M/WBE may be substituted only where an agreement cannot be reached for a reasonable price for the correct scope of work.
- d. Unauthorized changes or substitutions, including performing the work with the Prime Vendor's or Supplier's own workforce, may constitute grounds for rejection of the bid or proposal or cause termination of the executed contract for breach, the withholding of payment and/or subject the Prime Vendor or Supplier to contract penalties or other sanctions.
- e. The following are acceptable bases for the substitution of M/WBE subcontractors:
 1. unavailability after receipt of reasonable notice to proceed;
 2. failure of performance;
 3. financial incapacity;
 4. refusal by the subcontractor to honor the bid or proposal price;

5. mistake of fact or law about the elements of the scope of work of a solicitation where agreement upon a reasonable price cannot be reached;
 6. decertification of the M/WBE;
 7. failure of the subcontractor to meet insurance, licensing or bonding requirements; or
 8. the subcontractor's withdrawal of its bid or proposal.
- f. OBD's final decision whether to permit or deny the proposed substitution, and the basis therefore, will be communicated as soon as practicable to the parties in writing by OBD. The OBD Director may request more information, or requesting an interview to clarify or mediate the problem. OBD may approve or reject any request in its entirety, or impose conditions upon any approval.
 - g. Where the Prime Vendor or Supplier has established the basis for the substitution to the satisfaction of OBD, the Prime Vendor or Supplier shall make Good Faith Efforts to fulfill the M/WBE Plan. The Prime Vendor or Supplier may seek the assistance of OBD in obtaining a new M/WBE subcontractor. If the Contract Specific Goal(s) cannot be reached and Good Faith Efforts have been made, the Prime Vendor or Supplier may upon determination by the OBD Director substitute with a non-M/WBE.
 - h. The Prime Vendor or Supplier may protest any determination by OBD that a vendor/supplier has not made Good Faith Efforts by utilizing the Appeals Process.

VIII. OBD'S DETERMINATION WHETHER CONTRACT SPECIFIC GOALS FOR M/WBE PARTICIPATION HAVE BEEN MET

8.1 M/WBE Prime Vendors and Suppliers

OBD shall count toward the Contract Specific Goal the amount paid to an MBE or WBE Prime Vendor or Supplier for self-performing work, general conditions, overhead and profit.

8.2 MBE or WBE Subcontractors and Suppliers

OBD shall count towards a Prime Vendor's or Supplier's Contract Specific Goal only the amount that has been paid to a MBE or WBE subcontractor or supplier.

8.3 Joint Ventures

When a M/WBE performs as a participant in a Joint Venture, OBD shall count towards the Contract Specific Goal only the portion of the total dollar value of the contract equal to the distinct, clearly defined portion of the work of the Joint Venture's contract that the M/WBE performs with its own workforce and for which it is separately at risk.

8.4 Limitation to Commercially Useful Functions

OBD shall count toward the Contract Specific Goal only expenditures to an M/WBE that is performing a Commercially Useful Function. To determine whether a firm is performing a Commercially Useful Function, OBD will evaluate the amount of work subcontracted, industry practices, whether the amount the firm is to be paid under the contract is commensurate with the work it is actually performing, and other relevant factors. To perform a Commercially Useful Function, the M/WBE must be responsible, with respect to materials and supplies used on the contract, for negotiating price, determining quality and quantity, ordering the material, installing (where applicable), and paying for the material itself. An M/WBE does not perform a Commercially Useful Function if its role is limited to that of an extra participant in the contract through which funds are passed in order to obtain the appearance of M/WBE participation. If an M/WBE subcontracts a greater portion of the work of a contract than would be expected based on normal industry practice, it is presumed not to be performing a Commercially Useful Function, but it may present evidence to rebut this presumption.

8.5 Effect of Decertification

If a firm ceases to be a certified M/WBE during its performance on a contract, the dollar value of work performed under a contract with that firm after it has ceased to be certified shall not be counted toward the Contract Specific Goal.

8.6 Contract Modifications

The Contract Specific Goals applicable to a contract are also applicable to contract modifications. If a contract modification is within the scope of the M/WBE's subcontract performance, the dollar amount to be paid to the M/WBE must be adjusted by the Prime Vendor or Suppliers.

IX. NON-COMPLIANCE AND SANCTIONS

9.1 Determination of Non-Compliance

- a. OBD shall monitor the Prime Vendor's or Supplier's performance under the M/WBE Plan, as well as the fulfillment of any special conditions, work order goals, or other obligations by contract awardees.
- b. If the Prime Vendor or Supplier fails to fulfill its M/WBE Plan or other compliance-related contractual obligations, OBD will notify the Prime Vendor or Supplier of the deficiencies. Following notification, the Prime Vendor or Supplier shall have sixty (60) days to identify how they will cure the deficiencies. If the deficiencies are not cured, OBD shall make a determination of non-compliance and recommend the imposition of sanctions.
- c. At the end of every contract, OBD shall determine at contract closeout whether a Prime Vendor or Supplier has complied with the obligations created under its M/WBE Plan and other related requirements. The Prime Vendor or Supplier has the burden of proving compliance with all obligations and requirements.

9.2 Sanctions for Non-Compliance and Failure to Make Good Faith Efforts

- a. Sanctions for non-compliance may include, but are not limited to, the following:
 - 1. Withholding of payments under the contract
 - 2. Recommendation not to exercise contract renewal option
 - 3. Termination of the contract
 - 4. Debarment from future business with the Board
- b. A Prime Vendor or Supplier may protest OBD's determination of Section 9.2 sanctions by filing a written appeal in accordance with the Appeals Process within fourteen (14) business days of receipt of OBD's determination, stating the grounds for such appeal and including all relevant information and documentation.
- c. All debarment recommendations will be processed according to the Board's Debarment Policy.

9.3 Sanctions for Fraudulent Misrepresentations, Acts Involving a Lack of Business Integrity, Violation of Statutes or Regulations, or Repeated Failures to Make Good Faith Efforts

- a. The following actions may be taken upon a finding that a firm has engaged in fraudulent misrepresentation, acts demonstrating a lack of business integrity, violations of statute or regulations, or has repeatedly failed to make good faith efforts as required by this Program:
 - 1. Referral by OBD to the Board's Office of the Inspector General (OIG) for investigation.
 - 2. Initiation of proceedings to debar the Prime Vendor or Supplier and all persons or entities affiliated with them if warranted by an OIG investigation.
 - 3. Reporting the debarment of any person or entity to other governmental agencies.
 - 4. Referral to appropriate law enforcement authorities for investigation and possible prosecution.
- b. The Prime Vendor or Supplier may protest the OBD's determination of Section 9.3 sanctions by filing a written appeal in accordance with the Appeals Process within fourteen (14) business days of receipt of OBD's determination, stating the grounds for such appeal and including all relevant information and documentation.

X. REVIEW

The Board intends to periodically review the remedies adopted herein to ensure that it continues to have a compelling interest in not being a passive participant in the discriminatory Chicago area goods and services market and that these measures remain narrowly tailored to accomplish that interest.

XI. SEVERABILITY

In the event that any section, subsection, paragraph, clause, provision or application of this article shall be held invalid by any court, the invalidity of such section, subsection, paragraph, clause, provision or application shall not affect any of the remaining provisions hereof.

**ESTABLISH ROBERT J. RICHARDSON MIDDLE SCHOOL AND ITS ATTENDANCE BOUNDARY
AND ADJUST THE ATTENDANCE BOUNDARIES OF LOUIS PASTEUR ELEMENTARY SCHOOL
AND FERDINAND PECK ELEMENTARY SCHOOL**

THE CHIEF EXECUTIVE OFFICER RECOMMENDS:

That the Board of Education of the City of Chicago ("Board") approve the establishment and attendance boundary of a new middle school, effective January 1, 2017, to be known as Robert J. Richardson Middle School ("Richardson"), located at 6018 S. Karlov Avenue and adjust the attendance boundaries of Louis Pasteur Elementary School ("Pasteur"), located at 5825 S. Kostner Avenue and Ferdinand Peck Elementary Language Academy ("Peck"), located at 3826 W. 58th Street.

A public hearing was held on Tuesday, October 18, 2016 at 5825 S. Kostner Avenue to discuss the establishment of Richardson's attendance boundaries and the adjustment of the attendance boundaries for Pasteur and Peck.

DESCRIPTION:

Effective January 1, 2017, Richardson will open at 6018 S. Karlov Avenue as an attendance area middle school serving grades fifth through eighth.

The school name is being assigned in accordance with procedures identified in the Board's Policy on the Naming or Renaming of Schools, 03-0326-PO04. There is no sitting Local School Council ("LSC"), therefore community input was received from parents, teachers, community members, and elected officials via regularly scheduled meetings with the Southwest Education Action Committee for more than a year.

The Southwest Education Action Committee chose to honor Sgt. Robert J. Richardson, who was a long time resident of the Clearing neighborhood. After serving honorably in the U.S. Army 101st and 82nd Airborne, including tours in Korea and Vietnam he retired after 25 years. He then taught ROTC at several CPS high schools including Kelvyn Park, Schurz, and Lincoln Park High School.

Initially, Richardson will establish a transitional advisory body. An LSC will be established in a timely manner.

In order to relieve overcrowding, all students attending Pasteur and Peck in grades fifth through eighth will be reassigned to Richardson beginning January 1, 2017. There will be no exceptions because Pasteur and Peck will cease to enroll fifth through eighth grade students. On January 1, 2017, fifth through eighth grade students that live in the boundary but do not currently attend Peck or Pasteur will be entitled to enroll at Richardson.

Pursuant to the Board's Policy on the Review and Establishment of School Attendance Boundaries, 05-0622-PO1, a public hearing was convened on Tuesday, October 18, 2016, following the issuance of proper notice to receive public comment on the CEO's proposal to establish Richardson and its attendance boundary and adjust the attendance boundaries of Pasteur and Peck elementary schools. Representatives from CPS received oral and written comments at the hearing. A summary of the hearing was submitted to the CEO and the Board for consideration. After reviewing the summary, the CEO determined it necessary to recommend the establishment of Richardson and its attendance boundaries and adjust the attendance boundaries of Pasteur and Peck.

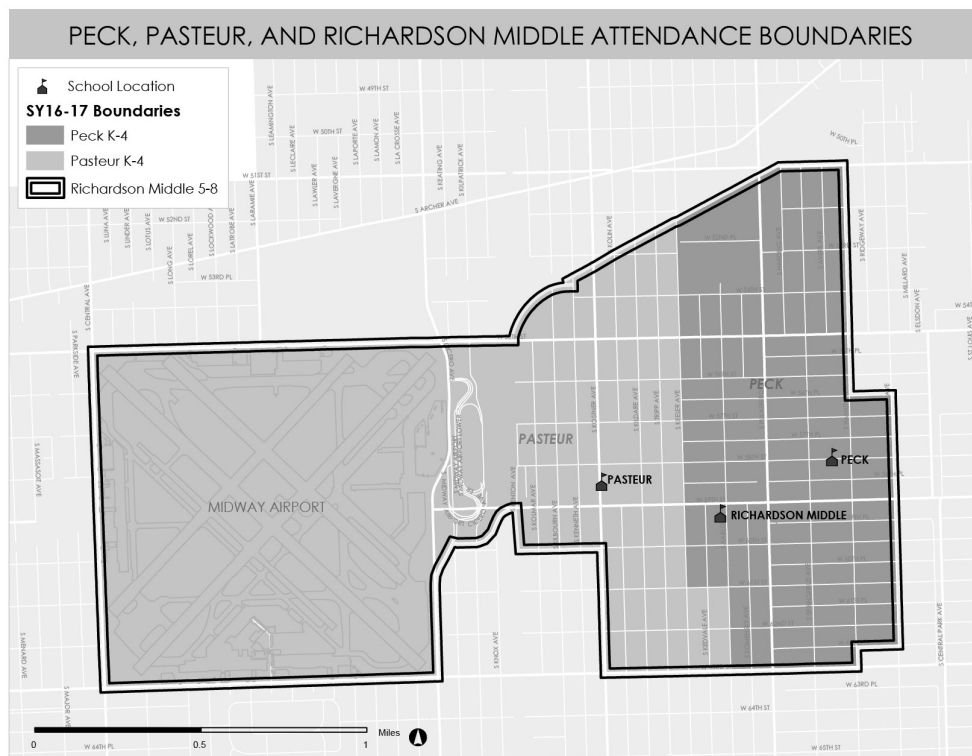

PERSONNEL IMPLICATIONS:

The employment status of all faculty and staff at the schools affected by this authorization will be determined pursuant to Board policies and any collective bargaining agreements.

FINANCIAL IMPLICATIONS:

The financial impact of this authorization will be addressed during the development of the fiscal 2018 budget. Because the School Code of Illinois prohibits the incurring of any liability unless an appropriation has been previously made, expenditures beyond FY17 are considered contingent liabilities only, subject to appropriation in subsequent fiscal year budgets.

AUTHORIZE RENEWAL OF THE GALAPAGOS CHARTER SCHOOL AGREEMENT
WITH CONDITIONS

THE INTERIM CHIEF EXECUTIVE OFFICER RECOMMENDS THE FOLLOWING:

Authorize renewal of the Galapagos Charter School Agreement (the "Charter School Agreement") with conditions for an additional three-year period. A new Charter School Agreement applicable to this renewal term will be negotiated. The authority granted herein shall automatically rescind in the event a written Charter School Agreement is not executed by the Board and the charter school's governing board within 120 days of the date of this Board Report. The agreement authorized herein will only take effect upon certification by the Illinois State Board of Education. Information pertinent to this renewal is stated below.

This December 2016 amendment is necessary to terminate the existing Charter School Agreement with Galapagos Charter School by mutual consent of the parties. Galapagos Charter School provided notice to the Office of Innovation and Incubation in June 2016 of its intent to wind down and close its school at the end of the 2015-2016 school year due to issues regarding financial sustainability and school performance. Galapagos Charter School completed the wind down and ceased operations of the school on July 30, 2016 effectively resulting in the return of its charter on July 30, 2016.

ORIGINAL AGREEMENT: The original Charter School Agreement (authorized by Board Report 05-0126-EX9) was for a term commencing July 1, 2005 and ending June 30, 2010, and authorized the operation of a charter school serving no more than 378 students in grades K through 8. The charter and Charter School Agreement were subsequently renewed for a term commencing July 1, 2010 and ending June 30, 2015 (authorized by Board Report 10-0526-EX8), serving no more than 350 students. The charter and Charter School Agreement were subsequently amended as follows:

- Board Report 14-0528-EX2: Approved revisions to the school's Charter School Accountability Plan to transition to the CPS School Quality Rating Policy.

CHARTER RENEWAL PROPOSAL: Galapagos Charter School (Galapagos) submitted a renewal proposal on November 17, 2014 to continue the operation of Galapagos. The charter school shall be located at 3814 West Iowa Street, and shall serve grades K through 8 with a maximum enrollment of 350 students.

The agreement will incorporate an accountability plan in which the charter school is evaluated by the Board each year based on numerous factors related to its academic, financial and operational performance.

On June 15 2016, Galapagos Charter School notified the Office of Innovation and Incubation that its governing board voted to wind down and cease operations at the charter school at the end of the 2015-2016 school year due to financial sustainability and school performance issues. In June 2016, Galapagos Charter School notified all families of the closure of the school at the end of the 2015-2016 school year. In August 2016, the Office of Innovation and Incubation hosted four information sessions to assist families with finding a new school for the 2016-2017 school year. Galapagos Charter School completed the wind down and ceased operations of the school on July 30, 2016 effectively resulting in the return of its charter on July 30, 2016.

The Office of Innovation and Incubation recommends terminating the Charter School Agreement with Galapagos Charter School by mutual consent of the parties.

CHARTER EVALUATION: After receiving the charter renewal proposal, the Office of Innovation and Incubation conducted a comprehensive evaluation of Galapagos' academic performance, financial viability, and legal and contract compliance. This evaluation included a review of the proposal, academic results, financial performance, governance documents, parental issues, facilities surveys, and special education documentation. A public hearing was held on May 20, 2015 for all charter schools going through renewals to receive public comments, including Galapagos. The Office of Innovation and Incubation recommends that, based on the school's performance on these and other accountability criteria, as well as the school's demonstration of intent to satisfy the "Additional Terms and Conditions" referred to herein below, Galapagos be authorized to continue operating as a charter school.

RENEWAL TERM: The term of Galapagos' charter and agreement is being extended for a three (3) year term commencing July 1, 2015 and ending June 30, 2018. As indicated in this December 2016 amended Board Report, the agreement shall be terminated by mutual consent of the parties to reflect that (a) the school ceased operations as of July 30, 2016 and (b) the charter for this school was returned to the Board.

ADDITIONAL TERMS AND CONDITIONS: Galapagos' charter and agreement shall be recommended for renewal with the following condition to be included in the agreement:

- By September 1, 2017, the school will submit evidence of completion of the facility renovation plan to resolve the facilities issues including, without limitation, the following with verification from the CPS Department of Facilities:
 - o Repairs or replacements of boilers, water lines, ventilation systems and mechanical control system; and
 - o Installation of sufficient exterior lights for security and safety precautions.

AUTHORIZATION: Authorize the General Counsel to include relevant terms and conditions, including any indemnities to be provided to the charter school, in the written Charter School Agreement and termination agreement. Authorize the President and Secretary to execute the written Charter School Agreement and termination agreement. Authorize the Executive Director of the Office of Chief Innovation and Incubation Officer to issue a letter notifying the Illinois State Board of Education of the action(s) approved hereunder and to submit the approved proposal and signed Charter School

Agreement to the Illinois State Board of Education for certification as well as any other information as may be necessary due to the closure of the charter school. Authorize the General Counsel to further negotiate and execute any amendments to the Charter School Agreement required by the Illinois State Board of Education.

LSC REVIEW: Approval of Local School Council is not applicable to this report.

FINANCIAL: The financial implications will be addressed during the development of the ~~2015-2016~~ 2016-2017 fiscal year budget. Since the School Code of Illinois prohibits the incurring of any liability unless an appropriation has been previously made, expenditures beyond FY~~45~~17 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budgets.

In the event of any payments to Galapagos Charter School for services rendered during the 2015-2016 school year, Galapagos Charter School must submit to the Board invoices and other supporting documentation necessary for the Board to verify the services provided under the Charter School Agreement. Only upon review and approval of such documentation by the Board or its designee shall such payments be released to the charter school.

GENERAL CONDITIONS:

If The Montessori Network is authorized to operate a pre-kindergarten program in the same building as the charter school, the children enrolled in the pre-kindergarten will not be included in the enrollment of the charter school and the pre-kindergarten program will not be governed by the Charter School Agreement. To the extent the Board provides funding for the pre-kindergarten program, that program will be subject to a separate agreement with and separate funding authorized by the Office of Early Childhood Education. A material breach of any contract between the Board and The Montessori Network for the operation of a pre-kindergarten program or the charter school may be treated as a breach of the other contract.

The agreement will incorporate an accountability plan in which the charter school is evaluated by the Board each year based on numerous factors related to its academic, financial and operational performance.

CHARTER EVALUATION: After receiving the charter renewal proposal, the Office of Innovation and Incubation conducted a comprehensive evaluation of Montessori School's academic performance, financial viability, and legal and contract compliance. EARLY TERMINATION RIGHT:

The Board shall have the right to terminate this agreement with 30 days written notice.

SCOPE OF SERVICES:

Student growth measures will compare students with similar characteristics to see how students grow relative to each other and to capture the impact of instruction on student outcomes. Statistical models developed for student growth will provide CPS with an unbiased estimate of instructional effectiveness based on standardized test score results. This is critical in providing fair and accurate growth ratings for use in our teacher evaluation system and SQRP.

Student growth measures will be computed at the school, grade, teacher, network, and student group levels for both the NWEA MAP and PARCC assessments. The NWEA MAP results will be used in teacher evaluation calculations, while both sets of results will be used to help CPS assess growth at schools throughout the District. Vendor will also provide consultation and professional development to CPS personnel to better understand the student growth models and how to effectively use them in an accountability system.

OUTCOMES:

Vendor's services will result in providing a necessary component of CPS's teacher evaluation system. Student growth measures are based on complex statistical formulae that CPS does not have expertise and capacity to calculate internally. Vendor will provide valuable data for use in better understanding patterns of academic growth among CPS students. Expanding investigations into a PARCC student growth measure helps CPS better evaluate how students are progressing against State-level standards. Student growth measures developed for CPS are completely customized to CPS's needs.
