The method of determining the interest rate to be borne from time to time by the Put Bonds and Variable Rate Bonds of any Series shall be specified in the applicable Put Bond Indenture and Variable Rate Indenture. Each Put Bond and Variable Rate Bond shall bear interest at such rates payable on such dates as shall be determined by a Designated Official at the time of sale of such Bonds and specified in the applicable Put Bond Indenture and Variable Rate Indenture.

The tax credit rate for any QZAB shall be determined pursuant to Section 54A(b)(3) of the Code and as published by the Bureau of the Fiscal Service pursuant to Notice 2009-15 as of the date that there is a binding, written contract for the sale or exchange of the QZABs.

(h) The Bonds of each Series may be redeemable prior to maturity at the option of the Board, in whole or in part on any date, at such times and at such redemption prices (to be expressed as a percentage of the principal amount of such Bonds being redeemed, plus accrued interest to the date of redemption), as shall be determined by a Designated Official at the time of the sale thereof. The Bonds of each Series may be made subject to sinking fund redemption, at par and accrued interest to the date fixed for redemption, as determined by a Designated Official at the time of the sale thereof; provided, that such Bonds shall mature not later than the date set forth in Section 2(c) of this Resolution.

The Chief Financial Officer is hereby authorized to execute and deliver on behalf of the Board a Purchase and Sale Agreement with respect to the sale of the Bonds of each Series, which (i) in the case of a Bond Purchase Agreement or a Direct Purchase Agreement shall be in substantially the form used in previous and similar financings of the Board and, with respect to Direct Purchase Agreements, may be in a form customary for direct lending transactions, and (ii) in the case of a Competitive Sale Agreement shall contain terms and provisions no less favorable to the Board as those contained in a Bond Purchase Agreement. Any such Purchase and Sale Agreement shall contain such final terms as shall be approved by the Chief Financial Officer, such approval to be evidenced by such Chief Financial Officer's execution thereof, and the Chief Financial Officer is also authorized to do all things necessary and essential to effectuate the provisions of such Purchase and Sale Agreement, as executed, including the execution of any documents and certificates incidental thereto or necessary to carry out the provisions thereof. The Chief Financial Officer shall make a finding in connection with the execution of each Purchase and Sale Agreement that (i) the Bonds sold thereunder have been sold at such price and bear interest at such rate that neither the true interest cost (yield) nor the net interest rate received upon the sale of such Bonds exceeds the maximum rate otherwise authorized by applicable law, and (ii) that no person holding any office of the Board, either by election or appointment, is in any manner interested, either directly or indirectly, in his or her own name, in the name of any other person, association, trust or corporation, in the Indenture, any escrow or similar agreement executed and delivered pursuant to Section 5 of this Resolution, the applicable Purchase and Sale Agreement or any agreement with a Bond Insurer, Debt Reserve Credit Facility Provider or Credit Provider authorized by paragraphs (b), (c) and (d) of this Section, or in the issuance and sale of such Bonds, in accordance with the laws of the State of Illinois and the Code of Ethics of the Board (Board Rule No. 11-0525-PO2, as amended). (b) In connection with any sale of the Bonds of each Series, each of the Designated Officials is hereby authorized to obtain a bond insurance policy from such recognized bond insurer as such Designated Official shall determine (the "**Bond Insurer**") if said Designated Official determines such bond insurance policy to be desirable in connection with the sale of such Series of Bonds. Each Designated Official is also authorized to enter into such agreements and make such covenants with any Bond Insurer that such Designated Official deems necessary and that are not inconsistent with the terms and provisions of this Resolution and to pay upfront or annual premiums or fees to the Bond Insurer in connection therewith.

(c) In lieu of, or in addition to, the deposit of proceeds of the Bonds of any Series or other funds into a debt service reserve fund as authorized in paragraph (g) of this Section, each of the Designated Officials is hereby authorized to obtain a debt reserve credit facility from such recognized provider as such Designated Official shall determine (the “**Debt Reserve Credit Facility Provider**”) if such Designated Official determines such debt reserve credit facility to be desirable in providing for the funding of any required debt service reserve fund. Each Designated Official is also authorized to enter into such agreements and make such covenants with any Debt Reserve Credit Facility Provider that such Designated Official deems necessary and that are not inconsistent with the terms and provisions of this Resolution, including the payment of reasonable fees to any Debt Reserve Credit Facility Provider.

(d) In connection with the sale of the Variable Rate Bonds of any Series and subsequent to the initial sale of the Put Bonds of any Series, to provide additional security and liquidity for such Bonds, each of the Designated Officials is hereby authorized to obtain a letter of credit, line of credit or other credit or liquidity facility, including similar agreements with or facilities issued by a Bond Insurer (a “**Credit Facility**”), if determined by such Designated Official to be desirable in connection with such Bonds. Each of the Designated Officials is hereby further authorized to appoint one or more banks, Bond Insurers or other financial institutions to issue such Credit Facility (the “**Credit Provider**”) and to execute and deliver on behalf of the Board a credit, reimbursement or similar agreement and related fee agreement (the “**Credit Agreement**”) providing for the issuance of the Credit Facility and the obligation of the Board to repay funds borrowed under the Credit Facility or advances made by the Credit Provider under the Credit Facility with respect to such Bonds. The Credit Facility may be in a form that provides for the purchase of such Bonds by the Credit Provider (any such Bond so purchased being referred to as a “**Bank Bond**”) and the Indenture as executed and delivered shall reflect the terms and provisions of such Bank Bonds. Any Bonds outstanding as Bank Bonds and any outstanding obligations of the Board to repay advances made by the Credit Provider shall be secured as provided in the applicable Indenture including, if so provided in the applicable Indenture, the applicable Pledged Revenues and Pledged Taxes to the extent provided in the Indenture. The annual fee paid to any Credit Provider for the provision of a Credit Facility shall not exceed four percent (4%) of the amount available to be drawn or advanced under such Credit Facility.

The Credit Agreement may provide that alternative interest rates or provisions will apply during such times as the Bonds constitute Bank Bonds or the Board has outstanding obligations to repay advances made by the Credit Provider (the “**Credit Provider Rate**”), which Credit Provider Rate shall not exceed the maximum rate per annum permitted by law (the “**Maximum Statutory Rate**”). The Credit Agreement may further provide that to the extent the Credit Provider Rate determined at any time pursuant to the Credit Agreement exceeds the Maximum Statutory Rate, such excess may accrue at the then-applicable Credit Provider Rate and be added to the Credit Provider Rate at such time or times thereafter as the Credit Provider Rate shall be less than the Maximum Statutory Rate; provided, that at no time shall the Credit Provider Rate per annum exceed the Maximum Statutory Rate..

(e) Subsequent to the sale of the Bonds of any Series, any or all of the Designated Officials shall file in the Office of the Secretary of the Board a notification of sale directed to the Board setting forth (i) the aggregate original principal amount of, maturity schedule, redemption provisions and interest rates for the Bonds sold and, in the case of QZABs, any requirements established in connection with any QZAB Sinking Fund that is expected to be used to repay such Bonds, (ii) a description of the outstanding obligations to be refunded or paid, (iii) a description of the obligations being converted to a fixed interest rate, (iv) a description of the specific Pledged Revenues pledged to the payment of the principal of, redemption price of, interest on the Bonds of each Series, (v) the principal amounts of the Bonds sold as Fixed Rate Bonds, Put Bonds and Variable Rate Bonds, respectively, (vi) the principal amounts of the Bonds sold as QZABs, (vii) the interest rates on the Fixed Rate Bonds sold or, in the case of Variable Rate Bonds, a description of the method of determining the interest rate applicable from time to time to such Variable Rate Bonds, or, in the case of QZABs, the interest rates, if any, on the QZABs and the applicable tax credit rates, (viii) debt service schedules for the Bonds, together with determinable investment earnings from the investment of moneys held in the funds and accounts pursuant to the Indenture, demonstrating that the Pledged Revenues and said investment earnings and moneys held in the funds and accounts pursuant to the Indenture, are expected to be in an amount sufficient to provide the debt service coverage described in **Section 2(b)** of this Resolution, (ix) the application of the proceeds of such Bonds for the purposes and within the limitations set forth in paragraph (g) of this Section, (x) if a bond insurance policy is obtained as authorized herein, the identity of the Bond Insurer issuing the bond insurance policy and the premium and any fees required to be paid thereto, (xi) if a debt reserve credit facility is obtained as authorized herein, the identity of the Debt Reserve Credit Facility Provider issuing the debt reserve credit facility, (xii) if a Credit Facility is obtained as authorized herein, the identity of the Credit Provider issuing the Credit Facility, and a copy of the Credit Agreement between the Board and such Credit Provider shall be attached to said notification of sale, (xiii) the identity of the Trustees designated pursuant to **Section 2** of this Resolution with respect to the Bonds, and (xiv) the identity of and the compensation paid to the Purchasers in connection with such sale.

In the event that the Designated Official executing such notification of sale determines that the Bonds have been sold in such principal amount or maturing or bearing interest so as to require the levy of taxes in any year less than the amount specified therefor in **Section 3(a)** of this Resolution, then such Designated Official shall include, in the notification of sale described in this Section, the amount of reduction in the amount levied in **Section 3(a)** of this Resolution for each year resulting from such sale, and in addition, any or all of the Designated Officials shall file in the respective offices of the County Clerks certificates of tax abatement for such years. In the case of Put Bonds and Variable Rate Bonds, such amounts to be abated from taxes levied may be determined by reference to any projections of debt service on such Variable Rate Bonds provided to the Board at the time of sale of such Bonds. No such reduction in the amounts levied in **Section 3(a)** of this Resolution need be made nor must any certificate

of tax abatement be filed as described in the preceding sentence until any or all of the Designated Officials have determined that any amount so levied in **Section 3(a)** of this Resolution will not be needed to secure the Bonds being sold at that time or any Series of Bonds to be sold in the future. Any certificate of abatement delivered pursuant to this paragraph shall refer to the amount of taxes levied pursuant to **Section 3(a)** of this Resolution, shall indicate the amount of reduction in the amount of taxes levied by the Board resulting from the sale of such Bonds, which reduced amount is to be abated from such taxes, and shall further indicate the remainder of such taxes which is to be extended for collection by the County Clerks.

(f) The distribution of a Preliminary Official Statement, Private Placement Memorandum or Notice of Public Sale relating to each Series of the Bonds (the "**Disclosure Document**") in substantially the respective forms delivered in connection with previous issues of Fixed Rate Bonds and Variable Rate Bonds and previous issues secured by some or all of the Pledged Revenues, but with such changes as shall be approved by a Designated Official to reflect the terms of the Bonds proposed to be sold and the method of sale of such Bonds, is hereby in all respects, ratified, authorized and approved and shall be "*deemed final*" for purposes of Rule 15c2-12, adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934 ("**Rule 15c2-12**"), and the proposed use by the Underwriters or the Competitive Purchasers of a final Official Statement (in substantially the form (i) of the Preliminary Official Statement but with appropriate variations, omissions and insertions to reflect the final terms of the Bonds being sold or (ii) authorized herein for a Preliminary Official Statement if none is used in the marketing of the Bonds being sold) is hereby approved. Each Designated Official is hereby authorized and directed to execute the final Official Statement or other Disclosure Document, as appropriate, on behalf of the Board. Notwithstanding the foregoing, no Preliminary Official Statement, Private Placement Memorandum, Official Statement or other Disclosure Document with respect to Bonds to be purchased by a Direct Lender shall be prepared, approved or distributed unless requested in writing by such Direct Lender.

In connection with the sale of a Series of the Bonds, the Designated Officials are hereby authorized to provide to prospective purchasers such information regarding the Board's operations and finances as would typically be included in a Disclosure Document and to enter into such discussions and negotiations with such prospective purchasers as such Designated Officials shall deem appropriate. In addition, the Designated Officials are hereby authorized to prepare a Notice of Sale for distribution to potential bidders in connection with a public, competitive sale of a Series of the Bonds and to take all actions necessary to conduct any such sale.

In addition, proceeds from the sale of a Series of the Bonds in the amount of not to exceed 10% of the principal amount thereof may be deposited into a debt service reserve fund to be held under the applicable Indenture upon the direction of the Chief Financial Officer if it is determined that the creation of such debt service reserve fund is necessary and required in connection with the sale of such Bonds. All of such proceeds are hereby appropriated for the purposes specified in this paragraph.

(h) The Chief Financial Officer of the Board is hereby authorized to enter into or approve such agreements with investment providers as shall be necessary or advisable in connection with the investment of any funds on deposit under the Indenture, to the extent such investments are authorized under the terms of the Indenture, the Investment Policy of the Board and applicable law, as in effect from time to time.

(i) For the purpose of providing for the Refunding, each of the Designated Officials is hereby authorized to execute and deliver one or more refunding escrow agreements (each, a “**Refunding Escrow Agreement**”) on behalf of the Board, attested by the Secretary of the Board, such Refunding Escrow Agreement to be in substantially the form executed and delivered in connection with previous refundings of obligations issued by or on behalf of the Board, but with such changes therein as shall be approved by the Designated Official executing the same, with such execution to constitute conclusive evidence of such official’s approval and this Board’s approval of any changes or revisions therein from such form of Refunding Escrow Agreement. Each of the Designated Officials is hereby authorized to designate a bank or trust company to act as Refunding Escrow Agent under the Refunding Escrow Agreement. Each Refunding Escrow Agreement may include, to the extent permitted by law, agreements entered into between the Board and providers of securities under which agreements providers agree to purchase from or sell to the Board specified securities on specific dates at predetermined prices, all as established at the time of execution of any such agreement

extended for collection directly with such escrow agent designated pursuant to Section 5 of this Resolution in order to secure the payment of the principal of and interest on the Bonds, and (ii) to the extent necessary, advising the County Collectors of the abatement of the Pledged Taxes. The Designated Officials are authorized to file a certified copy of this Resolution with each of the County Collectors.

Each Continuing Disclosure Undertaking shall be in substantially the form used in previous financings of the Board, but with such changes therein as shall be approved by the Designated Official executing the same, with such execution to constitute conclusive evidence of such official’s approval and this Board’s approval of any changes or revisions therein from such form of Continuing Disclosure Undertaking. No Continuing Disclosure Undertaking shall be required with respect to the QZABs to be purchased by a Direct Lender.

The original agreements were awarded on a competitive basis pursuant to Board Rule 7-2.

OPTION PERIOD:

The term of these agreements are being renewed for a period commencing August 1, 2015 and ending July 31, 2016.

OPTION PERIODS REMAINING:

There are no option periods remaining.

SCOPE OF SERVICES:

Vendors will continue to provide to the Board high-quality Out-of-School Time (OST) Program Services and Recess Facilitation Services referred to herein as "Programs". OST programming engages diverse students in academic acceleration/intervention; arts and cultural enrichment; and health and wellness programs that extend learning beyond the school day. OST may include time before and after school, on weekends, or during summer and intersession; Programs may serve students from grades K-12. Vendors that are awarded in the Recess Facilitation Category shall provide recess facilitation services that promote students' social, emotional, and physical development. According to the Board's "Principal's Guide to Incorporating Recess into the Full School Day", recess is defined as "an activity during the school day that provides students (K-8) the opportunity to take a break from their class work, engage with their peers and participate in unstructured activities". The duration and scheduling of Programs may vary from several weeks to a full school year, depending on the needs of the school.

Vendors will continue to provide OST programming with a multi-faceted approach: students will receive a positive, well managed experience as evidenced by effective classroom management practices; caring, consistent and positive relationships with adults; intentional focus on youth voice and choice; dedicated organizational focus on high-quality program implementation; and the creation of instructional environments and activities that build students' skills across academic, enrichment, and life skill domains. All Programs shall develop and reinforce social-emotional, academic, and employability skills across academic/enrichment domains for students in grades K-12.

Vendors will continue to provide the services in the categories awarded which are described below; the category awarded to each vendor is indicated on the attached list.

Category 1 - Academic Acceleration and Intervention: Refers to programming/curriculum that provides opportunities for students to engage deeply in academic content in non-traditional learning environments (e.g., project-based learning; service learning clubs; Science, Technology, Engineering and Mathematics (STEM) clubs). Additional types of services provided under the umbrella of academic acceleration include, but are not limited to, environmental clubs, chess, civic engagement activities, Jr. Honor Society, college and career preparation, newspaper/writing clubs, etc. Programming must address the needs of diverse learners at varying levels of academic achievement and be aligned with common core standards or other related state standards. Note: This category excludes homework clubs, individual tutoring, and other unstructured academic supports (e.g., study hall).

Category 2 - Arts and Cultural Enrichment: Refers to direct instruction and supports to students across a broad range of subjects, (e.g. fine and performing arts, language instruction). Direct instruction of students includes a broad array of experiences (e.g., communications and technology, dance, digital photography, spoken word clubs, regional/traditional art forms, theater performance, visual arts, and world language book clubs). These experiences should be of long enough duration for students to develop knowledge, understanding and skills related to the topic of focus.

Category 3 - OST Health and Wellness: Refers to direct instruction and supports to students in the domains for health and wellness (e.g., physical fitness classes, structured physical activities, club sports, health and nutrition classes and culinary skills). Nutrition programming must include research-based materials that, at a minimum, meet or exceed USDA dietary guidelines and, if raw or cooked foods are served to students, Services shall be delivered by individuals with a certified Chicago or Illinois State Food Handling Permit. All programming should align with CPS district policies including Food Allergy, Family Life and Comprehensive Sexual Health Education and School Wellness Policies. Providers of physical activities must be CPR/AED certified and programming should align with National Association of Sport and Physical Education (NASPE) standards to the greatest extent possible.

Category 4 - Recess Facilitation: Refers to the facilitation of structured or unstructured physical activities for students (K-8). Direct service providers shall be CPR/AED certified and programming should align with National Association of Sport and Physical Education (NASPE) standards to the greatest extent possible.

Professional Development: Refers to the provision of professional development to networks and schools to support the implementation of effective OST and/or recess programs that are linked to specific evidence-based curriculum/models.

Vendors shall continue to work closely with each of the schools where Services are being provided. Specifically, Vendors shall:

- i. Develop individualized implementation plans with schools, including, but not limited to developing mutually agreed upon activity schedules, student recruitment strategies and activity outcomes aligned to school goals;
- ii. Ensure compliance with Board policies and practices regarding student discipline and management procedures (Board policies may be found at <http://policy.cps.k12.il.us/>);
- iii. Address any staffing concerns raised by schools within two business days; and
- iv. Work closely with the Board's program liaisons, network designees, and Principals to ensure a safe and healthy environment.

DELIVERABLES:

Vendors will continue to provide the following deliverables for Academic Acceleration and Intervention; Arts and Cultural Enrichment; and Health and Wellness:

- i. Provide direct instruction to students during out-of-school time that provides in-depth exposure to specific content area;
- ii. Document all services delivered in the Board's OST data management system and meet all compliance requirements as articulated in the contract;
- iii. Integrate a culminating project or event into programming to provide students with the opportunity to demonstrate their learning to school staff, families, and their peers;
- iv. Communicate regularly with families to provide feedback on student progress and to engage families in the content being taught through the programming;
- v. Maintain an average attendance rate of 80% in OST programming with a minimum of 10 students; and
- vi. Ensure consistency of staff throughout the duration of the program;

Participate in professional development and training as directed by the Board.

- 4) Increased readiness for success in high school and college
- 5) Increased awareness of career options in focus content areas

COMPENSATION:
