AMEND BOARD REPORT 15-0527-EX26
AMEND BOARD REPORT 14-0528-EX15
AMEND BOARD REPORT 13-0522-EX2
**APPROVE ENTERING INTO AN ALTERNATIVE SAFE SCHOOL PROGRAM AGREEMENT
 WITH CAMELOT ALT ED-ILLINOIS, LLC**

THE INTERIM CHIEF EXECUTIVE OFFICER RECOMMENDS THE FOLLOWING DECISION:

Approve entering into an Alternative Safe School Program Agreement with Camelot Alt Ed-Illinois, LLC to provide educational services to students eligible for expulsion under the CPS Student Code of Conduct. This provider was selected on a competitive basis through the 2013 Request for Alternative Options issued by the Board on January 29, 2013. A written agreement for the program's services is currently being negotiated. No services shall be provided by the provider and no payment shall be made to the provider prior to the execution of provider's written agreement. The authority granted herein shall automatically rescind in the event a written agreement is not executed by the Board and the provider within 90 days of the date of this Board Report. Information pertinent to this agreement is stated below.

This May 2014 amendment is necessary to (a) include an additional site to the program which will open in the fall of 2014, (b) increase the maximum enrollment in the program from 200 to 400 students at any one time during the term of the agreement, and (c) authorize the disbursement of one-time incubation and startup funds to Camelot Alt Ed-Illinois, LLC for the additional site opening in the fall of 2014. The authority granted herein shall automatically rescind in the event a written amendment to the agreement is not executed by the Board and the provider within 90 days of the date of this amended Board Report.

This May 2015 amendment is necessary to (a) delay the start date for the additional site for the program from the fall of 2014 to the fall of 2015 and (b) delay the corresponding authorization of the disbursement of one-time incubation and startup funds for the additional site to the fall of 2015 contingent upon (i) a site being identified by the provider and approved by the CPS Facilities Department and (ii) review and approval by Board of invoices submitted by Provider for startup funding. The authority granted herein shall automatically rescind in the event a written amendment to the agreement is not executed by the Board and the provider within 120 days of the date of this amended Board Report.

This July 2017 amendment is necessary (a) to close one of the two program sites no later than August 30, 2017 and (b) beginning in the fall of 2017 to (i) decrease the maximum enrollment of the program from 400 students to 200 students at any one time, (ii) reduce the number of guaranteed seats, and (iii) relocate the remaining program site to another location. The authority granted herein shall automatically rescind in the event a written amendment to the agreement is not executed by the Board and the provider within 90 days of the date of this amended Board Report.

TERM: The term of the Alternative Safe School Program Agreement shall commence July 1, 2013 and end on June 30, 2018.

SCOPE OF SERVICES: The Alternative Safe School Program will provide an educational program for students who are eligible for expulsion under the Chicago Public Schools Student Code of Conduct. Students will receive a full academic program where credits can be earned toward high school graduation, complete requirements for elementary school graduation and/or advancement in grade level. Additionally, students will receive behavior supports and interventions. Students will improve school attendance, reduce disruptive behavior, attain and/or maintain employment, and give back to the community through service learning and restorative justice. Camelot Alt Ed-Illinois, LLC may be asked to provide bus monitors for the students in order to support positive behavior and safety on the buses while the students are in transport. Camelot Alt Ed-Illinois, LLC will be approved to serve up to 200 students at any one time during School Years 2014 and 2018 and to serve up to 400 students at any one time during School Years 2015 - 2017.

AUTHORIZATION: Authorize the General Counsel to include other relevant terms and conditions in the written agreement and amendment. Authorize the President and Secretary to execute the written agreement and amendment. Authorize the Chief Innovation and Incubation Officer to execute all ancillary documents required to administer or effectuate the agreement. Authorize the Chief Innovation and Incubation Officer to execute any documents related to the disbursement of the one-time incubation and startup funds for the additional site opening in the fall of 2015.

AFFIRMATIVE ACTION: Not applicable.

LSC REVIEW: Local School Council approval is not applicable to this report.

INCUBATION: Upon the final approval of this amended Board Report and the submission of an Incubation Budget Plan by the Camelot Alt Ed-Illinois, LLC, the Board will disburse an amount not to exceed \$152,000 in incubation funding for the additional site opening in the fall of 2015. The use of the funding will be outlined by the Office of Innovation and Incubation.

STARTUP FUNDING: Upon the execution of the amendment to the agreement with Camelot Alt Ed-Illinois, LLC and submission of supporting invoices for review and approval of the Board, the Board will disburse an amount not to exceed \$556,250 in startup funding for the additional site opening in the fall of 2015. The use of the funding will be outlined by the Office of Innovation and Incubation.

FINANCIAL: Funding for the program services will be consistent with per pupil funding models used by the Board for charter and contract schools. However, from the fall of 2015 through the summer of 2017, there will be a floor of 150 seats per site for a total floor of 300 seats that will be funded regardless of enrollment. Beginning in the fall of 2017, there will be a floor of 100 seats that will be funded regardless of enrollment. If requested to provide bus monitors, Provider shall be paid an amount not to exceed \$50,000 on an annual basis for those monitors. The details of the financial implications will be addressed during the development of the ~~2015-2016~~2016 fiscal year budget. Since the School Code of Illinois prohibits the incurring of any liability unless appropriation has been previously made, expenditures beyond FY15 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budget.

The Alternative Safe School Program will be jointly funded by CPS from General Funds and the Regional Safe Schools Program (RSSP) Grant from the Illinois State Board of Education if this RSSP Grant is available. Funding from the RSSP Grant will be applied to cover agreed upon per pupil funding and the approved number of reserved seats for the Alternative Safe School Program with the difference being covered by General Funds.

Opening a new site will increase the 2015-2016 fiscal operating budget by an estimated \$1.4 million per year, and Chicago Public Schools will not receive additional revenue from the RSSP Grant to offset any portion of this amount. This site will be closed no later than August 30, 2017.

TRANSPORTATION: CPS provides transportation services during the regular school day to elementary school students attending the Alternative Safe School Program, subject to the availability of funding. These services include busing and supplemental aides to support positive behavior and safety on the bus. Nothing in this provision will act to limit the entitlement of any student who receives transportation services as a result of IEP accommodations, homelessness or any other program that mandates the provision of transportation services.

GENERAL CONDITIONS:

Inspector General - Each party to the agreement shall acknowledge that, in accordance with 105 ILCS 5/34-13.1, the Inspector General of the Chicago Board of Education has the authority to conduct certain investigations and that the Inspector General shall have access to all information and personnel necessary to conduct those investigations.

Conflicts - The agreement shall not be legally binding on the Board if entered into in violation of the provisions of 105 ILCS 5/34-21.3 which restricts the employment of or the letting of contracts to, former Board members during the one- year period following expiration or other termination of their terms of office.

Indebtedness - The Board's Indebtedness Policy adopted June 26, 1996 (96-0626-P03), as amended from time to time, shall be incorporated into and made a part of the agreement.

Ethics - The Board's Ethics Code adopted May 25, 2011 (11-0525-PO2), as amended from time to time, shall be incorporated into and made a part of the agreement.

Contingent Liability - The agreement shall contain the clause that any expenditure beyond the current fiscal year is deemed a contingent liability, subject to appropriation in the subsequent fiscal year budget(s).

AUTHORIZE HIGH SCHOOL APPLICATION REDESIGN PARTICIPATION BY VARIOUS CHARTER AND CONTRACT SCHOOLS AND CORRESPONDING MEMORANDUM OF UNDERSTANDING WITH VARIOUS CHARTER SCHOOLS

THE CHIEF EXECUTIVE OFFICER RECOMMENDS THE FOLLOWING DECISION:

Authorize (i) participation of various charter and contract high schools listed in Exhibit A in the High School Application Redesign to allow the district to develop 9th grade offer numbers at their schools based on procedures that are comparable to non-selective enrollment high schools in the district; and (b) corresponding Memorandum of Understanding ("MOU") with the charter high schools to delegate authority to the Board to conduct the High School Application Redesign on behalf of the charter schools listed in Exhibit A and to allow for extending offers as set forth above. Additional charter schools may elect to participate and execute the MOU without further Board approval. This Board Report authorizes the amendment of the existing agreements for the charter schools and contract schools listed in Exhibit A, however written amendments are not required. Information pertinent to these agreements is stated below.

PARTICIPATING CHARTER AND CONTRACT SCHOOLS: See attached Exhibit A.

BACKGROUND INFORMATION:

The Board of Education of the City of Chicago ("Board") desires to develop a common online, mobile-friendly application platform for all public high schools and CPS programs throughout Chicago including charter schools and contract schools ("High School Application Redesign" or "HS Application Redesign"). The key benefits to having a single, common high school application would be to (a) simplify the process for families and increase equality of access; (b) provide more transparent admissions decisions and offers; (c) know students' school decisions earlier which enables having the right resources in the right schools on day one; and (d) provide additional data on students' preferences to inform strategy and planning for the district. The application and transfer processes for the HS Application Redesign shall be centralized at the CPS Office of Access and Enrollment for all district operated schools, contract schools, and charter schools that opt-in to the HS Application Redesign.

The Board desires to enter into a MOU for the HS Application Redesign with the charter high schools that have opted into the CPS launch phase and application period of the HS Application Redesign for 9th grade students entering high schools in the Fall of 2018 by amending their existing school agreements to delegate authority to the Board to conduct the application process and the lottery, if necessary, on behalf of the charter schools.

To achieve the objectives of (i) giving applicants their highest possible choice in light of applicant movement between the time when offers are extended and the start of the new school year and (ii) ensuring accurate school financial management in light of annual student attrition, the district shall be allowed to develop 9th grade offer numbers at contract and charter high schools listed in Exhibit A based on procedures that are comparable to non-selective enrollment high schools in the district.

When there are more 9th grade students accepted through the HS Application Redesign and enrolled in the high schools listed in Exhibit A by the 20th day of the CPS semester up to a maximum of 10% above and beyond the maximum student enrollment number in such schools' agreements ("Additional 9th Grade Students"), the Board desires to make payments to those schools for such Additional 9th Grade Students.

MEMORANDUM OF UNDERSTANDING WITH CHARTER SCHOOLS: Under the MOU, the district shall be allowed to develop 9th grade offer numbers at the charter schools listed in Exhibit A based on procedures that are comparable to non-selective enrollment high schools in the district. This authorization is contingent on charter high schools each opting into the High School Application Redesign.

Charter high schools that have signed on to High School Application Redesign are agreeing to comply with the updated CPS enrollment and transfer processes as documented in the Board's Policy on Enrollment and Transfer of Students in the Chicago Public Schools adopted April 26, 2017 (17-0426-PO1), as may be amended, and the Board's Admissions Policy for Magnet, Selective Enrollment and other Options for Knowledge Schools and Programs adopted April 26, 2017 (17-0426-PO1), as may be amended.

TERM OF MOU: The MOU shall commence on July 27, 2017 and shall end on December 31, 2018.

EXISTING CHARTER AND CONTRACT SCHOOLS' AGREEMENTS: This Board Report authorizes the amendment of the existing agreements for the charter schools and contract schools listed in Exhibit A as set forth below, effective as of July 27, 2017; however, written amendments are not required:

a. Amend Section 4.d. or 5.d., in particular the Enrollment and Application Process/Lottery subsections, of their existing Charter School Agreements to delegate authority to the Board to conduct the high school application process and the high school lottery, if necessary, on behalf of the charter schools and to allow the district to develop 9th grade offer numbers at the charter high schools listed in Exhibit A based on procedures that are comparable to non-selective enrollment high schools in the district.

b. Amend Section 4.d, Enrollment, and Exhibit A-II.B., Student Population, of their existing Contract School Agreements to allow the district to develop 9th grade offer numbers at the contract high schools listed in Exhibit A based on procedures that are comparable to non-selective enrollment high schools in the district.

COMPENSATION: Payments are authorized (per-pupil funding and all other necessary local, state and federal government funding) for Additional 9th Grade Students under those schools' existing Charter School Agreements and Contract School Agreements in the event there are more 9th grade students accepted through the HS Application Redesign and enrolled in the schools listed in Exhibit A by the 20th day of the CPS semester up to a maximum of 10% above and beyond the maximum student enrollment number in such schools' agreement ("Additional 9th Grade Students"). In the event the Board provides district-run high schools with additional funds to offset 9th grade enrollment declines attributable solely to the availability and performance of the HS Application Redesign, the Board shall provide additional funds in the same manner to charter and contract high schools listed in Exhibit A that experience 9th grade enrollment declines that can be attributed solely to the availability and performance of the HS Application Redesign.

AUTHORIZATION: The Board's President and Secretary are authorized to execute the written Memorandum of Understanding for the High School Application Redesign with the charter high schools listed in Exhibit A. Additional charter schools may participate in the HS Application Redesign and execute the Memorandum of Understanding without amendment of this Resolution. The Board's General Counsel is authorized to include other relevant terms and conditions in the Memorandum of Understanding, including any indemnities to be provided to the charter high schools. The Board's President and Secretary are authorized to sign any amendments to the charter and contract school agreements in connection with the HS Application Redesign, subject to approval as to legal form by the Board's General Counsel. The Executive Director of the Office of Innovation and Incubation is authorized to sign any ancillary documents required to administer or effectuate the HS Application Redesign, including those required by the Illinois State Board of Education.

LSC REVIEW: Approval of Local School Councils is not applicable to this report.

FINANCIAL: The financial implications will be addressed during the development of the 2018-2019 fiscal year budget. Since the School Code of Illinois prohibits the incurring of any liability unless an appropriation has been previously made, expenditures beyond FY19 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budgets.
