A public hearing was held on November 21, 2016 for all contract and charter schools going through renewals to receive public comments, including Chicago International Charter School. The Office of Innovation and Incubation recommends that, based on the school's performance on these and other accountability criteria, as well as the school's demonstration of intent to satisfy the "Additional Terms and Conditions" referred to herein below, Chicago International Charter School be authorized to continue operating as a charter school.

Authorize the General Counsel to further negotiate and execute any amendments to the Charter School Agreement as required by the Illinois State Board of Education.

**LSC REVIEW:** Approval of Local School Council is not applicable to this report.
