ARTICLE IV

Covenants

The Board and the Escrow Agent covenant and agree as follows:

The Escrow Agent shall have no responsibility or liability whatsoever for (a) any of the recitals herein (except those relating to its own organization); (b) the performance of or compliance with any covenant, condition, term or provision of the Notes, the Note Resolution, the 2014A Indenture or the 2014B Indenture; and (c) any undertaking or statement of the Board hereunder or under the Notes, the Note Resolution, the 2014A Indenture or the 2014B Indenture. The Escrow Agent is not a trustee for the Noteholders and has no obligation in its capacity as Escrow Agent to enforce the rights of the holders of the Notes under this Agreement.

The Escrow Agent has all the powers and duties herein set forth with no liability in connection with any act or omission to act hereunder, except for its own gross negligence or

willful misconduct, and shall be under no obligation to institute any suit or action or other proceeding under this Agreement or to enter any appearance in any suit, action or proceeding in which it may be a defendant or to take any steps in the enforcement of its, or any, rights and powers hereunder, nor shall it be deemed to have failed to take any such action, unless and until it shall have been indemnified by the Board to its satisfaction against any and all costs and expenses, outlays, counsel fees and other disbursements, including its own reasonable fees (provided notice is given to the Board of such costs and outlays within a reasonable time after they are incurred), and if any judgment, decree or recovery be obtained by the Escrow Agent, payment of all sums due it, as aforesaid, shall be a first charge against the amount of any such judgment, decree or recovery.

The Escrow Agent, in its separate capacity as a banking institution, may in good faith buy, sell or hold and deal in any of the Notes and may also, at the direction of the Chief Financial Officer of the Board or the Treasurer of the Board as provided in Section 3.03 hereof, invest for the Escrow Account in certificates of deposit issued by itself if such qualify as Permitted Investments and in other Permitted Investments purchased from itself.

All payments to be made by, and all acts, and things required to be done by, the Escrow Agent under the terms and provisions of this Agreement, shall be made and done by the Escrow Agent without any further direction or authority of the Board except as expressly provided herein.

The Escrow Agent shall not be personally liable for any act taken or omitted hereunder if taken or omitted by it in good faith and in the exercise of its own best judgment. The Escrow Agent shall also be fully protected in relying upon any written notice, demand, certificate or document which it in good faith believes to be genuine.

The Escrow Agent shall not be responsible for the sufficiency or accuracy of the form, execution, validity or genuineness of any securities now or hereafter deposited hereunder, or of any endorsement thereon, or for any lack of endorsement thereon, or for any description therein, nor shall it be responsible or liable in any respect on account of the identity, authority or rights of the persons executing or delivering or purporting to execute or deliver any such document, security or endorsement or this Escrow Agreement. The Escrow Agent shall not be liable for any depreciation or change in the value of such investments.

If the Escrow Agent reasonably believes it to be necessary to consult with counsel concerning any of its duties in connection with this Agreement, or in case it becomes involved in litigation on account of being Escrow Agent hereunder or on account of having received property subject hereto, then in either case, its costs, expenses, and reasonable attorneys' fees shall be paid by the Board, and upon timely notice thereof having been given.

This Agreement shall be construed, enforced, and administered in accordance with the laws of the State, and shall inure to, and be binding upon, the respective successors and assigns of the parties hereto.

ARTICLE V

The Board may select as successor Escrow Agent any financial institution located within the State which is authorized to maintain trust accounts under Federal or State law.

If at any time the Escrow Agent is no longer legally authorized or qualified (by reason of any Federal or State law or any other law or regulation) to act as escrow agent hereunder, then the Board may remove the Escrow Agent and may select as successor Escrow Agent any financial institution which is authorized to maintain trust accounts under Federal or State law.

ARTICLE VI

Alteration and Termination of Agreement

The Board and the Escrow Agent may change and alter the terms of this Agreement for the following purposes:

(A) to correct errors, resolve ambiguities or insert inadvertently omitted material; or

(B) to alter the procedures of Article II of this Agreement and definitions pertaining thereto necessitated by changes in State law and procedures thereunder with respect to the collection and distribution of taxes;

provided, however, that such changes and alterations shall not materially affect the protections provided by this Agreement to the holders of the Notes.

This Agreement shall be binding on any successor to the Board during the term of this Agreement.

Upon the retirement or defeasance of all of the Notes and the filing with the Escrow Agent of a certificate of the Board signed by its Chief Financial Officer that no Notes will be issued or outstanding from and after the date specified in such certificate, the Escrow Agent, as of the date so specified in such certificate, will transfer any balance remaining in the Escrow Account to the Board, and thereupon this Agreement shall terminate.

CREDIT AGREEMENT

This Credit Agreement is entered into as of [____], 2014, by and between the BOARD OF EDUCATION OF THE CITY OF CHICAGO, a school district duly organized and existing under the laws of the State of Illinois (the "Board") and BMO HARRIS BANK N.A., a national banking association (the "Bank"). All capitalized terms used herein without definition shall have the same meanings herein as such terms are defined in Section 5.1 hereof.

PRELIMINARY STATEMENT

The Board has requested, and the Bank has agreed to extend, certain credit facilities on the terms and conditions of this Agreement.

NOW, THEREFORE, in consideration of the mutual agreements contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

SECTION 1. THE CREDIT.

Section 1.1. Revolving Credit. Subject to the terms and conditions hereof, the Bank agrees to extend a revolving credit (the "Revolving Credit") to the Board which may be availed of by the Board from time to time during the period from and including the date hereof to but not including the Termination Date, at which time the commitment of the Bank to extend credit under the Revolving Credit shall expire. The Revolving Credit may be utilized by the Board prior to the Revolving Credit Termination Date in the form of loans (individually a "Loan" and collectively the "Loans"), provided that the aggregate principal amount of Loans outstanding at any one time shall not exceed \$120,000,000 (the "Commitment", as such amount may be reduced pursuant to the terms hereof). The Board may elect that each Loan be either a Base Rate Loan or LIBOR Rate Loan. Each Loan shall be in a minimum amount of \$[_____]. The Loans shall be made against and evidenced by a single promissory note of the Board in the form (with appropriate insertions) attached to the Indenture as Exhibit A (the "Note"). The Note shall be dated the date of issuance thereof and be expressed to bear interest as set forth in Section 2 hereof. The Note, and all Loans evidenced thereby, shall mature and become due and payable in full on the Termination Date. Without regard to the principal amount of the Note stated on its face, the actual principal amount at any time outstanding and owing by the Board on account of the Note shall be the sum of all Loans made hereunder less all payments of principal actually received by the Bank. During the period from and including the date hereof to but not including the Termination Date, the Board may use the Commitment by borrowing, repaying, and reborrowing Loans in whole or in part, all in accordance with the terms and conditions of this Agreement.

Section 1.2. Manner and Disbursement of Loans. The Board shall give written or telephonic notice to the Bank (which notice shall be irrevocable once given and, if given by telephone, shall be promptly confirmed in writing) by no later than 11:00 a.m. (Chicago time) on the date the Board requests the Bank to make a Loan hereunder. Each such notice shall specify

the date of the Loan requested (which must be a Business Day), the amount of such Loan, and whether such Loan is to be a Tax-Exempt Base Rate Loan, a Taxable Base Rate Loan, a Tax-Exempt LIBOR Rate Loan or a Taxable LIBOR Rate Loan. Thereafter, subject to the terms and conditions hereof, the Board may from time to time elect to change the type of interest rate borne by each Loan, or a portion thereof, on any Business Day. The Board agrees that the Bank may rely upon any written or telephonic notice given by any person the Bank in good faith believes is an Authorized Representative of the Board without the necessity of independent investigation and, in the event any telephonic notice conflicts with the written confirmation, such telephonic notice shall govern if the Bank has acted in reliance thereon. Subject to the provisions of Section 9 hereof, the proceeds of each Loan shall be made available to the Board at the principal office of the Bank in Chicago, Illinois, in immediately available funds, in accordance with the terms of the written disbursement instructions of the Board.

Section 1.3. Maximum Principal Amount. The Board agrees that the maximum principal amount at any one time outstanding hereunder and under any other note, instrument or agreement secured by the Pledged Taxes shall not exceed seventy five percent (75%) of the uncollected amount of the Pledged Taxes not otherwise dedicated to the payment of the Board's outstanding indebtedness or pension obligations (the "*Maximum Principal Amount*").

Section 1.4. Pro Rata Basis. The Board shall request Loans hereunder on a pro rata basis with loans requested pursuant to other Bank Agreements. Repayment of the Loans shall be made on a pro rata basis with respect to this Agreement and the other Bank Agreements.

SECTION 2. INTEREST.

Section 2.1. Base Rate Loans. The outstanding principal balance of each Tax-Exempt Base Rate Loan shall bear interest (which the Board hereby promises to pay) at the rate per annum equal to the product of .74% times the Base Rate as in effect from time to time, plus the Applicable Margin for Tax-Exempt Base Rate Loans as in effect from time to time from the date such Loan is advanced or created by conversion from a LIBOR Rate Loan, until maturity (whether by acceleration or otherwise). Any change in the interest rate on the Base Rate Loans resulting from a change in the Base Rate shall be effective on the date of the relevant change in the Base Rate. Notwithstanding the foregoing, if the Board is unable to deliver the opinion described in Section 9.1(e) hereof with respect to any Base Rate Loan requested hereunder, such Loan (a "Taxable Base Rate Loan") shall bear interest at the Base Rate plus the Applicable Margin for Taxable Base Rate Loans. The interest rate payable hereunder shall be subject, however, to the limitation that such interest rate shall never be paid in excess of the Statutory Maximum Rate.

Section 2.2. LIBOR Rate Loans. The outstanding principal balance of each Tax-Exempt LIBOR Rate Loan shall bear interest (which the Board hereby promises to pay) at the rate per annum equal to the product of .74% times the LIBOR Rate as in effect from time to time, plus the Applicable Margin for Tax-Exempt LIBOR Loans. The LIBOR Rate shall be reset each Business Day (herein, a "*Change Date*") and remain in effect until the next Change Date. For purposes hereof, the term "*LIBOR Rate*" means the one-month London Interbank Offered Rate (LIBOR) as reported on Bloomberg Financial Market's terminal screen entitled "*Official ICE*".

LIBOR Fixings” as reported on the relevant Change Date (or, if such Change Date is not a Business Day, on the immediately prior Business Day), unless such rate is no longer available or published, in which case such rate shall be at a comparable index rate selected by the Bank with notice to the Board. The Bank shall determine the interest rate applicable to the Loans based on the foregoing, and its determination thereof shall be conclusive and binding except in the case of manifest error. The interest rate payable hereunder shall be subject, however, to the limitation that such interest rate shall never be paid at a rate in excess of the Statutory Maximum Rate. Upon the occurrence of an Event of Default, all Loans shall be converted to Base Rate Loans and no LIBOR Rate Loans shall be advanced thereafter. Notwithstanding the foregoing, if the Board is unable to deliver an opinion described in Section 9.1(e) hereof with respect to any LIBOR Rate Loan, such Loan (a “*Taxable LIBOR Rate Loan*”) shall bear interest at the LIBOR Rate plus the Applicable Margin for Taxable LIBOR Rate Loans.

Section 2.3. Manner of Rate Selection. The Board shall notify the Bank by 11:00 a.m. (Chicago time) at least 1 Business Day prior to the date upon which the Borrower requests that any LIBOR Rate Loan be converted into a Base Rate Loan or a Base Rate Loan be converted to a LIBOR Rate Loan. All requests for the conversion of Loans under this Agreement shall be irrevocable. Such requests may be written or oral and the Bank is hereby authorized to honor telephonic requests for conversions received by it from any person the Bank in good faith believes to be an Authorized Representative of the Board without the necessity of independent investigation, the Board hereby indemnifying the Bank from any liability or loss ensuing from so acting.

Section 2.4. Interest Payment. Interest on the Loans shall be payable in arrears on each Interest Payment Date and all outstanding interest shall be paid in full on the Termination Date. Interest after maturity shall be due and payable upon demand. Interest on the LIBOR Rate Loans shall be computed on the basis of a year of 360 days for the actual number of days elapsed.

Section 2.5. Inability to Ascertain or Inadequacy of LIBOR Rate. If the Bank determines that deposits in U.S. Dollars (in the applicable amounts) are not being offered to it in the interbank eurodollar market, or that by reason of circumstances affecting the interbank eurodollar market adequate and reasonable means do not exist for ascertaining the applicable LIBOR Rate, or (i) the LIBOR Rate will not adequately and fairly reflect the cost to such Bank of funding LIBOR Rate Loans or (ii) that the making or funding of LIBOR Rate Loans becomes impracticable, then the Bank shall forthwith give notice thereof to the Board, whereupon until the Bank notifies the Board, that the circumstances giving rise to such suspension no longer exist, the obligations of the Bank to make LIBOR Rate Loans shall be suspended and all outstanding LIBOR Rate Loans shall be converted to Base Rate Loans.

Section 2.6. Maximum Rate. (i) If the amount of interest payable on the Note or with respect to any other Obligation for any period in accordance with the terms hereof exceeds the amount of interest that would be payable for such period had interest for such period been calculated at the Statutory Maximum Rate, then interest for such period shall be payable in an amount calculated at the Statutory Maximum Rate.

(ii) Any interest that would have been due and payable for any period but for the operation of the immediately preceding subclause (i) shall accrue and be payable as provided in this subclause (ii) and shall, less interest actually paid to the Bank for such period, constitute the "Excess Amount." If there is any accrued and unpaid Excess Amount as of any date, then, to the extent permitted by law, the Board will pay to the Bank, at the time interest is paid, an additional amount equal to the difference between interest on the Note computed at the Maximum Rate and the amount of interest actually due for such period, until payment to the Bank of the Excess Amount.

Section 2.7. Default Rate. Subject to Section 2.6 hereof, during the existence of an Event of Default, all Loans shall bear interest at the Default Rate.

Section 2.8. Determination of Taxability. (a) From and after the Taxable Date, the Loans shall bear interest at the Taxable Rate.

(b) (i) In the event a Determination of Taxability occurs, the Board hereby agrees to pay to the Bank (and if applicable, each participant) on demand therefor (1) an amount equal to the difference between (A) the amount of interest that would have been paid to the Bank (and if applicable, each participant) on the Loans during the period for which interest on the Loans is included in the gross income of the Bank (and if applicable, each participant) if the Loans had borne interest at the Taxable Rate, beginning on the Taxable Date (the "Taxable Period"), and (B) the amount of interest actually paid to the Bank (and if applicable, each participant) during the Taxable Period, and (2) an amount equal to any interest, penalties or charges owed by the Bank (and if applicable, each participant) as a result of interest on the Loans becoming included in the gross income of the Bank (and if applicable, each participant), together with any and all reasonable attorneys' fees, court costs, or other out-of-pocket costs incurred by the Bank (and if applicable, each participant) in connection therewith.

(ii) Subject to the provisions of clause (iii) below, the Bank (and if applicable, each participant) shall afford the Board the opportunity, at the Board's sole cost and expense, to contest (1) the validity of any amendment to the Code which causes the interest on the Loans to be included in the gross income of the Bank (and if applicable, each participant) or (2) any challenge to the validity of the tax exemption with respect to the interest on the Loans, including the right to direct the necessary litigation contesting such challenge (including administrative audit appeals); and

(iii) As a condition precedent to the exercise by the Board of its right to contest set forth in clause (ii) above, the Board shall, on demand, immediately reimburse the Bank for any and all expenses (including reasonable attorneys' fees for services that may be required or desirable, as determined by the Bank in its sole discretion) that may be incurred by the Bank in connection with any such contest, and shall, on demand, immediately reimburse the Bank for any and all penalties or other charges payable by the Bank (and if applicable, each participant) for failure to include such interest in its gross income.

SECTION 3. FEES, PREPAYMENTS, TERMINATIONS, APPLICATIONS, AND CAPITAL ADEQUACY.

Section 3.1. Commitment Fee. The Board hereby agrees to pay or cause to be paid to the Bank in arrears on _____, 2014, for the period commencing on the Closing Date, and ending on _____, 2014, and quarterly in arrears on the first Business Day of each _____, _____, _____ and _____ occurring thereafter to the Termination Date, and on the Termination Date, for each day during the immediately preceding quarterly fee period, a non-refundable commitment fee (the "Commitment Fee") in an amount equal to the product of the average daily unused portion of the Commitment and the rate per annum equal to 0.15%. Such Commitment Fee shall be payable in immediately available funds and computed on the basis of a year of 360 and the actual number of days elapsed.

Section 3.2. Voluntary Prepayments. The Board shall have the privilege of prepaying without premium or penalty and in whole or in part (but if in part, then in an amount not less than \$100,000) the Note at any time upon notice to the Bank prior to 11:00 a.m. (Chicago time) on the date fixed for prepayment. If such prepayment prepays the Note in full and is accompanied by the termination of the Commitment in whole, such prepayment shall be made together with accrued interest thereon to the date of prepayment.

Section 3.3. Terminations. The Board shall have the right, at any time and from time to time, upon 3 Business Days prior notice to the Bank, to terminate without premium or penalty and in whole or in part (but if in part, then in an amount not less than \$500,000) the Commitment, provided that the Commitment may not be reduced to an amount less than the aggregate principal amount of the Loans then outstanding. Any termination of the Commitment pursuant to this Section may not be reinstated.

Section 3.4. Place and Application of Payments. All payments of principal, interest, fees, and all other Obligations payable under the Loan Documents shall be made to the Bank at its office at 111 West Monroe Street, Chicago, Illinois (or at such other place as the Bank may specify) no later than 1:00 p.m. (Chicago time) on the date any such payment is due and payable. Payments received by the Bank after 1:00 p.m. (Chicago time) shall be deemed received as of the opening of business on the next Business Day. All such payments shall be made in lawful money of the United States of America, in immediately available funds at the place of payment, without set-off or counterclaim and without reduction for, and free from, any and all present or future taxes, levies, imposts, duties, fees, charges, deductions, withholdings, restrictions, and conditions of any nature imposed by any government or any political subdivision or taxing authority thereof (but excluding any taxes imposed on or measured by the net income of the Bank).

Section 3.5. Notations. The amount and date of each Loan and the amount and date of each payment of principal and interest thereon shall be recorded by the Bank on its books and records or, at its option, recorded on a schedule to the Note, and the amount of principal and interest shown on such books and records or such schedule as owing on the Note from time to time shall be prima facie evidence, absent manifest error, in any court or other proceeding brought to enforce the Note of the principal amount remaining unpaid thereon and the interest applicable thereto; *provided* that the failure of the Bank to record any of the foregoing shall not

limit or otherwise affect the obligation of the Board to repay the principal amount owing on the Note together with accrued interest thereon.

Section 3.6. Increased Payments. (a) *Increased Costs.* (i) If, on or after the Closing Date, the adoption of any law or any governmental or quasi-governmental rule, regulation, policy, guideline or directive (whether or not having the force of law), or any change in the interpretation, promulgation, implementation or administration thereof by any governmental or quasi-governmental authority, central bank or comparable agency charged with the interpretation or administration thereof including, notwithstanding the foregoing, all requests, rules, guidelines or directives in connection with Dodd-Frank Wall Street Reform and Consumer Protection Act, or promulgated by the Bank for International Settlements, the Basel Committee on Banking Regulations and Supervisory Practices (or any successor or similar authority) pursuant to Basel III or any successor Basel accord regardless of the date enacted, adopted or issued, or compliance by the Bank or any participant with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency:

(A) subjects the Bank or any participant to any Taxes, or changes the basis of taxation of payments (other than with respect to Excluded Taxes) to the Bank or any other participant hereunder or with respect to the Bonds, or

In the case of any payment of principal falling due on a day which is not a Business Day, interest on such principal amount shall continue to accrue during such extension at the rate per annum then in effect, which accrued amount shall be due and payable on the next scheduled date for the payment of interest.

Section 10.2. No Waiver, Cumulative Remedies. No delay or failure on the part of the Bank or on the part of the holder of the Obligations in the exercise of any power or right shall operate as a waiver thereof or as an acquiescence in any default, nor shall any single or partial exercise of any power or right preclude any other or further exercise thereof or the exercise of any other power or right. The rights and remedies hereunder of the Bank and of the holder of the Obligations are cumulative to, and not exclusive of, any rights or remedies which any of them would otherwise have.

Section 10.3. Amendments, Etc. No amendment, modification, termination or waiver of any provision of this Agreement or of any other Loan Document, nor consent to any departure by the Board therefrom, shall in any event be effective unless the same shall be in writing and signed by the Bank. No notice to or demand on the Board in any case shall entitle the Board to any other or further notice or demand in similar or other circumstances.

Section 10.4. Costs and Expenses; Indemnification. (a) The Board agrees to pay on demand the costs and expenses of the Bank in connection with the negotiation, preparation, execution and delivery of this Agreement, the other Loan Documents and the other instruments and documents to be delivered hereunder or thereunder, and in connection with the transactions contemplated hereby or thereby, and in connection with any consents hereunder or waivers or amendments hereto or thereto, including the reasonable fees and expenses of counsel for the Bank with respect to all of the foregoing (whether or not the transactions contemplated hereby are consummated). The Board further agrees to pay to the Bank or any other holder of the Obligations all costs and expenses (including court costs and reasonable attorneys' fees), if any, incurred or paid by the Bank or any other holder of the Obligations in connection with any Default or Event of Default or in connection with the enforcement of this Agreement or any of the other Loan Documents or any other instrument or document delivered hereunder or thereunder (including, without limitation, all such costs and expenses incurred in connection with any proceeding under the United States Bankruptcy Code involving the Board or any guarantor). The Board further agrees to indemnify the Bank, and any security trustee, and their respective

directors, officers and employees, against all losses, claims, damages, penalties, judgments, liabilities and expenses (including, without limitation, all expenses of litigation or preparation therefor, whether or not the indemnified Person is a party thereto) which any of them may pay or incur arising out of or relating to any Loan Document or any of the transactions contemplated thereby or the direct or indirect application or proposed application of the proceeds of any extension of credit made available hereunder, other than those which arise from the gross negligence or willful misconduct of the party claiming indemnification. The Board, upon demand by the Bank at any time, shall reimburse the Bank for any legal or other expenses incurred in connection with investigating or defending against any of the foregoing except if the same is directly due to the gross negligence or willful misconduct of the party to be indemnified. The obligations of the Board under this Section shall survive the termination of this Agreement.

(b) The Board unconditionally agrees to forever indemnify, defend and hold harmless, and covenants not to sue for any claim for contribution against, the Bank for any damages, costs, loss or expense, including without limitation, response, remedial or removal costs, arising out of any of the following: (i) any presence, release, threatened release or disposal of any hazardous or toxic substance or petroleum by the Board or otherwise occurring on or with respect to their Property, (ii) the operation or violation of any environmental law, whether federal, state, or local, and any regulations promulgated thereunder, by the Board or otherwise occurring on or with respect to their Property, (iii) any claim for personal injury or property damage in connection with the Board or otherwise occurring on or with respect to their Property, and (iv) the inaccuracy or breach of any environmental representation, warranty or covenant by the Board made herein or in any mortgage, deed of trust, security agreement, or any other instrument or document evidencing or securing any indebtedness, obligations, or liabilities of the Board owing to the Bank or setting forth terms and conditions applicable thereto or otherwise relating thereto, except for damages arising from the Bank's willful misconduct or gross negligence. This indemnification shall survive the payment and satisfaction of all Obligations owing to the Bank and the termination of this Agreement, and shall remain in force beyond the expiration of any applicable statute of limitations and payment or satisfaction in full of any single claim under this indemnification. This indemnification shall be binding upon the successors and assigns of the Board and shall inure to the benefit of Bank and its directors, officers, employees, agents, and collateral trustees, and their successors and assigns.

Section 10.5. Documentary Taxes. The Board agrees to pay on demand any documentary, stamp or similar taxes payable in respect of this Agreement or any other Loan Document, including interest and penalties, in the event any such taxes are assessed, irrespective of when such assessment is made and whether or not any credit is then in use or available hereunder.

Section 10.6. Survival of Representations. All representations and warranties of the Board made herein or in any of the Indenture or in certificates given pursuant hereto or thereto shall survive the execution and delivery of this Agreement and the other Loan Documents, and shall continue in full force and effect with respect to the date as of which they were made as long as any credit is in use or available hereunder.

WHEREAS, the execution and delivery of this Indenture and the execution and issuance of the Notes, subject to the terms hereof, have in all respects been duly authorized.

GRANTING CLAUSES

NOW, THEREFORE, THIS TRUST INDENTURE WITNESSETH:

That in order to secure the payment of the principal of, premium, if any, and interest on all Notes issued hereunder, according to the import thereof, and the performance and observance of each and every covenant and condition herein and in the Notes contained, and for and in consideration of the premises and of the acceptance by the Trustee of the trusts hereby created, and of the purchase and acceptance of the Notes by the respective Owners (as hereinafter defined) thereof, and for other good and valuable consideration, the sufficiency of which is hereby acknowledged, and for the purpose of fixing and declaring the terms and conditions upon which the Notes shall be issued, authenticated, delivered, secured and accepted by all persons who shall from time to time be or become Owners thereof, the Board does hereby pledge and grant a lien upon the following Trust Estate to the Trustee and its successors in trust and assigns, for the benefit of the Owners to the extent provided in this Indenture:

(B) The Notes shall bear a certificate of authentication, in the form set forth in this Indenture, executed manually by the Trustee. Only such Notes as shall bear such certificate of authentication shall be entitled to any right or benefit under this Indenture, and no such Note

shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Trustee. Such certificate of the Trustee upon any such Note executed on behalf of the Board shall be conclusive evidence that the Note so authenticated has been duly authenticated and delivered under this Indenture and that the Owner thereof is entitled to the benefits of this Indenture.

Section 2.4. Interchangeability of Notes. Subject to the provisions of Section 2.5, any Note, upon surrender at the designated office of the Registrar with a written instrument of transfer satisfactory to the Registrar, duly executed by the Owner or its duly authorized attorney, may, at the option of the Owner and upon payment of any taxes, fees or charges as provided in Section 2.5, be exchanged for an equal aggregate principal amount of fully registered Notes having the same Maturity Date and tenor of any other Authorized Denominations.

Section 2.5. Negotiability, Transfer and Registration.

(A) Subject to the limitations contained in subsection (C) of this Section, upon surrender for registration of transfer of any Note at the designated office of the Trustee, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Trustee and duly executed by the Owner or such Owner's attorney duly authorized in writing, the Board shall execute, and the Trustee shall authenticate and deliver, in the name of the transferee or transferees a new Note or Notes of like date and tenor in Authorized Denominations of the same Maturity Date for the aggregate principal amount which the Owner is entitled to receive bearing numbers not contemporaneously Outstanding. Subject to the limitations contained in subsection (C) of this Section, Notes may be exchanged at such times at such designated office of the Trustee upon surrender thereof together with an assignment duly executed by the Owner thereof or such Owner's attorney in such form and with guarantee of signature as shall be satisfactory to the Trustee for an equal aggregate principal amount of Notes of like date and tenor of any Authorized Denomination as the Notes surrendered for exchange bearing numbers not contemporaneously Outstanding. The execution by the Board of any Note of any Authorized Denomination shall constitute full and due authorization of such Authorized Denomination, and the Trustee shall thereby be authorized to authenticate and deliver such registered Note.

(B) No service charge shall be imposed upon the Owners for any exchange or transfer of Notes. The Board and the Trustee may, however, require payment by the person requesting an exchange or transfer of Notes of a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in relation thereto, except in the case of the issuance of a Note or Notes for the unredeemed portion of a Note surrendered for redemption in part.

(C) Notes delivered upon any registration of transfer or exchange as provided herein or as provided in Section 2.6 shall be valid limited obligations of the Board, evidencing the same debt as the Notes surrendered, shall be secured by this Indenture and shall be entitled to all of the security and benefits hereof to the same extent as the Note surrendered.

(D) The Board, the Trustee and any Paying Agent may treat the Owner of any Note as the absolute owner thereof for all purposes, whether or not such Note shall be overdue, and shall not be bound by any notice to the contrary. All payments of or on account of the principal of,

premium, if any, and interest on any such Note as herein provided shall be made only to or upon the written order of the Owner thereof or such Owner's legal representative, but such registration may be changed as herein provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Note to the extent of the sum or sums so paid.

(E) Unless the Board directs the Trustee otherwise, Trustee shall not register the transfer of any Note in the name of a new Owner unless (i) it has received from such new Owner an executed copy of an Investor Letter of such new Owner substantially in the form attached hereto as Exhibit F or (ii) such new owner is an affiliate of the initial Purchaser.

Section 2.6. Notes Mutilated, Destroyed, Stolen or Lost. In case any Note shall become mutilated or be destroyed, stolen or lost, the Board shall execute, and thereupon the Trustee shall authenticate and deliver, a new Note of like Maturity Date and principal amount, as the Notes so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Note, upon surrender and cancellation of such mutilated Note or in lieu of and substitution for the Note destroyed, stolen or lost, upon filing with the Trustee evidence satisfactory to the Board and the Trustee that such Note has been destroyed, stolen or lost and proof of ownership thereof, and upon furnishing the Board and the Trustee with indemnity satisfactory to them and complying with such other reasonable regulations as the Board or the Trustee may prescribe and paying such expenses as the Board and Trustee may incur. All Notes so surrendered to the Trustee shall be canceled by the Trustee in accordance with Section 11.5. Any such new Notes issued pursuant to this Section in substitution for Notes alleged to be destroyed, stolen or lost shall constitute original additional contractual obligations on the part of the Board, whether or not the Notes so alleged to be destroyed, stolen or lost shall be found at any time or be enforceable by anyone, shall be entitled to equal and proportionate benefits with all other Notes issued under this Indenture and shall be equally secured by the moneys or securities held by the Trustee for the benefit of the Owners.

Section 2.7. Temporary Notes.

(A) Until the definitive Notes are prepared, the Board may execute, in the same manner as is provided in Section 2.3, and, upon the request of the Board, the Trustee shall authenticate and deliver, in lieu of definitive Notes, but subject to the same provisions, limitations and conditions as the definitive Notes except as to exchangeability, one or more temporary Notes substantially of the tenor of the definitive Notes in lieu of which such temporary Note or Notes are issued, in Authorized Denominations, and with such omissions, insertions and variations as may be appropriate to temporary Notes. The Board shall prepare and execute and, upon the surrender of such temporary Notes the Trustee shall authenticate and, without charge to the Owner thereof, deliver in exchange therefor, definitive Notes of the same aggregate principal amount and Maturity Date as the temporary Notes surrendered in Authorized Denominations. Until so exchanged, the temporary Notes shall in all respects be entitled to the same benefits and security as definitive Notes authenticated and issued pursuant to this Indenture.

(B) The Owner of any temporary Note or Notes may, at its option, surrender the same to the Trustee in exchange for another temporary Note or Notes of like aggregate principal amount and Maturity Date of any Authorized Denominations, and thereupon the Board shall

execute and the Trustee shall authenticate and, in exchange for the temporary Note or Notes so surrendered and upon payment of the taxes, fees and charges provided for in Section 2.5(B), shall deliver a temporary Note or Notes of like aggregate principal amount and maturity in such other Authorized Denominations as shall be requested by such Owner.

(C) All temporary Notes surrendered in exchange either for another temporary Note or Notes or for a definitive Note or Notes shall be forthwith canceled by the Trustee.

Section 2.8. Required Information in Note Form. On each date on which the Trustee authenticates and delivers a Note, makes a Supplemental Advance or receives a Repayment Advance, it shall complete the information required to be inserted by the Note form or Exhibit A thereto and shall keep a record of such information.

Section 2.9. Book-Entry Provisions. The Notes as initially issued shall be certificated and shall not be in book-entry form unless and until the Board or the Purchaser requests the Trustee to convert the Notes to book-entry form. The provisions of this Section shall only apply if the Notes are ever maintained in book-entry form with DTC or another Securities Depository, any provisions of this Indenture to the contrary notwithstanding.

(A) The Notes shall be payable to the Securities Depository, or its nominee, as the Owner of the Notes, in same day funds on each date on which the principal of, premium, if any, and interest on the Notes is due as set forth in this Indenture and the Notes. Such payments shall be made to the offices of the Securities Depository specified by the Securities Depository to the Board and the Trustee in writing. Without notice to or the consent of the beneficial owners of the Notes, the Board and the Securities Depository may agree in writing to make payments of principal and interest in a manner different from that set forth herein. If such different manner of payment is agreed upon, the Board shall give the Trustee written notice thereof, and the Trustee shall make payments with respect to the Notes in the manner specified in such notice as set forth herein. Neither the Board nor the Trustee shall have any obligation with respect to the transfer or crediting of the principal of, premium, if any, and interest on the Notes to Participants or the beneficial owners of the Notes or their nominees.

(B) The Owners of the Notes have no right to the appointment or retention of a Securities Depository for the Notes. If (i) the Board determines, or (ii) the Board receives notice that the Securities Depository has received notice from its Participants having interests in at least 50 percent in principal amount of the Notes that the Securities Depository or its successor is incapable of discharging its responsibilities as a securities depository, or that it is in the best interests of the beneficial owners that they obtain certificated Notes, the Board may (or, in the case of clause (ii) of this subsection (B), the Board shall) cause the Trustee to authenticate and deliver Note certificates. The Board shall have no obligation to make any investigation to determine the occurrence of any events that would permit the Board to make any determination described in this paragraph.

(C) If, following a determination or event specified in subsection (B) of this Section, the Board discontinues the maintenance of the Notes in book-entry form with the then current Securities Depository, the Board will issue replacement Notes to the replacement Securities Depository, if any, or, if no replacement Securities Depository is selected for the Notes, directly

to the Participants as shown on the records of the former Securities Depository or, to the extent requested by any Participant, to the beneficial owners of the Notes shown on the records of such Participant. Replacement Notes shall be in fully registered form and in Authorized Denominations. Principal and premium, if any, on the replacement Notes are payable only upon presentation and surrender of such replacement Note or Notes at the designated office of the Trustee.

(D) The Securities Depository and its Participants, and the beneficial owners of the Notes, by their acceptance of the Notes, agree that the Board and the Trustee shall not have liability for the failure of such Securities Depository to perform its obligations to the Participants and the beneficial owners of the Notes, nor shall the Board or the Trustee be liable for the failure of any Participant or other nominee of the beneficial owners to perform any obligation of the Participant to a beneficial owner of the Notes.

(E) As long as Cede & Co. is the Owner of the Notes, as nominee of DTC, references herein to the Owners of the Notes shall mean Cede & Co. and shall not mean the beneficial owners of the Notes.

(F) As long as Cede & Co. is the Owner of the Notes:

(i) election of Notes to be redeemed upon partial redemption, presentation of Notes to the Trustee upon partial redemption, delivery of Notes to the Trustee in connection with an optional or mandatory tender, shall be deemed made when the right to exercise ownership rights in such Notes through DTC or DTC's Participants is transferred by DTC on its books;

(ii) any notices of the interest rate on the Notes to be provided by the Trustee shall be provided to anyone identifying itself to the Trustee as a person entitled to exercise ownership rights with respect to such Notes through DTC or its Participants;

(iii) DTC may present notices, approvals, waivers or other communications required or permitted to be made by Owners under the Indenture on a fractionalized basis on behalf of some or all of those persons entitled to exercise ownership rights in the Notes through DTC or its Participants.

Section 2.10. Delivery of Notes.

The proceeds of the Notes shall be paid over to the Trustee and deposited to the credit of various funds as hereinafter provided under Section 2.11.

(B) **Supplemental Advances.** The ability of the Board to incur any Supplemental Advance hereunder and under the Credit Agreement is subject to the following conditions precedent in addition to Section 2.1: receipt by the Trustee and the Purchaser (with a copy to Bond Counsel) no later than 11:00 A.M. Chicago time, two Business Days prior to the date of any such Supplemental Advance, of (1) irrevocable Instructions From Board Regarding Supplemental Advance in substantially the form of *Exhibit C* hereto, with such changes as may be reasonable, necessary or appropriate, executed by the Board; and (2) an executed Certificate of the Board Regarding Supplemental Advance in substantially the form of *Exhibit D* hereto, with such changes, additions or modifications as may be reasonably acceptable to the Trustee and the Purchaser, with respect to such Supplemental Advance, upon which the Trustee and the Purchaser may conclusively rely in connection with any Supplemental Advance.

At least one Business Day prior to the date of such Supplemental Advance, by 11:00 A.M. Chicago time, the Trustee shall deliver to the Purchaser and the Board an executed Certificate of Trustee Regarding Supplemental Advance in substantially the form of *Exhibit D* hereto, with such changes, additions or modifications as are acceptable to the Board and the Purchaser; and

On the date of such Supplemental Advance, the Trustee shall enter the amount of such Supplemental Advance on Exhibit A of the Note held by the Trustee, as agent of the Owners, upon receipt of the proceeds of such Supplemental Advance from the Purchaser.

Section 2.11. Application of Proceeds of Advances. On the Date of Issuance, the Trustee shall pay to or upon the order of the Board all of the proceeds of sale of the Initial Advance. On the date of issuance of each Supplemental Advance, the Trustee shall pay to or upon the order of the Board all of the proceeds of sale of the Supplemental Advance.

Section 2.12. Repayments of Principal Advances. In addition to principal repayments made from the Debt Service Fund pursuant to Section 4.3(B), the Board may make principal repayments to the Trustee at the option of the Board on any Business Day provided that the Board provide at least two Business Days' notice to the Trustee and the Purchaser of its intent to repay an Advance. Upon such payment to the Owners, the Trustee shall make a notation of such Repaid Advance on Exhibit A to the Note. All principal repayments shall be in a principal amount which is an Authorized Denomination. Any amounts representing a principal repayment deposited by the Board with the Trustee pursuant to this Section shall be accompanied by a Certificate and Direction Regarding Repaid Advances, in substantially the form set forth in Exhibit E hereto, which Certificate shall be delivered to the Trustee. Each such optional principal repayment shall be deposited into the Repaid Advance Fund and transferred to the Owners on a pro rata basis, as directed in such Certificate and Direction.

ARTICLE III

Redemption of Notes

Section 3.1. Optional Redemption. The Notes shall be subject to redemption prior to their Maturity Date at the option of the Board, in whole or in part (and, if in part, in an Authorized Denomination) on any Business Day, at a redemption price equal to 100 percent of the principal amount thereof plus accrued interest, if any, to the redemption date.

Any redemption of less than all of the Notes outstanding shall be made in such a manner that all Notes outstanding after such redemption are in Authorized Denominations. In the event notice of redemption shall have been given as in Section 3.2 provided, (i) there shall be paid on or prior to the specified redemption date to the Trustee an amount in cash and/or Government Obligations maturing on or before the specified redemption date which, together with other moneys, if any, available therefor held by the Trustee, will be sufficient to redeem all of the Notes to be redeemed on the specified redemption date at their Redemption Price plus interest accrued and unpaid to the date fixed for redemption; such amount and moneys shall be held in a separate, segregated account for the benefit of the Owners of the Notes so called for redemption, or (ii) such redemption notice given under Section 3.2 shall state that any redemption is conditional on such funds being deposited on the redemption date, and that failure to deposit such funds shall not constitute an Event of Default under this Indenture.

Notes may be called for redemption by the Trustee pursuant to Section 3.2, upon receipt by the Trustee at least 10 days prior to the redemption date (or such shorter period as shall be acceptable to the Trustee) of a written request of the Board requesting such redemption.

Section 3.2. Notice of Redemption.

(A) Except as hereinafter provided, a copy of the notice of the call for any redemption identifying the Notes to be redeemed shall be given by first class mail, postage prepaid, not less than seven days prior to the date fixed for redemption and shall be given by first class mail, postage prepaid, or by facsimile transmission. Such notice shall specify the redemption date, the redemption price, the place and manner of payment, and that from the redemption date interest

will cease to accrue on the Notes which are the subject of such notice, and shall include such other information as the Trustee shall deem appropriate or necessary at the time such notice is given to comply with any applicable law, regulation or industry standard. Pursuant to Section 3.1, such notice may state whether the redemption is conditioned upon sufficient funds being available on the redemption date or any other condition, and that failure to deposit such funds shall not constitute an Event of Default under this Indenture; any funds so deposited with the Trustee and held in the Redemption Fund shall be invested solely in Government Obligations maturing no later than the redemption date.

(B) In addition to the requirements of Section 3.2(A), notice of the redemption of Notes or any portion thereof identifying the Notes or portions thereof to be redeemed shall specify (i) the series name and designation and certificate numbers of Notes being redeemed, (ii) CUSIP numbers of the Notes being redeemed, (iii) the principal amount of Notes being redeemed and the redeemed amount for each certificate (for partial calls), (iv) the redemption date, and (v) the redemption price.

(C) Failure to give notice in the manner prescribed in Section 3.2(A) and Section 3.2(B) with respect to any Note, or any defect in such notice, shall not affect the validity of the proceedings for redemption for any Note with respect to which notice was properly given.

(D) If any Note is transferred or exchanged on the note register after notice has been given calling such Note for redemption, the Trustee will attach a copy of such notice to the Note issued in connection with such transfer or exchange.

Section 3.3. Selection of Notes for Redemption. If less than all the Notes shall be called for redemption under any provision of this Indenture permitting or requiring such partial redemption, the particular Notes or portions thereof to be redeemed shall be selected in direct order of their date of issuance and, with respect to Notes having the same date of issuance, by lot in such manner as the Trustee may determine among such Notes, and the portion of any Note to be redeemed shall be in a principal amount equal to an Authorized Denomination. In selecting Notes for redemption, the Trustee shall treat each Note as representing that number of Notes which is obtained by dividing the principal amount of such Note by the minimum Authorized Denomination. If it is determined that one or more, but not all, of the integral multiples of the Authorized Denomination of principal amount represented by any Note is to be called for redemption, then, upon notice of intention to redeem such integral multiple of an Authorized Denomination, the Owner of such Note shall forthwith surrender such Note to the Trustee for (a) payment to such Owner of the redemption price of the integral multiple of the Authorized Denomination of principal amount called for redemption, and (b) delivery to such Owner of a new Note or Notes in the aggregate principal amount of the unredeemed balance of the principal amount of such Note. New Notes representing the unredeemed balance of the principal amount of such Note shall be issued to the Owner thereof without charge therefor.

Pursuant to Section 13 of the Act, the moneys, securities and properties hereby pledged and received by the Board shall immediately be subject to the lien and pledge hereof without any physical delivery or further act, and the lien and pledge hereof shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Board, irrespective of whether such parties have notice hereof.

The Notes are limited obligations of the Board payable from the Pledged Tax Receipts and do not represent or constitute a debt of the Board within the meaning of any constitutional or any statutory limitation. Neither the full faith and credit nor the taxing power of the Board is pledged to the payment of the Notes.

Section 4.2. Establishment of Funds. The Debt Service Fund, the Repaid Advance Fund, the Redemption Fund and the Program Fund are hereby established as special funds of the Board to be held by the Trustee.

Section 4.3. Deposit and Application of Pledged Tax Receipts.

First: to the Noteholders, for the payment of the accrued and unpaid interest on their Notes.

Second: to the Noteholders, for the prepayment of principal of their Notes in direct order of the date of issuance of their Notes and pro-rata among Notes having the same date of issuance when the sum available is not sufficient to retire all of such Notes having the same date of issuance, *provided, however* that

the principal amount paid of any Note prepaid in part shall be in an amount equal to an Authorized Denomination.

Third: pursuant to the directions of a Designated Official, to the Purchaser, the amount of any accrued and unpaid fees for the unutilized amount under the Credit Agreement.

Fourth: to the Board, any amount remaining in the Debt Service Fund after the payment of all interest on and principal of the Notes as provided in Clause First, Clause Second and Clause Third of this paragraph.

(C) On any Business Day that no Notes are then Outstanding and no requested Advance is awaiting funding, any moneys held in the Debt Service Fund and any Pledged Tax Receipts received by the Trustee on that Business Day shall immediately be paid to the Board, free from the lien of this Indenture.

(D) On each Business Day on which money is paid to the Board pursuant to Section 4.3(B) or Section 4.3(C), the Trustee shall provide to the City Treasurer of the City of Chicago, as custodian of the Board's tax moneys, notice of the date and amount of such payment to the Board.

Section 4.4. Repaid Advance Fund. Amounts paid to the Trustee by the Board and accompanied by a Certificate and Direction Regarding Repaid Advances shall be deposited into the Repaid Advance Fund for transfer to the Purchaser, as directed in such Certificate and Direction.

Section 4.5. Redemption Fund. (A) Moneys held in the Debt Service Fund, Repaid Advance Fund, Redemption Fund and Program Expense Fund shall be invested and reinvested by the Trustee at the written direction of a Designated Official in Investment Securities within the parameters of the Investment Policy which mature no later than necessary to provide moneys when needed for payments to be made from such Fund. The Trustee may conclusively rely upon such instructions as to both the suitability and legality of the directed investments. Nothing contained in this Indenture shall be construed to prevent such Designated Official from directing the Trustee to make any such investments or reinvestments through the use of a Forward Supply Contract, to the extent permitted by Illinois law and the Investment Policy, and the Trustee shall comply with the terms and provisions of any such Forward Supply Contract or Repurchase Agreement. The Trustee may make any and all such investments through its trust department or the note department of any bank or trust company under common control with the Trustee. All investment income shall be retained in the Fund to which the investment is created from which such income is derived.

(B) The Board covenants and agrees that all investments made under this Indenture shall be consistent with the expectations expressed in the Tax Agreement.

(C) The Trustee may make any and all such investments through its own investment department or that of its affiliates or subsidiaries, and may charge its ordinary and customary fees for such trades, including cash sweep account fees. In the absence of investment instructions from the Board, the Trustee shall not be responsible or liable for keeping the moneys held by it hereunder fully invested in Investment Securities. The Trustee shall notify the Board in the event any moneys are being held uninvested pursuant hereto. The Trustee shall not be liable or responsible for the performance or adverse tax consequences of, or any losses on, any investment made pursuant to this Section. Although the Board recognizes that they may obtain a broker confirmation or written statement containing comparable information at no additional cost, the Board hereby agrees that confirmations of Investment Securities are not required to be issued by the Trustee for each month in which a monthly statement is rendered. No statement need be rendered for any fund or account if no activity occurred in such fund or account during such month.

Section 5.2. Valuation and Sale of Investments.

(A) Investment Securities in any Fund created under the provisions of this Indenture shall be deemed at all times to be part of such Fund and any profit realized from the liquidation

of such investment shall be credited to such Fund and any loss resulting from liquidation of such investment shall be charged to such Fund.

(B) Valuations of Investment Securities held in the Funds established hereunder shall be made by the Trustee as often as may be necessary or requested by the Board to determine the amounts held therein. In computing the amounts in such Funds, Investment Securities therein shall be valued as provided in Section 5.2(C).

(C) The value of Investment Securities shall mean the fair market value thereof, *provided, however*, that all SLGS shall be valued at par and those obligations which are redeemable at the option of the holder shall be valued at the price at which such obligations are then redeemable.

(D) Except as otherwise provided in this Indenture, the Trustee at the written direction of a Designated Official shall sell at the best price reasonably obtainable, or present for redemption, any Investment Securities held in any Fund held by the Trustee whenever it shall be necessary to provide moneys to meet any payment or transfer from such Fund as the case may be.

ARTICLE VI

The Board has directed the County Collectors to deposit all collections of the Pledged Taxes directly with the Escrow Agent for application in accordance with the provisions of the Tax Escrow Agreement. ARTICLE VII

(1) if a default shall occur in the due and punctual payment of interest on any Note when and as such interest shall become due and payable;

(2) if a default shall occur in the due and punctual payment of the principal or Redemption Price of any Note when and as the same shall become due and payable, whether at maturity or by call for redemption or otherwise not otherwise an Event of Default;

(3) if a default shall occur in the performance or observance by the Board of any other of the covenants, agreements or conditions in this Indenture or in the Notes contained, and such default shall continue for a period of sixty (60) days after written notice thereof to the Board by the Trustee or the Purchaser or after written notice thereof to the Board and to the Trustee by the Owners of not less than a majority in aggregate principal amount of the Outstanding Notes, provided that if the nature of the default is such that it cannot be cured within the initial 60-day cure period but can be cured within an additional period of not to exceed 60 days from the end of the initial 60-day cure period, no event of default shall occur if the Board institutes corrective action within the initial 60-day cure period and diligently pursues such action until the default is corrected (provided such default is corrected within the additional 60-day period described above);

(4) if the Board shall file a petition seeking a composition of indebtedness under the federal bankruptcy laws or under any other applicable law or statute of the United States of America or of the State of Illinois; or

(5) if, the Trustee receives a written notice from the Purchaser of the occurrence of an Event of Default under the Credit Agreement.

Section 7.2. Proceedings Brought by Trustee.

(A) If an Event of Default shall occur and shall not have been remedied, then and in every such case, the Trustee, by its agents and attorneys, may proceed, and upon identical written request of the Owners of not less than a majority in aggregate principal amount of the Notes Outstanding and upon being indemnified to its satisfaction shall proceed, to protect and enforce its rights and the rights of the Owners of the Notes under the Notes or this Indenture forthwith by a suit or suits in equity or at law, whether for the specific performance of any covenant herein contained, or in aid of the execution of any power herein granted, or for an accounting against the Board as if the Board were the trustee of an express trust, or in the enforcement of any other legal or equitable right as the Trustee, being advised by counsel, shall deem most effectual to enforce any of its rights or to perform any of its duties under this Indenture or enforce any of the rights or interests of the Owners of the Notes under the Notes or this Indenture. The Trustee

shall proceed at the written direction of the Purchaser to protect and enforce its rights and such rights of the Purchaser after being furnished with reasonable security and indemnity.

(B) All rights of action (including without limitation, the right to file proof of claims) under this Indenture may be enforced by the Trustee without the possession of any of the Notes or the production thereof in any suit or other proceeding, and any such suit or other proceeding instituted by the Trustee shall be brought in its name.

(C) All actions against the Board under this Indenture shall be brought in a state or federal court located in the State.

(D) The Owners of not less than a majority in aggregate principal amount of the Notes at the time Outstanding may direct the time, method and place of conducting any proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture or for the enforcement of any remedy available to the Trustee, or for the exercise any trust or power conferred upon the Trustee, provided that the Trustee shall have the right to decline to follow any such direction if the Trustee shall be advised by counsel that the action or proceeding so directed may not lawfully be taken, or if the Trustee in good faith shall determine that the action or proceeding so directed would involve the Trustee in personal liability or be unjustly prejudicial to the Owners not parties to such direction.

(E) Upon commencing any suit at law or in equity or upon commencement of other judicial proceedings by the Trustee to enforce any right under this Indenture, the Trustee shall be entitled to exercise any and all rights and powers conferred in this Indenture and provided to be exercised by the Trustee upon the occurrence of any Event of Default.

(F) Regardless of the happening of an Event of Default, the Trustee shall have power, but unless requested in writing by the Owners of a majority in aggregate principal amount of the Notes then Outstanding and furnished with reasonable security and indemnity, shall be under no obligation to institute and maintain such suits and proceedings as may be necessary or expedient to prevent any impairment of the security under this Indenture and to preserve or protect its interests and the interest of the Owners; *provided, however*, the Trustee shall act upon the direction of the Purchaser after being furnished with reasonable security and indemnity.

(G) During the continuance of an Event of Default, the Trustee shall apply all Pledged Tax Receipts paid to the Trustee and the income therefrom as follows and in the following order:

(1) to the payment of the reasonable and proper charges and expenses of the Trustee, including the reasonable fees and expenses of counsel employed by it; it being understood that payment of such charges and expenses shall not be made from any moneys already held for the payments of the principal of, interest on and or purchase price of Notes that were not presented for payment when due.

(2) to the payment of the principal of, Redemption Price and interest on the Notes then due, as follows:

First: to the payment to the persons entitled thereto of all installments of interest then due on the Notes in the order of the maturity of such installments,

together with accrued and unpaid interest on the Notes theretofore called for redemption, and, if the amount available shall not be sufficient to pay in full any installment or installments of interest maturing on the same date, then to the payment thereof ratably, according to the amounts due thereon, to the persons entitled thereto, without any discrimination or preference (*provided, however*, that no payment shall be made with respect to Notes owned by the Board); and

Second: to the payment to the persons entitled thereto of the unpaid principal or Redemption Price of any Notes which shall have become due, whether at maturity or by call for redemption, in the order of their due dates, and, if the amount available shall not be sufficient to pay in full all the Notes due on any date, then to the payment thereof ratably, according to the amounts of principal or Redemption Price due on such date, to the persons entitled thereto, without any discrimination or preference; and

(H) If and whenever all overdue installments of principal and Redemption Price of and interest on, Notes, together with the reasonable and proper charges and expenses of the Trustee, and all other overdue sums payable by the Board under this Indenture, including the overdue principal and Redemption Price of and accrued unpaid interest on, all Notes held by or for the account of the Board, or provision satisfactory to the Trustee shall be made for such payments, all defaults under this Indenture or the Notes shall be made good or secured to the satisfaction of the Trustee or provision deemed by the Trustee to be adequate shall be made therefor, the Trustee shall pay over to the Board all moneys, securities and funds then remaining unexpended in the hands of the Trustee (except moneys, securities and funds deposited or pledged, or required by the terms of this Indenture to be deposited or pledged, with the Trustee), and thereupon the Board, the Trustee and the Owners shall be restored, respectively, to their former positions and rights under this Indenture. No such payment to the Board by the Trustee nor such restoration of the Board and the Trustee to their former positions and rights shall extend to or affect any subsequent default under this Indenture or impair any right consequent thereon.

(I) Whenever moneys are to be applied pursuant to the provisions of this Section, the Trustee may, in its discretion, establish and maintain a reserve for future fees and expenses, and may apply moneys to be distributed at such times, and from time to time, as the Trustee shall determine, having due regard for the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such funds, it shall fix a date upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such dates, and for which moneys are available, shall cease to accrue. The Trustee shall also select a Record Date for such payment date. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any moneys and of the fixing of any such Record Date and payment date, and shall not be required to make payment to the Owner of any Note until such Note shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

(J) Under no circumstance may the Trustee declare the principal of or interest on the Notes to be due and payable prior to the Maturity Date following the occurrence of an Event of Default under this Indenture.

(K) If an Event of Default shall occur and shall not have been remedied, then the Notes shall bear interest at the Default Rate.

Section 7.3. Restriction on Owners' Actions.

(A) No Owner of any Note shall have any right to institute any suit or proceeding at law or in equity for the enforcement or violation of any provision of this Indenture or the execution of any trust under this Indenture or for any remedy under this Indenture, unless such Owner shall have previously given to the Trustee written notice of the happening of an Event of Default, as provided in this Article, and the Owners of at least a majority in aggregate principal amount of the Notes then Outstanding shall have filed a written request with the Trustee, and shall have offered it reasonable opportunity either to exercise the powers granted in this Indenture or by the laws of Illinois or to institute such suit or proceeding in its own name, and unless such Owners shall have offered to the Trustee adequate security and indemnity against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee shall have refused or failed to comply with such request within sixty (60) days after receipt by it of such notice, request and offer of indemnity, it being understood and intended that no one or more Owners of Notes shall have any right in any manner whatever by its or their action to affect, disturb or prejudice the pledge created by this Indenture or to enforce any right under this Indenture, except in the manner herein provided; and that all proceedings at law or in equity to enforce any provision of this Indenture shall be instituted, had and maintained in the manner provided in this Indenture and for the equal benefit of all Owners of the Outstanding Notes.

(B) Nothing in this Indenture or in the Notes contained shall affect or impair the right of action of any Owner to enforce such payment of its Note from the sources provided herein.

Section 7.4. Remedies Not Exclusive. No remedy by the terms of this Indenture conferred upon or reserved to the Trustee or the Owners is intended to be exclusive of any other remedy, but each remedy shall be cumulative and shall be in addition to every other remedy given under this Indenture or existing at law or in equity or by statute on or after the date of the execution and delivery of this Indenture.

Section 7.5. Effect of Waiver and Other Circumstances. No delay or omission of the Trustee or any Owner to exercise any right or power arising upon the happening of an Event of Default shall impair any right or power or shall be construed to be a waiver of any such Event of Default or be an acquiescence therein. The Owners of not less than two-thirds in aggregate principal amount of the Notes at the time Outstanding, or their attorneys-in-fact duly authorized may on behalf of the Owners of all of the Notes waive any past default under this Indenture and its consequences, except a default in the payment of interest on or principal or Redemption Price of any of the Notes when due. No such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

ARTICLE VIII

Regarding the Fiduciaries

Section 8.1. Trustee Appointment and Acceptance of Duties. The Trustee hereby accepts and agrees to the trusts hereby created, but only upon the additional terms set forth in this Article, to all of which the Board agrees and the respective Owners of the Notes, by their purchase and acceptance thereof, agree. Except during the continuance of an Event of Default, the Trustee undertakes such duties and only such duties as are specifically set forth in this Indenture.

Section 8.2. Paying Agents; Appointment and Acceptance of Duties. The Trustee is hereby appointed Paying Agent for the Notes. The Board may at any time or from time to time appoint one or more other Paying Agents having the qualifications set forth in Section 8.14 for a successor Paying Agent. The Trustee hereby accepts the duties and obligations imposed upon it as Paying Agent by this Indenture. Each other Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by this Indenture by executing and delivering to the Board and to the Trustee a written acceptance thereof.

Section 8.3. Registrar; Appointment and Acceptance of Duties. The Trustee is hereby appointed Registrar for the Notes. The Board may at any time or from time to time appoint one or more other Registrars having the qualifications set forth in Section 8.15 for a successor Registrar. The Trustee hereby accepts the duties and obligations imposed upon it as Registrar by this Indenture. Each other Registrar shall signify its acceptance of the duties and obligations imposed upon it by this Indenture by executing and delivering to the Board and to the Trustee a written acceptance thereof.

Section 8.4. Responsibilities of Fiduciaries.

(A) The recitals of fact herein and in the Notes contained shall be taken as the statements of the Board and no Fiduciary assumes any responsibility for the correctness of the same. No Fiduciary makes any representations as to the validity or sufficiency of this Indenture or of any Notes issued hereunder or as to the security afforded by this Indenture, and no Fiduciary shall incur any liability in respect thereof. The Trustee shall, however, be responsible for any representation contained in its certificate on the Notes. No Fiduciary shall be under any responsibility or duty with respect to the application of any moneys paid to the Board or to any other Fiduciary. No Fiduciary shall be under any obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any suit in respect hereof, or to advance any of its own moneys, unless properly indemnified to its reasonable satisfaction. Subject to the provisions of paragraph (B) of this Section, no Fiduciary shall be liable in connection with the performance of its duties hereunder except for its own negligence or willful misconduct.

(B) In case an Event of Default has occurred and has not been remedied, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and shall use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs. Any provision of this Indenture relating

to action taken or to be taken by the Trustee, any other capacity the Trustee may serve hereunder or to evidence upon which the Trustee may rely shall be subject to the provisions of this Section.

(C) The Trustee is under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Owners of the Notes unless such Owners have offered to the Trustee security or indemnity satisfactory to the Trustee as to its terms, coverage, duration, amount and otherwise with respect to the costs, expenses and liabilities which may be incurred by it in compliance with such request or direction, and the provision of such indemnity shall be mandatory for any remedy taken upon direction of the Owners of 25% in aggregate principal amount of the Notes.

(D) The Trustee is not required to make any inquiry or investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, approval, note, debenture or other paper or document but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit and, if the Trustee determines to make such further inquiry or investigation, it is entitled to examine the books, records and premises of the Board, in person or by agent or attorney.

(E) The Trustee may execute any of its trusts or powers or perform any duties under this Indenture either directly or by or through agents or attorneys, and may in all cases pay, subject to reimbursement as provided in this Indenture, such reasonable compensation as it deems proper to all such agents and attorneys reasonably employed or retained by it.

(F) Notwithstanding the effective date of this Indenture or anything to the contrary in this Indenture, the Trustee shall have no liability or responsibility for any act or event relating to this Indenture which occurs prior to the date the Trustee formally executes this Indenture and commences acting as Trustee hereunder.

(G) The Trustee shall have no responsibility with respect to any information, statement or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Notes, except for any information provided by the Trustee, and shall have no responsibility for compliance with any state or federal securities laws in connection with the Notes. The Trustee shall not be liable or responsible in connection with the issuance of the Notes as obligations the interest on which is excludable from gross income for Federal income tax purposes or for the subsequent maintenance of the tax-exempt status of such interest.

(H) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty.

Section 8.5. Evidence on Which Fiduciaries May Act.

(A) Each Fiduciary shall be protected in acting or refraining from acting upon any notice, resolution, request, consent, order, certificate, report, opinion (including a Counsel's Opinion), note or other paper or document furnished to it pursuant to and conforming to the requirements of this Indenture, and believed by it to be genuine and to have been signed or presented by the proper party or parties.

(B) Whenever any Fiduciary shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under this Indenture, such matter (unless this Indenture specifically requires other evidence thereof) may be deemed to be conclusively proved and established by a certificate of a Designated Official, but in its discretion the Fiduciary may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable.

(C) Except as otherwise expressly provided in this Indenture, any request, order, notice or other direction required or permitted to be furnished by the Board to any Fiduciary shall be sufficiently executed if signed by a Designated Official.

(D) The Trustee may consult with counsel and the written advice of such counsel or an Opinion of Counsel shall be full and complete authorization and protection for any action taken, suffered or omitted by it in good faith and in accordance with such advice or opinion.

(E) In the event the Trustee receives inconsistent or conflicting requests and indemnity from two or more groups of Owners of Notes, each representing less than a majority in aggregate principal amount of the Notes Outstanding, pursuant to the provision of this Indenture, the Trustee, in its sole discretion, may determine what actions, if any, shall be taken.

(F) The Trustee shall have the right to accept and act upon instructions or directions pursuant to this Indenture sent by unsecured e-mail, facsimile transmission or other similar unsecured electronic methods, *provided, however*, that the Board shall provide to the Trustee an incumbency certificate listing designated persons with the authority to provide such instructions and containing specimen signatures of such designated persons, which incumbency certificate shall be amended whenever a person is to be added or deleted from the listing. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. The Board agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

Section 8.6. Compensation. Unless otherwise determined by contract between the Board and each Fiduciary, the Board shall pay to each Fiduciary from time to time reasonable compensation as may be mutually agreed upon by the Board and the Fiduciary for all services rendered under this Indenture. The Board shall pay each Fiduciary for any extraordinary services or expenses performed or incurred by the Trustee in connection with its duties under this Indenture if, to the extent reasonably possible, notified in writing prior to the performance of those services or the incurring of those expenses so as to allow the Board to appropriate sufficient funds for their payment.

Section 8.7. Certain Permitted Acts. Any Fiduciary may become the Owner of any Notes, with the same rights it would have if it did not act in any capacity hereunder. To the extent permitted by law, any Fiduciary may act as depositary for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Owners or to effect or aid in any reorganization growing out of the

enforcement of the Notes or this Indenture, whether or not any such committee shall represent the Owners of a majority in aggregate principal amount of the Notes then Outstanding.

Section 8.8. Resignation of Trustee. The Trustee may at any time resign and be discharged of the duties and obligations imposed upon it by this Indenture by giving not less than sixty (60) days' written notice to the Board, all Owners of the Notes and the other Fiduciaries, and such resignation shall take effect upon the day specified in such notice but only if a successor shall have been appointed by the Board or the Owners as provided in Section 8.10 and shall have accepted such appointment, in which event such resignation shall take effect immediately on the acceptance of such appointment by such successor whether or not the date specified for such resignation to take effect has arrived. If a successor Trustee shall not have been appointed and accepted such appointment within a period of sixty (60) days following the giving of notice, then the Trustee, at the expense of the Board, shall be authorized to petition any court of competent jurisdiction to appoint a successor Trustee as provided in Section 8.10.

Section 8.9. Removal of Trustee; Consent of Owners. The Trustee may be removed at any time, with written notice to the Purchaser, by an instrument in writing approved by and executed in the name of the Board and delivered to the Trustee; *provided, however*, that if an Event of Default shall have occurred and be continuing, the Trustee may be so removed by the Board only with the written concurrence of the Owners of a majority in aggregate principal amount of Notes then Outstanding (excluding Notes held by or for the account of the Board). The Trustee may be removed at any time by the Owners of a majority in aggregate principal amount of the Notes then Outstanding, excluding any Notes held by or for the account of the Board, by an instrument or concurrent instruments in writing signed and duly acknowledged by such Owners or their attorneys-in-fact duly authorized, and delivered to the Board. Copies of each such instrument shall be delivered by the Board to each Fiduciary.

Section 8.10. Appointment of Successor Trustee.

(A) In case at any time the Trustee shall resign, be removed or become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee, or of its property, shall be appointed, or if any public officer or court shall take charge or control of the Trustee, or of its property or affairs, the Board shall appoint a successor Trustee. The Board shall cause notice of any such appointment made by it to be mailed to all Owners of the Notes.

(B) If no appointment of a Trustee shall be made by the Board within sixty (60) days following such resignation or removal pursuant to the foregoing provisions of this Section 8.10, the Trustee or the Owner of any Note Outstanding hereunder may apply to any court of competent jurisdiction to appoint a successor Trustee. Such court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Trustee.

(C) Any Trustee appointed under the provisions of this Section in succession to the Trustee shall be a bank or trust company or national bank association, doing business and having a corporate trust office in the State of Illinois, and having capital stock and surplus aggregating at least \$15,000,000, or shall be a wholly-owned subsidiary of such an entity, if there be such a bank, trust company, national banking association or subsidiary willing and able to accept the

office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Indenture.

(D) Notwithstanding any of the provisions of this Article VIII to the contrary concerning the resignation or removal of the Trustee or the appointment of a successor Trustee, no such resignation, removal or appointment shall be effective until the successor Trustee accepts its appointment.

Section 8.11. Transfer of Rights and Property to Successor Trustee. Any successor Trustee appointed under this Indenture shall execute, acknowledge and deliver to its predecessor Trustee, and also to the Board, an instrument accepting such appointment, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Trustee; but the predecessor Trustee shall nevertheless, on the written request of the Board or of the successor Trustee, execute, acknowledge and deliver such instruments of conveyance and further assurances and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor Trustee all its right, title and interest in and to any property held by it under this Indenture, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Should any deed, conveyance or instrument from the Board be required by such successor Trustee for more fully and certainly vesting in and confirming to such successor Trustee any such moneys, estates, properties, rights, powers and duties, such deed, conveyance or instrument shall be executed, acknowledged and delivered by the Board. Any such successor Trustee shall promptly notify any other Fiduciary of its appointment as Trustee.

Section 8.12. Merger or Consolidation. Any company into which any Fiduciary may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which all or substantially all of the corporate trust business of any Fiduciary may be sold or transferred, shall be the successor to such Fiduciary and be bound to the obligations and duties of such Fiduciary hereunder without the execution or filing of any paper or the performance of any further act, unless such successor delivers written notice of its resignation pursuant to the provisions of this Article; *provided, however*, that such company shall be a bank or trust company organized under the laws of any state of the United States or a national banking association and shall be authorized by law to perform all the duties imposed upon it by this Indenture.

Section 8.13. Adoption of Authentication. In case any of the Notes shall have been authenticated but not delivered, any successor Trustee may adopt the certificate of authentication of any predecessor Trustee so authenticating such Notes and deliver such Notes so authenticated; and in case any of the said Notes shall not have been authenticated, any successor Trustee may authenticate such Notes in the name of the predecessor Trustee or in its own name.

Section 8.14. Resignation or Removal of Paying Agent and Appointment of Successor.

(A) Any Paying Agent may at any time resign and be discharged of the duties and obligations imposed upon it by this Indenture by giving at least sixty (60) days' written notice to

the Board and the other Fiduciaries, and such resignation shall take effect upon the day specified in such notice but only if a successor shall have been appointed as provided herein. Any Paying Agent appointed by the Board may be removed at any time by an instrument signed by a Designated Official and filed with such Paying Agent and the Trustee. Upon receiving such a notice of resignation, or in case at any time such Paying Agent shall cease to be eligible under this Section, the Board shall promptly appoint a successor Paying Agent, shall give written notice of such appointment to each Fiduciary and shall mail notice of such appointment to all Owners of Notes. Any successor Paying Agent shall be a bank with trust powers or a trust company organized under the laws of any state of the United States or a national banking association, having capital stock and surplus aggregating at least \$15,000,000, or shall be a wholly-owned subsidiary of such an entity, willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Indenture.

(B) In the event of the resignation or removal of any Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys held by it as Paying Agent to its successor, or if there be no successor, to the Trustee and shall be subject to audit of all of its books, records and accounts with respect to the Notes. In the event that for any reason there shall be a vacancy in the office of any Paying Agent, the Trustee shall act as such Paying Agent.

Section 8.15. Resignation or Removal of Registrar and Appointment of Successor.

(A) Any Registrar may at any time resign and be discharged of the duties and obligations imposed upon it by this Indenture by giving at least sixty (60) days' written notice to the Board and the other Fiduciaries, and such resignation shall take effect upon the day specified in such notice but only if a successor shall have been appointed as provided herein. Any Registrar may be removed at any time by an instrument signed by a Designated Official and filed with such Registrar and the Trustee. Any successor Registrar shall be appointed by the Board and shall be a bank, trust company or national banking association doing business and having an office in the State of Illinois or in the Borough of Manhattan, in the City and State of New York, if there be such a bank, trust company or national banking association willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Indenture.

(B) In the event of the resignation or removal of any Registrar, such Registrar shall deliver all books, records and other property including the note register of the Board to its successor, or if there be no successor, to the Trustee. In the event that for any reason there shall be a vacancy in the office of any Registrar, the Trustee shall act as such Registrar.

Section 8.16. Trustee Not Deemed to Have Notice of Default. The Trustee shall not be deemed to have notice of any default hereunder except a default under Section 7.1(1), (2) or (3) unless any officer in its corporate trust office shall have actual knowledge thereof or the Trustee shall be specifically notified in writing of such default by the Board, or by the Owners of not less than a majority in principal amount of the Notes Outstanding; and all notices or other instruments required by this Indenture to be delivered to the Trustee must, in order to be effective, be delivered at the corporate trust office of the Trustee.

Section 8.17. Monthly Report by Trustee. Within twenty (20) days after the end of each calendar month, the Trustee shall prepare a written report for each Fund, Account and Sub-Account held by it pursuant to the provisions of this Indenture. Such report shall set out the receipts and disbursements, both principal and income, and shall list the Investment Securities held by the Trustee at the end of the month. A copy of each such report shall be furnished to the Board and any persons designated by the Board.

In addition, the Trustee shall, at any time when requested, furnish to the Board and any persons designated by the Board a report of the amount of moneys, including Investment Securities, held in each Fund by the Trustee. For purposes of this certification, the Investment Securities in each such Fund shall be treated as having a value equal to their aggregate market value as of the date of the request.

ARTICLE IX

Section 9.1. Supplemental Indentures Not Requiring Consent of Owners. The Board and the Trustee may without the consent of, or notice to, any of the Owners, enter into a Supplemental Indenture or Supplemental Indentures as shall not be inconsistent with the terms and provisions hereof for any one or more of the following purposes:

Section 9.2. Supplemental Indentures Effective Upon Consent of Owners. Any Supplemental Indenture not effective in accordance with Section 9.1 shall take effect only if permitted and approved and in the manner prescribed by Article X.

Section 9.3. Filing of Counsel's Opinion. Each Supplemental Indenture described in Section 9.1 shall be accompanied, when filed with the Trustee, by a Counsel's Opinion to the effect that such Supplemental Indenture has been duly authorized by the Board in accordance with the provisions of this Indenture, is authorized or permitted by this Indenture and, when executed and delivered, will be valid and binding upon the Board, the Owners and the Trustee.

ARTICLE X

Amendments

Section 10.1. Mailing. Any provision in this Article for the mailing of a notice or other information to Owners shall be fully complied with if it is mailed by first class mail, postage prepaid or delivered, to each Owner of Notes then Outstanding at its address, if any, appearing upon the registration books of the Board kept by the Trustee.

Section 10.2. Powers of Amendment. Exclusive of Supplemental Indentures covered by Section 9.1 and subject to the terms and provisions contained in this Section 10.2, and not otherwise, the Owners of not less than a majority in aggregate principal amount of the Notes then Outstanding shall each have the right, from time to time, to (i) consent to and approve the execution by the Board and the Trustee of such other indenture or indentures supplemental hereto as shall be deemed necessary and desirable by the Board for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture or in any supplemental indenture, or (ii) waive or consent to the taking by the Board of any action prohibited, or the omission by the Board of the taking of any action required, by any of the provisions of this Indenture or of any indenture supplemental hereto; *provided, however*, that nothing in this Section 10.2 or in Section 9.1 contained shall permit or be construed as permitting, (a) an extension of the stated maturity or reduction in the principal amount or reduction in the rate or extension of the time of paying of interest on, or reduction of any premium payable on the payment or redemption of any Note, (b) except for the pledge of the Pledged Tax Receipts in connection with the issuance of Additional Notes, the creation of any lien prior to or on a parity with the lien of this Indenture, without the consent of the Owners of all the Notes at the time Outstanding, (c) a reduction in the aforesaid aggregate principal amount of Notes, the Owners of which are required to consent to any such waiver or Supplemental Indenture, without the consent of the Owners of all the Notes at the time Outstanding which would be affected by the action to be taken, or (d) a modification of the rights, duties or immunities of the Trustee, without the written consent of the Trustee, [or (e) the loss of the exclusion from federal gross income of the Owners of the interest paid on the Notes held by a non-consenting Owner to the extent otherwise afforded under the Code and Regulations.]

Section 10.3. Consent of Owners. The Board may at any time authorize the execution and delivery of a Supplemental Indenture making a modification or amendment

permitted by the provisions of Section 10.2, to take effect when and as provided in this Section. Upon the authorization of such Supplemental Indenture, a copy thereof shall be delivered to and held by the Trustee for the inspection of the Owners. A copy of such Supplemental Indenture (or summary thereof or reference thereto in form approved by the Trustee) together with a request to Owners for their consent thereto in form satisfactory to the Trustee, shall be mailed to the Owners, but failure to mail such copy and request shall not affect the validity of such Supplemental Indenture when consented to as in this Section provided. Such Supplemental Indenture shall not be effective unless and until, and shall take effect in accordance with its terms when (a) there shall have been filed with the Trustee (i) the written consents of the Owners of the required aggregate principal amount of Outstanding Notes, and (ii) a Counsel's Opinion stating that the execution and delivery of such Supplemental Indenture has been duly authorized by the Board in accordance with the provisions of this Indenture, is authorized or permitted by this Indenture and, when effective, will be valid and binding upon the Board and the Trustee, and (b) a notice shall have been mailed as hereinafter in this Section provided. A certificate or certificates by the Trustee delivered to the Board that consents have been given by the Owners of the Notes described in such certificate or certificates of the Trustee shall be conclusive. Any such consent shall be binding upon the Owner of the Notes giving such consent and upon any subsequent Owner of such Notes and of any Notes issued in exchange therefor or replacement thereto, whether or not such subsequent Owner has notice thereof; *provided, however*, that any consent may be revoked by any Owner of such Notes by filing with the Trustee, prior to the time when the Trustee's written statement hereafter in this Section referred to is filed, a written revocation, with proof that such Notes are held by the signer of such revocation. The fact that a consent has not been revoked may be proved by a certificate of the Trustee to the effect that no revocation thereof is on file with it. Any consent, or revocation thereof, may be delivered or filed prior to any mailing or publication required by this Article and shall not be deemed ineffective by reason of such prior delivery or filing. Within thirty (30) days of any date on which the consents on file with the Trustee and not theretofore revoked shall be sufficient under this Section, the Trustee shall make and deliver to the Board a written statement that the consents of the Owners of the required aggregate principal amount of Outstanding Notes have been filed with the Trustee. Such written statement shall be conclusive that such consents have been so filed. Any time thereafter notice, stating in substance that the Supplemental Indenture has been consented to by the Owners of the required principal amount of Outstanding Notes and will be effective as provided in this Section, shall be given by mailing to the Owners (but failure to mail such notice or any defect therein shall not prevent such Supplemental Indenture from becoming effective and binding). The Trustee shall deliver to the Board proof of the mailing of such notice. A record, consisting of the information required or permitted by this Section to be delivered by or to the Trustee, shall be proof of the matters therein stated.

Section 10.4. Modifications by Unanimous Action. This Indenture and the rights and obligations of the Board and of the Owners of the Notes may be modified or amended in any respect by a Supplemental Indenture effecting such modification or amendment and with the consents of the Owners of all the Notes then Outstanding, each such consent to be accompanied by proof of the holding at the date of such consent of the Notes with respect to which such consent is given. Such Supplemental Indenture shall take effect upon the filing (a) with the Trustee of (i) a copy thereof, (ii) such consents and accompanying proofs and (iii) the Counsel's Opinion referred to in Section 10.3 and (b) with the Board of the Trustee's written statement that the consents of the Owners of all Outstanding Notes have been filed with it. No mailing or

publication of any Supplemental Indenture (or reference thereto or summary thereof) or of any request or notice shall be required. No such modification or amendment, however, shall change or modify any of the rights or obligations of any Fiduciary without its written consent thereto.

Section 10.5. Exclusion of Notes. Unless all Notes are owned or held by or for the account of the Board, Notes owned or held by or for the account of the Board shall not be deemed Outstanding and shall be excluded for the purpose of any calculation required by this Article. At the time of any consent or other action taken under this Article, the Board shall furnish the Trustee a certificate of a Designated Official, upon which the Trustee may rely, identifying all Notes so to be excluded.

Section 10.6. Notation on Notes. Notes authenticated and delivered after the effective date of any action taken in connection with a Supplemental Advance, Repaid Advance or as in Article IX or this Article provided may, and if the Trustee so determines shall, bear a notation by endorsement or otherwise in form approved by the Board and the Trustee as to such action, and upon demand of the Owner of any Note Outstanding at such effective date and presentation of its Note to the Trustee, suitable notation shall be made on such Note by the Trustee as to any such action. If the Board or the Trustee shall so determine, new Notes so modified which, in the opinion of the Trustee and the Board, conform to such action may be prepared, authenticated and delivered, and upon demand of the Owner of any Note then Outstanding shall be exchanged, without cost to such Owner, for such Note then Outstanding.

ARTICLE XI

Miscellaneous

Section 11.1. Defeasance.

(A) If the Board shall pay or cause to be paid or there shall otherwise be paid to the Owners of all Notes the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Indenture, then the pledge of the Trust Estate under this Indenture and all covenants, agreements and other obligations of the Board to the Owners shall thereupon be discharged and satisfied. In such event, the Trustee, upon request of the Board, shall provide an accounting of the assets managed by the Trustee to be prepared and filed with the Board for any year or part thereof requested, and shall execute and deliver to the Board all such instruments as may be desirable to evidence such discharge and satisfaction, and the Fiduciaries shall pay over or deliver to the Board all moneys and securities held by them pursuant to this Indenture which are not required for the payment of Notes not previously surrendered for such payment or redemption. If the Board shall pay or cause to be paid, or there shall otherwise be paid, to the Owners of all Outstanding Notes of a particular maturity or portion of any maturity, the principal or Redemption Price, if applicable, thereof and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Indenture, such Notes shall cease to be entitled to any lien, benefit or security under this Indenture, and all covenants, agreements and obligations of the Board to the Owners of such Notes and to the Trustee shall thereupon be discharged and satisfied.

(B) Notes or interest installments for the payment or redemption of which moneys shall have been set aside and held in trust by the Trustee at or prior to their maturity or redemption date shall be deemed to have been paid within the meaning of and with the effect expressed in this Section 11.1 if the Board shall have delivered to or deposited with the Trustee (a) irrevocable instructions to pay or redeem all of said Notes in specified amounts no less than the respective amounts of, and on specified dates no later than the respective due dates of, their principal, (b) irrevocable instructions to mail the required notice of redemption of any Notes so to be redeemed, (c) either moneys in an amount which shall be sufficient, or Defeasance Obligations the principal of and the interest on which when due will provide moneys which shall be sufficient, in the opinion of a nationally recognized firm of independent public accountants, without further reinvestment, to pay when due the principal, Redemption Price, if applicable, and interest due and to become due on said Notes on and prior to each specified redemption date or maturity date thereof, as the case may be, and (d) if any of said Notes are not to be redeemed within the next succeeding sixty (60) days, irrevocable instructions to mail to all Owners of said Notes a notice that such deposit has been made with the Trustee and that said Notes are deemed to have been paid in accordance with this Section and stating the maturity or redemption date upon which moneys are to be available for the payment of the principal or Redemption Price, if applicable, of said Notes. The Defeasance Obligations and moneys deposited with the Trustee pursuant to this Section shall be held in trust for the payment of the principal or Redemption Price, if applicable, and interest on said Notes. No payments of principal of any such Defeasance Obligations or interest thereon shall be withdrawn or used for any purpose other than the payment of such principal or Redemption Price of, or interest on, unless after such withdrawal the amount held by the Trustee and interest to accrue on Defeasance Obligations so held shall be sufficient to provide fully for the payment of the principal of or Redemption Price and interest on said Notes, at maturity or upon redemption, as the case may be.

(C) The Defeasance Obligations (or any portion thereof) held for the payment of the principal and Redemption Price of and interest on said Notes pursuant to paragraph (B) of this Section may not be sold, redeemed, invested, reinvested or removed from the lien of this Indenture in any manner or other Defeasance Obligations substituted therefor (any such direction to sell, redeem, invest, reinvest, remove or substitute to be referred to as a "Subsequent Action") unless prior to the taking of such Subsequent Action, the Trustee shall have received the following: (i) either (a) a certified copy of the proceedings of the Board authorizing the Subsequent Action, or (b) an opinion of counsel for the Board to the effect that such Subsequent Action has been duly authorized by all necessary action on the part of the Board; (ii) an opinion from a nationally recognized firm of independent public accountants to the effect that the Defeasance Obligations and cash available or to be available for payment of the Notes after the taking of the Subsequent Action will remain sufficient to pay, without any further reinvestment thereof, the principal and Redemption Price of and interest on said Notes, the Notes at or prior to their maturity in the manner provided in paragraph (B) of this Section; (iii) an Opinion of Bond Counsel to the effect that the Subsequent Action will not adversely affect any exemption from federal income tax of the interest paid on the Notes to which such Notes are otherwise entitled; and (iv) such other documents and showings as the Trustee may reasonably require.

If after any such Subsequent Action there are any funds on deposit in the escrow account which are not needed by the Trustee for the payment when due of the principal of and interest on said Notes, in accordance with the terms of this Indenture as demonstrated by the sufficiency

opinion or certificate delivered pursuant to clause (ii) of the preceding paragraph, the Trustee shall transfer to the Board free and clear of the lien of the Indenture, to be applied to any lawful purpose in such manner that, in the Opinion of Bond Counsel, will not adversely affect any exemption from federal income tax of the interest paid on the Notes to which such Notes are otherwise entitled.

(D) Any time after any Notes are deemed to be paid pursuant to this Section 11.1, the Board shall not at any time permit any of the proceeds of the Notes or any other funds of the Board to be used directly or indirectly to acquire any securities or obligations the acquisition of which would cause any Note to be an “*arbitrage bond*” as defined in the Code and Regulations.

(E) Each Fiduciary shall continue to be entitled to reasonable compensation for all services rendered under this Indenture, notwithstanding that any Notes are deemed to be paid pursuant to this Section 11.1. Such compensation shall be paid by the Board from lawfully available funds and no Fiduciary shall have a claim against the Trust Estate for such compensation except as may be expressly provided herein.

(F) Anything in this Indenture to the contrary notwithstanding, any moneys held by any Fiduciary in trust for the payment and discharge of any of the Notes which remain unclaimed for two years after the date when such Notes have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such moneys were held by the Fiduciary at such date, or for two years after the date of deposit of such moneys if deposited with such Fiduciary after the said date when such Notes become due and payable, shall, at the written request of the Board, be repaid by the Fiduciary to the Board, as its absolute property and free from trust, and the Fiduciary shall thereupon be released and discharged with respect thereto and the Owners of such Notes shall look only to the Board for the payment of such Notes.

Section 11.2. Evidence of Signatures of Owners and Ownership of Notes.

(A) Any request, consent, revocation of consent or other instrument which this Indenture may require or permit to be signed and executed by the Owners may be in one or more instruments of similar tenor, and shall be signed or executed by such Owners in person or by their attorneys appointed in writing. Proof of (i) the execution of any such instrument, or of an instrument appointing any such attorney, or (ii) the holding by any Person of the Notes shall be sufficient for any purpose of this Indenture (except as otherwise herein expressly provided) if made in the following manner, or in any other manner satisfactory to the Trustee, which may nevertheless in its discretion require further or other proof in cases where it deems the same desirable:

(1) The fact and date of the execution by any Owner or its attorney of such instruments may be proved by a guarantee of the signature thereon by a bank, national banking association or trust company or by the certificate of any notary public or other officer authorized to take acknowledgments of deeds, that, the Person signing such request or other instruments acknowledged to that person the execution thereof, or by an affidavit of witness of such execution, duly sworn to before such notary public or other officer. Where such execution is by an officer of a Board or association or a member of a

partnership, on behalf of such Board, association or partnership, such signature guarantee, certificate or affidavit shall also constitute sufficient proof of authority.

(2) The ownership of Notes and the amount, numbers and other identification and date of holding the same shall be proved by the registration book maintained by the Trustee or any Registrar.

(B) Any request or consent by the Owner of any Note shall bind all future Owners of such Note in respect of anything done or suffered to be done by the Board or any Fiduciary in accordance therewith.

Section 11.3. Moneys Held for Particular Notes. The amounts held by any Fiduciary for the payment of interest, principal or Redemption Price due on any date with respect to particular Notes shall, on and after such date and pending such payment, be set aside on its books and held in trust by it for the Owners of the Notes entitled thereto.

Section 11.4. Preservation and Inspection of Documents. All documents received by any Fiduciary under the provisions of this Indenture, shall be retained in its possession and shall be subject at all reasonable times to the inspection of the Board, any other Fiduciary, and any Owner and their agents and their representatives, any of whom may make copies thereof.

Section 11.5. Cancellation and Destruction of Notes. All Notes paid or redeemed, either at or before maturity, and all mutilated Notes surrendered pursuant to Section 2.6, shall be delivered to the Trustee when such payment or redemption is made or upon surrender, as the case may be, and such Notes, together with all Notes purchased by the Trustee, shall thereupon be promptly canceled. Notes so canceled may at any time be destroyed by the Trustee, who shall execute a certificate of destruction in duplicate by the signature of one of its authorized officers describing the Notes so destroyed, and one executed certificate shall be delivered to the Board and the other retained by the Trustee.

Section 11.6. Parties' Interest Herein. Nothing in this Indenture expressed or implied is intended or shall be construed to confer upon, or to give to, any Person, other than the Board, the Fiduciaries and the Owners of the Notes, any right, remedy or claim under or by reason of this Indenture or any covenant, condition or stipulation thereof; and all the covenants, stipulations, promises and agreements in this Indenture contained by and on behalf of the Board shall be for the sole and exclusive benefit of the Board, the Fiduciaries and the Owners of the Notes.

Section 11.7. No Recourse on the Notes.

(A) No recourse shall be had for the payment of the principal or Redemption Price of or interest on the Notes or for any claim based thereon or on this Indenture against any past, present or future member, director, officer, employee or agent of the Board, or any successor, public body or any person executing the Notes, either directly or through the Board, under any rule of law or equity, statute or constitution or otherwise, and all such liability of any such officers, directors, members, employees or agents as such is hereby expressly waived and released as a condition of and consideration for the execution of this Indenture and the issuance of the Notes.

(B) No member, officer, director, agent or employee of the Board shall be individually or personally liable for the payment of the principal or Redemption Price of or interest on the Notes; but nothing herein contained shall relieve any such member, officer, director, agent or employee from the performance of any official duty provided by law.

(C) All covenants, stipulations, obligations and agreements of the Board contained in this Indenture shall be deemed to be covenants, stipulations, obligations and agreements of the Board to the full extent authorized and permitted by the Constitution and laws of the State of Illinois, and no covenants, stipulations, obligations or agreements contained herein shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future member, officer, director, agent or employee of the Board in his or her individual capacity, and no officer executing the Notes shall be liable personally on the Notes or be subject to any personal liability or accountability by reason of the issue thereof. No member, officer, director, agent or employee of the Board shall incur any personal liability in acting or proceeding or in not acting or not proceeding in accordance with the terms of this Indenture.

Section 11.8. Successors and Assigns. Whenever in this Indenture the Board is named or referred to, it shall be deemed to include its successors and assigns and all the covenants and agreements in this Indenture contained by or on behalf of the Board shall bind and inure to the benefit of its successors and assigns whether or not so expressed.

Section 11.9. Severability of Invalid Provisions. If any one or more of the covenants or agreements provided in this Indenture on the part of the Board or any Fiduciary to be performed should be contrary to law, then such covenant or covenants or agreement or agreements shall be deemed severable from the remaining covenants and agreements, and shall in no way affect the validity of the other provisions of this Indenture.

Section 11.10. Notices. Any notice, demand, direction, request or other instruments authorized or required by this Indenture to be given to, delivered to or filed with the Board, the Trustee or the Purchaser shall be deemed to have been sufficiently given, delivered or filed for all purposes of the Indenture if and when sent by registered mail, postage prepaid, return-receipt requested:

Re: Not to exceed \$_____,000,000

Educational Purposes Tax Anticipation Notes, Series 2014A

Ladies and Gentlemen:

This letter is to provide you with certain representations and agreements with respect to our purchase of the above-referenced notes (the "Notes"), dated their date of issuance. The Notes are issued under and secured in the manner set forth pursuant to (i) a Trust Indenture dated as of _____ 1, 2014, between the Board of Education of the City of Chicago (the "Issuer") and _____ (the "Trustee"), (the "Indenture"). _____ (the "Purchaser," the "undersigned," "us" or "we," as applicable) is purchasing the Notes pursuant to a Credit Agreement dated as of _____ 1, 2014 (the "Credit Agreement"), between the Issuer and the Purchaser. We hereby represent and warrant to you and agree with you as follows:

1. We understand that the Notes have not been registered pursuant to the Securities Act of 1933, as amended (the "1933 Act"), the securities laws of any state, nor has the Indenture been qualified pursuant to the Trust Indenture Act of 1939, as amended, in reliance upon certain exemptions set forth therein. We acknowledge that the Notes (i) are not being registered or otherwise qualified for sale under the "blue sky" laws and regulations of any state, (ii) will not be listed on any securities exchange, (iii) will not carry a rating from any rating service, and (iv) will not be delivered in a form that is readily marketable.
2. We have not offered, offered to sell, offered for sale or sold any of the Notes by means of any form of general solicitation or general advertising, and we are not an underwriter of the Notes within the meaning of Section 2(11) of the 1933 Act.

3. We have sufficient knowledge and experience in financial and business matters, including purchase and ownership of municipal and other tax-exempt obligations, to be able to evaluate the risks and merits of the investment represented by the purchase of the Notes.
4. We have authority to purchase the Notes and to execute this letter and any other instruments and documents required to be executed by the purchaser in connection with the purchase of the Notes.
5. The undersigned is a duly appointed, qualified and acting representative of the Purchaser and is authorized to cause the Purchaser to make the certifications, representations and warranties contained herein by execution of this letter on behalf of the Purchaser.
6. The undersigned is either (a) a "qualified institutional buyer" as defined in Rule 144A promulgated under the 1933 Act (a "*QIB*"), or (b) an "accredited investor" as defined in Rule 501 of Regulation D under the 1933 Act (an "*Accredited Investor*"), and, as such, is able to bear the economic risks of such investment in the Notes. The Purchaser understands that, in certain circumstances, it may be required to hold the Notes until the maturity thereof.
7. The undersigned understands that no official statement, prospectus, offering circular, or other comprehensive offering statement is being provided with respect to the Notes. The undersigned has made its own inquiry and analysis with respect to the Issuer, the Notes and the security therefor, and other material factors affecting the security for and payment of the Notes.
8. We understand and acknowledge that the Notes are limited obligations of the Issuer payable solely from the tax revenue collected from the Issuer's 2014 tax levy for educational purposes, and that neither the full faith and credit nor the taxing power of the Issuer is pledged to the payment of the principal of or interest on the Notes.
9. The undersigned acknowledges that it is familiar with the condition, financial or otherwise, of the Issuer and it has either been supplied with or been given access to information, including financial statements and other financial information, regarding the Issuer, to which a reasonable investor would attach significance in making investment decisions, and has had the opportunity to ask questions and receive answers from knowledgeable individuals concerning the Issuer, the Notes and the security therefor, so that as a reasonable investor, it has been able to make its decision to purchase the Notes. The undersigned acknowledges that it does not require further information from the Board for purposes of purchasing the Notes.
10. The Purchaser has made its own inquiry and analysis with respect to the Notes and the security therefor, and other material factors affecting the security and payment of the Notes. The Purchaser has assumed responsibility for obtaining such information and making such review as the Purchaser deemed necessary or desirable in connection with its decision to purchase the Notes. The Purchaser is aware that the business of the Issuer involves certain economic variables and risks that could adversely affect the security for the Notes.

11. The Notes are being acquired by the Purchaser for investment for its own account and not with a present view toward resale or distribution and the Purchaser intends to hold the Notes for its own account; *provided, however*, that the Purchaser reserves the right to sell, transfer or redistribute the Notes, subject to the provisions of the Credit Agreement, but agrees that any such sale, transfer or distribution by the Purchaser shall be in accordance with the Credit Agreement and the Indenture.
12. The Purchaser agrees to comply with any applicable state and federal securities laws then in effect with respect to any disposition of the Notes by it, and further acknowledges that any current exemption from registration of the Notes does not affect or diminish such requirements.

Very truly yours,

**AUTHORIZE CHANGE TO THE EDUCATIONAL FOCUS AT JOHN HANCOCK COLLEGE
PREPARATORY HIGH SCHOOL**

THE CHIEF EXECUTIVE OFFICER RECOMMENDS:

That the Board authorize a change to the educational focus at John Hancock College Preparatory High School ("Hancock") (School ID 609694), located at 4034 West 56th Street, Chicago, Illinois from an attendance area high school to a citywide Selective Enrollment High School (SEHS) program and a College and Career Academy (CCA) program, effective July 1, 2015.

A public hearing regarding changing the educational focus will be held on October 21, 2014.

DESCRIPTION: Effective July 1, 2015, a SEHS and a CCA program will be established at Hancock High School. Both programs will be phased in beginning with incoming 9th grade classes beginning in fall 2015. The SEHS program will be a citywide program serving approximately 105 incoming freshmen and the CCA program will serve approximately 105 incoming freshmen and provide a neighborhood preference for students living in its proximity area. Both programs will phase in one grade per year until the programs serve approximately 840 students in grades 9-12.

Curriculum:

Selective Enrollment High School (SEHS): The SEHS program provides academically advanced high school students with a challenging and enriched college preparatory experience that includes honors and Advanced Placement (AP) courses.

College and Career Academy (CCA): The CCA program offers a series of courses focused on high-demand industries which incorporate rigorous classroom instruction, hands-on training, real work experience, and extra student supports into a college-preparatory curriculum to prepare students for postsecondary success. The CCA program at Hancock will be split into two academies: Pre-Law and Pre-Engineering.

Enrollment: Current Hancock students are entitled to complete their education at the school while the SEHS and CCA programs are phased in. Beginning with the 2014-2015 application year, Hancock will enroll 50% of its students citywide for the selective enrollment seats and 50% of its students for the CCA program.

ADJUST THE ATTENDANCE BOUNDARIES FOR JOHN HANCOCK COLLEGE PREPARATORY HIGH SCHOOL, MARIE SKLODOWSKA CURIE METROPOLITAN HIGH SCHOOL, GURDON S. HUBBARD HIGH SCHOOL, AND ERIC SOLORIO ACADEMY HIGH SCHOOL

THE CHIEF EXECUTIVE OFFICER RECOMMENDS:

Effective June 30, 2015, adjust the attendance boundaries for John Hancock College Preparatory High School ("Hancock") (School ID 609694), located at 4034 West 56th Street, Chicago, Illinois, Marie Sklodowska Curie Metropolitan High School ("Curie") (School ID 609756), located at 4959 South Archer Avenue, Chicago, Illinois, Gurdon S. Hubbard High School ("Hubbard") (School ID 609741), located at 6200 S Hamlin Avenue, Chicago, Illinois, and Eric Solorio Academy High School ("Solorio") (School ID 610543), located at 5400 S St. Louis Avenue, Chicago, Illinois.

A public meeting was held on October 21, 2014 at the Chicago Public Schools' central office, located at 125 South Clark Street to discuss the proposed boundary changes.

DESCRIPTION: Pursuant to the Board of Education's Policy on the Review and Establishment of School Attendance Boundaries, 05-0622-PO1, the Chief Executive Officer may recommend the adjustment of school attendance boundaries.

These adjustments are necessary to change the educational focus of Hancock as an attendance area high school to a citywide school with a Selective Enrollment High School program and a College and Career Academy program for the incoming Fall 2015 9th grade cohort and each incoming 9th grade cohort thereafter. These changes will also remove the Hancock attendance area, reduce the Solorio attendance area, and expand the Hubbard and Curie boundaries over four school years, which will allow for a more balanced and efficient utilization of the four high schools. Students currently enrolled in Hancock, Curie, Hubbard, and Solorio will not be required to transfer as a result of the proposed boundary changes.

CHARTER RENEWAL PROPOSAL: The Chicago Charter School Foundation submitted a renewal proposal on September 1, 2011, to continue the Chicago International Charter School under a unified mission, using ChicagoQuest, Civitas, Edison Schools Inc, Distinctive Schools and Victory for comprehensive school management services. In January 2012, the Chicago Charter School Foundation submitted a material modification to increase the enrollment at the CICS-Ralph Ellison Campus, raising the at capacity enrollment to 630 students. As a result, the charter school shall serve grades Kindergarten through 12 with a maximum enrollment of 10,111 students.

The agreement incorporates an accountability plan in which the charter school is evaluated by the Board each year based on numerous factors related to academic, financial and operational performance.

In June 2013, Chicago Charter School Foundation submitted notification to the Office of Innovation and Incubation that the educational management organization for Chicago International Charter School - Irving Park Campus would change from Victory Educational Partners to Distinctive Schools beginning July 1, 2013.

The Office of Innovation and Incubation realized that it needed to correct the at capacity enrollment listed in the board report for the Chicago International Charter School – Ralph Ellison Campus from 630 to 570 students, thus decreasing the overall at capacity enrollment of the charter school from 10,111 to 10,051 students.

In February 2014, Chicago Charter School Foundation submitted a material modification to increase the at capacity enrollment at the Chicago International Charter School - Northtown Campus by 50 students to 900 students which will increase the overall at capacity enrollment at the charter school to 10,101 students beginning in the spring of 2015. A public hearing on the proposed change was held on Tuesday, October 7, 2014. The hearing was recorded and a summary report is available for review.

CHARTER EVALUATION: After receiving the charter renewal proposal, the Portfolio Office conducted a comprehensive evaluation of Chicago International Charter School's performance and operations. This evaluation included a review of the proposal, facilities surveys, financial analysis, and academic site visits of the Avalon/ South Shore, Basil, Bucktown, Lloyd Bond, Irving Park, Longwood, Prairie, Ralph Ellison and West Belden campuses in which teaching and learning, leadership and governance, and learning communities were assessed. A public hearing was conducted on Thursday, March 22, 2012 to receive public comments on the application to renew the Charter School Agreement with the Chicago Charter School Foundation for an additional five years. In addition, the Portfolio Office evaluated the school's student performance. From 2007-2008 to 2009-2010, Chicago International Charter School campuses received 21 of 50 high ratings, 21 of 50 middle ratings, and 8 of 50 low ratings. From 2007-2008 to 2009-2011, CICS' student attendance averaged approximately 94.0%. In 2010-2011, 23.5% of CICS students met or exceeded state standards on the PSAE Composite, a decrease of 7.3 percentage points from 2007-2008. In 2010-2011, the percentage of students meeting/exceeding state standards on the ISAT Composite was 76.8%, an increase of 4.4 percentage points from 2007-2008. In 2011, CICS was rated a Level 2 school at the high school level and a Level 2 school at the elementary school level, in accordance with the Performance, Remediation, and Probation Policy, the most recent framework put forth by the district for assessing charter pupil performance. The committee recommends that, based on the school's performance on these and other accountability criteria, Chicago International Charter School be authorized to continue operating as a charter school.

RENEWAL TERM: The term of Chicago International Charter School's charter and agreement is being extended for a five (5) year term commencing July 1, 2012 and ending June 30, 2017.

ADDITIONAL TERMS AND CONDITIONS: Additional terms and conditions will be communicated to the charter school and included as an attachment to the Charter School Agreement with the Chicago Charter School Foundation.

AUTHORIZATION: Authorize the General Counsel to include relevant terms and conditions, including any indemnities to be provided to the charter school, in the written Charter School Agreement and amendment, which shall reflect resolution of any and all outstanding issues between the Board and the governing body of the charter school including, but not limited to: site location, enrollment, funding, educational program, financial controls and practices, academic accountability and evaluations. Authorize the President and Secretary to execute the written Charter School Agreement and amendment. Authorize the Executive Senior Director of the Office of New Schools and Programs Innovation and Incubation to issue a letter notifying the Illinois State Board of Education of the action(s) approved hereunder and to submit the approved proposal and signed Charter School Agreement to the Illinois State Board of Education for certification.

LSC REVIEW: Approval of Local School Councils is not applicable to this report.

FINANCIAL: ~~The financial implications will be addressed during the development of the 2012-2013 fiscal year budget. Form of Intergovernmental Agreement

A-1

FORM OF INTERGOVERNMENTAL AGREEMENT
BETWEEN THE CITY OF CHICAGO,
BY AND THROUGH ITS DEPARTMENT OF FAMILY AND SUPPORT SERVICES,
AND THE BOARD OF EDUCATION OF THE CITY OF CHICAGO
REGARDING THE CPS CPC PROGRAM

This Intergovernmental Agreement (this "*Agreement*") is made and entered into as of the day of _____, 2014 (the "*Agreement Date*") by and between the City of Chicago (the "*City*"), a municipal corporation and home rule unit of government under Article VII, Section 6(a) of the 1970 Constitution of the State of Illinois, by and through its Department of Family and Support Services (the "*Department*"), and the Board of Education of the City of Chicago (the "*Board*" or "*CPS*"), a body corporate and politic, organized under and existing pursuant to Article 34 of the School Code of the State of Illinois.

RECITALS

WHEREAS, the Board desires to implement high quality pre-kindergarten programs (collectively, the "*CPS CPC Program*") in certain schools identified by the Board as serving at-risk children in order to increase school readiness and reduce later public school spending on special education ("*SPED*"), student retention, individual intervention and English language training; and

WHEREAS, initial support for operational costs for the CPS CPC Program will come from funds provided by certain lenders (the "*Lenders*") in the form of loans (the "*Loans*") made to IFF Pay for Success I, LLC, an Illinois limited liability company (the "*Project Coordinator*"); and

WHEREAS, the Project Coordinator will loan the proceeds of the Loans (the "*IFF Program Transfer Amounts*") to the City pursuant to the provisions of a Loan Agreement and Pay For Success Contract (the "*Pay For Success Agreement*") between the City and the Project Coordinator; and

WHEREAS, the Board agrees, pursuant to this Agreement, to utilize the IFF Program Transfer Amounts transferred to it by the Project Coordinator, on behalf of the City, to pay costs associated with implementing the CPS CPC Program; and

WHEREAS, to the extent the Board, through the CPS CPC Program, is successful in reducing expenditures for special education services as set forth in the Evaluation Plan, the Board agrees to pay the Board Pay-For-Success Payments for application pursuant to the Pay For Success Agreement; and

WHEREAS, the City and the Board now desire to enter into this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

ARTICLE ONE: INCORPORATION OF RECITALS AND DEFINITIONS

The recitals set forth above are incorporated herein by reference and made a part hereof. Capitalized terms used herein without definition shall have the meanings assigned to such terms in Exhibit A hereto or in the GSSIF Senior Loan Agreement.

ARTICLE TWO: CPS CPC PROGRAM

1. Description of CPS CPC Program. The five major goals of the CPS CPC Program are to (1) promote readiness for kindergarten in language and literacy, math, science, and socio-emotional learning; (2) increase proficiency and excellence in early school achievement, including reading, math, and science; (3) enhance social adjustment and psychological development in the early grades, including socio-emotional learning, school commitment, and self-control; (4) increase parent involvement and engagement in children's education throughout early childhood; and (5) enhance educational attainment, career opportunities, and personal development for parents and family members.

2. Description of Services.

The Board shall use the IFF Program Transfer Amounts received by the City for application hereunder to pay the project-related fees and expenses set forth in Exhibit C under the heading "Project Fees" to provide the services needed to implement the CPS CPC Program funded by the IFF Program Transfer Amounts in the school facilities identified in the Evaluation Plan attached hereto as Exhibit D, as amended from time to time in accordance with this Agreement. The services provided by the Board under the CPS CPC Program and related, supportive services to be provided by the Technical Services Provider pursuant to the Technical Services Agreement with the Project Coordinator are referred to herein as the "*CPS CPC Program Services.*"

The CPS CPC Program Services will be provided in accordance with the core program principles (the "*Core Program Principles*") attached as Exhibit E hereto. The Board shall not amend the Core Program Principles in any material respect without the prior written approval of the City and the Approval of the Lender Committee. In the event any such amendment (including any aspect of implementation of the CPS CPC Program Services) is not so approved by the City and/or the Lender Committee and the Board determines that such amendment is necessary for the effective implementation of the CPS CPC Program, the Board may, by notice to the City, the Project Coordinator and the Lenders, terminate this Agreement with respect to Project Year Cohorts commencing preschool in a Subsequent Project Year following the Project Year in which the Board determines that such amendment is necessary (provided that such termination shall not affect the obligations of the City and the Board pursuant to this Agreement with respect to Board Pay-For-Success Payments in the Initial Project Year and any Subsequent Project Years prior to the Subsequent Project Year with respect to which such notice of termination is given).

The CPS CPC Program Services will be provided in the school facilities described in the Evaluation Plan. Any additional school facilities at which CPS CPC Program Funded Services will be provided shall require the prior written approval of the City, which approval shall not be unreasonably withheld. The Board reserves the right to lease additional space and/or purchase equipment as needed to provide the CPS CPC Program Services, provided that the cost of any such additional space and/or equipment is paid for by the Board other than from the IFF Program Transfer Amounts.

The Board will ensure appropriate levels of staffing to perform the CPS CPC Program Services and in accordance with the Core Program Principles.

As set forth under the heading "Study Population" in the Evaluation Plan, the target population for the CPS CPC Program is preschool children residing primarily in low-income neighborhoods and who meet study eligibility criteria, as further described in the Evaluation Plan (the "*CPS CPC Program Population*").

As required by the Evaluation Plan and pursuant to Article Four hereof, for each Project Year commencing with the Project Year ending June 30, 2016 and ending with the Project Year that ends on June 30 of the last Project Year in which the last Subsequent Project Year Cohort completes twelfth (12th) grade, the Board will make Board Pay-For-Success Payments to the City in the amounts and at the times specified by notice to the Board from the Evaluator based on the Evaluator's evaluation of the Total Number of Special Education Slots Avoided (as such term is used and described in the Evaluation Plan) (each hereinafter referred to as "*Success*"). Reference is made to the Evaluation Plan for a detailed description of the evaluation criteria and performance measurement criteria. The Board and the City shall not, and shall not permit the Project Coordinator to, amend or modify the Evaluation Plan or the Evaluation Agreement or grant any waiver or consent under the Evaluation Agreement without the prior written approval of the other party hereto and the Approval of the Lender Committee.

3. Project Year Supplements.

(a) The Board and the City acknowledge and agree that Exhibit C sets forth only the project-related fees and expenses for the Initial Project Year. The Board shall prepare (in consultation with the Technical Services Provider) not later than June 1 of each Project Year, commencing with the Initial Project Year, a Project Year Supplement for the Subsequent Project Year. If necessary, the deadline for the Board to prepare the Project Year Supplement can be extended twice, each extension for a period of up to one month and each extension with the Approval of the Lender Committee; provided, however, the deadline for preparation of such Project Year Supplement for the Subsequent Project Year shall not extend beyond July 31. In

order for a Project Year Supplement to be adopted, it will be necessary for the Board, the City and the Project Coordinator, with the Approval of the Lender Committee, to agree upon the Project Year Supplement for the Subsequent Project Year by August 15. As part of each Project Year Supplement that is agreed to by the Board, the City and the Project Coordinator and Approved by the Lender Committee, Exhibit C will be revised and updated to reflect the project-related fees and expenses for such applicable Project Year. Each Project Year Supplement will set forth for the applicable Subsequent Project Year: (i) the Board Project Year Budgeted Amount, (ii) the City Project Year Appropriated Amount, (iii) the size of the Subsequent Project Year Cohort, (iv) the Project Year Budget including the IFF Program Transfer Amounts, (v) the "base case" level of Pay-For-Success Payments resulting from a change in the size of the Subsequent Project Year Cohort and (vi) any revisions to the Core Program Principles for the Subsequent Project Year.

4. Evaluator and Technical Services Provider.

(a) Simultaneously with the execution and delivery of this Agreement, the Project Coordinator shall enter into the Evaluation Agreement with the Evaluator (together with its successors duly appointed in accordance with the Pay For Success Agreement) to carry out the functions described in the Evaluation Agreement. The parties hereto anticipate that the Evaluator will deliver a final Evaluation Plan within ninety (90) days of the funding of the initial Loan Advance. The Evaluator will be responsible for, in accordance with the Evaluation Plan and the Evaluation Agreement, making the calculations described in Article Four hereof, applying the evaluation criteria, performance measurement criteria and evaluation methodology set forth in the Evaluation Plan, giving notice to the Board of the amounts and due dates of Board Pay-For-Success Payments hereunder and performing such other functions as are set forth in the Evaluation Plan. Pursuant to the Pay For Success Agreement, the Project Coordinator shall not replace the Evaluator or any successor thereto or amend, modify or terminate or waive or consent to any deviation from any material term or condition of the Evaluation Agreement without the prior written approval of the Board and the City and the Approval of the Lender Committee. The parties hereto agree that the Evaluator will be compensated, for all services provided pursuant to the Evaluation Agreement, by the Project Coordinator (i) for the Project Years ending June 30, 2015 and 2016, from proceeds of a grant provided by the Finnegan Family Foundation and (ii) for the Project Years commencing with the Project Year ending June 30, 2017, from Other Funding Sources to the extent Other Funding Sources are available for such purpose. To the extent that Other Funding Sources are not available to compensate the Evaluator for the Project Years commencing with the Project Year ending June 30, 2017, the Evaluator will be compensated by the Project Coordinator from proceeds of Loans, in the maximum aggregate principal amount of \$319,000, made to the Project Coordinator by the Lenders and in turn loaned to the City as Loan Advances pursuant to the Pay For Success Agreement. No such use of Loan Advances to pay the Evaluator shall increase the City's maximum obligations to make City Pay-For-Success Payments under the Pay For Success Agreement or the Board's maximum obligations to make Board Pay-For-Success Payments hereunder.

(b) Simultaneously with the execution and delivery of this Agreement, the Project Coordinator shall enter into a contract with the Technical Services Provider (together with its successors duly appointed in accordance with the Pay For Success Agreement) to provide the services as set forth in the Technical Services Agreement. Pursuant to the Pay For Success Agreement, the Project Coordinator shall not replace the Technical Services Provider or amend, modify or terminate or waive or consent to any deviation from any material term or condition of the Technical Services Agreement without the prior written approval of the Board and the City and the Approval of the Lender Committee. The parties hereto agree that the Technical Services Provider will be compensated by the Project Coordinator for all services provided pursuant to the Technical Services Agreement during the Initial Project Year from proceeds of the Loans made to the Project Coordinator by the Lenders and in turn loaned to the City as Loan Advances on or about the date hereof and, for Project Years subsequent to the Initial Project Year, from Other Funding Sources to the extent Other Funding Sources are available. In the event that Other Funding Sources are not available, the Technical Service Provider's role with respect to the CPS CPC Program will terminate. The Board hereby agrees to cooperate with the Technical Service Provider.

5. Provision of Information.

(a) The Board hereby agrees to provide such information as is required pursuant to this Agreement, the Evaluation Plan, the Evaluation Agreement and the Pay For Success Agreement to the Evaluator as is necessary for the Evaluator to carry out its respective evaluation and other responsibilities in accordance with this Agreement, the Evaluation Plan, the Evaluation Agreement and the Pay For Success Agreement. The Board acknowledges that, subject to applicable federal, State and local privacy laws, collective bargaining agreements, Freedom of Information Act requirements and Board policies, it will be bound by publicity provisions included as Appendix D to the Pay For Success Agreement, which provisions are deemed to be incorporated by reference into this Agreement.

(b) For so long as the Evaluator (or any successor thereto) is engaged and performing the duties set forth in Section 4(a) hereof, within 90 days after the end of each Semi-Annual Period, commencing with the Semi-Annual Period ending June 30, 2015, the CPS CPC Program Services Report shall be provided by the Board to the Evaluator for such Semi-Annual Period.

(c) The Board shall, and shall cause its officers, employees, auditors and agents to: (i) afford the officers, employees and authorized agents and representatives of the Project Coordinator, the Evaluator and the Technical Services Provider reasonable access, during normal business hours and upon a minimum of ten Business Days' notice, to its books and records directly related to this Agreement; and (ii) make available to such persons, the management, employees, officers, directors, accountants and auditors of the Board as the Project Coordinator may from time to time reasonably request, with a minimum of ten Business Days' notice.

(d) The Board hereby agrees to the provisions set forth in Article IV of the Pay For Success Agreement, and such provisions are deemed to be incorporated herein.

(e) The Board agrees that if, after receipt of notice (provided in accordance with the Evaluation Agreement) from the Evaluator that specified information that the Board is responsible for providing to the Evaluator and that is required to calculate Pay-For-Success Payments with respect to a particular Project Year Cohort in accordance with the Evaluation Agreement, the Board fails to provide such information required by the Evaluator with respect to such Project Year Cohort within 14 Business Days, the Evaluator shall assume that a "base case" level of Pay-For-Success Payments for the Project Year Cohort for which such required information was not provided has been achieved as specified in Exhibit C hereto for purposes of the Initial Project Year Cohort and as specified in the related Project Year Supplement for each Subsequent Project Year Cohort; provided, however, that if the Evaluator determines that the Board has demonstrated that its failure to deliver such information is due to an extraordinary event beyond the control of the Board, the Board shall have seven Business Days after the extraordinary event has been remedied to provide such information to the Evaluator.

(f) The Board agrees to provide additional information to the Project Coordinator to the extent required for the Project Coordinator to provide the information required by the Social Impact Reporting Requirements attached hereto as Exhibit B, provided that such information is available to the Board without unreasonable effort or expense and provided further that the Evaluator has provided the Board any information the Board needs to provide such additional information.

(g) In the event that the Evaluator or the Project Coordinator shall resign or be replaced, the City shall direct the Project Coordinator to, and the Project Coordinator shall direct the Evaluator to, return all documents, analyses and other data prepared by or received from the Evaluator under the Evaluation Agreement (the "Work Products") to the Board. The Project Coordinator may furnish Work Products and copies thereof to the Lenders, its legal advisors and accountants, or, with the consent of the City and the Board, to other parties.

ARTICLE THREE: FUNDING OF CPS CPC PROGRAM

1. Funding Schedules and Project Year Budgets. The Initial Project Year Funding Schedule is set forth in the Funding Plan attached as Exhibit C to this Agreement under the heading "Funding Schedule." The Subsequent Project Year Funding Schedule for each Subsequent Project Year shall be set forth in the Project Year Supplement for such Project Year. A Funding Schedule may be amended or modified from time to time by replacement of the Funding Schedule by the Project Coordinator only with the prior written approval of the Board and the

City and the Approval of the Lender Committee. The Project Year Budget for the Initial Project Year is attached as part of Exhibit C to this Agreement under the heading "Initial Project Year Budget." The Project Year Budget for each Subsequent Project Year shall be set forth in the applicable Project Year Supplement for such Project Year. A Project Year Budget may be amended from time to time as agreed to in writing by the Board, the City and the Project Coordinator, with the Approval of the Lender Committee. The Board and the City agree that the Funding Schedule and the Project Year Budget are based on a "base case" level of Pay-For-Success Payments and that actual Pay-For-Success Payments may be greater or lesser than the "base case" and the CPS CPC Program costs may be less than the "base case" as required by the terms of this Agreement depending on the operational savings realized by a reduction in the number of CPS CPC Funded Program Enrollees (provided that in no event will any reduction in any Project Year Cohort be made without the approval of the City and the Board and the Approval of the Lender Committee).

2. IFF Program Transfer Amounts. On each September 1 and January 1 (or if any such day is not a Business Day, on the immediately succeeding Business Day), the Board will submit a draw request ("*Project Draw Request*"), signed by the Board's Chief Financial Officer and the CPS Early Childhood Chief Officer, to the City's Commissioner of the Department of Family and Support Services with a copy to the Lenders and the Project Coordinator. Upon receipt of the signed Project Draw Request, the City agrees to request the Project Coordinator to transfer IFF Program Transfer Amounts pursuant to the Pay For Success Agreement to the account identified by the Board in the Project Draw Request for application in accordance with this Agreement. The Board covenants to cause all IFF Program Transfer Amounts received from the Project Coordinator for a Project Year to be applied exclusively to the costs of the provision of the CPS CPC Program for the CPS CPC Funded Program Slots for such Project Year. The Board covenants to cause the CPS CPC Program that is provided each Project Year pursuant to this Agreement to adhere to the Core Program Principles.

3. Board Budget. For each Project Year, with the exception of the Initial Project Year for which funds have already been budgeted, the Board covenants to cause the CPS Chief Financial Officer (in conjunction with the CPS Early Childhood Chief Officer) to request as part of the Board's proposed budget an inclusion in the budget for the Board for the then-applicable budget and fiscal period (the "*Board Budget*") of funds (the "*Board Budgeted Program Funds*") in an amount equal to the amount set forth in the Project Year Supplement under the heading "Projected Board Project Year Budgeted Amount". Upon the appropriation of any Board Budgeted Program Funds for any Project Year, the Board covenants to cause all Board Budgeted Program Funds for a Project Year to be applied exclusively to the costs of the provision of the CPS CPC Program for the CPS CPC Funded Program Slots for such Project Year. Nothing contained herein shall permit the City or the Project Coordinator to compel the Board to include Board Budgeted Program Funds in any final budget approved by the Board for any year; provided, however the Board recognizes that no Loans will be provided by the Lenders to the Project Coordinator and no Loan Advances will be provided by the Project Coordinator to the City and hence no Project Draw Requests will be able to be made by the Board for any budget and fiscal period for which Board Budgeted Program Funds are not included in the final budget approved by the Board for such fiscal and budget period. If any final budget of the Board for any Project Year does not include the full amount of the Board Budgeted Program Funds as contemplated by this Article Three, Section 3, then promptly upon the adoption of such final Budget, the Board shall give notice to the City and to the Lenders to such effect.

4. Project Coordinator Fees and Expenses. The parties hereto agree that the Project Coordinator will be compensated in the amounts and at the times set forth in Exhibit C hereto, for all services provided pursuant to the Pay For Success Agreement and the Loan Agreements, and all audit and tax expenses of the Project Coordinator (which expenses are capped at \$10,000 annually) will be reimbursed, from proceeds of the initial advance of the Loan for each Project Year made by the Lenders to the Project Coordinator and in turn loaned to the City as a Loan Advance on or about the date hereof. The fee of the Project Coordinator shall be deemed to be earned in accordance with Exhibit C hereto. If at any time the Project Coordinator resigns or is replaced and is required, pursuant to the terms of the Loan Agreements, to repay any unearned portion of its compensation to the Lenders, the return of such unearned portion shall be deemed a repayment of the corresponding amount of a Loan Advance.

5. Third Party Fees. The Project Coordinator shall be solely responsible to pay any and all third party vendors', advisors', legal counsel's and other professional service providers' costs, fees and expenses incurred in management of the Pay For Success Agreement and any related agreements (other than the costs, fees and expenses of the Evaluator, the Technical Services Provider and the Attorneys (as defined in the Pay For Success Agreement), which are being paid as provided in the Pay For Success Agreement) and performing its obligations hereunder and thereunder, and the Board shall have no liability for any of the foregoing costs, fees and expenses, including, but not limited to, fees paid to any financial advisor for assisting with the Pay For Success Agreement and identifying and enlisting the Lenders for services provided under this Agreement; provided, however, that the fees of the Evaluator, the Technical Services Provider and the Attorneys shall be paid from the sources of funds identified in Section 2.03(a), (b) and (d) of the Pay For Success Agreement.

ARTICLE FOUR: PAY FOR SUCCESS PAYMENTS

1. Board Budget. Subject to the provisions set forth in the third paragraph of this Section 1, for each Project Year, commencing with the Project Year ending June 30, 2017 and ending on June 30 of the Project Year after the last Project Year in which a Project Year Cohort completes twelfth (12th) grade, the Board covenants to cause the CPS Chief Financial Officer to request an inclusion in the Board Budget for the then-applicable fiscal period of funds necessary to pay either (i) the Board Pay-For-Success Payments for the prior Project Year based on a "base case" of Board Pay-For-Success Payments as specified in Exhibit C hereto for purposes of the Initial Project Year Cohort and as specified in the related Project Year Supplement for each Subsequent Project Year Cohort or (ii) if lesser and then known, the actual Board Pay-For-Success Payments determined to be due for the prior Project Year. If the Board shall determine that the "base case" of Board Pay-For-Success Payments is not the appropriate basis for a Board Budget request for any Project Year, the Board may propose an alternate basis to the Evaluator. If the Evaluator approves such alternate basis, the Board's request for inclusion in the Board Budget for the then-applicable fiscal period may be based on such alternate basis.

Further, the Board covenants that, to the extent it requests an inclusion in the Board Budget for the then applicable fiscal period funds for any early childhood program (defined for purposes hereof to mean any program for children prior to entering kindergarten), the Board will seek a request for Board Pay-For-Success Payments, determined in accordance with the preceding paragraph, due with respect to the preceding Project Year or due and unpaid for prior Project Years in accordance with the provisions of Article Two, this Article Four and the Pay For Success Agreement.

If the actual Board Pay-For-Success Payments owed by the Board for a particular Project Year are more than the amount included in the Board Budget for that Project Year, the Board shall request an amount equal to the deficiency in the Board Budget for the subsequent Project Year.

Unless the Board has received notice from the Project Coordinator that no further amounts are due and payable under the Loan Agreements and no further Board Pay-For-Success Payments are due from the Board hereunder as a result, the Board covenants to continue to make such budget requests until the later of (i) the Project Year after the Project Year in which the last Project Year Cohort completes twelfth (12th) grade or (ii) all Board Pay-for-Success Payments required hereby have been paid in full.

Upon the approval by the Board of any funds requested by the Board to pay Board Pay-For-Success Payments for any Project Year (the "*Board Budgeted Pay-for-Success Funds*"), the Board covenants to cause such Board Budgeted Pay-For-Success Funds to be deposited in the Board Designated Account in accordance with the provisions of this Article Four and the Pay For Success Agreement. If any final budget of the Board for any Project Year does not include the full amount of the Board Pay-For-Success Payments requested by the CPS Chief Financial Officer for such year, then promptly upon the adoption of such final budget, the Board shall give notice to the City and the Lenders to such effect.

2. Board Pay-For-Success Payments. Commencing with the Project Year ending on June 30, 2016 and ending with the last Project Year in which a Project Year Cohort completes sixth (6th) grade, the Evaluator shall calculate, pursuant to the Evaluation Plan, the amount, if any, of Board Pay-For-Success Payments due from the Board for such Project Year in accordance with the Evaluation Plan. By the October 1 following the completion of each Project Year under evaluation, the Evaluator shall deliver written notice of such amount (including the calculations supporting such amount) to the City, the Board, the Project Coordinator and the Lenders. The Evaluator's calculations delivered for each Project Year Cohort completing sixth (6th) grade will also include the amounts of Board Pay-For-Success Payments due for each of the following six Subsequent Project Years for such Project Year Cohort.

If for any Project Year no such notice is received by the Board from the Evaluator by October 15 of the following Project Year, then the Board shall notify the City, the Project Coordinator and the Lender Committee of such failure, and the Project Coordinator shall replace the Evaluator as promptly as practicable, subject to the approval of the City and the Board and the Approval of the Lender Committee.

The Board Pay-For-Success Payments will be due 30 Business Days after receipt of the Evaluator's notice of any Board Pay-For-Success Payments (other than Board Pay-For-Success Payments due for Project Year Cohorts in grades beyond sixth (6th) grade, which are due by the September 1 following each Project Year for which payment is due), and the Board shall, on behalf of the City, deposit such Board Pay-For-Success Payments in the Board Designated Account; *provided, however*, that if the Board shall determine, within ten (10) Business Days of receipt of notice from the Evaluator, that the calculation of the amounts set forth by the Evaluator contains any manifest mathematical error, the Board shall give notice describing such error to the Evaluator, the City, the Project Coordinator and the Lenders, and each of such parties will work in good faith to resolve the error (and upon such resolution the Board shall promptly pay the required amount as so resolved).

Unless the Board has received notice from the Project Coordinator that no further amounts are due and payable under the Loan Agreements and no further Board Pay-For-Success Payments are due from the Board hereunder as a result, the Board covenants to make such required Board Pay-For-Success Payments until the later of (i) the Project Year after the sixth anniversary of the Project Year the last Project Year Cohort completes sixth (6th) grade or (ii) the Board Pay-For-Success Payments required hereby have been paid in full.

3. Limit on Board Pay-For-Success Payments. Notwithstanding any provision of this Agreement or any other Core Document, (i) the maximum aggregate amount of Board Pay-For-Success Payments that are required to be made pursuant to and during the term of this Agreement is \$30,000,000, and the City shall cause all Board Pay-For-Success Payments to be paid to the Project Coordinator solely and only from (i) funds paid to it by the Board hereunder or (ii) other amounts legally available to be applied to such payments as expressly provided herein.

4. Prepayment. The Board shall have the right, but not the obligation, to prepay any portion or all of the Board Pay-For-Success Payments at any time. If the Board wishes to prepay any portion or all of the Board Pay-For-Success Payments, the Board shall, by notice to the Evaluator with copies to the City, the Project Coordinator and the Lenders, request the Evaluator to calculate the amount of Board Pay-For-Success Payments to be prepaid. With respect to Board Pay-For-Success Payments deposited in the Board Designated Account to pay the GSSIF Senior Lender or the NT Senior Lender, the prepayment amount will be an amount equal to the outstanding principal amount of the Loans due to the respective Lender under the respective Loan Agreement on the date of prepayment, plus accrued and unpaid interest thereon. With respect to Board Pay-For-Success Payments deposited in the Board Designated Account to pay the Subordinate Lender, the prepayment amount will be an amount equal to the present value of the outstanding and unpaid Board Pay-For-Success Payments assuming a "base case" level of Board Pay-For-Success Payments discounted to present value as of the date of notice of prepayment (the "Calculation Date") using a discount rate equal to the Treasury Rate (as defined below) plus 200 basis points. For purposes of this calculation described in the preceding sentence, "Treasury Rate" means, as of any Calculation date, the yield to maturity as of such prepayment date of United States Treasury securities with a constant maturity (as compiled and published in the most recent Federal Reserve Statistical Release H.15 (519) that has become publicly available at least two

Business Days prior to the Calculation Date (excluding inflation indexed securities (or, if such Statistical Release is no longer published, any publicly available source of similar market data)) most nearly equal to the period from the Calculation Date to the payment dates of the Board Pay-For-Success Payments to be prepaid; provided, however, that if the period from the Calculation Date to such prepayment date is less than one year, the weekly average yield on actual traded United States Treasury securities adjusted to a constant maturity of one year will be used. Upon the giving by the Evaluator of notice to the Board, the City, the Project Coordinator and the Lenders of the amount to be prepaid by the Board as so calculated, the Board shall deposit the amount of the prepayment as so calculated by the Evaluator to the Board Designed Account.

5. Acceleration. The Board covenants to pay any Board Pay-For-Success Payments resulting from the acceleration on September 1, 2028 (the "*Acceleration Date*") by any Lender of the outstanding amount of its respective Loan pursuant to Section 2.6.7 of the applicable Loan Agreement following receipt of notice from such Lender of such acceleration, which notice from such Lender must be sent 90 days prior to the Acceleration Date. The discount rate to be used in calculating the present value of the Board Pay-For-Success Payments as of the Acceleration Date shall be the discount rate set forth in Article 4, Section 4 hereof for voluntary prepayments of Board Pay-For-Success Payments. The Board's obligation to pay any accelerated Board Pay-For-Success Payments is subject to budgeted amounts being legally available to make such Board Pay-For-Success Payments. In the event that such amounts are not legally available, the provisions of Article 7, Section 2 hereof shall apply.

6. Limitations. The obligation of the Board to fund Board Pay-For-Success Payments or to make any other payments required by this Agreement shall not constitute an indebtedness or general obligation of the Board or a loan of its credit within the meaning of any statutory or Constitutional provision of the State.

ARTICLE FIVE: REPRESENTATIONS AND WARRANTIES OF THE BOARD

1. Organization. The Board represents and warrants that it is a (i) a body politic and corporate of the State of Illinois and governs the School District having boundaries coterminous with the boundaries of the City, (ii) established under and governed by Article 34 of the School Code and (iii) not a home rule unit of government.

The execution and delivery of this Agreement, the performance of the obligations hereunder, and the consummation of the transactions contemplated hereby have been duly authorized by all necessary action on the part of the Board and no other proceedings or actions on the part of the Board are necessary to authorize the execution and delivery of this Agreement and the consummation of the transactions contemplated hereby. This Agreement has been duly and validly executed and delivered by the Board and constitutes a valid and binding obligation of the Board, enforceable in accordance with its terms, except as enforcement may be limited by (i) bankruptcy, insolvency, reorganization, moratorium or other laws of general application affecting enforcement of creditors' rights generally, or (ii) laws relating to the availability of specific performance, injunctive relief or other equitable remedies.

3. Non-Contravention; No Violation. The execution and delivery of and performance by the Board of its obligations under this Agreement do not violate any applicable law or administrative regulation of the State of Illinois or the United States of America or any department, division, agency or instrumentality of either, or any applicable judgment or decree to which the Board is subject, or conflict, in a material manner with, or constitute a material breach of or a material default under any loan agreement, bond, note, resolution, ordinance, indenture, agreement or other instrument to which the Board is a party or is otherwise subject.

4. Governmental Consents. No consent, approval, authorization, license, governmental order or permit of, or declaration, filing or registration with, or notification to, any governmental authority is required to be made or obtained, and no consent or approval of any other person is required by the Board in connection with the execution, delivery and performance of this Agreement or the consummation of the transactions contemplated hereby.

6. Initial Project Year Board Budgeted Program Funds. For the Initial Project Year, Board Budgeted Program Funds have been budgeted for the provision of the CPS CPC Program to the Initial Project Year Cohort in the aggregate amount of \$2,104,498, which funds shall be advanced to the Board in accordance with Exhibit C hereto.

ARTICLE SIX: TERM AND TERMINATION

1. Term. The Term of the Agreement shall be deemed to have commenced as of the Agreement Date set forth above and shall remain in effect until the last Board Pay-For-Success Payments due from the Board are paid in accordance with this Agreement and the City, or the Board on its behalf, deposits the Board Pay-For-Success Payments in the Board Designated Account as detailed herein and in the Pay For Success Agreement.

2. Termination With Respect to Subsequent Project Year. If for any Subsequent Project Year the Board Project Year Budgeted Amount or the City Project Year Appropriated Amount is less than the amount reflected for such Subsequent Project Year in Exhibit C under the heading "Projected Board Project Year Budgeted Amount" or "Projected City Project Year Appropriated Amount" respectively and/or a Project Year Supplement is not mutually agreed to by the Board, the City and the Project Coordinator with the Approval of the Lender Committee, then each of the Board and the City shall have the right by notice to the other and to the Project Coordinator and the Lenders to terminate this Agreement with respect to such and all future Subsequent Project Years, and such termination shall be effective on the date such notice is received, provided that no such termination shall affect the obligations of the City and the Board pursuant to this Agreement with respect to Board Pay-For-Success Payments for the Initial Project Year and any Subsequent Project Years prior to the Subsequent Project Year with respect to which such notice of termination is given.

ARTICLE SEVEN: INDEMNITY; DEFAULT

1. Indemnification. The Board agrees to indemnify, defend and hold the City, its officers, officials, members, employees and agents harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the City arising from or in connection with the Board's failure to comply with any of the terms, covenants and conditions contained within this Agreement. The City agrees to indemnify, defend and hold the Board, its officers, officials, members, employees and agents harmless from and against any losses, costs, damages, liabilities, claims, suits, actions, causes of action and expenses (including, without limitation, reasonable attorneys' fees and court costs) suffered or incurred by the Board arising from or in connection with the City's failure to comply with any of the terms, covenants and conditions contained within this Agreement.

2. Events of Default - Board. The failure of the Board to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Board under this Agreement shall constitute an "Event of Default" by the Board hereunder. Upon the occurrence of an Event of Default, the City may, by notice to the Board, the Project Coordinator and the Lenders, terminate this Agreement in accordance with Article Six hereof and terminate transfers of IFF Program Transfer Amounts to the Board (provided that no such termination shall affect the obligations of the City and the Board pursuant to this Agreement with respect to Board Pay-For-Success Payments due for the Initial Project Year and any Subsequent Project Years prior to such termination). The City may, in any court of competent jurisdiction by any action or proceeding at law or in equity, proceed to protect its rights hereunder and may seek to compel

compliance by the Board with the terms and provisions hereof by suit or suits in equity or at law, for the specific performance of any covenant, term or condition hereof, or in aid of the execution of any power herein granted, and may exercise any other right or remedy upon such breach as may be granted under any other applicable provisions of law; provided, however, that the sole and absolute remedy for any breach of the Board's covenant, promise and agreement to make Board Pay-For-Success Payments shall be specific performance, and there shall be no right to declare an acceleration or accelerate the unpaid balance of Board Pay-For-Success Payments.

If the Board fails to make any Board Pay-For-Success Payment required by this Agreement within 30 Business Days after the due date of such payment, the City will (and any Lender may) provide notice to the Board of such failure, and the Board will have an additional 10 days after the giving of such notice to make such payment. If the Board's failure to make any Board Pay-For-Success Payments persists after such date, then the following provisions shall apply:

(i) The Board shall seek an appropriation of any due and unpaid Board Pay-For Success Payments for payment pursuant to this Agreement. To the extent that any funds are appropriated by the Board for early childhood education programs, the Board covenants to seek an appropriation for payment of any due and unpaid Board Pay-For-Success Payments;

(ii) The Board shall disclose any failure to pay the Board's Pay-For-Success Payments in the Board's comprehensive annual financial report ("CAFR") prepared by the certified public accounting firm engaged by the Board; and

(iii) The Board shall notify the Rating Services of any failure by the Board to pay the Board's Pay-For-Success Payments.

With respect to the covenants set forth in clauses (ii) and (iii) above, the Board may seek a waiver of such covenants with the Approval of the Lender Committee in the event that any non-payment of Board Pay-For-Success Payments is deemed immaterial in the opinion of the Board. The Approval of the Lender Committee of any such request shall not be unreasonably withheld.

Notwithstanding the foregoing, if the Board has included in the Board Budget for the then-applicable fiscal period the funds necessary to pay the Board Pay-For-Success Payments for the Prior Project Year based on a "base case" of Board Pay-For-Success Payments (or based on some alternate basis agreed to by the Evaluator pursuant to Article Four, Section 1 hereof) and such budgeted amount is less than the actual Board Pay-For-Success Payments due for such Project Year, the Board's failure to pay Board Pay-For-Success Payments due hereunder shall not constitute an Event of Default hereunder and the covenants set forth in clauses (ii) and (iii) above shall not apply. However, in such event, the Board shall request in the Board Budget for the subsequent Project Year an amount equal to satisfy such deficiency as required by Article Four, Section 1 hereof.

Anything herein to the contrary notwithstanding, nothing contained herein shall permit the City or the Project Coordinator to compel the Board to include Board Budgeted Pay-For-Success Funds in any final budget approved by the Board for any year.

If the Board has failed to make any Board Pay-For-Success Payment required by this Agreement as provided above or is in breach prior to the time that such payment is due, the City shall have no further obligations to transfer IFF Program Transfer Amounts to the Board pursuant to Article Three, Section 2 of this Agreement.

In the event the Board shall fail to perform a covenant other than its covenant to make Board Pay-For-Success Payments which the Board is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the Board has failed to cure such default within thirty (30) days of its receipt of a written notice from the City specifying the nature of the default; provided, however, with respect to those defaults, other than a default in the payment of a Board Pay-For-Success Payment and other than a failure to provide required information to the Evaluator, which are not capable of being cured within such thirty (30) day period, the Board shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

3. Events of Default - City. The failure of the City to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the City under this Agreement shall constitute an "Event of Default" by the City hereunder after notice and the opportunity to cure as set forth in the following paragraph. Upon the occurrence of an Event of Default, the Board may, by notice to the City, the Project Coordinator and the Lenders, terminate this Agreement in accordance with Article Six hereof (provided that no such termination shall affect the obligations of the City and the Board pursuant to this Agreement with respect to Board Pay-For-Success Payments due for the Initial Project Year and any Subsequent Project Years prior to such termination). The Board may, in any court of competent jurisdiction by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein.

In the event the City shall fail to perform a covenant which the City is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an Event of Default shall not be deemed to have occurred unless the City has failed to cure such default within thirty (30) days of its receipt of a written notice from the Board specifying the nature of the default; provided, however, with respect to those defaults which are not capable of being cured within such thirty (30) day period, the City shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

INTRODUCTION AND STUDY OBJECTIVES

The purpose of this document is to describe the methodology to be used to evaluate the impact of the Child Parent Center (CPC) Social Impact Bond (SIB) expansion on three primary impact outcomes: Special Education Utilization, Kindergarten Readiness, and Third Grade Literacy. This document also describes additional research questions that the Evaluator will seek to explore in collaboration with CPS to help the CPCs improve their performance. This methodology will be developed in conjunction with CPS and other experts in the early education field.

Participants in the CPC program (the Treatment Group) will be compared to groups of matched comparison students who did not have a CPC experience through the use of a propensity score matching algorithm. One comparison group will consist of children who did not attend any form of CPS Pre-K (No Pre-K comparison group). Another group will consist of children who attended some other type of CPS pre-K program, such as Head Start or Pre-School for All (Other Pre-K comparison group).

Payments based on Special Education utilization for the SIB project will be calculated using the difference in outcomes between the Treatment group and the No Pre-K comparison group.

Payments based on Kindergarten Readiness and Third Grade literacy will be calculated using outcomes of the treatment group relative to national standards

The Other CPS Pre-K comparison group will be used for sensitivity analyses and for addressing other research questions not related to payment triggers.

For the purposes of calculating payments owed as part of the SIB transaction, impacts will be estimated using the total population of eligible students at SIB CPC sites, and then scaled to reflect the actual number of seats funded by the Lenders. We will adjust the scaling factors annually to reflect observed mobility trends.

The primary impact outcome questions are as follows:

1. What is the impact of the CPC program on the rate at which students need an IEP?
2. What is the impact of the CPC program on Kindergarten Readiness as defined by performance on the TS Gold instrument (completed by teachers at the end of preschool)?
3. What is the impact of the CPC program on Third Grade literacy as defined by performance on the CPS 3rd grade assessment?

In addition to these impact outcome questions, this evaluation will also seek to answer qualitative research questions that will help improve the performance of the program going forward unrelated to the Pay for Success calculations. These research questions will be developed more fully in conjunction with CPS and other experts in the early education field, and will only be pursued subject to additional external funding. The questions may include:

1. How do the primary impact outcomes vary by key subgroups, including gender, race, prior pre-school attendance, English language learner status, and potentially other subgroups?
2. How is the CPC program impacting attendance in Pre-K? How does attendance vary by site? How does attendance vary compare to other CPS Pre-K programs? Are there policies in place at specific sites that could be driving improved attendance?
3. How does the CPC program support a transition to Kindergarten? What sites are better at retaining children from Pre-K to K, both within their host school and within the entire district? Where do children who transfer within CPS go and why? Are there different impact outcomes for students who have less mobility?

4. How successful is the CPC program at improving social-emotional learning outcomes (defined by the social-emotional components of the TS Gold instrument) compared to children enrolled in other CPS pre-K programs?
5. How successful is the CPC model at engaging parents? What strategies are the most effective at encouraging parental engagement? What strategies appear to have the greatest impact on children's outcomes?

This document will serve as a template for how the evaluation will be conducted. The Evaluator will draft a final Evaluation Plan to be approved by CPS, the City, the Project Coordinator with Approval of the Lender Committee (such term being defined herein as such term is defined in the Loan Documents of the Lenders) using this document as a framework. No changes to payment terms or payment terminology will be made.

STUDY POPULATION

Eligible Population – Treatment Group

The Treatment Group in this study will consist of four-year-olds¹ who are attending Pre-K at any of the CPC SIB sites, in full day or half day programs, who at any point during the school year are eligible for the National School Lunch Program (NSLP).

In the first year of the program, the following sites will be considered CPC SIB sites:

- De Diego
- Melody
- Peck
- Thomas
- Wadsworth
- Hanson Park

In the second year of the program, two additional sites, identified by CPS and approved by the City, will be added to the list of CPC SIB sites in addition to the sites listed above. If SIB funding in future years is used to add classrooms at additional schools as part of this project, those schools can be considered CPC SIB sites as well. If SIB funding is removed from one of the above sites, that site will no longer be considered a CPC SIB site.

A child may enter the program based on CPS age eligibility criteria. For the 2014/15 school year, this entailed being age 4 as of September 1st.

All four-year-olds at CPC SIB sites, including children attending full-day classes, will be included in the treatment group, subject to the exclusions listed below.

In the first year of the program, we anticipate that 374 new slots for four-year-olds will be created through the SIB program. In the second year of the program, we anticipate that we will create an additional 408 new slots for four-year-olds in addition to maintaining funding for the original 374. In the third year of the program, we anticipate that we will maintain the 782 new slots that were created in years one and two. In the fourth year of the project, we expect to provide funding for at least 680 slots. Overall at CPC SIB sites, we anticipate that approximately 840 four-year-olds will be served per year once the program is operating at scale, with 782 of those positions funded by the SIB. The new slot amounts will be finalized prior to the launch of each new cohort.

¹ The intention is to identify children in the "age cycle four" year -- the year prior to when they are planning to attend Kindergarten. At the time of the drafting of this document, this was defined by CPS as attaining age four on or before September 1st. This age identification protocol may be adapted as necessary to capture these children.

Year 1 contingency for CPC Treatment Group

Due to the timing of the contracting, some of the new classrooms to be added in the 2014/15 school year will not be ready to serve children until the school year has already begun. Five of the Year 1 CPC SIB Sites where we will be adding additional classrooms (De Diego, Melody, Peck, Thomas, and Wadsworth) have been operating as a CPC for a year or more. As a result, they have an established leadership team, trained and experienced teachers, and fully outfitted classrooms.

To ensure that the children being tracked are receiving a sufficient dosage of the CPC program, for Year 1 only we will restrict the Treatment group eligibility to children who are enrolled in one of these five established CPC SIB sites, in a classroom that was already established as of September 2nd 2014 (the start of the 2014/15 school year). CPS will proceed with opening the new classrooms once all contractual issues have been resolved, but the children who are enrolled in those classrooms (including children at Hanson Park, the new CPC for Year 1) will not be included in the outcome calculations for the purposes of determining payments. This will allow CPS leeway to identify and train high quality teachers, and mitigate the risk that the outcomes (or underlying characteristics) of children who enroll in a CPC Pre-K after the start of the year are different from those of their peers who enrolled at the start of the year. The outcomes of these late-enrollees can be used as a unique sub-group, but will not factor into any calculations that determine payment amounts.

It is anticipated that the sample size of eligible four-year-olds in existing classrooms at existing CPC SIB sites will be at least 300 students. As with future analyses, when calculating payments this number will be scaled to reflect the actual number of slots funded by the Lenders as part of this initiative.

Eligible Population – No Pre-K Comparison Group

The No Pre-K Comparison Group in this study will be identified via a propensity score matching algorithm that pulls from a pool of eligible No Pre-K children districtwide. The pool of eligible No Pre-K children will include all children who meet the following criteria:

- Are enrolled in a CPS Kindergarten program, excluding:
 - Charter schools
 - Schools currently operating a CPC, as part of the SIB program or otherwise
 - Magnet and Selective Enrollment Schools
 - Schools that serve exclusively a special education population
- Are five years of age as of September 1st
- Did not attend a CPS Pre-K program in the school year prior to beginning Kindergarten
- Did not attend a Head Start program funded through the City of Chicago
- Are eligible for NSLP at any point during the school year

A child will be considered to have attended a Pre-K program if that child attended 10 days or more of a city funded pre-school program, or any days at any CPC site over the course of the school year. Days need not have been attended consecutively.

The No Pre-K Comparison group will be identified the year that their matched Treatment cohort begins Kindergarten to ensure that children within both groups are on the same age cycle.

Eligible Population – Other CPS Pre-K Comparison Group

The Other CPS Pre-K Comparison Group in this study will be identified via a propensity score matching algorithm that pulls from a pool of eligible children who attended other forms of CPS pre-K within the district. The pool of eligible Other CPS Pre-K children will include children who meet the following criteria:

- Are enrolled in a CPS Pre-K program, excluding:
 - Charter schools
 - Schools currently operating a CPC, as part of the SIB program or otherwise

- Magnet and Selective Enrollment Schools
- Schools that serve exclusively a special education population
- Are four years of age as of September 1st.
- Are eligible for NSLP at any point during the school year

The Other CPS Pre-K Comparison group will be identified the same year that their matched Treatment cohort begins pre-school to ensure that children within both groups are on the same age cycle. This group will only be identified subject to available external funding

Exclusions for payment calculations

The hypothesis is that the CPC program will have the biggest impact on children who are deemed at risk for poor school performance and achievement, but who lack a severe or significant disability. Without additional support, many of these children may end up being diagnosed with a mild learning disability, emotional disturbance, or developmental delay (including speech/language impairment). For these children, additional support in the classroom and at home can help ensure that they stay on track developmentally with their peers, avoiding the need for years of special education services.

The same impact is not expected for children with severe disabilities (identified in preschool or at a later date), and it is also not expected that a preschool intervention would meet the needs of the child without the benefit special education services, nor would that be appropriate or within the parameters of a child's right to a free and appropriate education. To ensure that children have access to the supports they need based on a clinical evaluation, if a child at any point during the course of the study is diagnosed with a severe disability, he or she will be removed from the study group during the year that the disability is added to the child's IEP onward. The preliminary list of severe disabilities, with input from the Independent Evaluator, may be as follows:

- autism
- deaf-blindness
- deafness
- hearing impairment
- orthopedic impairment
- other health impairment
- traumatic brain injury
- visual impairment
- multiply disabled²
- intellectual disability
- students placed into self-contained classrooms for children with special needs

This list may be adapted at the discretion of the Evaluator with approval from CPS, the City, the Project Coordinator, and the Approval of the Lender Committee.

RECRUITMENT PROCEEDURES

Children are identified for enrollment under the *Chicago: Ready to Learn!* application process. A timeline of application, placement, registration, and enrollment of children for the 2014/15 school year is provided below; this will also serve as an illustrative plan for how the process will occur in future years:

	Action	Description
April and June 2014	<i>Chicago: Ready to Learn!</i> Application Rounds 1 & 2	Parents obtain information about potential programs through chicagoearlylearning.org , cps.edu/readytolearn and the Chicago: Ready to Learn! hotline. Parents apply at application centers across the city for preschool under two application rounds. ³ The first round is held during the month of March - April and the second round is held during the month of May-June. Parents can choose up to three schools.
May and July/August 2014	Placement	Parents are offered a placement in a school and/or are placed on a waiting list. Children placed in a preschool program or on a waiting list are put into schools' Program Management in the CPS SIM IMPACT system.
June through September 2014	Registration	Parents accept or decline placement. Schools notify parents of registration dates and times. Schools indicate parents' acceptance or decline of placement in Program Management and move registered children into the classroom Homerooms for IMPACT. Teachers complete the registration packet with families for all new students. Clerks enter identifying additional information into the IMPACT system.
September 2014	Enrollment	Children are enrolled upon attendance on the first day of school.

² Intended to represent students with multiple severe disabilities

³ For a complete list of application centers, see http://cps.edu/Schools/EarlyChildhood/Documents/ApplicationSites_SY14_15.pdf or <http://cps.edu/readytolearn>. Every CPC also is capable of accepting applications directly.

September 2014 onward	Rolling enrollment	Schools continue to enroll students throughout the school year as slots open up due to attrition, new funding, etc. Staff conduct additional outreach in communities with lower than expected enrollment to help fill all the slots. This includes additional ad spots, flyers, and community events. These children will only be included for evaluation purposes if they meet the dosage and eligibility requirements outlined in this document.

INTERVENTION AND OUTCOMES

Defining the Intervention

The CPC SIB intervention will provide one year of half-day CPC Pre-K to four-year-olds at CPC SIB sites. The key components of the CPC model are as follows:

Effective Learning Experiences

- Offer Pre-K classes that are limited to 34 children for half-day classrooms (two sessions of 17 children each) and have a minimum of 2 teaching staff. Full day classrooms, if available, will be limited to 20 children per session.
- Provide highly qualified educational staff that will provide the classroom instruction and parent engagement activities. For example, classroom teachers are certified with a bachelor’s degree (or higher). Overall, program staff must adhere to the requirements set forth by the CPS Talent office, in accordance with collective bargaining unit agreements, and state regulations. Any changes in CPS education and certification requirements will be complied with.
- Use data to drive instruction by effectively documenting the organization and implementation of instructional practices to monitor quality and adherence to the Program, which is completed by all Program staff where appropriate.
- Program staff meet with parents over the course of each school year to review their child’s progress and discuss parent program opportunities with the Parent Resource Teacher (PRT).

Aligned Curriculum

- Implement a CPS District curriculum and formative assessment that is aligned to standards, domains of learning, assessments, and learning activities.
- Collaborate with the PRT and classroom teachers to ensure that opportunities to engage families in student learning are available, appropriate and aligned to the program and parents’ needs.
- CPS and, most specifically, the Office of Early Childhood Education provides meaningful professional development and ongoing coaching and feedback for teachers, aides, and other staff members that facilitates high-quality instructional practices.

Parent Involvement and Engagement

- Engage a PRT and School-Community Representative (SCR) to work closely with the Head Teacher and Liaisons to maintain a consistently supportive parent program.
- Encourage parents to sign a CPC school-home agreement at the start of the school year outlining a plan for fostering learning at home and participating in CPC activities.
- Offer and engage families in monthly activities. PRTs create and distribute a monthly parent involvement calendar, and conduct parent/teacher conferences over the year to review progress in the parent program.
- Provide a resource room dedicated to parent and family activities through Kindergarten when possible.

- Provide culturally responsive learning opportunities for families that provide flexibility for families' needs and schedules.

Collaborative Leadership Team

- Engage a Program leadership team that includes the Head Teacher, Parent Resource Teacher, and School-Community Representative.
- Meet regularly, under the direction of the Principal to discuss operations and best practices within the CPC.
- Meet regularly, under the direction of the OECE Management Team, with staff from across sites to share challenges, experiences, and best practices and makes frequent on-site visits to monitor quality and effectiveness to the Program.
- Establish meaningful partnerships with community providers to strengthen service delivery and enlist local universities in training opportunities.

Continuity and Stability

- CPC Pre-K classrooms are co-located in the same building as Kindergarten classrooms, when possible, to promote familiarity and integration for students as they transition to Kindergarten.
- Provide a structure of communication, planning, and joint activities, under the direction of the principal, Leadership team and OECE Management Team, from Pre-K through the primary grades.
Provide a part-time Kindergarten aide when funding is available to support the transition into Kindergarten.

Professional Development System

- Offer ongoing professional development opportunities on current trends and needs in early childhood education classrooms, through the Office of Early Childhood Education and the CPC leadership teams, including topics such as quality curriculum and instruction, data driven instruction, learning environment, social and emotional needs, and parent engagement.
- Meet regularly and create professional learning communities to review ways to support their instruction in the classroom and with other teachers.

Defining Sufficient Dosage

Enrollment and attendance fluctuate throughout the year, with substantial changes during the early weeks of the school year. As a result, some of the children who start the year in a given classroom may not be the same children who end the year in that classroom. This may be due to a variety of reasons such as mobility, a change in parents' schedules/ability to bring their children to school, or admission to a closer/more desirable program off of a waitlist later in the school year.

To ensure that CPC SIB children and families are receiving a minimum sufficient dosage of the CPC program, we will restrict analyses to children who attend a certain minimum cutoff of days. The Evaluator will examine historical data from CPS and other districts to determine trends in attendance and identify a cutoff that sufficiently indicates that a child has received enough of the program for us to expect to see an impact. We are temporarily placing this cutoff at 66% of school days in a given school year; children who attended fewer than 66% of days during their Pre-K year will be omitted from the primary analyses.

The Evaluator may add additional criteria based on an analysis of enrollment and attendance data with the approval of CPS, the City, and the Project Coordinator and Approval of the Lender Committee.

Similarly, for the No Pre-K Comparison group, we will limit the primary analysis sample to eligible No Pre-K children who attend at least 66% of school days in a given school year. If a child at any point during the Kindergarten year attends a school operating a CPC program, that child will be omitted from primary analyses.

Defining Primary Impact Outcomes

Special Education Utilization

The primary Special Education utilization outcome will be defined as a binary indicator of whether or not a student has a CPS-issued Individualized Education Plan (IEP) in a given year. This will be a data point provided as part of the regular data collection points by CPS. As described above, if a student has a diagnosis on his or her IEP of a severe disability, that student will be removed from the study pool for the primary analyses. This indicator will be collected annually every year Kindergarten through 6th grade.

Kindergarten Readiness

CPS uses the Teaching Strategies Gold (TS Gold) instrument in all their Pre-K classrooms to track the development of children. Based on teacher observations, TS Gold measures the progress of children in domains such as socio-emotional, physical, language, literacy, and cognitive development.

The TS Gold instrument is utilized nationally in Head Start programs and some publicly-funded preschool programs. The primary outcome metric for Kindergarten Readiness will be the share of children which are performing at or above the national trends across at least five out of the following six domains: Literacy, Language, Math, Cognitive Development, Socio-Emotional, Physical health.

Third Grade Literacy

Currently, CPS is planning to adopt the PARCC standardized exam. Treatment group children will be measured relative to national percentile rankings on this test or the accepted District assessment administered for 3rd grade. In following with Lesnick et al (2010)⁴, every child reading at or above the 25th percentile on the English Language Arts/Literacy portion of the spring sitting of the PARCC test will be deemed to be reading at grade level. Any child reading at or above the 75th percentile nationally will be deemed to be reading above grade level. Any child reading below the 25th percentile will be deemed to be reading below grade level.

At the time of drafting this analysis, the PARCC test has yet to be officially implemented in CPS schools. Given the uncertainty of performance on this test and how its outcomes will compare to past tests taken by CPS students, the evaluator may suggest amendments to the definition of reading “on grade level” that could include utilizing a different test or metric. Any modifications must be made prior to the first cohort starting Third Grade, and must be approved by CPS, the City, the Project Coordinator, and Approved by the Lender Committee.

Defining Performance Improvement Questions

The details of these questions will be developed in conjunction with CPS and other partners over the 2014/15 school year. These analyses will be specified in full prior to the start of any data collection or analyses. These analyses will not affect the methodology or results of the primary impact outcomes, and will only be pursued subject to additional philanthropic or other funding.

DATA COLLECTION

Student data

Student data will be provided to the Evaluator by CPS. Pursuant to the data sharing agreement⁵, CPS will strip sensitive individual identifiers and replace them with an anonymous student ID. The key variables CPS will provide are:

- Student ID
- CPS School ID of school currently enrolled in
- Date of Birth (or birth month & year)
- Days attended to date
- IEP status
- IEP diagnoses
- Reported race
- Reported ethnicity
- Free/reduced price lunch eligibility

⁴ See http://www.chapinhall.org/sites/default/files/Reading_on_Grade_Level_111710.pdf

⁵ This data sharing agreement will be included as an appendix to this plan pending negotiation and drafting between CPS and the Evaluator.

- ZIP code of residence
- Fall and Spring TS Gold scores (if applicable)
- Any available variables on parental education
- Other variables deemed appropriate by the Evaluator and CPS for the purposes of creating a better propensity score match

Data will be collected on an annual basis on the based on the last school day in June which is reported for accuracy in the beginning of July. This may be adjusted based on discussions between the Evaluator and CPS to reflect the earliest date that all the necessary data would be available.

Neighborhood data

The Evaluator will pull neighborhood data from publicly available census data, such as the American Community Survey 5-year averages, which break out characteristics by zip code.

Neighborhood data include:

- Neighborhood % of population in poverty
- Neighborhood % of population that are single mothers
- Neighborhood % of population that is Black
- Neighborhood % of population that is Hispanic
- Neighborhood % of population employed
- Neighborhood crime statistics
- Neighborhood health indicators⁶

The Evaluator will update the neighborhood data file when creating a new cohort of matched groups.

School data

Data on school level characteristics will be provided by CPS, including:

- CPS School ID
- Total student body population
- % Free/RP lunch
- % Black
- % Hispanic
- School-wide attendance rate from the 2013/14 school year
- School Rating (Levels 1, 2, or 3) from the 2013/14 school year⁷

These data, except for attendance and the school rating, will be updated annually. Attendance and rating data from SY2013/14 (or the closest assessment prior to SY2013/14) will remain fixed to reflect the fact that the presence of a CPC may improve attendance and the school rating over time, which could affect the matching algorithm for later cohorts. The Evaluator may adjust this protocol if extraneous events such as school closures, new leadership, or expansive new programs are added at individual schools or system wide that could contribute to imbalanced matches.

Data Security

A data sharing agreement between CPS and the Independent Evaluator will define the parameters for sharing data required under this agreement.

STUDY DESIGN & OVERVIEW OF ANALYSES

Propensity score Matching Protocol

Comparison group students will be selected using a propensity score matching technique. Individuals from the treatment group will be matched to up to two individuals from the No Pre-K Comparison group and up to two individuals from the Other CPS Pre-K Comparison group. Matching will be conducted with replacement to allow comparison individuals to be matched more than once.

⁶ Crime stats and health indicators subject to availability of data. It may be possible to pull data from a Chapin Hall neighborhood analysis. These covariates may be omitted if it proves too difficult or costly to obtain them.

⁷ All these data are publicly available online at http://www.cps.edu/schools/find_a_school/pages/findaschool.aspx. School rating is based on the CPS Performance Policy which is used to rate CPS schools. A Level 1 rating is "excellent", a Level 2 rating is "good" and a Level 3 rating is "low".

To create the Treatment Group in school year t , the Evaluator will receive the data collected on the last day of June of school year t from CPS of all four-year-olds who attended a SIB CPC in school year t up to the date of the data collection. The data collected and shared will contain all the student data elements listed above. After screening for eligibility as described above and removing ineligible students from the sample, the Evaluator will use students' ZIP codes to merge on neighborhood data, and students' school IDs to merge on school characteristics. Neighborhood data will be collected from a reliable source such as Chapin Hall. This will create a de-identified student-level file that contains student-level characteristics, characteristics of that student's neighborhood of residence, and characteristics of that student's school.

To create the No CPS Pre-K pool to be used for matching to the Treatment cohort in school year t , the Evaluator will receive a data dump on the last day of June of school year $t+1$ from CPS of all five or six-year-olds who attended a CPS Kindergarten in school year $t+1$ up to the date of the data dump. The data dump will contain all the student data elements listed above. After screening for eligibility as described above and removing ineligible students from the sample, the Evaluator will use ZIP code data to merge on neighborhood data, and school ID data to merge on school characteristics.

To create the Other CPS Pre-K pool to be used for matching to the Treatment cohort in school year t , the Evaluator will receive a data dump on the last day of June of school year t from CPS of all four-year olds who attended a CPS Pre-K program other than CPC in school year t up to the date of the data dump. The data dump will contain all the student data elements listed above. After screening for eligibility as described above and removing ineligible students from the sample, the Evaluator will use ZIP code data to merge on neighborhood data, and school ID data to merge on school characteristics.

To create the matched No Pre-K Comparison group, the Evaluator will append the Treatment Group dataset and the No Pre-K Comparison pool dataset, creating an indicator to identify which children are members of the Treatment group. The Evaluator will then run a probit model using the treatment indicator as the dependent variable and the following variables as independent variables:

- Race binary indicators
- Ethnicity binary indicators
- Gender ("Male" binary indicator)
- Parental education (subject to availability)
- Language spoken at home binaries
- Neighborhood % poverty
- Neighborhood % single mothers
- Neighborhood % by race
- Neighborhood % by ethnicity
- Neighborhood % employed
- Neighborhood crime rates (subject to availability)
- Neighborhood health indicators (subject to availability)
- Total student population of school currently attending
- % Free/RP lunch at school currently attending
- Racial composition of school currently attending
- Ethnicity composition of school currently attending
- School-wide attendance rate from the 2013/14 school year
- School Rating binaries from the 2013/14 school year

Using the results of this model, the Evaluator will predict a propensity score based on a student's observed characteristics. This score effectively represents the likelihood that a child, given his individual, neighborhood, and school level characteristics, would be in the Treatment group.

The Evaluator will use a nearest-neighbor matching algorithm⁸ to identify the two closest matches based on propensity score for each Treatment group observation, with replacement.

Individuals from either the Treatment group or Comparison pool who are not matched will be dropped.

⁸ By way of example, see "nnmatch" stata command

The remaining students from the Comparison pool who were matched will become the No Pre-K Comparison group for the remainder of the study. Comparison group students will receive a frequency weight equal to the number of times they were matched. Note that as a result, the Comparison group should contain approximately two times as many unique individuals as the Treatment group.

The same protocol will be used to identify the Other CPS Pre-K Comparison group, replacing the No CPS Pre-K Comparison pool with the Other CPS Pre-K Comparison pool.

A unique set of comparison groups will be created for each Treatment cohort (see Appendix for a cohort timing chart).

Checking for covariate balance between groups

Once the comparison groups have been identified, the Evaluator will check for balance between the groups across matching demographics. The Evaluator will choose appropriate methods to check for balance, including but not limited to normalized differences and t-tests of mean values of covariates between groups. If the Evaluator determines that there is imbalance in covariates between groups, the Evaluator may choose to pursue a Matching Methodology Remedy as described below. The decision to pursue a remedy will be at the discretion of the Evaluator, taking into account the fact that with many matching variables and a p-value cutoff of .05, approximately 1 in 20 variables could have a statistically significant difference by random chance alone. The evaluator will consider the magnitude of the difference and the relative importance of the unbalanced variable(s) in question, placing particular attention to the individual-level race and gender indicators, the home language indicators, the neighborhood poverty indicators, and the school rating indicators.

Matching Methodology Remedies

In the event that the Evaluator deems that the propensity score matching algorithm has produced an inadequate match, the Evaluator may make modifications to the matching methodology. This could include introducing a caliper to ensure that certain variables are matched to within a narrow range (or matched exactly), adding or subtracting additional covariates, increasing or decreasing the number of matches, or other techniques deemed rigorous and appropriate by the Evaluator.

The Evaluator may also explore utilizing a set of comparison schools to limit the comparison pool. In this methodology, the Evaluator would identify a set of comparison schools that match the SIB CPC sites, identifying one to three schools for each site. The Evaluator would use a similar propensity score matching protocol, using school level characteristics, to identify these schools. From those comparison schools, the Evaluator would then perform a student-level propensity score match using a comparable methodology to the one described above. The Evaluator will then check for covariate balance to see if this produces better match results.

Once the Evaluator identifies a suitable comparison group that they deem to be well-matched on covariates, the Evaluator will present the match results, describing any changes that were made to the matching algorithm, which must be approved by CPS, the City, the Project Coordinator and Approved by the Lender Committee. The Evaluator should endeavor to use a similar matching protocol from year to year.

Calculating mobility factor

The theory behind the financing component of the SIB project is that providing the upfront intervention of high quality Pre-K can produce savings to CPS downstream through reduced Special Education utilization among the students served. For CPS to realize these savings, however, those students must remain in the CPS school district. If a student leaves the district, CPS would realize no savings from the fact that the intervention may have helped that that student catch up to his peers and prevented him from acquiring an IEP.

As a result, the Evaluator will calculate a Mobility Factor for each cohort that will represent the share of the original cohort that is still enrolled in a CPS school in a given year. This will be used to adjust the payment amounts to better reflect savings realized by CPS.

To calculate mobility, every year Kindergarten through 6th grade the Evaluator will determine what share of the original children in a given group from the first year of observation are still enrolled in any CPS school. To do this, every year the Evaluator will send CPS a list of all the student IDs of the original group. CPS will match these IDs to their current enrollment database to determine which students were enrolled in a CPS school at any point in that school year. CPS will then return a dataset to the Evaluator indicating which student IDs are enrolled in a CPS school that year. The Mobility Factor will be defined as:

$$1 - \frac{\# \text{ of original students currently enrolled in any CPS school}}{\# \text{ of students originally enrolled in the group}}$$

By way of example, assume 500 Treatment group students were identified for the 2014/15 cohort. In SY2015/16, the Evaluator sends a list of these student IDs to CPS, who informs the evaluator that 460 of them are still enrolled at a CPS school. The cumulative mobility for that year would be $1 - 460/500 = .08$. In SY2016/17, the Evaluator sends the original list of student IDs to CPS again, who informs the evaluator that 440 of them are still enrolled at a CPS school. The cumulative mobility for SY2016/17 would be $1 - 440/500 = .12$.

For grades 7th through 12th, the Evaluator will impute a marginal mobility rate by averaging the incremental annual increase in the Mobility Factor over the last three years.⁹ Every year, the Evaluator will impute a new Mobility Factor based on the average imputed marginal mobility rate. See Appendix B for a full example using hypothetical data.

Calculating effect size for Special Education utilization

To calculate the impact on Special Education utilization, the Evaluator will calculate the Average Effect Size per Person, which will then be scaled to reflect the number of seats funded by the Lenders for the purposes of calculating payments. This will allow the Evaluator to utilize all the data available, increasing sample sizes and precision of estimates.

To calculate this, the Evaluator will use the following equation:

$$AESP_{i,t} = SPED_{C,i,t} - SPED_{T,i,t}$$

where $AESP_{i,t}$ is the Average Effect Size per Person for cohort i in year t , $SPED_{C,i,t}$ is equal to the average of a binary indicator of Special Education utilization among the No CPS Pre-K Comparison group for cohort i in year t and $SPED_{T,i,t}$ is the average of a binary indicator of Special Education utilization among the Treatment group for cohort i in year t . At the discretion of the Evaluator and with approval from CPS, the City, the Project Coordinator, and the Approval of the Lender Committee, the Evaluator may regression-adjust this estimate to help account for any differences in covariates between the Treatment group and the Comparison group.

Special Education outcomes will be calculated annually every year Kindergarten through 6th grade. Outcomes will be calculated separately for each cohort. Based on conversations with special education experts and reviewing existing CPS data, we believe that the vast majority of children who have a disability will be identified by the end of 6th grade. As a result, after the 6th grade effect size has been calculated, we will average the effect size over the last three years (4th, 5th and 6th grades) and lock in that average rate for the purposes of calculating payments in grades 7th through 12th. This lock-in rate will be calculated separately for each Treatment cohort. The Evaluator may propose changes to this lock-in methodology in the event that the Evaluator determines that this methodology produces skewed results. Any modifications must be approved by CPS, the City, the Project Coordinator, and Approved by the Lender Committee.

⁹ The Evaluator may revise the methodology for averaging the mobility rate if they determine that the current methodology includes a grade breakpoint year that could result in abnormally high mobility out of the district. This methodology must be finalized before the first cohort reaches 6th grade.

Calculating payments for Special Education utilization

To determine the size of Special Education payments owed in a given year for a given treatment group cohort, the Evaluator will multiply the Special Education Average Effect Size per Person for such cohort by the base cohort size multiplied by the 1 minus the cumulative mobility rate for that year. This will determine the Total Number of Special Education Slots Avoided for a given cohort in a given year:

$$\text{Total Number of Special Education Slots Avoided} = AESP_{i,t} * BCS_i * (1 - MF_{i,t})$$

where $AESP_{i,t}$ is the Average Effect Size per Person for cohort i in year t , BCS_i is the base cohort size for cohort i , and $MF_{i,t}$ is the cumulative mobility rate for cohort i in year t .

The base cohort sizes are based on the number of seats actually funded by investors. It is anticipated that the base cohort sizes will be as follows¹⁰:

Cohort Year	Base Cohort Size
2014/15	374
2015/16	782
2016/17	782
2017/18	680

The Total Number of Special Education Slots Avoided will then be multiplied by the Annual Savings Rate to determine the Special Education Payments owed for a given cohort in a given year. Negative payments will be rounded to zero. The Annual Savings Rate starts at a base of \$9,100 in 2015 and grows 1% annually. The table below provides the rates through 2030:

Year	Savings Rate
2015	\$9,100
2016	\$9,191
2017	\$9,283
2018	\$9,376
2019	\$9,469
2020	\$9,564
2021	\$9,660
2022	\$9,756
2023	\$9,854
2024	\$9,953
2025	\$10,052
2026	\$10,153
2027	\$10,254
2028	\$10,357
2029	\$10,460
2030	\$10,565

If applicable, the Special Education Payments from each cohort will be summed to produce the Total Special Education Payment owed by CPS for that year. These calculations will be reported to the Project Coordinator for the purposes of triggering payments to the Project Coordinator to be used to repay the lenders.

Payments for Special Education will be made every year K – 12th for each Treatment cohort.

¹⁰ Note that actual sample sizes used for calculating effect sizes may be larger or smaller than the number of seats funded.

Calculating effect size for Kindergarten Readiness

As part of the annual data pull, the Evaluator will receive spring TS Gold scores for Treatment group students. TS Gold regularly publishes a set of averages that reflect how children have scored nationally on TS Gold assessment sub-categories, broken out by the time of the test and the age in months of the child. Students will be classified as “meeting the national norms” for a sub-category if they score at or above the national mean spring score for that category for children in their age band.¹¹ The Evaluator will use the most up to date tables available.

Every child who scores at or above the national norm on at least five of the six subcategories in spring of their four-year-old pre-school year will be deemed “Kindergarten Ready.” To calculate the Kindergarten Readiness payment, the Evaluator will calculate the share of the Treatment group students deemed Kindergarten Ready. The Evaluator will then multiply this number by the base cohort size, multiplied by cumulative mobility from the Kindergarten year of a given cohort. This will determine the Total Number of Kindergarten Ready Children for a given cohort. The Evaluator will then multiply this number by the payment rate of \$2,900 to determine the total Kindergarten Readiness payments owed by the City for that cohort.

Calculating effect size for Third Grade Literacy

CPS is currently transitioning to the PARCC exam. As a result, the exact methodology for calculating Third Grade Literacy may have to be adapted pending observation of how the test is being administered, scored, etc. In particular, in the event that data suggests that fewer than 50% of students are scoring above the 25th percentile, the Evaluator will propose a new protocol or test for determining Third Grade Literacy that better captures the performance of students. The Evaluator will propose a final protocol for approval by CPS, the City, and the Project Coordinator with Approval of the Lender Committee prior to the start of the 2018/19 school year – the year the first cohort begins 3rd grade. A draft protocol is below:

As part of the annual data pull, the Evaluator will receive 3rd grade spring PARCC scores for Treatment group students. The PARCC test is administered nationally, and as a result the outcomes of Treatment students can be compared to national averages. Students will be classified as “reading at or above grade level” if they score at or above the 25th percentile on the English Language Arts/Literacy portions of the PARCC exam.

To calculate the Third Grade Literacy payment, the Evaluator will calculate the share of the Treatment group students deemed to be reading “at or above grade level”. The Evaluator will then multiply this number by the base cohort size, multiplied by cumulative mobility from the Third Grade year of a given cohort. This will determine the Total Number of Third Grade Children Reading at Grade Level for a given cohort. The Evaluator will then multiply this number by the payment rate of \$750 to determine the total Third Grade Literacy payments owed by the City for that cohort.

Investigating Highly Unexpected Outcomes

The results of this evaluation will govern the flow of millions of dollars of payments. While it is the full intention of all parties to accept the results of the evaluation, in the event that a highly irregular outcome is achieved, a mechanism must be in place to validate the findings and confirm that they are due to the impact of the program, and not a flaw in the analysis or evaluation design. The Evaluator will have complete discretion to decide if and when a validation of the findings may be necessary, but the following events will serve as guiding principles that could suggest that a validation may be warranted:

- The difference in Special Education Utilization rates between the Treatment group and No Pre-K comparison group is negative or not statistically different from zero (p -value $<.05$) for any cohort in any year after Kindergarten
- The No Pre-K comparison group Special Education Utilization rate is more than 2.5 times the Treatment group Special Education Utilization rate for any cohort in any year after Kindergarten
- An irregular pattern from one year to the next in Special Education utilization for a given group, defined as utilization shrinking by more than two percentage points for a given group, or increasing by more than seven percentage points
- A larger impact observed when comparing a Treatment group cohort to its corresponding Other CPS Pre-K Comparison group any year after 1st grade.

¹¹ See tables 5-14 of <https://www.k12.wa.us/assessment/pubdocs/GOLDTechnicalManual2ndEditionLambert2.pdf> for a list of the score thresholds.

The Evaluator will determine the appropriate techniques and mechanisms to employ to confirm the cause of the irregularity, which could include handchecking code, checking for continued balance in the treatment and comparison groups, and looking for policy changes within specific schools or system-wide that could have affected outcomes.

If the Evaluator finds a mechanical error, the results will be recalculated using the correction. If the Evaluator finds a methodological flaw, the Evaluator may propose a remedy to the evaluation plan to mitigate the inconsistency in future years. However, the results will not be recalculated for that year or any other past year. Changes to the plan must be approved by CPS, the City, and the Project Coordinator, and Approved by the Lender Committee.

EXHIBIT E

FORM OF CORE PROGRAM PRINCIPLES

Effective Learning Experiences

- Offer Pre-K classes that are limited to 34 children for half-day classrooms (two sessions of 17 children each) and have a minimum of 2 teaching staff. Full day classrooms, if available, will be limited to 20 children per session.
- Provide highly qualified educational staff that will provide the classroom instruction and parent engagement activities. For example, classroom teachers are certified with a bachelor's degree (or higher). Overall, program staff must adhere to the requirements set forth by the CPS Talent office, in accordance with collective bargaining unit agreements, and state regulations. Any changes in CPS education and certification requirements will be complied with.
- Use data to drive instruction by effectively documenting the organization and implementation of instructional practices to monitor quality and adherence to the Program, which is completed by all Program staff where appropriate.
- Program staff meet with parents over the course of each school year to review their child's progress and discuss parent program opportunities with the Parent Resource Teacher (PRT).

Aligned Curriculum

- Implement a CPS District curriculum and formative assessment that is aligned to standards, domains of learning, assessments, and learning activities.
- Collaborate with the PRT and classroom teachers to ensure that opportunities to engage families in student learning are available, appropriate and aligned to the program and parents' needs.
- CPS and, most specifically, the Office of Early Childhood Education provides meaningful professional development and ongoing coaching and feedback for teachers, aides, and other staff members that facilitates high-quality instructional practices.

Parent Involvement and Engagement

- Engage a PRT and School-Community Representative (SCR) to work closely with the Head Teacher and Liaisons to maintain a consistently supportive parent program.
- Encourage parents to sign a CPC school-home agreement at the start of the school year outlining a plan for fostering learning at home and participating in CPC activities.
- Offer and engage families in monthly activities. PRTs create and distribute a monthly parent involvement calendar, and conduct parent/teacher conferences over the year to review progress in the parent program.
- Provide a resource room dedicated to parent and family activities through Kindergarten when possible.
- Provide culturally responsive learning opportunities for families that provide flexibility for families' needs and schedules.

Collaborative Leadership Team

- Engage a Program leadership team that includes the Head Teacher, Parent Resource Teacher, and School-Community Representative.
- Meet regularly, under the direction of the Principal to discuss operations and best practices within the CPC.
- Meet regularly, under the direction of the OECE Management Team, with staff from across sites to share challenges, experiences, and best practices and makes frequent on-site visits to monitor quality and effectiveness to the Program.
- Establish meaningful partnerships with community providers to strengthen service delivery and enlist local universities in training opportunities.

Continuity and Stability

- CPC Pre-K classrooms are co-located in the same building as Kindergarten classrooms, when possible, to promote familiarity and integration for students as they transition to Kindergarten.
- Provide a structure of communication, planning, and joint activities, under the direction of the principal, Leadership team and OECE Management Team, from Pre-K through the primary grades.
Provide a part-time Kindergarten aide when funding is available to support the transition into Kindergarten.

Professional Development System

- Offer ongoing professional development opportunities on current trends and needs in early childhood education classrooms, through the Office of Early Childhood Education and the CPC leadership teams, including topics such as quality curriculum and instruction, data driven instruction, learning environment, social and emotional needs, and parent engagement.
- Meet regularly and create professional learning communities to review ways to support their instruction in the classroom and with other teachers.
