**APPROVE ENTERING INTO AN ALTERNATIVE SAFE SCHOOL PROGRAM AGREEMENT  
WITH CAMELOT SCHOOLS**

**THE CHIEF EXECUTIVE OFFICER RECOMMENDS THE FOLLOWING DECISION:**

Approve entering into an Alternative Safe School Program Agreement with Camelot Schools to provide educational services to students eligible for expulsion under the CPS Student Code of Conduct. This provider was selected on a competitive basis through the 2013 Request for Alternative Options issued by the Board on January 29, 2013. A written agreement for the program's services is currently being negotiated. No services shall be provided by the provider and no payment shall be made to the provider prior to the execution of provider's written agreement. The authority granted herein shall automatically rescind in the event a written agreement is not executed by the Board and the provider within 90 days of the date of this Board Report. Information pertinent to this agreement is stated below.

**PROVIDER:** Camelot Schools

Malvern, PA 19355  
Phone: (215) 416-6739  
Contact: Joseph Carter

**TERM:** The term of the Alternative Safe School Program Agreement shall commence July 1, 2013 and end on June 30, 2018.

**SCOPE OF SERVICES:** The Alternative Safe School Program will provide an educational program for students who are eligible for expulsion under the Chicago Public Schools Student Code of Conduct. Students will receive a full academic program where credits can be earned toward high school graduation, complete requirements for elementary school graduation and/or advancement in grade level. Additionally, students will receive behavior supports and interventions. Students will improve school attendance, reduce disruptive behavior, attain and/or maintain employment, and give back to the community through service learning and restorative justice. Camelot Schools will be approved to serve up to 200 students in the 2013-2014 school year.

**AUTHORIZATION:** Authorize the General Counsel to include other relevant terms and conditions in the written agreement. Authorize the President and Secretary to execute the written agreement. Authorize the Chief of Alternative Network to execute all ancillary documents required to administer or effectuate the agreement.

**AFFIRMATIVE ACTION:** Not applicable.

**LSC REVIEW:** Local School Council approval is not applicable to this report.

**FINANCIAL:** Funding for the program services will be consistent with per pupil funding models used by the Board for charter and contract schools. However, there will be a floor of 150 seats that will be funded regardless of enrollment. The details of the financial implications will be addressed during the development of the 2013-2014 fiscal year budget. Since the School Code of Illinois prohibits the incurring of any liability unless appropriation has been previously made, expenditures beyond FY13 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budget.

The Alternative Safe School Program will be jointly funded by CPS from General Funds and the Regional Safe Schools Program (RSSP) Grant from the Illinois State Board of Education. Funding from the RSSP

Grant will be applied to cover agreed upon per pupil funding and the approved number of reserved seats for the Alternative Safe School Program with the difference being covered by General Funds.

**GENERAL CONDITIONS:**

**Inspector General** - Each party to the agreement shall acknowledge that, in accordance with 105 ILCS 5/34-13.1, the Inspector General of the Chicago Board of Education has the authority to conduct certain investigations and that the Inspector General shall have access to all information and personnel necessary to conduct those investigations.

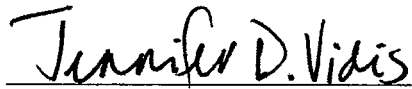

**Conflicts** - The agreement shall not be legally binding on the Board if entered into in violation of the provisions of 105 ILCS 5/34-21.3 which restricts the employment of, or the letting of contracts to, former Board members during the one- year period following expiration or other termination of their terms of office.

**Indebtedness** - The Board's Indebtedness Policy adopted June 26, 1996 (96-0626-P03), as amended from time to time, shall be incorporated into and made a part of the agreement.

**ALOP PROPOSALS:** In June 2012, the CEO made available the Call for Quality Schools to solicit responses from parties interested in providing a range of new alternative option school and program proposals, including proposals for ALOP services. ALOP proposals were submitted by Banner Learning Corp., Pathways in Education – Illinois, Inc. and Edison Learning, Inc. in response to the Call for Quality Schools. The proposals were evaluated using the criteria and standards set forth in the Call for Quality Schools and on January 23, 2013, the Board provided contingent approval of these proposals (Board Report 13-0123-EX2). In addition, to create additional capacity to serve out-of-school and at-risk students, the CEO made available a Request for Proposals for New Options in January 2013 to solicit additional proposals for alternative options schools and programs. As a result, an ALOP proposal was submitted by Ombudsman Educational Services, LLC and evaluated using the criteria and standards set forth in the RFP.

**TERM:** The term of the agreement with Banner Learning Corp. shall commence July 1, 2013 and end June 30, 2016. The terms of the agreements with Pathways in Education – Illinois, Inc., Edison Learning, Inc., and Ombudsman Educational Services, LLC shall commence July 1, 2013 and end June 30, 2018.

**SERVICES:** Providers shall provide the following ALOP services pursuant to Section 13B of the Illinois School Code (105 ILCS 5/13B-1 et seq): High quality, comprehensive education program services for middle and high school aged youth who have been out-of-school, are significantly off-track for graduation, are chronically truant or are otherwise at-risk for academic failure. The providers will deliver a rigorous academic program that complies with CPS and state graduation and promotion requirements and is fully aligned to IL standards but is also tailored to meet the needs of individual students. Personalized learning plans, comprehensive social-emotional supports, and intensive post-secondary planning will be provided to all ALOP students.

Providers will be approved to serve the following number of students in SY13-14: Banner Learning Corp. (up to 275 students), Pathways in Education – Illinois, Inc. (up to 600 students), Edison Learning, Inc. (up to 300 students) and Ombudsman Educational Services, LLC (up to 1,200).

At a minimum, the agreements will address the requirements of the ALOP statute and regulations and student academic outcomes, and will also reflect resolution of any and all outstanding issues between the Board and the providers including, but not limited to, enrollment, funding, educational program, financial controls and practices, academic accountability and evaluations.

**AUTHORIZATION:** Authorize the General Counsel to include other relevant terms and conditions in the written agreements. Authorize the President and Secretary to execute the written agreements. Authorize the Chief of Alternative Network to execute all ancillary documents required to administer or effectuate the written agreements.

**LSC REVIEW:** Approval of Local School Council is not applicable to this report.

**AFFIRMATIVE ACTION:** Not applicable.

**FINANCIAL:** Funding for the program services will be consistent with per pupil funding models used by the Board for charter and contract high schools. The details of the financial implications will be addressed during the development of the 2013-2014 fiscal year budget. Since the School Code of Illinois prohibits the incurring of any liability unless appropriation has been previously made, expenditures beyond FY13 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budgets.

This board report proposes to increase the current level of ALOP seats by 1,712 for a total of 2,375 seats. We estimate that roughly 50% of students in ALOP programs are recovered students who had previously dropped out, rather than transfers from other district schools, and therefore increase the overall enrollment of the district.

**GENERAL CONDITIONS:**

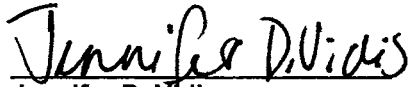

Inspector General - Each Party to the agreement shall acknowledge that, in accordance with 105 ILCS 5/34-13.1, the Inspector General of the Board of Education has the authority to conduct certain investigations and that the Inspector General shall have access to all information and personnel necessary to conduct those investigations.

Conflicts - The agreement shall not be legally binding on the Board if entered into in violation of the Provisions of 105 ILCS 5/34-21.3, which restricts the employment of, or the letting of contracts to, former Board members during the one-year period following expiration or other termination of their terms of office.

Indebtedness - The Board's indebtedness Policy adopted June 26, 2006 (96-0626-P03), as amended from time to time, shall be incorporated into and made a part of the agreement.

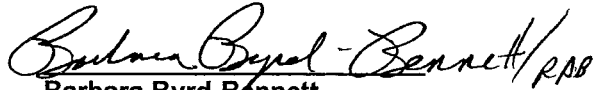

Ethics — The Board's Ethics Code adopted May 25, 2011 (11-0525-PO2), as amended from time to time shall be incorporated into and made a part of the agreement.

**DESCRIPTION:**

School Designation: Pursuant to 105 ILCS 5/34-1.1, 105 ILCS 5/34-18(30), the Board's Renaissance Schools Policy, 07-0627-PO4, as amended ("Renaissance Policy") and the contingent authority granted by the Board on January 23, 2013 in Board Report 13-0123-EX2, Little Black Pearl Art and Design Academy will open in the fall of 2013 as a Contract School located at 1060 East 47<sup>th</sup> Street. The Board hereby designates the Little Black Pearl Art and Design Academy as a Contract School pursuant to 105 ILCS 5/34-2.4b.

Public Hearing: A public hearing on the opening of the Little Black Pearl Art and Design Academy as a Contract School at 1060 East 47<sup>th</sup> Street was held on May 2, 2013 in the Board Chambers. The hearing was recorded and a summary report of the hearing is available for review.

Request for Proposals: In June 2012, the CEO made available the Call for Quality Schools to solicit responses from parties interested in providing a range of new school proposals, including alternative education school services. The Little Black Pearl Art and Design Academy proposal was submitted by Little Black Pearl Workshop, in response to Call for Quality Schools. The proposal was evaluated using the criteria and standards set forth in the Call for Quality Schools and on January 23, 2013, the Board provided contingent approval of the proposal (Board Report 13-0123-EX2).

Enrollment: Little Black Pearl Art and Design Academy will be a citywide school that will enroll students in grades 9-12 who are having challenges in the normal school setting or who may have dropped out of school or are at-risk of dropping out. Students will be admitted on an ongoing basis provided that seats

are available. If there are more applicants than seats available, applicants will be placed on a waiting list and a random student admissions lottery will be conducted on a quarterly basis. Little Black Pearl Art and Design Academy will accept for enrollment up to 200 students in grades 9-12 who will be recruited by the school for placement with the assent of the Alternative Network and/or its designee.

Curriculum: Little Black Pearl Art and Design Academy will offer a rigorous college-preparatory academic program with a focus on arts and technology training in the following disciplines: visual arts, music and technology. In addition to providing the range of CPS graduation requirements, the school will leverage community partnerships to offer students courses outside of the traditional curriculum in ceramics, dance, glass blowing, and music production. The Little Black Pearl Art and Design Academy student will learn to break stereotypes by utilizing their creative thinking skills and to become more comfortable using multiple representations and cross-curricular thought. This blend of learning opportunities will challenge students to be critical thinkers in a safe learning environment while earning a high school diploma, pursuing post-secondary education, and career opportunities. Little Black Pearl Art and Design Academy will issue diplomas to students who successfully complete the program in accordance with state and CPS requirements.

Advisory Body: A school advisory body will be established in a timely manner pursuant to 105 ILCS 5/34-2.4b and the Board's Renaissance School Policy in the following manner: the CEO or his designee in consultation with the Little Black Pearl Workshop shall develop the composition and duties of the advisory body for approval by the Board. Such requirements shall be included in the agreement with the Little Black Pearl Workshop. The members of the advisory body will be appointed by the Board upon the recommendation of the CEO or his designee.

School Management Description: At a minimum, the School Management and Performance Agreement will address the student academic outcomes and financial and management practices of the school and will reflect resolution of any and all outstanding issues between the Board and the school operator including, but not limited to, enrollment, funding, educational program, financial controls and practices, academic accountability and evaluations. In accordance with the Board's Renaissance Policy, contract schools may request exemptions from Board Rule and Policies or alternative policies subject to and upon Board approval.

**TERM:** The term of the School Management and Performance Agreement shall commence July 1, 2013 and end June 30, 2018. Little Black Pearl Workshop and Little Black Pearl Art and Design Academy's designation as a Renaissance Contract School will expire on June 30, 2018 unless renewed or terminated earlier by the Board.

**COMPENSATION:** Little Black Pearl Workshop will be paid on a per-pupil basis for the operation of the Little Black Pearl Art and Design Academy.

**AUTHORIZATION:** Authorize the General Counsel to include relevant terms and conditions, including any indemnities to be provided to the school operator, in the written School Management and Performance Agreement. Authorize the President and Secretary to execute the written School Management and Performance Agreement.

**LSC REVIEW:** Approval of Local School Council is not applicable to this report.

**AFFIRMATIVE ACTION:** Not applicable.

**FINANCIAL:** The financial implications will be addressed during the development of the 2013-2014 fiscal year budget. Since the School Code of Illinois prohibits the incurring of any liability unless an appropriation has been previously made, expenditures beyond FY13 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budgets.

**PERSONNEL IMPLICATIONS:** As a contract school, Little Black Pearl Art and Design Academy will employ its own principal, teachers and staff.

**DESCRIPTION:**

School Designation: Disney II Magnet School is scheduled to open at 3815 North Kedvale Avenue in the fall of 2008 as a Magnet School and a Performance School in accordance with Board's Renaissance Schools Policy, 07-0627- PO4, as amended ("Renaissance Policy").

For 7<sup>th</sup> grade, current 6<sup>th</sup> grade students will be allowed to matriculate up, and any additional 7<sup>th</sup> grade seats will be offered through random computerized lottery for those who applied through the Options for Knowledge process with siblings of existing Disney II students receiving first priority. A special magnet application process will be held for 9<sup>th</sup> grade seats at the school. Applicants must have a minimum 5 stanine in reading and math (combination 10 for students with disabilities) on the 7<sup>th</sup> grade ISAT. Remaining seats will be distributed through the socioeconomic tier process outlined by the magnet admissions policy.

For the 2013-2014 admissions cycle, 6<sup>th</sup> grade students will be allowed to matriculate up to 7<sup>th</sup> grade. Siblings of current Disney II students (as defined in the magnet admissions policy) will be first. 40% of the remaining seats will be designated for students within a 1.5 mile proximity radius of the facility located at 3900 North Lawndale Avenue. Remaining seats will be distributed through the socioeconomic tier process outlined by the magnet admissions policy.

For the 2014-2015 admissions cycle and beyond, 6<sup>th</sup> grade students will be allowed to matriculate up to 7<sup>th</sup> grade. Siblings of current Disney II students (as defined in the magnet admissions policy) will be accepted first. 40% of the remaining seats will be designated for students within the 1.5 mile proximity radius of the facility located at 3900 North Lawndale Avenue. Remaining seats will be distributed through the socioeconomic tier process outlined by the magnet admissions policy. 9<sup>th</sup> grade seats will first go to returning 8<sup>th</sup> graders. Siblings of current Disney II students meeting the minimum criteria will then be accepted. 40% of remaining seats will be designated for students within a 1.5 mile radius of the facility located at 3900 North Lawndale Avenue. All remaining seats will be distributed through the socioeconomic tier process outlined by the magnet admissions policy.

Academic Calendar: At inception, Disney II Magnet School will follow Chicago Public Schools' standard 10-month academic calendar from August to June with a summer school program in July and August.

School Day: At inception, Disney II Magnet School will employ an open campus model with a minimum teacher school day of 8:30 a.m. to 3:30 p.m. school day. Students' standard school day will be from 9:00 a.m. to 3:30 p.m. After-school programming will be established to provide tutoring, instructional activities, enrichment activities and/or social center activities to students.

Advisory Body: Initially, Disney II Magnet School will establish a transitional advisory body. Thereafter, a

Local School Council with voting boundaries will be established in a timely manner pursuant to 105 ILCS 5/34-2.1c.

Performance Plan: The operation and performance of Disney II Magnet School will be in accordance with a Performance Plan to be established pursuant the Renaissance Policy and approval by the Board. At a minimum, the Performance Plan will address student academic outcomes and financial and management practices of the school.

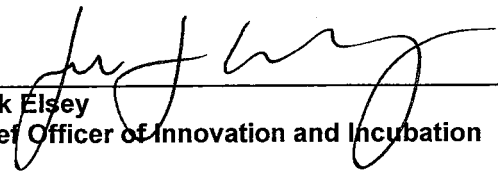

**CONTINGENT APPROVAL:** The establishment of this school by the Board and the entering into an evaluation performance plan is contingent upon the school design team meeting the benchmarks detailed by the Office of New Schools, including but not limited to accepting and preparing to open in the CPS facility that is offered to the Disney II design team. These benchmarks will be communicated to the school design team with all deadlines to be met by May 30, 2008. The Office of New Schools will oversee the enforcement of these deadlines; failure to meet these deadlines may, at the option of the Board, result in the rescission of the authority granted herein and the denial of the performance school application. The Chief Executive Officer or his designee will file a report, approved by the General Counsel as to legal form, indicating the CEO's final approval or denial of the performance school application and the satisfactory resolution of all material issues related to the formation of the school. The report will be filed with the Secretary of the Board on or before June 30, 2008. This final review will be conducted to determine compliance with the terms indicated above.

**FINANCIAL:** ~~Using current year financial data, the General Fund cost of 190 students in 2008-09 will be approximately \$766,050.00. The financial implications will be addressed during the development of the 2008-2009 fiscal year budget. Since the School Code of Illinois prohibits the incurring of any liability unless an appropriation has been previously made, expenditures beyond FY08 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budgets~~

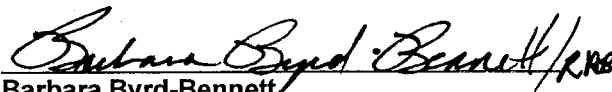

The Bureau of Student Transportation will provide transportation in the form of Chicago Transit Authority fare cards or travel reimbursements for parents and guardians of students who qualify for transportation under the magnet school policy. The financial implications incurred by the May 2013 amendments will be addressed during the development of the 2013-2014 fiscal year budget. Since the School Code of Illinois prohibits the incurring of any liability unless an appropriation has been previously made, expenditures beyond FY13 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budgets.

**PERSONNEL IMPLICATIONS:** As a Performance School, Disney II Magnet School will employ CPS teachers and staff. Performance Schools are subject to the collective bargaining agreements between CPS and the Chicago Teachers Union and other labor organizations, including the waiver provisions of those agreements.

**CLOSE KATE S. BUCKINGHAM SPECIAL EDUCATION CENTER****THE CHIEF EXECUTIVE OFFICER RECOMMENDS:**

That effective June 30, 2013, the Chicago Board of Education close Kate S. Buckingham Special Education Center (School ID 610280) ("Buckingham"), located at 9207 South Phillips Avenue, Chicago, Illinois, for space utilization reasons and reassign returning Buckingham students to Moses Montefiore Special Elementary School (School ID 610075) ("Montefiore"), located at 1310 South Ashland Avenue, Chicago, Illinois.

**DESCRIPTION:**

Pursuant to the Illinois School Code Sections 34-200 through 34-232 and the Chief Executive Officer's Guidelines for School Actions, the Chief Executive Officer ("CEO") of the Chicago Public Schools may recommend the closing of schools.

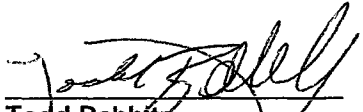

Pursuant to legal requirements, two community meetings were convened on April 6, 2013, and April 12, 2013, at Harlan High School, located at 9652 South Michigan Avenue, Chicago, Illinois, and a public hearing was convened on April 23, 2013, at 125 South Clark Street, Chicago, Illinois, following the issuance of proper notice. An independent hearing officer received oral and written comments and supporting documents at the hearing and kept the record open after the meeting to receive additional written comments or documentation. A transcript of the hearing and summaries of the community meetings have been provided to the Board. The hearing officer summarized comments and written documentation received and reported that the CEO's proposal did not meet the requirements of the law because the draft transition plan did not adequately address the safety impact of an increased commute on the students. The hearing officer exceeded the scope of her authority by failing to apply the law and Guidelines as promulgated. The law requires that the CEO include a draft transition plan with the notice of a proposal for a school action, which the CEO has done. The law states that the CEO prepares and implements a transition plan after the Board approves a school action. The CEO has considered the hearing officer's report regarding the impact of the longer commute and the feedback received through the public engagement process and has updated the draft transition plan accordingly. After receiving the hearing officer's report, the CEO has decided to recommend that the Board close Buckingham effective June 30, 2013, and reassign Buckingham's returning students to Montefiore.

**LSC IMPLICATIONS:** Buckingham's Local School Council will be dissolved effective June 30, 2013, upon the closing of Buckingham.

**FINANCIAL:** The financial implications associated with this school action will be addressed during the development of the fiscal year 2014 budget. Since the School Code of Illinois prohibits the incurring of any liability unless an appropriation has been previously made, expenditures beyond FY13 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budgets.

**CLOSE JOHN CALHOUN NORTH ELEMENTARY SCHOOL  
AND ADJUST THE ATTENDANCE AREA OF WILLA CATHER ELEMENTARY SCHOOL**

**THE CHIEF EXECUTIVE OFFICER RECOMMENDS:**

That effective June 30, 2013, the Chicago Board of Education close John Calhoun North Elementary School (School ID 610243) ("Calhoun"), located at 2833 West Adams Street, Chicago, Illinois, for space utilization reasons, reassign returning Calhoun students to Willa Cather Elementary School (School ID 610251) ("Cather"), located at 2908 West Washington Boulevard, Chicago, Illinois, and that the attendance area of Cather be adjusted to include the Calhoun attendance area.

**DESCRIPTION:**

Pursuant to the Illinois School Code Sections 34-200 through 34-232, the Chief Executive Officer's Guidelines for School Actions ("Guidelines"), and the Board of Education's Policy on the Review and Establishment of School Attendance Boundaries, 05-0622-PO1, the Chief Executive Officer ("CEO") of the Chicago Public Schools may recommend the closing of schools and the adjustment of school attendance boundaries.

Pursuant to legal requirements, two community meetings were convened on April 9, 2013, and April 13, 2013, at Raby High School, located at 3545 West Fulton Boulevard, Chicago, Illinois, and a public hearing was convened on April 16, 2013, at 125 South Clark Street, Chicago, Illinois, following the issuance of proper notice. An independent hearing officer received oral and written comments and supporting documents at the hearing and kept the record open after the meeting to receive additional written comments or documentation. A transcript of the hearing and summaries of the community meetings have been provided to the Board. The hearing officer summarized comments and written documentation received and reported that the CEO's proposal did not meet the requirements of the law and Guidelines because the CEO did not consider neighborhood development plans. The hearing officer exceeded the scope of her authority by reading the Guidelines to require the CEO to consider neighborhood development plans and in her conclusion that if neighborhood development plans had been considered, Calhoun would not have met the criteria for closure. Instead, the Guidelines lists neighborhood development plans as an item the CEO "may" consider, at her discretion and not doing so does not restrain the CEO's proposal. Further, there is no indication that Calhoun would fail to meet the closure criteria by virtue of any capacity considerations attendant to neighborhood development plans. After receiving the hearing officer's report, the CEO has decided to recommend that the Board close Calhoun effective June 30, 2013, reassign Calhoun's returning students to Cather, and assign Calhoun's attendance area to Cather.

**THE CHIEF EXECUTIVE OFFICER RECOMMENDS:**

That effective June 30, 2013, the Chicago Board of Education close Edward C. Delano Elementary School (School ID 609881) ("Delano"), located at 3937 West Wilcox Street, Chicago, Illinois, for space utilization reasons, reassign returning Delano students to Genevieve Melody Elementary School (School ID 610293) ("Melody"), located at 412 South Keeler Avenue, Chicago, Illinois, adjust the attendance area of Melody to include the Delano attendance area, adjust the attendance area of Helen M. Hefferan Elementary School (School ID 609985) ("Hefferan"), located at 4409 West Wilcox Street, Chicago, Illinois, to include a portion of the Melody attendance area, and relocate Melody to the site of the former Delano school.

**DESCRIPTION:**

Pursuant to the Illinois School Code Sections 34-200 through 34-232, the Chief Executive Officer's Guidelines for School Actions ("Guidelines"), and the Board of Education's Policy on the Review and Establishment of School Attendance Boundaries, 05-0622-PO1, the Chief Executive Officer ("CEO") of the Chicago Public Schools may recommend the closing of schools and the adjustment of school attendance boundaries.

Pursuant to legal requirements, two community meetings were convened on April 10, 2013, and April 15, 2013, at Raby High School, located at 3545 West Fulton Boulevard, Chicago, Illinois, and a public hearing was convened on April 29, 2013, at 125 South Clark Street, Chicago, Illinois, following the issuance of proper notice. An independent hearing officer received oral and written comments and supporting documents at the hearing and kept the record open after the meeting to receive additional written comments or documentation. A transcript of the hearing and summaries of the community meetings have been provided to the Board. The hearing officer summarized comments and written documentation received, but did not report whether the CEO's proposal met the requirements of the law. The hearing officer's report notes that the draft transition plan did not adequately address the academic performance of Delano and Melody. The law requires that the CEO include a draft transition plan identifying supports for affected students with the notice of a proposal for a school action, which the CEO has done. The law states that the CEO prepares and implements a transition plan after the Board approves a school action. The CEO has considered the hearing officer's report and the feedback received throughout the public engagement process and has updated the draft transition plan accordingly.

Further, pursuant to the Board of Education's Policy on the Review and Establishment of School Attendance Boundaries, 05-0622-PO1, an additional public hearing was held to discuss the attendance area boundary change. The meeting was held on May 14, 2013, at Manley High School, located at 2935 West Polk Street, Chicago, Illinois.

After receiving the hearing officer's report and holding the boundary change hearing, the CEO has decided to recommend that the Board close Delano effective June 30, 2013, reassign Delano's returning students to Melody, assign Delano's attendance area to Melody, assign a portion of Melody's attendance area to Hefferan, and relocate Melody to 3937 West Wilcox Street.

That effective June 30, 2013, the Chicago Board of Education close Mahalia Jackson Elementary School (School ID 610369) ("Jackson, M."), located at 917 West 88<sup>th</sup> Street, Chicago, Illinois, for space utilization reasons, reassign returning Jackson, M. students to Fort Dearborn Elementary School (School ID 609924) ("Fort Dearborn"), located at 9025 South Throop Street, Chicago, Illinois, and that the attendance areas of Fort Dearborn and Paul Cuffe Math-Science Technology Academy Elementary School (School ID 610003) ("Cuffe"), located at 8324 South Racine Avenue, Chicago, Illinois, be adjusted to include the Jackson, M. attendance area.

**DESCRIPTION:**

Pursuant to the Illinois School Code Sections 34-200 through 34-232, the Chief Executive Officer's Guidelines for School Actions ("Guidelines"), and the Board of Education's Policy on the Review and Establishment of School Attendance Boundaries, 05-0622-PO1, the Chief Executive Officer ("CEO") of the Chicago Public Schools may recommend the closing of schools and the adjustment of school attendance boundaries.

Pursuant to legal requirements, two community meetings were convened on April 8, 2013, and April 12, 2013, at Harper High School, located at 6520 South Wood Street, Chicago, Illinois, and a public hearing was convened on April 22, 2013, at 125 South Clark Street, Chicago, Illinois, following the issuance of proper notice. An independent hearing officer received oral and written comments and supporting documents at the hearing and kept the record open after the meeting to receive additional written comments or documentation. A transcript of the hearing and summaries of the community meetings have been provided to the Board. The hearing officer exceeded the scope of his authority by failing to apply the law and Guidelines as promulgated. The law requires that the CEO include a draft transition plan identifying supports for affected students with the notice of a proposal for a school action, which the CEO has done. The law states that the CEO prepares and implements a transition plan after the Board approves a school action. The CEO has considered the hearing officer's report and the feedback received throughout the public engagement process and has updated the draft transition plan accordingly.

Further, pursuant to the Board of Education's Policy on the Review and Establishment of School Attendance Boundaries, 05-0622-PO1, an additional public hearing was held to discuss the attendance area boundary change. The meeting was held on May 15, 2013, at Simeon High School, located at 8147 South Vincennes Avenue, Chicago, Illinois.

**THE CHIEF EXECUTIVE OFFICER RECOMMENDS:**

That effective June 30, 2013, the Chicago Board of Education close George Manierre Elementary School (School ID 610048) ("Manierre"), located at 1420 North Hudson Avenue, Chicago, Illinois, for space utilization reasons, reassign returning Manierre students to Edward Jenner Elementary Academy of the Arts (School ID 610012) ("Jenner"), located at 1119 North Cleveland Avenue, Chicago, Illinois, and that the attendance area of Jenner be adjusted to include the Manierre attendance area.

**DESCRIPTION:**

Pursuant to the Illinois School Code Sections 34-200 through 34-232, the Chief Executive Officer's Guidelines for School Actions ("Guidelines"), and the Board of Education's Policy on the Review and Establishment of School Attendance Boundaries, 05-0622-PO1, the Chief Executive Officer ("CEO") of the Chicago Public Schools may recommend the closing of schools and the adjustment of school attendance boundaries.

An independent hearing officer received oral and written comments and supporting documents at the hearing and kept the record open after the meeting to receive additional written comments or documentation. A transcript of the hearing and summaries of the community meetings have been provided to the Board. The hearing officer summarized comments and written documentation received and reported that the CEO's proposal did not meet the requirements of the law because (1) the unique circumstances of Manierre were not considered in the draft transition plan and (2) the CEO's documentation fails to support the proposal when taking into account space utilization, academic progress and performance, and safety. The hearing officer exceeded the scope of her authority by failing to apply the law and Guidelines as promulgated. The law requires that the CEO include a draft transition plan with the notice of a proposal for a school action, which the CEO has done. The law states that the CEO prepares and implements a transition plan after the Board approves a school action. Moreover, the CEO's documentation presented at the April 30, 2013 hearing supported the proposal. The CEO has considered the hearing officer's report and the feedback received through the public engagement process and has updated the draft transition plan accordingly. After receiving the hearing officer's report, the CEO has decided to recommend that the Board close Manierre effective June 30, 2013, reassign Manierre's returning students to Jenner, and assign Manierre's attendance area to Jenner.

**CLOSE ANTHONY OVERTON ELEMENTARY SCHOOL

**THE CHIEF EXECUTIVE OFFICER RECOMMENDS:**

That effective June 30, 2013, the Chicago Board of Education close Anthony Overton Elementary School (School ID 610277) ("Overton"), located at 221 East 49<sup>th</sup> Street, Chicago, Illinois, for space utilization reasons, reassign returning Overton students to Irvin C. Mollison Elementary School (School ID 610276) ("Mollison"), located at 4415 South King Drive, Chicago, Illinois, and that the attendance areas of Mollison and Edmund Burke Elementary School (School ID 609819) ("Burke"), located at 5356 South King Drive, Chicago, Illinois, be adjusted to include the Overton attendance area.

**DESCRIPTION:**

Pursuant to the Illinois School Code Sections 34-200 through 34-232, the Chief Executive Officer's Guidelines for School Actions ("Guidelines"), and the Board of Education's Policy on the Review and Establishment of School Attendance Boundaries, 05-0622-PO1, the Chief Executive Officer ("CEO") of the Chicago Public Schools may recommend the closing of schools and the adjustment of school attendance boundaries.

Pursuant to legal requirements, two community meetings were convened on April 8, 2013, and April 12, 2013, at Dunbar High School, located at 3000 South King Drive, Chicago, Illinois, and a public hearing was convened on April 19, 2013, at 125 South Clark Street, Chicago, Illinois, following the issuance of proper notice. An independent hearing officer received oral and written comments and supporting documents at the hearing and kept the record open after the meeting to receive additional written comments or documentation. A transcript of the hearing, along with the supportive documents and summaries of the community meetings have been provided to the Board. The hearing officer summarized comments and written documentation received and reported that the CEO's proposal did not meet the requirements of the law because he determined that Mollison was not a higher performing school for the purpose of school action, despite his acknowledgement that "technically and mathematically" Mollison is "a higher-performing school". The hearing officer exceeded the scope of his authority by failing to adhere to the specific definition of "higher performing" outlined in the Guidelines. The CEO's proposal is compliant as Mollison is a higher performing school as defined by the Guidelines. After receiving the hearing officer's report, the CEO has decided to recommend that the Board close Overton effective June 30, 2013, reassign Overton's returning students to Mollison, and assign Overton's attendance area to Mollison and Burke.

Further, pursuant to the Board of Education's Policy on the Review and Establishment of School Attendance Boundaries, 05-0622-PO1, an additional public hearing was held to discuss the attendance area boundary change. **DESCRIPTION:**

Pursuant to the Illinois School Code Sections 34-200 through 34-232 and the Chief Executive Officer's Guidelines for School Actions, the Chief Executive Officer ("CEO") of the Chicago Public Schools may recommend the closing of schools and the adjustment of school attendance boundaries.

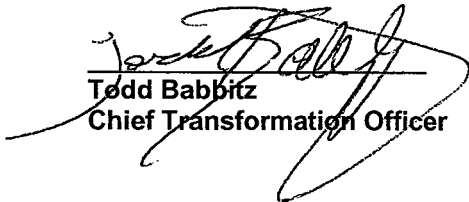

Pursuant to legal requirements, two community meetings were convened on April 10, 2013, and April 15, 2013, at Dunbar High School, located at 3000 South King Drive, Chicago, Illinois, and a public hearing was convened on April 26, 2013, at 125 South Clark Street, Chicago, Illinois, following the issuance of proper notice. **LSC IMPLICATIONS:** Williams ES's Appointed Local School Council will be dissolved effective June 30, 2013, upon the closing of Williams ES.

**THE CHIEF EXECUTIVE OFFICER RECOMMENDS:**

That effective June 30, 2013, the Chicago Board of Education ("Board") approve the reconstitution of Isabelle C. O'Keeffe (School ID 610103) ("O'Keeffe"), located at 6940 South Merrill Avenue, Chicago, Illinois, and remove and replace the staff, including the principal.

**STATUTORY AUTHORITY:** Pursuant to Section 5/34-8.3(d) of the Illinois School Code, 105 ILCS 5/34-8.3(d), and following the opportunity for a public hearing, the Chief Executive Officer ("CEO") of the Chicago Public Schools may recommend the reconstitution of a school on probation for at least one year and after failing to make adequate progress in correcting deficiencies.

**PROCEDURAL HISTORY:** On or about March 21, 2013, the CEO gave written notice of her proposal to reconstitute O'Keeffe in accordance with Section 5/34-8.3(d) of the Illinois School Code to:

- (a) the parents of O'Keeffe students;
- (b) the O'Keeffe staff; and
- (c) O'Keeffe's Local School Council members.

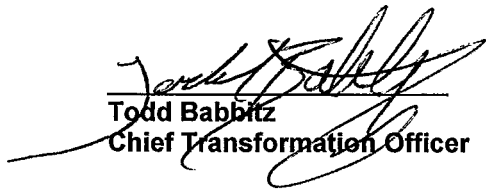

Beginning on March 21, 2013, the CEO's designee published notice of the public hearing regarding the proposal to reconstitute O'Keeffe on the district website. The public hearing was scheduled for May 1, 2013, at 8:00 p.m. at 125 South Clark Street, 5<sup>th</sup> Floor, Chicago, Illinois.

On May 1, 2013, the appointed hearing officer, Margaret Fitzpatrick, Esq., convened the public hearing to receive public comment on the proposal to reconstitute O'Keeffe. The hearing officer received oral and written comments and supporting documents at the hearing and kept the record open after the hearing to receive additional written comments or documentation. The hearing officer's report and a transcript of the hearing has been provided to the Board. The hearing officer reported that the CEO's proposal met the requirements of Section 5/34-8.3(d) of the Illinois School Code, 105 ILCS 5/34-8.3(d), summarized comments and written documentation received, and recommended that the Board approve the CEO's proposal to reconstitute O'Keeffe. After receiving the hearing officer's report, the CEO has decided to recommend that the Board reconstitute O'Keeffe effective June 30, 2013.

**LSC IMPLICATIONS:** As O'Keeffe will remain on probation after its reconstitution, the powers and duties of the O'Keeffe Local School Council with respect to the School Improvement Plan and School Expenditure Plan will remain the same after reconstitution. As the result of the removal and replacement of the current principal pursuant to section 5/34-8.3(d) of the Illinois School Code, the O'Keeffe Local School Council will not have authority to select a new four-year contract principal until the school is removed from probation pursuant to Section VII of the Board's School Performance, Remediation and Probation Policy, or any successor policy on school probation.

**PERSONNEL IMPLICATIONS:** Pursuant to 105 ILCS 5/34-8.3(d)(4), all O'Keeffe employees, including the principal, will be removed and replaced in accordance with Board policies and any applicable collective bargaining agreements.

**DESCRIPTION:** The Charter Schools Law (105 ILCS 5/27A-1 et seq., as amended) provides that up to 70 charter schools may be operated in the city of Chicago. Proposals to operate charter schools are submitted to the Board for evaluation pursuant to the standards set forth in 105 ILCS 5/27A-8, and the Board convenes a public meeting to obtain information to assist in its decision to grant or deny each proposal and report its action to the Illinois State Board of Education. The State Board determines whether the approved charter school proposal and the proposed contract satisfy the provisions of the Charter Schools Law and, if so, certifies the charter school. This school operated as an existing public school during the 2008-2009, 2009-2010 and 2010-2011 school years (Board Report 07-1024-EX14). This proposal to convert a public school to charter school status is consistent with Section 27A-8(b) of the Illinois Charter Schools Law.

**CHARTER APPLICATION PROPOSAL:** The Kwame Nkrumah Academy Charter School (Kwame Nkrumah Academy) proposal was submitted by Kwame Nkrumah Academy, Inc. and received by the Board in August 2010. The Kwame Nkrumah Academy aims to be a global model of African-centered teaching and learning, a center and community of academic excellence and uncompromised expression. Kwame Nkrumah Academy will equip students with a strong sense of personal identity, requisite ethical

moorings, and academic and leadership skills to prepare them for participation in the global community of the 21<sup>st</sup> Century. The curriculum of the Kwame Nkrumah Academy will focus on discipline and measured instructional outcomes, and include the use of age-appropriate global scholar mentorships, community-based experiential learning, exploration dialogue with diverse peers, language immersion and exchange programs. The school is slated to open in the fall of 2011 serving 201 students in grades K-4. At capacity, the school will serve 421 students in grades K-8. The school will be located at 901 E. 95<sup>th</sup> Street 8524 S. Green Street. Public hearings on charter school submissions submitted in 2010, as required by statute, were held on December 13, 2010 and January 18, 2011.

In March 2013, the CEO recommended to the Board that the CPS facility at 8524 South Green Street be identified as the location of the Kwame Nkrumah Academy Charter School. This site will require that the Kwame Nkrumah Academy Charter School share its facility with Walter Q. Gresham Elementary School. The two schools will share their facility in accordance with the Board's Shared Facility Policy, 05-0126-PO1.

A public hearing on the proposed co-location was held on May 7, 2013 at Board Chambers, 125 South Clark, 5<sup>th</sup> floor. The hearing was recorded and a summary report is available for review.

**TERM:** The term of the Kwame Nkrumah Academy charter and agreement shall commence July 1, 2011 and end June 30, 2016.

**AUTHORIZATION:** Authorize the General Counsel to include relevant terms and conditions, including any indemnities to be provided to the charter school, in the written Charter School Agreement and amendment, which shall reflect resolution of any and all outstanding issues between the Board and the governing body of the charter school including, but not limited to: site location, enrollment, educational program, financial controls and practices, academic accountability and evaluations. Authorize the President and Secretary to execute the written Charter School Agreement and amendment. Authorize the Executive Director Officer of the Office of New Schools and Innovative Models to issue a letter notifying the Illinois State Board of Education of the action(s) approved hereunder and to submit the approved proposal and signed Charter School Agreement to the Illinois State Board of Education for certification.

**LSC REVIEW:** Approval of Local School Council is not applicable to this report.

**AFFIRMATIVE ACTION:** Not applicable.

**FINANCIAL:** The financial implications will be addressed during the development of the 2011-2012 fiscal year budget. Since the School Code of Illinois prohibits the incurring of any liability unless an appropriation has been previously made, expenditures beyond FY12 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budgets.

**GENERAL CONDITIONS:**

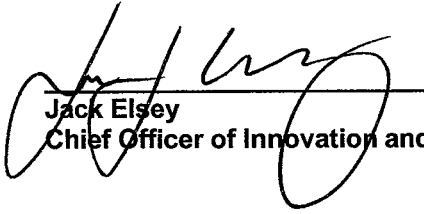

Inspector General - Each Party to the agreement shall acknowledge that, in accordance with 105 ILCS 5/34-13.1, the Inspector General of the Board of Education has the authority to conduct certain investigations and that the Inspector General shall have access to all information and personnel necessary to conduct those investigations.

Indebtedness - The Board's indebtedness Policy adopted June 26, 2006 (96-0626-P03), as amended from time to time, shall be incorporated into and made a part of the agreement.

**CHARTER APPLICATION PROPOSAL:** The Montessori School of Englewood Charter (the Montessori School) proposal was submitted by The Montessori Network, Inc. and received by the Board in August 2010. The Montessori School's mission is to prepare a new generation of students for lifelong academic, personal, and professional success through a rigorous, tuition-free K-6 Montessori education. The Montessori Method will encourage them to graduate from high school and college, fostering aspiration to

excellence and cultivating personal commitment to a peaceful and sustainable global community. The Montessori classroom maximizes the development and capabilities of the individual student through a combination of instructional strategies: developmentally based hands-on materials and instructional methods, multi-sensory education, project-based learning, Socratic dialogue, individualized instruction, student choice, social justice education, a focus on relationships, and culturally responsive teaching. The Montessori School will ignite the minds and illuminate the hearts of its students. The school is slated to open in the fall of 2012 serving 90 students in grades K-1. At capacity, the school will serve 300 students in grades K-5. The school will be located at ~~7033 S. Honore~~ 6550 S. Seeley. This site will require that The Montessori School of Englewood Charter share its facility with Luke O'Toole Elementary School. The two schools will share their facility in accordance with the Board's Shared Facility Policy, 05-0126-PO1.

A public hearing on the proposed co-location was held on May 7, 2013 at Board Chambers, 125 South Clark, 5<sup>th</sup> floor. The hearing was recorded and a summary report is available for review.

**CONTINGENT APPROVAL:** The granting of a charter by the Board and the entering into a Charter School Agreement is contingent upon the school operator meeting benchmarks detailed by the Office of New Schools including, but not limited to, obtaining the financing for, and the completion of, the renovations to the independent facility at the school site. These benchmarks will be communicated to the school operator in a formal Letter of Conditions with all deadlines to be met by January 15, 2012. The Office of New Schools will oversee the enforcement of these deadlines; failure to meet these deadlines may, at the option of the Board, result in the rescission of the authority granted herein and the denial of the charter school proposal. A final review of the charter school proposal will be conducted by the Chief Executive Officer. The Chief Executive Officer or his designee will file a report indicating the CEO's final approval or denial of the charter school proposal and satisfactory resolution of all material issues related to the formation of the school. The report will be filed with the Secretary of the Board on or before February 15, 2012. This final review will be conducted to determine compliance with the terms indicated above.

**AFFIRMATIVE ACTION:** Not applicable.

This March 2009 amendment is necessary to authorize the Noble Network of Charter Schools to identify a location for the Chicago Bulls College Prep Campus at 2040 W. Adams. The CEO asks that the Board grant a waiver from the Charter School Capital and Facility Budget Policy, 08-0326-PO1 as the notice to use this location was only five days late due to the need to finalize details related to renovations costs and present accurate data. The agreement authorized herein will only take effect upon certification by the Illinois State Board of Education.

The authority granted herein shall automatically rescind in the event a written Charter School Agreement is not executed within 120 days of the date of this Board Report. The agreement authorized herein will only take effect upon certification by the Illinois State Board of Education.

This August 2009 amendment is necessary to (a) approve the withdrawal of the Noble Street Charter School – Bain NUSH Grammar School Campus proposal, (b) decrease the overall at capacity enrollment of the charter school by 600 to 5,396, and (c) correct the address of the Noble Street Charter School – Golder College Prep Campus. The authority granted herein shall automatically rescind in the event a written amendment to the Charter School Agreement is not executed by the Board and the charter school's governing board within 120 days of the date of this Board Report. The amended agreement authorized herein will only take effect upon certification by the Illinois State Board of Education.

This November 2009 amendment is necessary to authorize the Noble Network of Charter Schools to (a) establish a new campus in the fall of 2010 to be located at 6350 S. enrollment of 750 and (b) increase the overall at capacity enrollment of the charter by 151 students to 6,147 students. The amended agreement authorized herein will only take effect upon certification by the Illinois State Board of Education.

This September 2010 amendment is necessary to approve changing the name of the Noble Street Charter School – Englewood Campus to the Noble Street Charter School – John and Eunice Johnson College Prep Campus. **CONTINGENT APPROVAL:** Approval to open two new high school campuses in the fall of 2012 and two new high school campuses in the fall of 2013 and the execution of the amendments to the Charter School Agreement are contingent upon a final review and approval of the new high school proposals, an assessment of the District's need for these charter school campuses based upon demographics and student demands, evidence of community support, any required subsequent public hearings, and Board approval of the proposed school sites. Approval of the 2012 and 2013 campuses is also contingent upon the school operator meeting benchmarks established by the Office of Innovation and Incubation. These benchmarks will be communicated to the school operator in a formal Letter of Conditions with all deadlines to be met by March 15, 2012 for 2012 campuses, and March 15, 2013 for 2013 campuses. The Office of Innovation and Incubation will oversee the enforcement of these deadlines; failure to meet these deadlines may, at the option of the Board, result in the rescission of the authority granted herein and the denial of the approval to open these new campuses. A final review of these new campus proposals will be conducted by the Chief Executive Officer on or before April 15,

2012 for 2012 campuses, and April 15, 2013 for 2013 campuses to determine final approval or denial of the new campus proposals. The CEO's recommendation to approve the new high school campuses will be subject to Board approval as indicated by subsequent amendments to this Board Report.

All sites for the 2012 and 2013 campuses must be located in high need or overcrowded communities.

**CHARTER EVALUATION:** After receiving the charter renewal proposal, the Office of New Schools conducted a comprehensive evaluation of Noble Street's performance and operations. This evaluation included a review of the proposal, facilities surveys, financial analysis, and academic site visits of the seven campuses in which teaching and learning, leadership and governance, learning communities and services provided to English Language Learners and students with special needs were assessed. A public hearing was conducted on December 4, 2008 to receive public comment on the application to renew the Charter School Agreement with Noble Network of Charter Schools for an additional five years. There was no public testimony, oral or written, from anyone in opposition of the renewal of Noble Network of Charter Schools. Since 2004-2005, the charter school's attendance rate has exceeded 94%. In 2007-2008, zero percent of students at the Noble Street campuses dropped out of school. While Noble Street experienced a slight decline in the percent of students meeting/exceeding state standards on the PSAE Composite, Noble Street's average ACT Composite score has stayed above an 18. In 2007-2008, Noble Street's graduation rate (88.2%) ranked in the top 20 percent of district high schools. From 2004-2005 to 2007-2008, Noble Street received 37 out of 49 high ratings and 10 out of 49 middle ratings on their absolute student indicators found in the framework put forth by the district for assessing charter school pupil performance. The percentage of high ratings has increased over time. Looking across all of the school performance indicators, Noble Street Charter School can be categorized as "Making Reasonable Progress" toward achieving pupil performance standards using the framework put forth by the district for assessing charter school pupil performance.

**RENEWAL TERM:** The term of the Noble Network of Charter Schools' charter agreement is being extended for a five (5) year term commencing July 1, 2009 and ending June 30, 2014. The renewal agreement will incorporate specific conditions to be fulfilled by the charter holder and the specific timeframes in which they must be fulfilled.

**AUTHORIZATION:** Authorize the General Counsel to include relevant terms and conditions, including any indemnities to be provided to the charter school, in the written Charter School Agreement and amendment, which shall reflect resolution of any and all outstanding issues between the Board and the governing body of the charter school including, but not limited to: site location, enrollment, funding, educational program, financial controls and practices, academic accountability and evaluations. Authorize the President and Secretary to execute the written Charter School Agreement and amendment. Authorize the ~~Interim~~ Executive Director of the Office of New Schools and Innovative Models to issue a letter notifying the Illinois State Board of Education of the action (s) approved hereunder and to submit the approved proposal and signed amended and restated Charter School Agreement to the Illinois State Board of Education for certification.

**LSC REVIEW:** Approval of Local School Councils is not applicable to this report.

**FINANCIAL:** The financial implications will be addressed during the development of the 2012-2013 and 2013-2014 fiscal year budgets. Since the School Code of Illinois prohibits the incurring of any liability unless an appropriation has been previously made, expenditures beyond FY12 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budgets. The cost of 169 additional students in 2012-2013 will be approximately \$1,240,629. These budget figures are based on the revised per pupil funding amounts for FY12.

**GENERAL CONDITIONS:**

Inspector General - Each Party to the agreement shall acknowledge that, in accordance with 105 ILCS 5/34-13.1, the Inspector General of the Board of Education has the authority to conduct certain investigations and that the Inspector General shall have access to all information and personnel necessary to conduct those investigations.

The Charter School Agreement authorized the operation of a single facility charter school focusing on communications and technology for students in grades 7-12 with enrollment not to exceed 450 students. The charter and Charter School Agreement were subsequently amended as follows:

- Board Report 07-0822-EX9: Approved a change of the address of the charter school to 2908 W. Washington, Chicago, IL 60612 for the 2007 – 2008 school year only.
- Board Report 08-0827-EX6: Approved a relocation of the charter school to its original location at 4319 W. Washington, Chicago, IL 60624.
- Board Report 09-0527-EX3: Approved the addition of a sixth grade to the current grade structure at the charter school for the beginning of the 2010-2011 school year.
- Board Report 10-0127-EX3: Approved ACT Charter School's request to not add a sixth grade to the current grade structure at the charter school for the beginning of the 2010-2011 school year.
- Board Report 10-0526-EX4: Approved ACT Charter School's request to voluntarily suspend its educational services after the 2009-2010 school year for a period of no more than 2 years. To remove suspension of charter status, ACT Charter School was required to notify the Office of New Schools of its intent to reinstate educational services by submitting a proposal that outlined the educational, financial and operational practices of the charter school. The proposal had to be submitted in accordance with the timelines established by the Office of New Schools through the new schools selection process or within six months of the anticipated date of reinstatement of educational services by the charter school. This proposal required Board approval prior to the reinstatement of educational services at ACT Charter School.
- Board Report 12-0328-EX9: Approved 4837 W. Erie Street as the new location of the Academy of Communications and Technology Charter School.

**CHARTER RENEWAL PROPOSAL:** The ACT Charter School submitted a material modification and renewal proposal on November 2, 2011, to reinstate the operation of the ACT Charter School under a mission to provide a college-preparatory education to urban youth empowering them to take their place in society as competent, confident, creative and compassionate citizens of the world. This renewal proposal requests to enter into a new five-year charter agreement and to change the grades served from grades 7-12 to grades 5-8 and to allow KIPP Chicago to manage the operations of the school starting in the fall of 2012. The ACT Charter School will resume services in the fall of 2012, serving 90 students in grade 5. The school will add a grade each year until reaching full capacity in the 2015-2016 school year, serving a maximum of 360 students in grades 5-8.

ACT Charter School entered into a multi-year educational management agreement with KIPP Chicago to provide comprehensive school management services at the charter school beginning in the fall of 2012.

The agreement incorporates an accountability plan in which the school is evaluated by the Board each year based on numerous factors related to academic, financial and operational performance.

In February 2012, the Board proposed a new location for ACT Charter School. ACT Charter School shall be located at 4837 W. Erie Street beginning with the 2012-2013 school year. A public hearing for the proposed location was held on Thursday, March 15, 2012. The hearing was recorded and a summary report is available for review.

This site will require that the ACT Charter School share its facility with the Henry H. Nash Elementary School. The two schools will share their facility in accordance with the Board's Shared Facility Policy, 05-0126-PO1.

In February 2013, ACT submitted a proposal to (a) change the charter school name from Academy of Communications Charter School to KIPP Chicago Charter Schools, (b) correct the existing address for the charter school which is located at the Nash Annex from 4837 W. Erie to 4818 W. Ohio, (c) authorize the original charter campus at 4818 W. Ohio to be named the KIPP Create Campus, and (d) change the existing name of the school operator from Academy of Communications and Technology Charter to KIPP Chicago Schools. The governing boards of Academy of Communications and Technology Charter School and KIPP Chicago Schools will merge to become one charter school operator to be named KIPP Chicago Schools.

The elementary school campus named KIPP Bloom Campus is also expected to open in the fall of 2013 at a facility to be determined, serving 90 students in grade 5. In successive years, that campus will add one grade per year until reaching an at capacity enrollment of 360 students in grades 5 through 8. The overall at capacity enrollment of the whole charter school will increase by 360 to 720 students for the fall of 2013. An elementary campus is expected to open in the fall of 2014 at a facility to be determined, serving 150 students in grade K. In successive years, that campus will add one grade per year until reaching an at capacity enrollment of 540 students in grades K through 4. The overall at capacity enrollment of the whole charter school will increase by 540 to 1,260 students for the fall of 2014. A public hearing on the proposed changes was held on April 15, 2013. The hearing was recorded and a summary report is available for review.

In March 2013, the CEO recommended to the Board that the CPS facility at 5515 South Lowe be identified as the location of the KIPP Chicago Charter Schools – KIPP Bloom Campus that is scheduled to open in the fall of 2013. This site will require that the KIPP Chicago Charter Schools – KIPP Bloom Campus share its facility with Hope College Preparatory High School. The two schools will share their facility in accordance with the Board's Shared Facility Policy, 05-0126-PO1.

A public hearing on the proposed co-location was held on May 7, 2013 at Board Chambers, 125 South Clark, 5<sup>th</sup> floor. The hearing was recorded and a summary report is available for review.

Campus Name	Year Opened	Address	At Capacity Grades	2012-13 enrollment	At Capacity Enrollment
KIPP Create	2012	4818 West Ohio	5 – 8	81	360
KIPP Bloom	2013	TBD-5515 South Lowe	5 – 8	90 (in 2013-2014)	360

**CHARTER EVALUATION:** In May 2011, the Charter School Agreement was amended to voluntarily suspend the charter and the agreement effective June 30, 2010 for a period of no more than two years (10-0526-EX4). In accordance with that amendment, ACT Charter School was required to submit a proposal outlining the educational, financial, and operational practices to be put in place in order to reinstate the charter and agreement in accordance with the timelines established by the Office of New Schools through the new schools selection process or within six months prior to the resumption of educational services. On November 2, 2011, ACT Charter School submitted a proposal to enter into an agreement with KIPP Chicago to manage the operations of the school starting in the fall of 2012. The Portfolio Office reviewed the plans included in the proposal to improve the academic performance and operations of the ACT Charter School. A public hearing was conducted on Wednesday, January 11, 2012 to receive public comment on the application to renew the Charter School Agreement with ACT Charter School for an additional five years.

**RENEWAL TERM:** The term of ACT Charter School's charter and agreement is being extended, subject to resolving outstanding issues including finalization of a facility to house the school, for a five (5) year term commencing July 1, 2012 and ending June 30, 2017.

**AUTHORIZATION:** Authorize the General Counsel to include relevant terms and conditions, including any indemnities to be provided to the charter school, in the written Charter School Agreement and amendment, which shall reflect resolution of any and all outstanding issues between the Board and the governing body of the charter school including, but not limited to: site location, enrollment, funding, educational program, financial controls and practices, academic accountability and evaluations. Authorize the President and Secretary to execute the written Charter School Agreement and amendment. Authorize the Executive Director of the Office of New Schools and Innovative Models to issue a letter notifying the Illinois State Board of Education of the action(s) approved hereunder and to submit the approved proposal and signed Charter School Agreement to the Illinois State Board of Education for certification.

**LSC REVIEW:** Approval of Local School Councils is not applicable to this report.

**FINANCIAL:** The financial implications will be addressed during the development of the 2012-2013 fiscal year budget. Since the School Code of Illinois prohibits the incurring of any liability unless an appropriation has been previously made, expenditures beyond FY12 are deemed to be contingent liabilities only, subject to appropriation in subsequent fiscal year budgets.

**GENERAL CONDITIONS:**

Conflicts - The agreement shall not be legally binding on the Board if entered into in violation of the Provisions of 105 ILCS 5/34-21.3, which restricts the employment of, or the letting of contracts to, former Board members during the one-year period following expiration or other termination of their

**ADJUST THE ATTENDANCE BOUNDARIES OF THURGOOD MARSHALL MIDDLE SCHOOL AND  
AMES MIDDLE SCHOOL**

**THE CHIEF EXECUTIVE OFFICER RECOMMENDS:**

That effective June 30, 2013, the Chicago Board of Education adjust the attendance boundaries of Thurgood Marshall Middle School (School ID 610321) ("Marshall Middle"), located at 3900 North Lawndale Avenue, Chicago, Illinois, and Ames Middle School (School ID 609780) ("Ames"), located at 1920 North Hamlin Avenue, Chicago, Illinois.

**DESCRIPTION:**

These changes are recommended to ensure efficient utilization of the Marshall Middle facility for both the seventh through twelfth grade expansion of Disney II and Marshall Middle school, a proposed co-location under consideration in a separate proposal. Currently, Marshall Middle is the seventh and eighth grade neighborhood attendance boundary school for students residing in the Kindergarten through sixth grade attendance boundaries of both Barry and Falconer. If approved, this authorization would establish Ames as the seventh and eighth grade neighborhood attendance boundary school for those students. Students currently enrolled in Barry, Falconer, Marshall Middle, and Ames will not be required to transfer schools as a result of the proposed attendance boundary change.

Pursuant to the Board of Education's Policy on the Review and Establishment of School Attendance Boundaries, 05-0622-PO1, a community meeting was held on April 15, 2013, at Schurz High School, located at 3601 North Milwaukee Avenue.
