

Sec. 6-32. Change of an Attendance Center's Local School Council Election Date. The Chief Executive Officer may recommend to the Board a change in the date of the next biennial Local School Council election for an attendance center from second semester report card pick-up day to first semester report card pick-up day. The Chief Executive Officer may recommend such a modification if changing the date would facilitate greater participation in the election, as either candidates or electors, by the parents and community residents who would be eligible to vote for and serve on a particular Local School Council on and after the new election date.

That determination may be based upon an imminent and significant change, increase or decrease in the populations of parents and/or community residents eligible to serve on, and who would be served by, a particular Local School Council. The circumstances which may be considered in determining the existence of such changes, increases or decreases may include, but shall not be limited to:

1. An imminent and significant change in the composition of the student population eligible to attend the attendance center;
2. An imminent and significant increase in the size of the student population eligible to attend the attendance center, such as occurs when existing schools are consolidated or a new school is opened, either in total or in stages;
3. An imminent and significant decrease in the size of the student population eligible to attend the attendance center;
4. An imminent and significant change in the attendance center's attendance boundaries or, where applicable, Local School Council voting boundaries, such as a significant expansion or contraction of the boundaries;
5. An imminent and significant expansion of the attendance center's attendance boundaries, or, where applicable, Local School Council voting boundaries, such as occurs when existing schools are consolidated;
6. An imminent and significant contraction of the attendance center's attendance boundaries, or, where applicable, Local School Council voting boundaries;
7. A change in the attendance center's grade structure or any other circumstance that would deny the parents or legal guardians of students eligible to attend the attendance center in the next Fall Term all opportunity to participate, as their candidates or electors, in any Local School Council election for the attendance center during the period of students' anticipated enrollment in the attendance center.

The Board may adopt the Chief Executive Officer's recommendation pursuant to

its authority under Sections 5/34-2.1(n) and 5/34-18 of the Illinois School Code, respectively, to conduct fair and impartial Local School Council elections and to exercise general supervision and jurisdiction over the Chicago Public Schools. 105 ILCS 5/34-2.1(n); 5/34-18. If the Board adopts the Chief Executive Officer's recommendation, all subsequent Local School Council elections for the attendance center may be held on the same date every two years thereafter.
