****NOTE:** Mr. Sotelo joined the meeting at approximately 12:36 p.m.

President del Valle made the following remarks:

Today the Board is tasked with voting to approve a new Chief Executive Officer, Mr. Pedro
Martinez. As you know, the process by which he was selected was by far the most inclusive and
transparent CEO hiring process we've ever seen in Chicago. I want to personally thank all of the
students, parents, teachers, principals, community members and Board Members who helped to
inform this process.

Mr. Martinez's personal story mimics that of many of our CPS students. As a matter of fact,
his personal story is very, very similar to mine. An immigrant from Mexico, he came to the U.S. at 5
years old and lived in Pilsen. He graduated from Benito Juarez High School. The oldest of 12
children, he was the first in his family to graduate from college. He knew he wanted to dedicate his
life to education and, in fact, served as CPS's Chief Financial Officer from 2003 to 2009. Currently
he serves as CEO of the San Antonio Independent School District in Texas where he's been very
successful.

I'm excited for the experience and passion he brings to this position and also for the
investment he has here in Chicago and in the Chicago Public School System. He has close to 30
nieces and nephews currently attending CPS schools. He has siblings who are teachers in CPS.
He will be fully invested in making CPS the strongest possible school district, and I'm excited to
see what new approaches and ideas he will bring with him.

And while I'm excited about this new chapter, it does mean we are saying farewell to Dr.
Torres. Dr. Torres, thank you so much for your service over these last three months. Fresh off
retirement, you stepped into a job that is highly stressful even at the best of times. With COVID it's
been even more challenging than usual. The Board and the city greatly appreciate your
willingness to step up to the challenge and your focus on having a successful school opening. We
wish you all the best going forward and hope that your retirement is everything you that you hoped
it would be before we disrupted it. And I really mean that. You stepped up at a time when it was – it
would have been very difficult for us to find someone to come in as interim, and we were fortunate
to find you and for you to respond to our request to fill in. And we were fortunate because of your

knowledge of CPS, having worked at CPS, and because of your experience with the large school district in Elgin, but most of all because of your commitment to the children, to the students of the City of Chicago.

You have a lot of heart, and you demonstrated that time and time again. And so I really do appreciate it. On behalf of the Board, I want to thank you for your service. And after this maybe you can go back being by that palm tree in Puerto Rico that you mentioned early on you were under when you got the call from us. So thank you very much.

While including traditional safety and police assistance for the school community, the SRO job description includes and emphasizes the duties that provide for a safe school environment and promote productive and positive community/police relationships and interactions. SROs shall be uniformed and carry standard equipment.

Eligibility and Selection Process. SRO candidates will be placed at a school through an eligibility and selection process. CPD will recommend a candidate(s) for placement at a school. The principal may interview the candidates. The principal has the right to reject the candidate and ask for other candidates. CPD will create an eligibility list of SRO candidates for possible placement at a school based on predefined eligibility criteria, including an excellent disciplinary history and interview by CPD Chief of Bureau Operations.

Training. SROs are required to undergo training through the National Association of School Resource Officers (NASRO) courses or replacement training approved by the federal monitor. SRO's will also undergo CPS training on: restorative practices; CPS Student Code of Conduct; youth development; disability and special education issues; youth crisis intervention; implicit racial bias; interaction with specific student groups such as limited English proficiency, LGBTQIA, homeless students and sensitivity around immigrant student situations, as well as annual refresher training.

SROs will call in to dispatch all emergency situations to protect all CPS students, school personnel or others who are present on school property and, in non-criminal acts, reference the CPS Student Code of Conduct to determine, in consultation with school administrators, including for matters within its purview, the CPS Office of Student Protections and Title IX, if the situation can be handled through Board student disciplinary processes.

SROs shall have no involvement in school disciplinary actions or processes and shall ensure that no other CPD officers are requested to intervene in school disciplinary actions.

SROs will coordinate with school administration and the CPS Office of School Safety and Security personnel in problem solving exercises and emergency drills. SROs will participate in any training of CPS emergency drills, including active shooter response. SROs' actions shall always minimize any disruption to the school's normal operations.

SROs shall work with school administrators to make reasonable attempts to reach students' parents or guardians prior to any action by a CPD officer involving a student on school grounds. Nothing herein limits the authority of any SRO to perform his/her duties, as provided by ordinance and statute.

SROs shall notify their immediate supervisor and/or Commander of inappropriate situations where they are asked by school administrators, teachers and other staff to intervene in student situations that involve mere school disciplinary actions.

SROs and school administrators shall develop plans and strategies to prevent and/or minimize dangerous situations. SROs shall share information with the school administrators about persons and conditions that pertain to campus safety concerns.

SROs shall be a resource for students which will enable them to be associated with a law enforcement figure and role model in the students' environment.

SROs can participate in meetings with school administration upon notification and approval of the SRO's immediate supervisor or Commander.

SROs must have knowledge of the CPS Student Code of Conduct and CPS disciplinary procedures.

SROs will follow the Reciprocal Reporting Systems Agreement between Chicago Public Schools and the Chicago Police Department, as said agreement may be amended from time to time, regarding any arrests made pursuant to this Agreement.

SROs shall maintain daily reports on all crimes and arrests committed by any persons at CPS schools, whether a student, staff or otherwise.
